“(3)(a) If for any reason the certification of a self-insured employer or self-insured employer group is canceled or terminated, the surety bond or other security deposited with the director must remain on deposit or in effect, as the case may be, for a period of at least 62 months after the employer ceases to be a self-insured employer, unless the director accepts in lieu of the surety bond or other security a policy of paid-up insurance approved by the director. A surety bond or other security that remains on deposit or in effect must be maintained in an amount necessary to secure the outstanding and contingent liability arising from the accidental injuries secured by the surety bond or other security and to ensure the payment of claims for aggravation and claims arising under ORS 656.278 based on those accidental injuries. If the surety bond or other security remains on deposit or in effect at the expiration of the 62-month period, or of another period the director may consider proper, the director may accept in lieu of the surety bond or other security deposited with the director a policy of paid-up insurance in a form approved by the director.”.
