House Bill 3174

Sponsored by Representative LEIF, Senator HEARD

SUMMARY

The following summary is not prepared by the sponsors of the measure and is not a part of the body thereof subject to consideration by the Legislative Assembly. It is an editor’s brief statement of the essential features of the measure as introduced.

Directs Public Utility Commission to require electricity or natural gas utility to provide analog meter option for residential customers.

A BILL FOR AN ACT

Relating to utility meters.

Be It Enacted by the People of the State of Oregon:

SECTION 1. Section 2 of this 2019 Act is added to and made a part of ORS chapter 757.

SECTION 2. The Public Utility Commission shall require an electricity or natural gas utility to provide an analog meter option for a residential customer that does not wish to have a smart meter installed at the residential customer’s location. The commission shall require an electricity or natural gas utility to provide an analog meter to a customer that exercises the analog meter option at no cost.
