37 to 448.325, 624.010 to 624.121 and 624.310 to 624.430; and

38 “(b) Regarding the quality of water for public swimming places pursuant to ORS 431.001 to
39 431.550 and 431.990.

40 “(3) Nothing in this section shall prevent the State Department of Agriculture or the State
41 Forestry Department from independently receiving moneys from a public or private agency for the

44 “(4)(a) In awarding a public contract under ORS 279.835 to 279.855 or ORS chapter 279A, 279B
45 or 279C for a removal or remedial action pursuant to ORS 465.200 to 465.545, a corrective action

1 or cleanup action pursuant to ORS 466.005 to 466.385, 466.605 to 466.680 or 466.706 to 466.882 or a

3 468B.095 and 468B.300 to 468B.500, the department, and the Oregon Department of Administrative
4 Services, when administering the establishment of such a contract on behalf of the Department of
5 Environmental Quality under ORS 279A.050 and 279A.140, shall subtract from the amount of any bid
6 or proposal the hazardous waste management fees and solid waste fees that would be required by
7 law to be paid to the department for waste that would be disposed of at a solid waste disposal site
8 or a hazardous waste or PCB disposal facility, based on the bid or proposal. The amount to be
9 subtracted shall be established on the basis of reasonable preprocurement estimates of the amount
10 of waste that would be disposed of under the contract and that would be subject to those fees.

11 “(b) The subtraction for fees under paragraph (a) of this subsection shall apply only to a con-
12 tract reasonably anticipated to involve the disposal of no less than 50 tons of hazardous waste or
13 no less than 500 tons of solid waste. The Legislative Assembly finds that making accurate advance
14 estimates of amounts of waste that would be disposed of in projects of this character is technically
15 challenging and requires the application of professional discretion. Therefore, no award of a con-
16 tract under this subsection shall be subject to challenge, under ORS 279B.410, 279B.415 or 279C.460
17 or otherwise, on the ground of the inaccuracy or claimed inaccuracy of any such estimate.

18 “(c) The subtraction for fees under paragraph (a) of this subsection shall not apply to the es-
19 tablishment, by or on behalf of the department, of master contracts by which the department en-
20 gages the services of a contractor over a period of time for the purpose of issuing work orders for
21 the performance of environmental activities on a project or projects for which the amounts of waste
22 to be disposed of were not reasonably identified at the inception of the master contracts. However,
23 the department shall require any contractor under a master contract to apply the subtraction for
24 fees under paragraph (a) of this subsection in the selection of any subcontractor to perform the re-
25 moval of waste in amounts equaling or exceeding the amounts set forth in paragraph (b) of this
26 subsection. Nothing in this subsection shall be construed to prohibit the department or the Oregon
27 Department of Administrative Services from establishing contracts pursuant to this section through
28 contracting procedures authorized by ORS 279.835 to 279.855 and ORS chapters 279A, 279B and 279C
29 that do not require the solicitation of bids or proposals.

30 “**SECTION 6.** ORS 468.065, as amended by section 18, chapter 102, Oregon Laws 2018, is
31 amended to read:

32 “468.065. Subject to any specific requirements imposed by ORS 448.305, 454.010 to 454.040,
33 454.205 to 454.255, 454.505 to 454.535, 454.605 to 454.755, **section 1 of this 2019 Act** and ORS
34 chapters 468, 468A and 468B:

35 “(1) Applications for all permits authorized or required by ORS 448.305, 454.010 to 454.040,
36 454.205 to 454.255, 454.505 to 454.535, 454.605 to 454.755, **section 1 of this 2019 Act** and ORS
37 chapters 468, 468A and 468B shall be made in a form prescribed by the Department of Environ-
38 mental Quality. Any permit issued by the department shall specify its duration, and the conditions
39 for compliance with the rules and standards, if any, adopted by the Environmental Quality Com-
40 mission pursuant to ORS 448.305, 454.010 to 454.040, 454.205 to 454.255, 454.505 to 454.535, 454.605
41 to 454.755, **section 1 of this 2019 Act** and ORS chapters 468, 468A and 468B.

42 “(2) By rule and after hearing, the commission may establish a schedule of fees for permits is-
43 sued pursuant to ORS 468A.040, 468A.045, 468A.155 and 468B.050. Except as provided in ORS
44 468A.315 and 468B.051 and section 13, chapter 102, Oregon Laws 2018, the fees contained in the
45 schedule shall be based upon the anticipated cost of filing and investigating the application, of car-

1 rying out applicable requirements of Title V, of issuing or denying the requested permit, and of an
2 inspection program to determine compliance or noncompliance with the permit. The fee shall ac-
3 company the application for the permit. The fees for a permit issued under ORS 468A.040 or
4 468B.050 may be imposed on an annual basis.

5 “(3) An applicant for certification of a project under ORS 468B.040 or 468B.045, and any person
6 submitting a notice of intent to seek reauthorization, a preliminary application or an application for
7 reauthorization of a water right for a hydroelectric project under ORS 543A.030, 543A.035, 543A.075,
8 543A.080 or 543A.095 shall pay as a fee all expenses incurred by the commission and department
9 related to the review and decision of the Director of the Department of Environmental Quality and
10 commission. These expenses may include legal expenses, expenses incurred in evaluating the project,
11 issuing or denying certification and expenses of commissioning an independent study by a contractor
12 of any aspect of the proposed project. These expenses shall not include the costs incurred in de-
13 fending a decision of either the director or the commission against appeals or legal challenges. The
14 department shall bill applicants for costs incurred on a monthly basis, and shall provide a biennial
15 report describing how the moneys were spent. An applicant may arrange with the department to pay
16 the fee on a quarterly basis. The department shall not charge a fee under the fee authority in this
17 subsection if the holder is being charged a fee under ORS 543.088 and 543.090 or 543A.405. In no
18 event shall the department assess fees under this section and under ORS 543A.405 for performance
19 of the same work.

20 “(4) The department may require the submission of plans, specifications and corrections and
21 revisions thereto and such other reasonable information as it considers necessary to determine the
22 eligibility of the applicant for the permit.

23 “(5) The department may require periodic reports from persons who hold permits under ORS
24 448.305, 454.010 to 454.040, 454.205 to 454.225, 454.505 to 454.535, 454.605 to 454.755, **section 1 of**
25 **this 2019 Act** and ORS chapters 468, 468A and 468B. The report shall be in a form prescribed by
26 the department and shall contain such information as to the amount and nature or common de-
27 scription of the pollutant, contaminant or waste and such other information as the department may
28 require.

29 “(6) Any fee collected under a schedule of fees established pursuant to this section or ORS
30 468A.315 or section 13, chapter 102, Oregon Laws 2018, shall be deposited in the State Treasury to
31 the credit of an account of the department. The fees are continuously appropriated to meet the ex-
32 penses of the program for which they are collected, except as follows:

33 “(a) The federal operating permit program shall include a commensurate amount of the fee for
34 any permit specified in this section for which the department incurs costs associated with the re-
35 quirements of Title V and any fees collected under ORS 468A.315. Fees collected for the federal
36 operating permit program in any biennium that exceed the legislatively approved budget, including
37 amounts authorized by the Emergency Board for the federal operating permit program for such
38 biennium, shall be credited toward the federal operating permit program budget for the following
39 biennium.

40 “(b) Fees collected for permits issued under ORS 468B.050 to authorize the discharge of wastes
41 into the waters of the state may be used to pay the expenses of any of the programs associated with
42 the issuance of permits under ORS 468B.050 to authorize the discharge of wastes into the waters
43 of the state.

44 “(c) The fees collected under a schedule of fees established pursuant to this section or ORS
45 468A.315 or section 13, chapter 102, Oregon Laws 2018, by a regional air pollution control authority

1 pursuant to a permit program authorized by the commission shall be retained by and shall be income
2 to the regional authority except as provided in ORS 468A.155 (2)(c). Such fees shall be accounted for
3 and expended in the same manner as are other funds of the regional authority. However, if the de-
4 partment finds after hearing that the permit program administered by the regional authority does
5 not conform to the requirements of the permit program approved by the commission pursuant to
6 ORS 468A.155, such fees shall be deposited and expended as are permit fees submitted to the de-
7 partment.

8 “(7) As used in this section, “Title V” has the meaning given in ORS 468A.300.

9 “**SECTION 7.** ORS 468.070 is amended to read:

10 “468.070. (1) At any time, the Department of Environmental Quality may refuse to issue, modify,
11 suspend, revoke or refuse to renew any permit issued pursuant to ORS 468.065 if it finds:

16 “(d) Violation of any applicable rule, standard or order of the Environmental Quality Commis-
17 sion.

18 “(2) The department may modify any permit issued pursuant to ORS 468.065 if it finds that
19 modification is necessary for the proper administration, implementation or enforcement of the pro-
20 visions of ORS 448.305, 454.010 to 454.040, 454.205 to 454.255, 454.505 to 454.535, 454.605 to 454.755,
21 466.605 to 466.680, **section 1 of this 2019 Act** and ORS chapters 468, 468A and 468B.

22 “(3) The procedure for modification, suspension, revocation or refusal to issue or renew shall
23 be the procedure for a contested case as provided in ORS chapter 183.

24 “**SECTION 8.** ORS 468.095 is amended to read:

25 “468.095. (1) The Department of Environmental Quality shall have the power to enter upon and
26 inspect, at any reasonable time, any public or private property, premises or place for the purpose
27 of investigating either an actual or suspected source of water pollution or air pollution or air con-
28 tamination or to ascertain compliance or noncompliance with any rule or standard adopted or order
29 or permit issued pursuant to ORS 448.305, 454.010 to 454.040, 454.205 to 454.255, 454.505 to 454.535,
