8 (C) Mountain goat tags shall be placed in the Mountain Goat Subaccount established in ORS
9 496.303.

10 (d) Notwithstanding ORS 496.146 (10), the commission, upon the recommendation of the Access
11 and Habitat Board to fulfill the board's charge of providing incentives to increase public access and
12 habitat improvements to private land, is authorized to issue each year up to 10 elk and 10 deer tags
13 to hunt deer or elk. The tags shall be auctioned or raffled to the highest bidder in a manner pre-
14 scribed by the commission. The Access and Habitat Board, in recommending any tags, shall include
15 a proposal as to the land on which each tag can be used and a percentage of funds received from
16 the tags that may revert to the landowner if the tag is limited to private land. However, the per-
17 centage cannot be more than 50 percent and the programs must, by written agreement, provide for
18 public access and habitat improvements.

19 (3) The tags referred to in subsection (1) of this section are in addition to and not in lieu of the
20 hunting licenses required by law.

21 (4) The commission may, at the time of issue only, indorse upon the tags referred to in sub-
22 section (1) of this section an appropriate designation indicating whether it is for a game animal to
23 be taken with bow and arrow or with firearms, at the choice of the applicant. The commission may
24 prescribe by rule that the holder of such a tag is not authorized to take the game animal by any
25 other means than the tag so indorsed.

26 (5) Except as provided in subsection (6) of this section, a person is not eligible to obtain, in a
27 lifetime, more than one controlled hunt tag issued by the commission to hunt mountain sheep and
28 one controlled hunt tag issued by the commission to hunt mountain goat.

29 (6) A person is eligible to obtain mountain sheep tags, antelope tags or mountain goat tags de-
30 scribed in subsection (2)(a) and (b) of this section, regardless of whether the person has previously
31 taken a mountain sheep, antelope or mountain goat or previously obtained a mountain sheep tag,
32 antelope tag or mountain goat tag issued pursuant to subsection (1) or (2)(a) or (b) of this section.

33 (7) The number of nonresident mountain goat tags and nonresident mountain sheep tags shall
34 be decided by the commission, but:

35 (a) The number of nonresident mountain goat tags may not be less than five percent nor more
36 than 10 percent of all mountain goat tags issued.

37 (b) The number of nonresident mountain sheep tags may not be less than five percent nor more
38 than 10 percent of all mountain sheep tags issued.

39 (8) The number of tags issued by drawing under subsection (1)(g), (m) and (o) of this section shall
40 be decided by the commission, but for each class of tag so issued, the number may not be more than
41 three percent of all tags of that class issued for hunting in a particular area except one nonresident
42 tag may be issued for each hunt when the number of authorized tags is less than 35.

43 (9) The number of tags issued by drawing under subsection (1)(b) and (e) of this section shall
44 be decided by the commission, but for each class of tag so issued, the number may not be more than
45 five percent of all tags of that class issued for hunting in a particular area except one nonresident

1 tag may be issued for each hunt when the number of authorized tags is fewer than 35. The com-
 2 mission shall set the percentage by rule each year after holding a public hearing.

3 (10) If a controlled hunt for game mammals is undersubscribed during the primary controlled
 4 hunt drawing, the commission may issue the unallocated tags to licensed hunters at up to four times
 5 the standard tag fee on a first-come, first-served basis. This controlled hunt tag program shall be in
 6 addition to and not replace any existing controlled hunt tag program.

7 (11) The commission by rule may authorize the issuance of free tags to hunt antelope, deer and
 8 elk to provide an incentive to increase compliance with hunting reporting requirements.

9 (12) The commission shall implement a program to encourage persons to report violations of the
 10 wildlife laws. The program shall include, but need not be limited to, provisions for offering a person
 11 either preference points in a scaled system determined by the commission, or a cash reward, for
 12 information leading to citations or arrest for unlawful take, possession or waste of antelope, bear,
 13 cougar, deer, elk, moose, mountain goat, mountain sheep or wolf.
