803.420. (1) The vehicle registration fees imposed under this section shall be based on the classifications determined by the Department of Transportation by rule. (3) Vehicle registration fees are due when a vehicle is registered and when the registered owner renews the registration.

(4) In addition to the registration fees listed in this section, a county or a district may impose an additional registration fee as provided under ORS 801.041 and 801.042.

(5) A rental or leasing company, as defined in ORS 221.275, that elects to initially register a vehicle for an annual or biennial registration period shall pay a fee of $2 in addition to the vehicle registration fee provided under this section.

(6) The registration fees for each year of the registration period for vehicles subject to biennial registration are as follows:

the adjustments proposed under subsection (1)(b) of this section must include temporary in-
creases to compensate the State Highway Fund for the loss of revenue for that period.

(3) If the department determines that, for the period beginning on July 1, 2022, and end-
ing on June 30, 2023, the revenue that would have been collected under the former motor

carrier revenue law is less than the revenue collected under the new motor carrier revenue

law, the adjustments proposed under subsection (1)(b) of this section must include temporary
decreases in order to reimburse carriers for the amount of the increase in revenue under

the new motor carrier revenue law for that period.

the diesel fuel tax was paid, the claim must be supported by the invoices that cover the

(c) If the claimant paid the diesel fuel tax directly to the department, the claimant must

SECTION 54. ORS 366.739 is amended to read:

366.739. Except as otherwise provided in ORS 366.744, the taxes collected under ORS 319.020, 319.530, 803.090, 803.420[,] and 818.225[,] 825.476 and 825.480 and the special use fuel license fees collected under ORS 319.535, minus $71.2 million per biennium, shall be allocated 24.38 percent to counties under ORS 366.762 and 15.57 percent to cities under ORS 366.800.

SECTION 55. ORS 825.232 is amended to read:

825.232. (1) The Department of Transportation shall, by general order or otherwise, prescribe and enforce rules in conformity with this chapter to better accomplish the enforcement of its provisions, which shall cover and include for-hire carriers and private carriers and their operations.

(2) The department may make such subdivisions of the carriers, as classified in this chapter, as in the opinion of the department may work to the efficient administration of this chapter and shall do all things necessary to carry out and enforce its provisions.

(3) All rules made by the department pursuant to this chapter and filed in the office of the department have the force and effect of law.

(4) This section does not restrict the powers of the county courts or boards of county commissioners under existing laws and amendments thereof.
(5) Without restricting the general powers conferred upon the department to prescribe and enforce rules, the department is vested with special authority with respect to the matters listed in ORS 825.204[,] and 825.210 [and 825.212].

SECTION 56. Sections 57 and 58 of this 2019 Act are added to and made a part of the Oregon Vehicle Code.

SECTION 57. (1) Whenever practicable, and in any event no later than three years after any report of taxes or fees is filed in accordance with ORS chapter 825 or 826, the International Registration Plan or the International Fuel Tax Agreement, the Department of Transportation shall audit the report if the department deems such audit practicable. If the department is not satisfied with the report filed or the amount of taxes or fees paid to the state by any person, the department may, not later than four years after the report was filed or the taxes or fees were paid, make a proposed assessment of additional taxes or fees due from such person based upon any information available to the department. A late payment charge shall be added to each registration assessment, in a sum equal to 10 percent of the amount of additional Oregon taxes or fees due.

(2) Every additional assessment under subsection (1) of this section shall bear interest at the rate of one percent per month, or fraction thereof, from the last day of the month following the close of the month for which the additional assessment is imposed until paid.

(3) If the additional Oregon registration assessment imposed exceeds by at least five percent but not more than 15 percent the amount of registration fees reported or paid, a penalty of five percent of the amount of the additional assessment shall be added thereto in addition to the 10 percent late payment charge provided in subsection (1) of this section.

(4) If the additional Oregon registration assessment imposed exceeds by more than 15 percent the amount of registration fees reported or paid, a penalty of 20 percent of the amount of the additional assessment shall be added thereto in addition to the 10 percent late payment charge provided in subsection (1) of this section.

(5) A penalty charge in the amount of 10 percent of the net assessment due shall be imposed on additional fuel tax assessments resulting from International Fuel Tax Agreement assessment audits.

(6) The department shall give to the person concerned written notice of any additional assessment.

(7) The department shall refund to any person the amount of any overpayment caused by any incorrect report.

(8) Whenever the department has made an assessment pursuant to this section that has become final pursuant to section 58 of this 2019 Act, the department may not reopen or reassess such taxes, interest or penalties unless the department is satisfied that the taxpayer fraudulently or with intent to evade taxation destroyed, concealed or withheld any books, accounts, papers, records or memoranda required to be maintained by the taxpayer pursuant to ORS chapter 825 or 826 or the rules of the department.

SECTION 58. (1) Any person against whom an assessment is made under section 57 of this 2019 Act may petition the Department of Transportation for a reassessment within 30 days after service upon the person of notice. If a petition is not filed within the 30-day period, the assessment becomes final and further appeal is waived. If a petition for reassessment is filed within the 30-day period, the department shall reconsider the assessment and, if the person has requested a hearing in the petition, shall grant such person a hearing and give
the person 10 days' notice of the time and place of the hearing. The department may con-
tinue the hearing from time to time as may be necessary. The decision of the department
upon a petition for reassessment shall become final 30 days after service of notice of the
decision upon the person concerned.

(2) The department may waive or reduce the late payment charge, penalty and interest
amounts under section 57 of this 2019 Act on such terms as the department considers proper
if request for waiver or reduction is filed within 30 days after service of notice of assessment
upon the person concerned, or as part of the pleas made in the department's reconsideration
of the assessment. Consideration of waiver or reduction of late payment, penalty and inter-
est charges on audits completed pursuant to the International Registration Plan or the
International Fuel Tax Agreement is contingent on authority granted by the appropriate
agreement.

(3) Every assessment made by the department under section 57 of this 2019 Act becomes
due and payable at the time it becomes final. If the assessment is not paid to the department
when due and payable, there shall be added to the assessment a penalty of 10 percent of the
amount of the tax or, in the case of registration fees, of the Oregon registration fees due.

(4) If any person that has requested a hearing pursuant to this section fails to withdraw
the petition for reassessment at least five days before the date of the hearing and fails to
appear at the scheduled hearing, the department may require such person to pay a charge
of $150 in addition to any other fees, taxes and charges that may be imposed.

(5) A petition for reassessment under subsection (1) of this section or a request for
waiver or reduction under subsection (2) of this section is considered filed upon receipt of
the petition or request in the office designated by the department.

SECTION 59. ORS 825.500 is amended to read:

825.500. (1) Interest and penalties for delinquent payments of road use assessment fees payable
pursuant to the provisions of ORS 818.225 and of single-trip nondivisible load permits shall be cal-
culated in the same manner that interest and penalties are calculated for registration fees under
ORS 825.490 and 825.494 section 57 of this 2019 Act.

(2) An audit conducted by the Department of Transportation pursuant to its authority under this
chapter may include an examination of records of the carrier pertaining to the road use assessment
fee imposed under ORS 818.225. If the audit shows that movement by a carrier exceeds the mileage
authorized by a single-trip nondivisible load permit, the department shall determine the amount of
the road use assessment fee that is due. The department shall collect the amount due and may im-
pose any penalties or additional assessments authorized by this chapter for delinquent payment of
taxes.

SECTION 60. ORS 825.504 is amended to read:

825.504. (1) If any tax, or fee in lieu of tax, reported due, or any final assessment made by the
Department of Transportation under ORS [825.490, 825.494 and 825.496] section 57 or 58 of this
2019 Act, including any penalties or charges therein imposed, or any final penalty imposed under
ORS 825.950, 825.955 or 825.960, is not paid in full, the department may issue a warrant for the
amount of the tax, fee or assessment, with the added penalties or charges, interest and the cost of
executing the warrant. A copy of the warrant shall be mailed or delivered to the taxpayer by the
department at the taxpayer's last-known address.

(2) At any time after issuing a warrant under this section, the department may record the war-
rant in the County Clerk Lien Record of any county of this state. Recording of the warrant has the
effect described in ORS 205.125. After recording a warrant, the department may direct the sheriff for the county in which the warrant is recorded to levy upon and sell the real and personal property of the taxpayer found within that county, and to levy upon any currency of the taxpayer found within that county, for the application of the proceeds or currency against the amount reflected in the warrant and the sheriff’s cost of executing the warrant. The sheriff shall proceed on the warrant in the same manner prescribed by law for executions issued against property pursuant to a judgment, and is entitled to the same fees as provided for executions issued against property pursuant to a judgment. The fees of the sheriff shall be added to and collected as a part of the warrant liability.

(3) In the discretion of the department a warrant under this section may be directed to any agent authorized by the department to collect amounts under this section, and in the execution of the warrant the agent has all of the powers conferred by law upon sheriffs, but is entitled to no fees or compensation in excess of actual expenses paid in the performance of such duty.

(4) Until a warrant issued under this section is satisfied in full, the department has the same remedies to enforce the claim for the tax, fee or assessment as if the state had recovered judgment against the taxpayer for the amount of the tax, fee or assessment.

(5) The procedures authorized by this section may also be used for collection of any fees and penalties imposed on persons registering vehicles under ORS chapter 826.
