Applies to Congress to call convention for purpose of proposing amendments to United States Constitution that address campaign finance reform.

JOINT MEMORIAL

To the Senate and the House of Representatives of the United States of America, in Congress assembled:

We, your memorialists, the Eightieth Legislative Assembly of the State of Oregon, in legislative session assembled, respectfully represent as follows:

Whereas American elections should be free of the corrupting influence of excessive spending by outside interests and fair enough that any citizen can run for public office; and

Whereas the first President of the United States, George Washington, stated, “The basis of our political systems is the right of the people to make and to alter their constitutions of government”; and

Whereas it was the stated intention of the framers of the United States Constitution that Congress should be “dependent on the people alone” (James Madison, Federalist No. 52); and

Whereas that dependency has evolved from a dependency on the people alone to a dependency on those who spend excessively in elections, through campaigns or third-party groups; and

Whereas the United States Supreme Court ruling in Citizens United v. Federal Election Commission (558 U.S. 310 (2010)) removed restrictions on amounts of independent political spending, and further decisions of the nation’s high Court both before and afterward have eroded the foundations of representative democracy in America; and

Whereas these decisions have resulted in powerful economic forces having unjust influence that supplants the will of the people by undermining our ability to choose political leadership, write our own laws and determine the fate of our state; and

Whereas the founders of this nation never intended the rights of natural persons protected in the Constitution of the United States to be applied to artificial entities; and

Whereas Congress and the states should be authorized to place limits on political contributions and expenditures to ensure that all citizens have access to the political process and to require that all contributions and expenditures be fully and immediately disclosed to the public; and

Whereas Article V of the United States Constitution empowers the people and states of the United States of America to use the constitutional amendment process to correct those egregiously wrong decisions of the United States Supreme Court that undermine the heart of our democracy and republican form of government; and

Whereas Article V of the United States Constitution requires Congress to call a convention for

proposing amendments to the Constitution upon “the Application of the Legislatures of two thirds
of the several States”; and

Whereas the State of Oregon sees the need for a convention to propose amendments in order
to address concerns such as those raised by the decision of the United States Supreme Court in
Citizens United and related cases and events long before and afterward addressing a substantially
similar purpose, and desires that said convention should be limited to these concerns; and

Whereas the State of Oregon desires that the delegates to the convention be composed equally
of individuals currently elected to state and local office, or be selected by election in each con-
gressional district for the purpose of serving as delegates; and

Whereas the State of Oregon desires that individuals elected or appointed to federal office, now
or in the past, be prohibited from serving as delegates to the convention, and intends to retain the
ability to restrict or expand the power of its own delegates within the limits expressed herein; and

Whereas the State of Oregon desires that the Attorney General of the State of Oregon take all
actions necessary to ensure that the purpose expressed herein is served, including by taking all
authorized legal action to restrict, recall, replace, enjoin and prosecute delegates, Congress or other
parties when necessary to maintain restrictions on delegates and other aspects of the Article V
convention process, including the limit on delegates to discuss only proposed amendments to the
United States Constitution on the topic of campaign finance reform; and

Whereas the State of Oregon intends that this be a continuing application considered together
with applications calling for a convention adopted or currently pending in other states, including the
State of New Jersey, the State of Vermont, the State of Illinois, the State of California and the State
of Rhode Island, and future applications until such time as two-thirds of the several states have
applied for a convention and said convention is convened by Congress; now, therefore,

Be It Resolved by the Legislative Assembly of the State of Oregon:

(1) We, the members of the Eightieth Legislative Assembly, pursuant to Article V of the United
States Constitution, hereby petition Congress to call a convention for the purpose of proposing
amendments to the United States Constitution relating to the subjects described in the preamble of
this joint memorial as soon as two-thirds of the several states have applied for a convention.

(2) For purposes of determining whether two-thirds of the states have applied for a convention,
we intend that this application be aggregated with the applications of any other state legislature
that includes any of the subjects set forth in the preamble of this joint memorial.

(3) To the extent permitted by law, the Attorney General of the State of Oregon is authorized
to initiate or intervene in one or more civil actions on behalf of the Legislative Assembly in a court
of competent jurisdiction to seek any appropriate relief necessary to bring about the purpose of this
joint memorial, including action resulting from an act or failure to act by a convention convened
pursuant to Article V of the United States Constitution, any delegate or potential delegate thereof,
Congress, the head of any department or agency or any other officer, employee or agent of the
Federal Government or the government of the State of Oregon.

(4) A copy of this memorial shall be sent to the Senate Majority Leader, to the Secretary of the
Senate, to the Speaker of the House of Representatives, to the Clerk of the House of Represen-
tatives, to the Archivist of the United States, to each member of the Oregon Congressional Delega-
tion and to the presiding officers of the legislative chambers in each state of the United States
requesting their cooperation in issuing a petition to Congress to call a convention for the purpose
of proposing amendments pursuant to Article V of the United States Constitution.
