chapter 774, Oregon Laws 2015; and declaring an emergency.

Be It Enacted by the People of the State of Oregon:

SECTION 1. (1) The Task Force on the Implementation of Electronic Transcripts in High
School is established.

(2)(a) The task force consists of 12 voting members appointed as follows:
(A) The Superintendent of Public Instruction shall appoint six members. One of the
members must be appointed in consultation with the Chief Education Office.
(B) The executive director of the Higher Education Coordinating Commission shall ap-
point six members. One of the members must be appointed in consultation with the Chief
Education Office.
(b) In making appointments under paragraph (a) of this subsection, each appointing au-
thority shall:
(A) Appoint at least one member who has direct experience interacting with students;
and
(B) Attempt to select members who reflect diverse perspectives, including diverse racial
and ethnic groups, regions of the state, languages spoken and tribal affinity or membership.
(c) In addition to members appointed under paragraph (a) of this subsection, the Higher
Education Coordinating Commission shall appoint one nonvoting member who is a repre-
sentative of a post-secondary institution of education described in ORS 348.597 (2).

(3) The task force shall determine how to implement a system that provides electronic
transcripts to students in the public high schools of this state. When making the determi-
nation, the task force:
(a) Must consider how electronic transcripts can be used to promote the following goals:
(A) Improve students’ abilities to track credits earned through accelerated college credit

(B) Increase students’ access to financial aid;
(C) Provide equitable access to academic advising and admission counseling; and
(D) Provide equitable access to college and career planning to underserved students and
students from rural communities.

(b) Must identify:
(A) Implications for schools and school districts in providing electronic transcripts to
high school students and graduates under an electronic transcript system when the system
is being initiated and maintained;
(B) The costs and benefits of an electronic transcript system for students, families,
schools, school districts and post-secondary institutions of education, including the use of
electronic transcripts as one measure for the placement of students into college-level
courses;
(C) Data that can be tracked or questions that could be answered through the state
longitudinal data system if the system is enhanced with data from the electronic transcript
system;
(D) Potential benefits and uses of an electronic transcript system for youth development
initiatives, including programs that promote career readiness;
(E) Other known electronic transcript systems, including systems in other states, and
the effectiveness of those systems;
(F) Potential public or private partnerships that could be allowed under the electronic
transcript system and other potential features of the system that would allow the system to
be self-sustaining;
(G) Statutory and administrative rule changes necessary to implement the electronic
transcript system and timelines for phasing in the system;
(H) Estimates of the cost to link the electronic transcript system with the state longi-
tudinal data system; and
(I) Mechanisms by which student privacy interests can be protected.

(c) Must emphasize efficiencies that may be provided by an electronic transcript system
to the state longitudinal data system and elements of the electronic transcript system that
may increase the functionality of the state longitudinal data system.
(d) Must consult with students who have experienced a transition between different
public high schools in this state or a transition from a public high school in this state to a
post-secondary institution of education in this state.

(4) A majority of the voting members of the task force constitutes a quorum for the
transaction of business.
(5) Official action by the task force requires the approval of a majority of the voting
members of the task force.
(6) The task force shall elect one of its voting members to serve as chairperson.
(7) If there is a vacancy for any cause, the appointing authority shall make an appoint-
ment to become immediately effective.
(8) The task force shall meet at times and places specified by the call of the chairperson
or of a majority of the voting members of the task force.
(9) The task force may adopt rules necessary for the operation of the task force.
(10) The task force shall submit a report, which may include recommendations for legi-
loration, to an interim committee of the Legislative Assembly related to education no later than December 1, 2019.

(11) The Higher Education Coordinating Commission, the Department of Education and the Chief Education Office shall provide staff support to the task force.

(12) Members of the task force are not entitled to compensation or reimbursement for expenses and serve as volunteers on the task force.

(13) All agencies of state government, as defined in ORS 174.111, are directed to assist the task force in the performance of duties of the task force and, to the extent permitted by laws relating to confidentiality, to furnish information and advice the members of the task force consider necessary to perform their duties.
