This paragraph does not authorize dealers to use or operate vehicles under dealer plates unless the vehicles are actually owned or controlled by the dealer and in actual use by the dealer, members of the dealer’s firm, any salesperson thereof or any person authorized by the dealer. Vehicles operated under dealer plates may be used for the same purposes as are any other vehicles registered in this state that are registered by payment of the fee under ORS 803.420. This paragraph is subject to the limitations under ORS 822.045.
(b) A dealer is entitled to receive dealer plates or devices and replacement or additional dealer plates or devices. (3) The holder of a vehicle dealer certificate may move a place of business or change a business name by obtaining a corrected certificate from the department. (b) A person applying for a corrected certificate shall pay the fee for the corrected certificate established in ORS 822.700.

(4) The department may establish by rule the requirements a holder of a vehicle dealer certificate must meet to display a vehicle at a location other than the dealer’s place of business for the purpose of advertising without first obtaining a supplemental certificate from the department. In addition to any requirements established by the department by rule, all of the following apply:

(a) The dealer must have a signed agreement with the owner of the property or the person using the property where the vehicle is to be displayed stating that the vehicle is for an advertising promotion only and that the processing of any documents or other activities required to purchase a vehicle must be done at the dealer’s place of business.

(b) The vehicle on display must be clearly marked with the dealer’s name and contact information and a notice that the vehicle is displayed only for the purpose of advertising and may be purchased only at the dealer’s place of business.
(c) Displaying the vehicle must not violate any zoning laws or ordinances.
(d) The dealer or the dealer’s employees may not remain with the vehicle except for the purpose of moving the vehicle in or out of the display area.
(5) A vehicle dealer certificate is valid for a three-year period and may be renewed as provided by the department. The department shall only renew a certificate if the applicant for renewal does all of the following:
(a) Pays the required fee for renewal under ORS 822.700.
