the filing officer not later than the 10th day after the chief petitioner first has knowledge or should
have had knowledge that:

(a) Any person is being paid for obtaining signatures, when the statement included with the
prospective petition declared that no such person would be paid.

(b) No person is being paid for obtaining signatures, when the statement included with the pro-
spective petition declared that one or more such persons would be paid.

(3) Each sheet of the recall petition must contain:

(a) The words “Petition for recall of,” (name and title of officer) and the date of the filing under
subsection (1) of this section; and

(b) The name and address of the treasurer or the chief petitioner listed on the statement of

SECTION 25. ORS 248.006 is amended to read:

ORS 248.006. (1) An affiliation of electors becomes a major political party in this state and is qualified
to make nominations at a primary election when a number of electors equal to at least five percent
of the number of electors registered in this state **who are affiliated with a major political party** or a minor political party are registered as members of the party not later than the 275th day before the date of a primary election. An affiliation of electors satisfying the requirements of this subsection shall be subject to the provisions of ORS 248.007 on the date the Secretary of State determines the registration requirements are satisfied.

(2) The number of electors described in subsection (1) of this section shall be calculated based on the number of electors registered in this state, affiliated with a major political party or a minor political party and eligible to vote, as reported on the official abstracts of the election, at the general election immediately preceding the deadline specified in subsection (1) of this section.

(3) After an affiliation of electors becomes a major political party under subsection (1) of this section, in order to maintain status as a major political party subject to ORS 248.007, the party must satisfy the registration requirement of subsection (1) of this section not later than the 275th day before each primary election.

(4) An affiliation of electors ceases to be a major political party if the registration requirements of subsection (1) of this section are not satisfied by the 275th day before each primary election. The affiliation of electors ceases to be a major political party on the date the Secretary of State determines that the registration requirement is not satisfied.

(5) When an affiliation of electors has not satisfied the registration requirement of subsection (1) of this section for the first time, at the request of a representative of the affiliation of electors, the Secretary of State shall determine not less than once each month whether at least five percent of the number of eligible electors registered in this state **who are affiliated with a major political party or a minor political party** are registered as members of the party. After an affiliation of electors has qualified as a major political party, the Secretary of State shall determine on the 271st day before each primary election whether the major political party has satisfied the registration requirements described in subsection (3) of this section.

**SECTION 26.** ORS 248.008 is amended to read:

248.008. (1) An affiliation of electors becomes a minor political party in the state, a county or other electoral district, qualified to make nominations for public office in that electoral district and in any other electoral district wholly contained within the electoral district, when the affiliation of electors has acted as described in either paragraph (a) or (b) of this subsection:

(a)(A) When the affiliation of electors has filed with the Secretary of State a petition with the signatures of at least a number of electors equal to one and one-half percent of the total votes cast in the electoral district for all candidates for Governor at the most recent election at which a candidate for Governor was elected to a full term.

(B) The petition must contain only original signatures and must be filed not later than two years following the date the prospective petition is filed. The petition must state the intention to form a new political party and designate a name for the political party.

(C) Before circulating the petition, the chief sponsor of the petition must file with the Secretary of State a signed copy of the prospective petition. The chief sponsor must include with the prospective petition a statement declaring whether one or more persons will be paid money or other valuable consideration for obtaining signatures of electors on the petition. After the prospective petition is filed, the chief sponsor must notify the filing officer not later than the 10th day after the chief sponsor first has knowledge or should have had knowledge that:

(i) Any person is being paid for obtaining signatures, when the statement included with the prospective petition declared that no person would be paid for obtaining signatures of electors.
(ii) No person is being paid for obtaining signatures, when the statement included with the prospective petition declared that one or more persons would be paid for obtaining signatures of electors.

(D) The circulator shall certify on each signature sheet that the circulator witnessed the signing of the signature sheet by each individual whose signature appears on the signature sheet and that the circulator believes each individual is an elector registered in the electoral district.

(E) The Secretary of State shall verify whether the petition contains the required number of signatures of electors. The Secretary of State may not accept a petition for filing if it contains less than 100 percent of the required number of signatures. The Secretary of State by rule shall designate a statistical sampling technique to verify whether a petition contains the required number of signatures of electors. A petition may not be rejected for the reason that it contains less than the required number of signatures unless two separate sampling processes both establish that the petition lacks the required number of signatures. The second sampling must contain a larger number of signatures than the first sampling. The Secretary of State may employ professional assistance to determine the sampling technique. The statistical sampling technique may be the same as that adopted under ORS 250.105.

(b) When the affiliation of electors has polled for any one of its candidates for any public office in the electoral district at least one percent of the total votes cast in the electoral district for all candidates for:

(A) Presidential elector at the last general election at which candidates for President and Vice President of the United States were listed on the ballot; or

(B) Any single state office to be voted upon in the state at large for which nominations by political parties are permitted by law at the most recent election at which a candidate for the office was elected to a full term.

(2) After satisfying either subsection (1)(a) or (b) of this section, the minor political party may nominate candidates for election at the next general election.

(3) A filing officer may not accept a certificate of nomination of a candidate nominated by a minor political party for a subsequent general election unless the minor political party has maintained status as a minor political party as described in subsection (4) of this section.

(4) In order to maintain status as a minor political party for a subsequent general election:

(a) Following each general election, at any time during the period beginning on the date of the next primary election and ending on the 90th day before the next general election, a number of electors equal to at least one-half of one percent of the total number of registered electors in this state who are affiliated with a major political party or a minor political party must be registered as members of the party; or

(b)(A) Following each general election, at any time during the period beginning on the date of the next primary election and ending on the 90th day before the next general election, a number of electors equal to at least one-tenth of one percent of the total votes cast in the state or electoral district for all candidates for Governor at the most recent election at which a candidate for Governor was elected to a full term must be registered as members of the party; and

(B) At least once in a four-year period, a candidate or candidates of the party must poll at least one percent of the total votes cast in the electoral district for all candidates for:

(i) Presidential elector at the last general election at which candidates for President and Vice President of the United States were listed on the ballot; or

(ii) Any single state office to be voted upon in the state at large for which nominations by pol-
itical parties are permitted by law at the most recent election at which a candidate for the office was elected to a full term.

(5) An affiliation of electors that fails to maintain status as a minor political party ceases to be a minor political party on the 90th day before the date of the next general election.

(6) During the period beginning on the date of the primary election and ending on the 90th day before the date of the general election, the Secretary of State shall determine at least once each month whether registration requirements to maintain status as a minor political party have been satisfied.

(7) If a minor political party changes its name, only those electors who register on or after the effective date of the name change as members of the party under the new party name shall be counted as members of the party.

(8) An affiliation of electors or a minor political party may not nominate a candidate who is the nominee of another political party at the same election in order to satisfy the one percent requirement referred to in subsection (1)(b) or (4)(b)(B) of this section.

(9) For purposes of this section, “subsequent general election” means any general election that is held after the first general election following qualification as a minor political party under subsection (1) of this section.

SECTION 27. ORS 249.046 is amended to read:

249.046. (1)(a) Except as provided in subsection (2) of this section, if a candidate has not been a member of the major political party for at least 180 days before the deadline for filing a nominating petition or declaration of candidacy, the candidate shall not be entitled to receive the nomination of that major political party.

(b) If a candidate’s registration becomes inactive, the inactive status shall not constitute a lapse of membership in the party if, immediately before the registration became inactive, the candidate was a member of the party and was not a member of any other political party within the 180 days preceding the deadline for filing a nominating petition or declaration of candidacy.

(c) The requirement that the candidate be qualified by length of membership does not apply to any candidate whose 18th birthday falls within the period of 180 days or to a write-in candidate.

(2) A major political party may adopt a rule allowing for the nomination of candidates who are not members of the major political party or who have been members of the major political party for less than 180 days before the deadline for filing a nominating petition or declaration of candidacy. A copy of a party rule adopted under this subsection must be filed with the Secretary of State prior to the 180th day before the date of the primary election set forth in ORS 254.056. Any party rule adopted under this subsection shall remain in effect for future primary elections unless the major political party withdraws the rule prior to the 180th day before the date of the primary election.

SECTION 28. ORS 171.060 is amended to read:

171.060. (1) When any vacancy as is mentioned in ORS 171.051 exists in the office of Senator or Representative affiliated with a major political party or a minor political party and that vacancy is to be filled by an appointing authority as provided in ORS 171.051, the Secretary of State forthwith shall notify the person designated by the party to receive such notice. The party shall pursuant to party rule nominate not fewer than three nor more than five qualified persons to fill the vacancy. The nominating procedure shall reflect the principle of one-person, one-vote to accord voting weight in proportion to the number of party members represented. At the request of a party making a nomination, the county clerks of each county constituting the district in which the va-

the party in the district. A person shall not be nominated to fill the vacancy unless the person signs
a written statement indicating that the person is willing to serve in the office of Senator or Repre-

occurs, the party shall notify the Secretary of State of the persons nominated. The notification shall
be accompanied by the signed written statement of each nominee indicating that the nominee is
willing to serve in the office of Senator or Representative. The Secretary of State shall notify the
county courts or boards of county commissioners of the counties constituting the district in which
the vacancy exists of the nominees and of the number of votes apportioned to each member of the
county courts or boards of county commissioners under ORS 171.062 and 171.064. The Secretary of
State shall set a time for the meeting of the county courts or boards of county commissioners in
order to fill the vacancy and by rule shall establish procedures for the conduct of the meeting. If
the district is composed of more than one county, the Secretary of State shall name a temporary
chairperson and designate a meeting place within the district where the county courts or boards of
county commissioners shall convene for the purpose of filling the vacancy, pursuant to ORS 171.051
(2).

(2) When any vacancy as is mentioned in ORS 171.051 exists in the office of Senator or Repre-
sentative not affiliated with a major political party or a minor political party and that vacancy is
to be filled by an appointing authority as provided in ORS 171.051, the Secretary of State forthwith
shall notify the county courts or boards of county commissioners of the counties constituting the
district in which the vacancy occurs of the vacancy and of the number of votes apportioned to each
member of the county courts or boards of county commissioners under ORS 171.062 and 171.064. The
Secretary of State shall set a time for a meeting of the county courts or boards of county commis-
sioners and by rule shall establish procedures for the conduct of the meeting. If the district is
composed of more than one county, the Secretary of State shall name a temporary chairperson and
designate a meeting place within the district where the county courts or boards of county commis-
sioners shall convene for the purpose of appointing a person to fill the vacancy.

(3) A written statement signed by a majority of those qualified to vote upon the filling of any
vacancy naming the person selected to fill the vacancy and directed to the Secretary of State is
conclusive evidence of the filling of the vacancy by the appointing authority named therein.

SECTION 29. ORS 171.068 is amended to read:

171.068. (1) For purposes of ORS 171.060, 171.062 and 171.064, the county court or the board of

to fill the vacancy.

SECTION 30. ORS 236.215 is amended to read:

(2) When the provisions of ORS 236.217 apply, the appointment shall be made from a list of not fewer than three nor more than five nominees furnished by the county clerks. If fewer than three names of nominees are furnished or if no list is received by the appointing authority, the county court or board of county commissioners may consider additional qualified persons. The person so appointed must have been a member of the same major political party or minor political party as the person vacating the office at least 180 days before the date the vacancy to be filled occurred.

The nominating procedure shall reflect the principle of one-person, one-vote to accord voting weight in proportion to the number of party members represented. At the request of a party making a nomination, the county clerk or chief elections officer of the county in which the vacancy exists shall assist the party in determining the number of electors registered as members of the party in the electoral district. As soon as the nominees have been appointed, but no later than 20 days after the vacancy occurs, the party shall notify the county clerk of the persons nominated. The county clerk shall notify the remaining members of the county court or board of county commissioners of the county in which the vacancy exists of the nominees.
