or electing its candidates for public office at the primary election; or
(b) The elector is registered as not being affiliated with any political party and wishes to vote
in the primary election of a major political party that has provided under subsection (3) of this
section for a primary election that admits electors not affiliated with any political party.

An elector not affiliated with any political party and offering to vote at the primary election shall
be given the ballot of the major political party in whose primary election the elector wishes to vote
if that party has provided under subsection (3) of this section for a primary election that admits
electors not affiliated with any political party. An elector not affiliated with any political party who
is given a ballot of the major political party associates with the party for the purpose of voting in
that primary election.

a party rule under this subsection may limit the candidates for whom an elector who is not affiliated
with any political party may vote.
