 18 licensee:

19 (A) Pays all fees the director by rule requires for the renewal;

11 the license occurs, unless the director specifies a different date by rule or order.

12       (b) A license that the director renews as provided in subsection (2) of this section expires

14 order.

15       (c) Adding a category of insurance business to a license under subsection (3) of this  
16 section does not change the expiration date for the license.

17       (6) The director may reinstate a licensee's license under the following circumstances:

18       (a) If the director revoked the license, removed a category of insurance business or re-  
19 moved a class of insurance, the director may reinstate the license, category or class if the

21       (b) If a licensee has voluntarily surrendered a license, the director may reinstate the li-

23 the license if the former licensee applies for the license as provided in section 12 of this 2019  
24 Act within two years after surrendering the previous license and demonstrates that the  
25 former licensee has satisfied any continuing education requirements that would have applied  
26 had the former licensee renewed the previous license.

27       (7) If the director has suspended a license, the director may modify or lift the suspension

44 **(d) Commit an offense that results in a conviction in any United States jurisdiction for**

17 (j) Commit an act that results in a state or federal agency canceling, suspending, revok-  
18 ing or refusing to renew a license to practice law or a license that authorizes the applicant  
19 or licensee to engage in business under another regulatory authority if the cancellation,

3 (3) The Director of the Department of Consumer and Business Services may take a dis-

19 insurance to the license.

20 (c) Before setting a period of probation for a licensee under paragraph (a) of this sub-  
21 section, the director shall notify the licensee and offer the licensee an opportunity for a  
22 hearing in accordance with ORS chapter 183.

23 (d) During any probationary period, the director may take any disciplinary action de-

26 license to engage in business as an adjuster, an insurance consultant or an insurance pro-

28 (2) A license expiration or a licensee's voluntary surrender of a license does not prevent  
29 the Director of the Department of Consumer and Business Services from investigating or  
30 initiating disciplinary proceedings against a licensee. The director may also at any time re-  
31 vise or vacate an order to suspend or revoke a license.

32 **SECTION 19.** ORS 705.141 is amended to read:

13 731.509. (1) The purpose of ORS 731.509, 731.510, 731.511, 731.512 and 731.516 is to protect the  
 14 interests of insureds, claimants, ceding insurers, assuming insurers and the public generally. The  
 15 Legislative Assembly declares that *[its]* **the intent of the Legislative Assembly** is to ensure ade-  
 16 quate regulation of insurers and reinsurers and adequate protection for those to whom *[they]*  
 17 **insurers and reinsurers** owe obligations. In furtherance of that state interest, the Legislative As-  
 18 sembly mandates that upon the insolvency of an alien insurer or reinsurer that provides security to  
 19 fund *[its]* **the alien insurer's or reinsurer's** United States obligations in accordance with ORS  
 20 731.509, 731.510, 731.511, 731.512 and 731.516, the assets representing the security *[shall]* **must**  
 21 be maintained in the United States and claims *[shall]* **must** be filed with and valued by the state in-  
 22 surance commissioner with regulatory oversight, and the assets *[shall]* **must** be distributed in ac-  
 23 cordance with the insurance laws of the state in which the trust is domiciled that are applicable to  
 24 the liquidation of domestic United States insurers. The Legislative Assembly declares that the laws  
 25 contained in ORS 731.509, 731.510, 731.511, 731.512 and 731.516 are fundamental to the business of  
 26 insurance in accordance with 15 U.S.C. 1011 and 1012.

27 (2) The Director of the Department of Consumer and Business Services *[shall]* **may** not allow  
 28 credit for reinsurance to a domestic ceding insurer as either an asset or a reduction from liability  
 29 on account of reinsurance ceded unless credit is allowed as provided under ORS 731.508 and unless  
 30 the reinsurer meets the requirements of:

31 (a) Subsection *[(3)]* **(4)** of this section;

32 (b) Subsection *[(4)]* **(5)** of this section **and ORS 731.511 (1)**;

33 (c) *[Subsections (5) and (8)]* **Subsection (6)** of this section;

34 (d) Subsections *[(6)]* **(7)** and (8) of this section;

35 (e) *[Subsection (7) of this section]* **ORS 731.511**; or

36 (f)**(A)** Subsection (9) of this section~~]; and~~

37 **(B) Additional requirements that the director specifies by rule, which may include:**

38 **(i) The valuation of assets or reserve credits;**

39 **(ii) The amount and forms of security that support reinsurance arrangements; and**

40 **(iii) The circumstances under which the director will reduce or eliminate credit.**

41 **(3) The director shall allow credit under subsection (4), (5) or (6) of this section or under**  
 42 **ORS 731.511 only with respect to cessions of the kinds or classes of business that the as-**  
 43 **suming insurer is licensed or otherwise permitted to write or assume in the state in which**  
 44 **the assuming insurer is domiciled or, if the assuming insurer is an alien insurer, the state**  
 45 **in which the assuming insurer is entered and is licensed or authorized to transact insurance**

1 **or reinsurance. The director may allow credit under subsection (6) or (7) of this section only**  
 2 **if the assuming insurer satisfies applicable requirements under subsection (10) of this sec-**  
 3 **tion.**

4 [(3)] (4) [*Credit shall be allowed when*] **The director shall allow credit if** the reinsurance is  
 5 ceded to an authorized assuming insurer that accepts reinsurance of risks[,] and retains **the** risk  
 6 [*thereon*] **of the reinsurance** within such limits[,] as the assuming insurer is otherwise authorized  
 7 to insure in this state, as provided in ORS 731.508.

8 [(4)] (5) [*Credit shall be allowed when*] **The director shall allow credit if** the reinsurance is  
 9 ceded to an assuming insurer that is accredited as a reinsurer in this state, as provided in ORS  
 10 731.511. The director [*shall*] **may** not allow credit to a domestic ceding insurer if the **director has**  
 11 **revoked** accreditation of the assuming insurer [*has been revoked by the director*] after notice and  
 12 opportunity for hearing.

13 [(5)] (6) [*Credit shall be allowed when*] **The director shall allow credit if** the reinsurance is  
 14 ceded to a foreign assuming insurer or a United States branch of an alien assuming insurer meeting  
 15 all of the following requirements:

16 (a) The foreign assuming insurer must be domiciled in a state employing standards regarding  
 17 credit for reinsurance that equal or exceed the standards applicable under this section. The United  
 18 States branch of an alien assuming insurer must be entered through a state employing such stan-  
 19 dards.

20 (b) The foreign assuming insurer or United States branch of an alien assuming insurer must  
 21 maintain a combined capital and surplus in an amount not less than \$20,000,000. The requirement  
 22 of this paragraph does not apply to reinsurance ceded and assumed pursuant to pooling arrange-  
 23 ments among insurers in the same holding company system.

24 (c) The foreign assuming insurer or United States branch of an alien assuming insurer must  
 25 submit to the authority of the director to examine [*its*] **the foreign assuming insurer's or alien**  
 26 **assuming insurer's** books and records.

27 [(6)] (7) [*Credit shall be allowed when*] **The director shall allow credit if** the reinsurance is  
 28 ceded to an assuming insurer that maintains a trust fund meeting the requirements of this sub-  
 29 section **and subsection (8) of this section** and [*additionally*] **that also** complies with other re-  
 30 quirements of this subsection **and subsection (8) of this section**. The trust fund must be maintained  
 31 in a qualified United States financial institution, as defined in ORS 731.510 (1), for the payment of  
 32 the valid claims of [*its*] **the assuming insurer's** United States policyholders and ceding insurers  
 33 and [*their*] **the** assigns and successors in interest **of the policyholders and ceding insurers**. The  
 34 assuming insurer must report annually to the director information **that is** substantially the same  
 35 as [*that required to be reported*] **information authorized insurers must report** on the annual  
 36 statement form [*by*] **under** ORS 731.574 [*by authorized insurers*], in order to enable the director to  
 37 determine the sufficiency of the trust fund. **The assuming insurer shall submit to the director's**  
 38 **examination of the assuming insurer's books and records and shall pay to the director the**  
 39 **expenses of the examination.**

40 (8) The following requirements apply to [*such a trust fund*] **the following categories of as-**  
 41 **suming insurers:**

42 (a)(A) [*In the case of*] **For** a single assuming insurer, the trust fund must consist of funds in trust  
 43 in an amount not less than the assuming insurer's liabilities attributable to reinsurance ceded by  
 44 United States ceding insurers. In addition, **except as provided in subparagraph (B) of this para-**  
 45 **graph,** the assuming insurer must maintain a trustee surplus of not less than \$20,000,000.

1       **(B) At any time after the assuming insurer permanently discontinues underwriting, for**  
2 **at least three full years, new business that the trust secures, the commissioner that has**  
3 **principal regulatory oversight over the trust may authorize a reduction in the required**  
4 **trusteed surplus, but only after finding based on an assessment of the risk that the new re-**  
5 **quired surplus level is adequate to protect United States ceding insurers, policyholders and**  
6 **claimants in light of reasonably foreseeable adverse loss development. The risk assessment**  
7 **may involve an actuarial review, including an independent analysis of reserves and cash**  
8 **flows, and must consider all material risk factors, including, if applicable, the lines of busi-**  
9 **ness involved, the stability of the incurred loss estimates and the effect of the surplus re-**  
10 **quirements on the assuming insurer's liquidity or solvency. The commissioner may not**  
11 **reduce the amount of the minimum required trusteed surplus below 30 percent of the as-**  
12 **suming insurer's liabilities that are attributable to reinsurance that United States ceding**  
13 **insurers covered by the trust have ceded.**

14       (b) *[In the case of]* **For** a group *[including]* **that includes** incorporated and individual  
15 unincorporated underwriters:

16       (A) For reinsurance ceded under reinsurance agreements with an inception, amendment or re-  
17 newal date on or after August 1, 1995, the trust *[shall]* **must** consist of a trusteed account in an  
18 amount not less than the group's several liabilities attributable to business *[ceded by]* United States  
19 domiciled ceding insurers **have ceded** to any member of the group.

20       (B) For reinsurance ceded under reinsurance agreements with an inception date on or before  
21 July 31, 1995, and not amended or renewed after that date, notwithstanding the other provisions of  
22 ORS 731.509, 731.510, 731.511, 731.512 and 731.516, the trust *[shall]* **must** consist of a trusteed ac-  
23 count in an amount not less than the group's several insurance and reinsurance liabilities attribut-  
24 able to business written in the United States.

25       (C) In addition to the trusts described in subparagraphs (A) and (B) of this paragraph, the group  
26 shall maintain in trust a trusteed surplus of which \$100,000,000 *[shall]* **must** be held jointly for the  
27 benefit of the United States domiciled ceding insurers of any member of the group for all years of  
28 account.

29       (D) The incorporated members of the group *[shall not be engaged]* **may not engage** in any  
30 business other than underwriting as a member of the group and *[shall be]* **are** subject to the same  
31 level of regulation and solvency control by the group's domiciliary regulator as are the  
32 unincorporated members.

33       (E) Within 90 days after the group's financial statements are due to be filed with the group's  
34 domiciliary regulator, the group shall provide to the director an annual certification by the group's  
35 domiciliary regulator of the solvency of each underwriter member or, if certification is unavailable,  
36 financial statements of each underwriter member of the group prepared by independent certified  
37 public accountants.

38       (c) *[In the case of a]* **For the** group of incorporated insurers described in this paragraph, the  
39 trust must be in an amount equal to the group's several liabilities attributable to business ceded by  
40 United States ceding insurers to any member of the group pursuant to reinsurance contracts issued  
41 in the name of the group. This paragraph applies to a group of incorporated insurers under common  
42 administration that complies with the annual reporting requirements contained in *[this]* subsection  
43 **(7) of this section** and that has continuously transacted an insurance business outside the United  
44 States for at least three years immediately *[prior to making application]* **before applying** for ac-  
45 creditation. Such a group must have an aggregate policyholders' surplus of \$10,000,000,000 and must

1 submit to the authority of this state to examine *[its]* **the group's** books and records and bear the  
 2 expense of the examination. The group shall also maintain a joint trusteed surplus of which  
 3 \$100,000,000 must be held jointly for the benefit of United States ceding insurers of any member of  
 4 the group as additional security for any such liabilities. Each member of the group shall make  
 5 available to the director an annual certification of the member's solvency by the member's  
 6 domiciliary regulator and *[its]* **the member's** independent certified public accountant.

7 (d) The form of the trust and any amendment to the trust *[shall have been]* **must be** approved  
 8 by the insurance commissioner of the state in which the trust is domiciled or by the insurance  
 9 commissioner of another state who, pursuant to the terms of the trust instrument, has accepted  
 10 principal regulatory oversight of the trust.

11 (e) The form of the trust and any trust amendments also *[shall]* **must be** filed with the insurance  
 12 commissioner of every state in which the ceding insurer beneficiaries of the trust are domiciled. The  
 13 trust instrument must provide that contested claims *[shall be]* **are** valid and enforceable upon the  
 14 final order of any court of competent jurisdiction in the United States. The trust must vest legal title  
 15 to *[its]* **the trust's** assets in *[its]* **the trust's** trustees for the benefit of the assuming insurer's  
 16 United States ceding insurers and *[their]* **the** assigns and successors in interest **of the ceding**  
 17 **insurers**. The trust and the assuming insurer are subject to examination as determined by the di-  
 18 rector. The trust must remain in effect for as long as the assuming insurer has outstanding obli-  
 19 gations due under the reinsurance agreements subject to the trust.

20 (f) Not later than March 1 of each year, the trustees of each trust shall report to the director  
 21 in writing the balance of the trust, *[and listing]* **list** the trust's investments at the preceding year  
 22 end[,] and *[shall]* certify the date of termination of the trust, if *[so]* **a termination is** planned, or  
 23 certify that the trust will not expire prior to the following December 31.

24 *[(7)]* **(9)** *[Credit shall be allowed when]* **The director shall allow credit if** the reinsurance is  
 25 ceded to an assuming insurer *[not meeting]* **that does not meet** the requirements of subsection *[(3),*  
 26 *(4), (5) or (6)]* **(4), (5), (6) or (7)** of this section **or ORS 731.511 (1) or (4)**, but only as to the in-  
 27 surance of risks located in jurisdictions in which the reinsurance is required by applicable law or  
 28 regulation of that jurisdiction.

29 *[(8)]* **(10)** If the assuming insurer is not *[authorized]* **licensed, accredited or certified** to trans-  
 30 act insurance **or reinsurance** in this state *[or accredited as a reinsurer in this state]*, the director  
 31 *[shall]* **may** not allow the credit permitted by subsections *[(5) and]* **(6) and (7)** of this section unless  
 32 the assuming insurer agrees in the reinsurance agreement to the provisions stated in this subsection.  
 33 This subsection *[is not intended to]* **does not** conflict with or override the obligation of the parties  
 34 to a reinsurance agreement to arbitrate *[their]* **the parties'** disputes, if such an obligation is created  
 35 in the agreement. The assuming insurer must agree in the reinsurance agreement:

36 (a) That *[in the event of the failure of]* **if** the assuming insurer **fails** to perform *[its]* **the assuming**  
 37 **insurer's** obligations under the terms of the reinsurance agreement, the assuming insurer, at the  
 38 request of the ceding insurer, shall submit to the jurisdiction of any court of competent jurisdiction  
 39 in any state of the United States, will comply with all requirements necessary to give the court ju-  
 40 risdiction and will abide by the final decision of the court or of any appellate court in the event of  
 41 an appeal; and

42 (b) To designate the director or a designated attorney as *[its]* **the assuming insurer's** true and  
 43 lawful attorney upon whom any lawful process in any action, suit or proceeding instituted by or on  
 44 behalf of the ceding company may be served.

45 *[(9)]* **(11)** *[Credit shall be allowed when]* **The director shall allow credit if** the reinsurance is

1 ceded to the Oregon Reinsurance Program established in section 18, chapter 538, Oregon Laws 2017.

2 [(10)] (12) If the assuming insurer does not meet the requirements of subsection [(3), (4) or (5)]  
 3 (4), (5) or (6) of this section or ORS 731.511 (1) or (4), the **director may not allow the** credit  
 4 permitted by subsection [(6)] (7) of this section [*shall not be allowed*] unless the assuming insurer  
 5 agrees in the trust agreements to the following conditions:

6 (a) Notwithstanding any other provisions in the trust instrument, if the trust fund is inadequate  
 7 because [*it*] **the trust fund** contains an amount less than the applicable amount required by sub-  
 8 section [(6)(a)] (8)(a), (b) or (c) of this section, or if the grantor of the trust has been declared in-  
 9 solvent or placed into receivership, rehabilitation, liquidation or similar proceedings under the laws  
 10 of the grantor's state or country of domicile, the trustee shall comply with an order of the insurance  
 11 commissioner with regulatory oversight over the trust or with an order of a court of competent ju-  
 12 risdiction directing the trustee to transfer to the insurance commissioner with regulatory oversight  
 13 all the assets of the trust fund.

14 (b) The assets [*shall*] **must** be distributed by and claims [*shall*] **must** be filed with and valued  
 15 by the insurance commissioner with regulatory oversight in accordance with the laws of the state  
 16 in which the trust is domiciled that [*are applicable*] **apply** to the liquidation of domestic insurance  
 17 companies.

18 (c) If the insurance commissioner with regulatory oversight determines that the assets of the  
 19 trust fund or any part [*thereof are*] **of the assets is** not necessary to satisfy the claims of the United  
 20 States ceding insurers of the grantor of the trust, the **insurance commissioner of the state in**  
 21 **which the trust is domiciled shall return the** assets or part [*thereof shall be returned by the in-*  
 22 *surance commissioner according to*] **of the assets in accordance with** the laws of [*that*] **the** state  
 23 and [*according to*] the terms of the trust agreement [*not inconsistent*] **that are consistent** with the  
 24 laws of [*that*] **the** state.

25 (d) The grantor shall waive any right otherwise available to [*it*] **the grantor** under United  
 26 States law that is inconsistent with this subsection.

27 **SECTION 21.** ORS 731.509, as amended by section 25, chapter 538, Oregon Laws 2017, is  
 28 amended to read:

29 731.509. (1) The purpose of ORS 731.509, 731.510, 731.511, 731.512 and 731.516 is to protect the  
 30 interests of insureds, claimants, ceding insurers, assuming insurers and the public generally. The  
 31 Legislative Assembly declares that [*its*] **the intent of the Legislative Assembly** is to ensure ade-  
 32 quate regulation of insurers and reinsurers and adequate protection for those to whom [*they*]  
 33 **insurers and reinsurers** owe obligations. In furtherance of that state interest, the Legislative As-  
 34 sembly mandates that upon the insolvency of an alien insurer or reinsurer that provides security to  
 35 fund [*its*] **the alien insurer's or reinsurer's** United States obligations in accordance with ORS  
 36 731.509, 731.510, 731.511, 731.512 and 731.516, the assets representing the security [*shall*] **must** be  
 37 maintained in the United States and claims [*shall*] **must** be filed with and valued by the state in-  
 38 surance commissioner with regulatory oversight, and the assets [*shall*] **must** be distributed in ac-  
 39 cordance with the insurance laws of the state in which the trust is domiciled that are applicable to  
 40 the liquidation of domestic United States insurers. The Legislative Assembly declares that the laws  
 41 contained in ORS 731.509, 731.510, 731.511, 731.512 and 731.516 are fundamental to the business of  
 42 insurance in accordance with 15 U.S.C. 1011 and 1012.

43 (2) The Director of the Department of Consumer and Business Services [*shall*] **may** not allow  
 44 credit for reinsurance to a domestic ceding insurer as either an asset or a reduction from liability  
 45 on account of reinsurance ceded unless credit is allowed as provided under ORS 731.508 and unless

1 the reinsurer meets the requirements of:

- 2 (a) Subsection [(3)] (4) of this section;
- 3 (b) Subsection [(4)] (5) of this section **and ORS 731.511 (1)**;
- 4 (c) [Subsections (5) and (8)] **Subsection (6)** of this section;
- 5 (d) Subsections [(6)] (7) and (8) of this section; [or]
- 6 (e) [Subsection (7) of this section.] **ORS 731.511; or**
- 7 **(f)(A) Subsection (9) of this section; and**
- 8 **(B) Additional requirements that the director specifies by rule, which may include:**
- 9 **(i) The valuation of assets or reserve credits;**
- 10 **(ii) The amount and forms of security that support reinsurance arrangements; and**
- 11 **(iii) The circumstances under which the director will reduce or eliminate credit.**

12 **(3) The director shall allow credit under subsection (4), (5) or (6) of this section or under**

13 **ORS 731.511 only with respect to cessions of the kinds or classes of business that the as-**

14 **suming insurer is licensed or otherwise permitted to write or assume in the state in which**

15 **the assuming insurer is domiciled or, if the assuming insurer is an alien insurer, the state**

16 **in which the assuming insurer is entered and is licensed or authorized to transact insurance**

17 **or reinsurance. The director may allow credit under subsection (6) or (7) of this section only**

18 **if the assuming insurer satisfies applicable requirements under subsection (10) of this sec-**

19 **tion.**

20 [(3)] (4) [Credit shall be allowed when] **The director shall allow credit if** the reinsurance is

21 ceded to an authorized assuming insurer that accepts reinsurance of risks[,] and retains **the** risk

22 [thereon] **of the reinsurance** within such limits[,] as the assuming insurer is otherwise authorized

23 to insure in this state, as provided in ORS 731.508.

24 [(4)] (5) [Credit shall be allowed when] **The director shall allow credit if** the reinsurance is

25 ceded to an assuming insurer that is accredited as a reinsurer in this state as provided in ORS

26 731.511. The director [shall] **may** not allow credit to a domestic ceding insurer if the **director has**

27 **revoked** accreditation of the assuming insurer [has been revoked by the director] after notice and

28 opportunity for hearing.

29 [(5)] (6) [Credit shall be allowed when] **The director shall allow credit if** the reinsurance is

30 ceded to a foreign assuming insurer or a United States branch of an alien assuming insurer meeting

31 all of the following requirements:

32 (a) The foreign assuming insurer must be domiciled in a state employing standards regarding

33 credit for reinsurance that equal or exceed the standards applicable under this section. The United

34 States branch of an alien assuming insurer must be entered through a state employing such stan-

35 dards.

36 (b) The foreign assuming insurer or United States branch of an alien assuming insurer must

37 maintain a combined capital and surplus in an amount not less than \$20,000,000. The requirement

38 of this paragraph does not apply to reinsurance ceded and assumed pursuant to pooling arrange-

39 ments among insurers in the same holding company system.

40 (c) The foreign assuming insurer or United States branch of an alien assuming insurer must

41 submit to the authority of the director to examine [its] **the foreign assuming insurer's or the**

42 **alien assuming insurer's** books and records.

43 [(6)] (7) [Credit shall be allowed when] **The director shall allow credit if** the reinsurance is

44 ceded to an assuming insurer that maintains a trust fund meeting the requirements of this sub-

45 section **and subsection (8) of this section** and [additionally] **that also** complies with other re-

1 requirements of this subsection **and subsection (8) of this section**. The trust fund must be maintained  
 2 in a qualified United States financial institution, as defined in ORS 731.510 (1), for the payment of  
 3 the valid claims of *[its]* **the assuming insurer's** United States policyholders and ceding insurers  
 4 and *[their]* **the assigns and successors in interest of the policyholders and ceding insurers**. The  
 5 assuming insurer must report annually to the director information **that is** substantially the same  
 6 as *[that required to be reported]* **information authorized insurers must report** on the annual  
 7 statement form *[by]* **under** ORS 731.574 *[by authorized insurers]*, in order to enable the director to  
 8 determine the sufficiency of the trust fund. **The assuming insurer shall submit to the director's**  
 9 **examination of the assuming insurer's books and records and shall pay to the director the**  
 10 **expenses of the examination.**

11 (8) The following requirements apply to *[such a trust fund]* **the following categories of as-**  
 12 **suming insurers:**

13 (a)(A) *[In the case of]* **For** a single assuming insurer, the trust fund must consist of funds in trust  
 14 in an amount not less than the assuming insurer's liabilities attributable to reinsurance ceded by  
 15 United States ceding insurers. In addition, **except as provided in subparagraph (B) of this para-**  
 16 **graph**, the assuming insurer must maintain a trustee surplus of not less than \$20,000,000.

17 (B) **At any time after the assuming insurer permanently discontinues underwriting, for**  
 18 **at least three full years, new business that the trust secures, the commissioner that has**  
 19 **principal regulatory oversight over the trust may authorize a reduction in the required**  
 20 **trustee surplus, but only after finding based on an assessment of the risk that the new re-**  
 21 **quired surplus level is adequate to protect United States ceding insurers, policyholders and**  
 22 **claimants in light of reasonably foreseeable adverse loss development. The risk assessment**  
 23 **may involve an actuarial review, including an independent analysis of reserves and cash**  
 24 **flows, and must consider all material risk factors including, if applicable, the lines of busi-**  
 25 **ness involved, the stability of the incurred loss estimates and the effect of the surplus re-**  
 26 **quirements on the assuming insurer's liquidity or solvency. The commissioner may not**  
 27 **reduce the amount of the minimum required trustee surplus below 30 percent of the as-**  
 28 **suming insurer's liabilities that are attributable to reinsurance that United States ceding**  
 29 **insurers covered by the trust have ceded.**

30 (b) *[In the case of]* **For** a group *[including]* **that includes** incorporated and individual  
 31 unincorporated underwriters:

32 (A) For reinsurance ceded under reinsurance agreements with an inception, amendment or re-  
 33 newal date on or after August 1, 1995, the trust *[shall]* **must** consist of a trustee account in an  
 34 amount not less than the group's several liabilities attributable to business *[ceded by]* United States  
 35 domiciled ceding insurers **have ceded** to any member of the group.

36 (B) For reinsurance ceded under reinsurance agreements with an inception date on or before  
 37 July 31, 1995, and not amended or renewed after that date, notwithstanding the other provisions of  
 38 ORS 731.509, 731.510, 731.511, 731.512 and 731.516, the trust *[shall]* **must** consist of a trustee ac-  
 39 count in an amount not less than the group's several insurance and reinsurance liabilities attribut-  
 40 able to business written in the United States.

41 (C) In addition to the trusts described in subparagraphs (A) and (B) of this paragraph, the group  
 42 shall maintain in trust a trustee surplus of which \$100,000,000 *[shall]* **must** be held jointly for the  
 43 benefit of the United States domiciled ceding insurers of any member of the group for all years of  
 44 account.

45 (D) The incorporated members of the group *[shall not be engaged]* **may not engage** in any

1 business other than underwriting as a member of the group and *[shall be]* **are** subject to the same  
 2 level of regulation and solvency control by the group's domiciliary regulator as are the  
 3 unincorporated members.

4 (E) Within 90 days after the group's financial statements are due to be filed with the group's  
 5 domiciliary regulator, the group shall provide to the director an annual certification by the group's  
 6 domiciliary regulator of the solvency of each underwriter member or, if certification is unavailable,  
 7 financial statements of each underwriter member of the group prepared by independent certified  
 8 public accountants.

9 (c) *[In the case of a]* **For the** group of incorporated insurers described in this paragraph, the  
 10 trust must be in an amount equal to the group's several liabilities attributable to business ceded by  
 11 United States ceding insurers to any member of the group pursuant to reinsurance contracts issued  
 12 in the name of the group. This paragraph applies to a group of incorporated insurers under common  
 13 administration that complies with the annual reporting requirements contained in *[this]* subsection  
 14 **(7) of this section** and that has continuously transacted an insurance business outside the United  
 15 States for at least three years immediately *[prior to making application]* **before applying** for ac-  
 16 creditation. Such a group must have an aggregate policyholders' surplus of \$10,000,000,000 and must  
 17 submit to the authority of this state to examine *[its]* **the group's** books and records and bear the  
 18 expense of the examination. The group shall also maintain a joint trusteed surplus of which  
 19 \$100,000,000 must be held jointly for the benefit of United States ceding insurers of any member of  
 20 the group as additional security for any such liabilities. Each member of the group shall make  
 21 available to the director an annual certification of the member's solvency by the member's  
 22 domiciliary regulator and *[its]* **the member's** independent certified public accountant.

23 (d) The form of the trust and any amendment to the trust *[shall have been]* **must be** approved  
 24 by the insurance commissioner of the state in which the trust is domiciled or by the insurance  
 25 commissioner of another state who, pursuant to the terms of the trust instrument, has accepted  
 26 principal regulatory oversight of the trust.

27 (e) The form of the trust and any trust amendments also *[shall]* **must** be filed with the insurance  
 28 commissioner of every state in which the ceding insurer beneficiaries of the trust are domiciled. The  
 29 trust instrument must provide that contested claims *[shall be]* **are** valid and enforceable upon the  
 30 final order of any court of competent jurisdiction in the United States. The trust must vest legal title  
 31 to *[its]* **the trust's** assets in *[its]* **the trust's** trustees for the benefit of the assuming insurer's  
 32 United States ceding insurers and *[their]* **the** assigns and successors in interest **of the ceding**  
 33 **insurers**. The trust and the assuming insurer are subject to examination as determined by the di-  
 34 rector. The trust must remain in effect for as long as the assuming insurer has outstanding obli-  
 35 gations due under the reinsurance agreements subject to the trust.

36 (f) Not later than March 1 of each year, the trustees of each trust shall report to the director  
 37 in writing the balance of the trust, *[and listing]* **list** the trust's investments at the preceding year  
 38 end[,] and *[shall]* certify the date of termination of the trust, if *[so]* **a termination is** planned, or  
 39 certify that the trust will not expire prior to the following December 31.

40 *[(7)]* **(9)** *[Credit shall be allowed when]* **The director shall allow credit if** the reinsurance is  
 41 ceded to an assuming insurer *[not meeting]* **that does not meet** the requirements of subsection *[(3),*  
 42 *(4), (5) or (6)]* **(4), (5), (6) or (7)** of this section **or ORS 731.511 (1) or (4)**, but only as to the in-  
 43 surance of risks located in jurisdictions in which the reinsurance is required by applicable law or  
 44 regulation of that jurisdiction.

45 *[(8)]* **(10)** If the assuming insurer is not *[authorized]* **licensed, accredited or certified** to trans-

1 act insurance **or reinsurance** in this state [*or accredited as a reinsurer in this state*], the director  
 2 [*shall*] **may** not allow the credit permitted by subsections [(5) and] (6) **and (7)** of this section unless  
 3 the assuming insurer agrees in the reinsurance agreement to the provisions stated in this subsection.  
 4 This subsection [*is not intended to*] **does not** conflict with or override the obligation of the parties  
 5 to a reinsurance agreement to arbitrate [*their*] **the parties'** disputes, if such an obligation is created  
 6 in the agreement. The assuming insurer must agree in the reinsurance agreement:

7 (a) That [*in the event of the failure of*] **if** the assuming insurer **fails** to perform [*its*] **the assuming**  
 8 **insurer's** obligations under the terms of the reinsurance agreement, the assuming insurer, at the  
 9 request of the ceding insurer, shall submit to the jurisdiction of any court of competent jurisdiction  
 10 in any state of the United States, will comply with all requirements necessary to give the court ju-  
 11 risdiction and will abide by the final decision of the court or of any appellate court in the event of  
 12 an appeal; and

13 (b) To designate the director or a designated attorney as [*its*] **the assuming insurer's** true and  
 14 lawful attorney upon whom any lawful process in any action, suit or proceeding instituted by or on  
 15 behalf of the ceding company may be served.

16 [(9)] (11) If the assuming insurer does not meet the requirements of subsection [(3), (4) or (5)]  
 17 (4), (5) or (6) of this section **or ORS 731.511 (1) or (4)**, the **director may not allow** the credit  
 18 permitted by subsection [(6)] (7) of this section [*shall not be allowed*] unless the assuming insurer  
 19 agrees in the trust agreements to the following conditions:

20 (a) Notwithstanding any other provisions in the trust instrument, if the trust fund is inadequate  
 21 because [*it*] **the trust fund** contains an amount less than the applicable amount required by sub-  
 22 section [(6)(a)] (8)(a), (b) or (c) of this section, or if the grantor of the trust has been declared in-  
 23 solvent or placed into receivership, rehabilitation, liquidation or similar proceedings under the laws  
 24 of the grantor's state or country of domicile, the trustee shall comply with an order of the insurance  
 25 commissioner with regulatory oversight over the trust or with an order of a court of competent ju-  
 26 risdiction directing the trustee to transfer to the insurance commissioner with regulatory oversight  
 27 all the assets of the trust fund.

28 (b) The assets [*shall*] **must** be distributed by and claims [*shall*] **must** be filed with and valued  
 29 by the insurance commissioner with regulatory oversight in accordance with the laws of the state  
 30 in which the trust is domiciled that [*are applicable*] **apply** to the liquidation of domestic insurance  
 31 companies.

32 (c) If the insurance commissioner with regulatory oversight determines that the assets of the  
 33 trust fund or any part [*thereof are*] **of the assets is** not necessary to satisfy the claims of the United  
 34 States ceding insurers of the grantor of the trust, the **insurance commissioner of the state in**  
 35 **which the trust is domiciled shall return the** assets or part [*thereof shall be returned by the in-*  
 36 *surance commissioner according to*] **of the assets in accordance with** the laws of [*that*] **the** state  
 37 and [*according to*] the terms of the trust agreement [*not inconsistent*] **that are consistent** with the  
 38 laws of [*that*] **the** state.

39 (d) The grantor shall waive any right otherwise available to [*it*] **the grantor** under United  
 40 States law that is inconsistent with this subsection.

41 **SECTION 22.** ORS 731.510 is amended to read:

42 731.510. (1) Subject to the provisions of ORS 731.508 relating to allowance of credit for rein-  
 43 surance, the Director of the Department of Consumer and Business Services shall allow a reduction  
 44 from liability for the reinsurance [*ceded by*] a domestic insurer **cedes** to a reinsurer [*not meeting*]  
 45 **that does not meet** the requirements of ORS 731.509 in an amount [*not exceeding*] **that does not**

 2 duction [*shall*] **must** be in the amount of funds held by or on behalf of the ceding insurer, including  
 3 funds **a reinsurer holds** [*held*] in trust for the ceding insurer[,] **as security for payment of obli-**  
 4 **gations** under a reinsurance contract with the reinsurer [*as security for the payment of obligations*

 25 tion **of the letters of credit** [*shall continue to be*] **are** acceptable as security, notwithstanding the  
 26 subsequent failure of the issuing or confirming institution to meet applicable standards of issuer

 38 Securities Valuation Office of the National Association of Insurance Commissioners as to whether  
 39 a financial institution meets [*its*] **the office's** standards of financial conditions and standing.

40 (d) Any other form of security acceptable to the director.

41 **(3) The director by rule may specify additional requirements for:**

42 **(a) Valuing assets or reserve credits;**

 2 *[when]* if the reinsurance is ceded to an assuming insurer that is accredited as a reinsurer in this  
 3 state, an insurer may be accredited as a reinsurer in this state if the insurer:

6 (b) Submits to the authority of the director to examine *[its]* **the insurer's** books and records;

 12 recent audited financial statement; and

13 (e) Satisfies either of the following requirements:

14 (A) Maintains combined capital and surplus in an amount that is not less than \$20,000,000. An  
 15 application for accreditation by an insurer who maintains the amount of combined capital and sur-  
 16 plus specified in this subparagraph is *[considered to be]* approved if the application is not disap-  
 17 proved on or before the 90th day after the application is complete and is filed with the director.

18 (B) Maintains combined capital and surplus in an amount less than \$20,000,000. An insurer ap-  
 19 plying for accreditation who maintains the amount of combined capital and surplus specified in this  
 20 subparagraph is not accredited until the application for accreditation is approved by the director.

21 (2) An insurer that is accredited as a reinsurer in this state may accept reinsurance only of  
 22 those risks and retain the risk *[thereon]* **of the reinsurance** within such limits as the accredited  
 23 reinsurer is otherwise authorized to insure directly in a state in which the accredited reinsurer is  
 24 authorized or licensed to transact insurance.

25 (3) The director may revoke the accreditation of an assuming insurer if the director determines  
 26 that the assuming insurer has failed to continue to meet any of the requirements of subsection (1)  
 27 of this section.

28 **(4)(a) The director shall allow credit if the reinsurance is ceded to an assuming insurer  
 29 that the director certifies has:**

 31 amount the director specifies by rule;**

32 **(B) Maintained a financial strength rating from two or more rating agencies that the  
 33 director by rule deems acceptable for this purpose;**

34 **(C) Agreed to submit to the jurisdiction of the state, to appoint the director as the as-  
 35 suming insurer's agent for the service of process in this state and to provide security for 100  
 36 percent of the assuming insurer's liabilities that are attributable to reinsurance that ceding  
 37 insurers have ceded, if the assuming insurer resists enforcement of a United States judg-  
 38 ment;**

39 **(D) Agreed to meet applicable information filing requirements that the director specifies  
 40 by rule;**

41 **(E) Included a covenant in the language of any trust the assuming insurer maintains to  
 42 secure the assuming insurer's obligations under ORS 731.509 (8), and in the language of an  
 43 agreement between the assuming insurer and the commissioner with principal regulatory  
 44 authority over the assuming insurer, that requires the assuming insurer to fund out of the  
 45 remaining surplus of the trust any deficiency in a trust account that terminates; and**

1 (F) Satisfied any other requirements that the director specifies for certification.

2 (b) The director may accredit an association as a reinsurer, including an incorporated  
3 underwriter or individual unincorporated underwriters, if the association, the incorporated  
4 underwriter or the individual unincorporated underwriter, as appropriate, meets the re-  
5 quirements set forth in paragraph (a) of this subsection and, in addition:

6 (A) Satisfies minimum capital and surplus requirements by means of the capital and  
7 surplus equivalents, net of liabilities, of the association and the association's members, which  
8 must include a joint central fund with an amount that the director determines is adequate  
9 to satisfy any unsatisfied obligation of the association or a member of the association;

10 (B) Does not engage, as an incorporated member of the association, in any business other  
11 than underwriting and is subject to the same level of regulation and solvency control as the  
12 association's unincorporated members are under the association's domiciliary regulator; and

13 (C) Provides to the director each year, within 90 days after the association must file fi-  
14 nancial statements with the association's domiciliary regulator, a certification from the  
15 association's domiciliary regulator as to the solvency of each underwriting member of the  
16 association or, if a certification is not available, financial statements of each underwriting  
17 member of the association that certified public accounts have prepared.

18 (5)(a) The director shall publish a list of jurisdictions that the director considers qualified  
19 for the purpose of accrediting as a reinsurer an assuming insurer that is licensed and  
20 domiciled in the jurisdiction.

21 (b) To determine whether a domiciliary jurisdiction outside the United States is qualified  
22 for the purpose described in paragraph (a) of this subsection, the director shall:

23 (A) Evaluate and monitor how appropriate and effective the jurisdiction's insurance su-  
24 pervisory system is and the extent to which the jurisdiction affords reinsurers that are li-  
25 censed and domiciled in the United States rights, benefits and reciprocal recognition;

26 (B) Require that the jurisdiction share information and cooperate with the director in  
27 any matter that concerns a reinsurer that the director accredits and that is domiciled within  
28 the jurisdiction;

29 (C) Refuse to accredit a jurisdiction if the jurisdiction does not promptly and adequately  
30 enforce final United States judgments and arbitration awards; and

31 (D) Consider other criteria the director deems appropriate.

32 (c) To determine whether a domiciliary jurisdiction inside the United States is qualified  
33 for the purpose described in paragraph (a) of this subsection, the director shall:

34 (A) Consider the list of qualified jurisdictions that the National Association of Insurance  
35 Commissioners publishes and, if the director accredits a jurisdiction that does not appear on  
36 the National Association of Insurance Commissioners' list, justify the director's accredi-  
37 tation with appropriate documentation in accordance with rules the director adopts for this  
38 purpose; and

39 (B) Accredite United States jurisdictions that meet the requirements of the National As-  
40 sociation of Insurance Commissioners' financial standards and accreditation program.

41 (d) If an assuming insurer's domiciliary jurisdiction ceases to qualify under paragraph (b)  
42 or (c) of this subsection, the director may suspend indefinitely the assuming insurer's ac-  
43 creditation as a reinsurer.

44 (6)(a) The director by rule shall designate rating agencies upon which the director will  
45 rely for financial strength ratings for accredited reinsurers and shall give appropriate con-

1 sideration to the rating agencies' financial strength ratings in assigning ratings to each ac-  
2 credited reinsurer. The director shall publish a list of the accredited reinsurers together with  
3 the director's corresponding rating for each.

4 (b) An accredited reinsurer shall secure obligations the accredited reinsurer assumes  
5 from ceding insurers at a level that is consistent with the rating the director assigns and in  
6 accordance with rules the director adopts.

7 (7)(a) In order for a ceding domestic insurer to qualify for full financial statement credit  
8 for reinsurance that the ceding domestic insurer cedes to an accredited reinsurer, the ac-  
9 credited reinsurer must maintain security in a form that is acceptable to the director and  
10 that is consistent with the requirements of ORS 731.510 or maintain security in a trust fund  
11 in accordance with ORS 731.509 (8), except as otherwise provided in this section.

12 (b) If an accredited reinsurer maintains a trust fund to fully secure the accredited  
13 reinsurer's obligations under ORS 731.509 (8) and the trust fund is a multibeneficiary trust,  
14 the accredited reinsurer shall maintain separate trust accounts for the obligations the ac-  
15 credited reinsurer incurs under reinsurance agreements the accredited reinsurer issued or  
16 renewed as an accredited reinsurer with reduced security, as provided under this section or  
17 under comparable laws of other United States jurisdictions, and for obligations the accredited  
18 reinsurer incurs that are subject to ORS 731.509 (8).

19 (c) The minimum trustee surplus requirements under ORS 731.509 (8) do not apply to  
20 an accredited reinsurer that maintains a multibeneficiary trust for the purpose of securing  
21 obligations under this subsection, except that the trust must maintain a minimum trustee  
22 surplus of \$100,000,000.

23 (8) The director shall reduce the allowable credit for ceding insurers by an amount that  
24 is proportionate to any deficiency in the security required for an accredited reinsurer under  
25 this section. The director may also reduce the allowable credit further if the director finds  
26 that a material risk exists that the accredited reinsurer will not pay the accredited  
27 reinsurer's obligations in full when due.

28 (9)(a) Except as provided in paragraph (b) of this subsection, the director shall require  
29 an accredited reinsurer that has become inactive or has voluntarily surrendered accredi-  
30 tation as an accredited reinsurer, or for which the director has revoked or suspended ac-  
31 creditation, to secure 100 percent of the reinsurer's obligations.

32 (b) The security requirement described in paragraph (a) of this subsection does not apply  
33 to an accredited reinsurer that is inactive, or for which the director has suspended accredi-  
34 tation, if the director maintains a high rating for the reinsurer under subsection (6) of this  
35 section.

36 (10) The director may accredit an assuming insurer as a reinsurer in this state if a ju-  
37 risdiction that the National Association of Insurance Commissioners has qualified as meeting  
38 the association's financial standards and accreditation has certified the assuming insurer as  
39 a reinsurer. The director may also assign to the accredited reinsurer the rating that the  
40 qualifying jurisdiction assigned to the accredited reinsurer.

41 (11) An accredited reinsurer that ceases to assume new business in this state may apply  
42 to the director to become inactive and to qualify for a reduction in security for the business  
43 the accredited reinsurer maintains. An inactive accredited reinsurer shall comply with all  
44 other applicable requirements of this section and the director shall assign a rating to the  
45 accredited reinsurer that accounts for the reasons that the accredited reinsurer is not as-

1 **suming new business, if the reasons are relevant to the rating.**

2 **(12)(a) The director may suspend or revoke an assuming insurer's accreditation as a re-**  
 3 **insurer in this state if the assuming insurer fails to meet applicable requirements for ac-**  
 4 **creditation.**

5 **(b) The director shall give an accredited reinsurer notice and an opportunity for a hear-**  
 6 **ing before taking action under paragraph (a) of this subsection and a suspension or revoca-**  
 7 **tion is not effective until after the director's final order unless:**

8 **(A) The accredited reinsurer waives the opportunity for a hearing;**

9 **(B) The director bases the final order on regulatory action by the accredited reinsurer's**  
 10 **domiciliary jurisdiction or on the accredited reinsurer's having voluntarily surrendered or**  
 11 **terminated the accredited reinsurer's authorization to transact insurance or reinsurance in**  
 12 **the domiciliary jurisdiction or in a jurisdiction whose certification of the reinsurer formed**  
 13 **the basis upon which the director accredited the reinsurer in this state under subsection (10)**  
 14 **of this section; or**

15 **(C) The director finds that an emergency requires immediate action and a court does not**  
 16 **stay the director's action.**

17 **(13) A reinsurance contract issued or renewed after the director suspends an accredited**  
 18 **reinsurer's certification does not qualify for credit unless the reinsurer secures the**  
 19 **reinsurer's obligations in accordance with ORS 731.510. The director may not grant credit for**  
 20 **reinsurance after the effective date of the director's revocation of accreditation unless the**  
 21 **reinsurer secures the reinsurer's obligations in accordance with subsections (6), (7) and (9)**  
 22 **of this section or ORS 731.510.**

23 **(14) The director may adopt rules to implement the provisions of this section.**
