A-Engrossed Senate Bill 29

Ordered by the Senate February 27 Including Senate Amendments dated February 27

Printed pursuant to Senate Interim Rule 213.28 by order of the President of the Senate in conformance with presession filing rules, indicating neither advocacy nor opposition on the part of the President (at the request of Governor Kate Brown for Oregon Health Authority)

SUMMARY

The following summary is not prepared by the sponsors of the measure and is not a part of the body thereof subject to consideration by the Legislative Assembly. It is an editor's brief statement of the essential features of the measure.

Modifies terms "venereal disease" and "sexually transmitted disease" to "sexually transmitted infection." Clarifies hearings procedure for certificates of need for certain health care facilities. Authorizes Oregon Health Authority to collaborate with federal agencies for purposes of enforcement of laws regulating tobacco products and inhalant delivery systems. Clarifies complaint and investigation processes for certain regulated health professions. Includes representative from public safety answering point among membership of State Trauma Advisory Board and area trauma advisory boards. Replaces term "local health department" with "local public health authority." Exempts persons who process marijuana into medical cannabinoid products and cannabinoid concentrates from certain tracking requirements. Modifies application requirements for authorizations to practice art therapy, music therapy, lactation consultation or respiratory therapy or to practice as emergency medical services provider or environmental health specialist trainee. Requires applicant for construction of certain public pools to submit plan to authority for approval.

Declares emergency, effective on passage.

- (e) One examination at the age of nine; and
 - (f) One examination at the age of 14.
- (2) If an examination under subsection (1) of this section has not occurred within six months prior to the transfer for adoption of the custody of a child by a child-caring agency to the prospective adoptive parents of such child, a child-caring agency shall provide for a medical examination of such child within six months prior to such transfer.
- (3) Any testing that occurs at intervals other than those specified in subsections (1) and (2) of this section shall not be considered to be in lieu of the required examinations. However, nothing in subsections (1) and (2) of this section is intended to limit more frequent examinations that are dictated by the general state of the child's health or by any particular condition.
- (4) Within 90 days of obtaining custody of a child under six years of age, a child-caring agency shall provide for the child to be:
- (a) Inoculated as determined appropriate by the local [health department] public health authority; and
 - (b) Tested for:
 - (A) Phenylketonuria pursuant to ORS 433.285;
- 40 (B) Visual and aural acuity consistent with the child's age;
- 41 (C) Sickle-cell anemia;
- 42 (D) Effects of rubella, if any;
 - (E) Effects of parental [venereal disease] sexually transmitted infection, if any; and
- 44 (F) The hereditary or congenital effects of parental use of drugs or controlled substances.
- 45 (5) Within six months prior to the transfer for adoption of the custody of a child by a child-

caring agency to the prospective adoptive parents of such child, the child-caring agency shall provide for such child to have a complete physical examination by a physician or naturopathic physician, including but not limited to inspection for evidence of child abuse in accordance with rules of the Department of Human Services, and be tested for visual and aural acuity consistent with the child's age.

(6) A child-caring agency shall record the results of tests provided a child pursuant to subsections (1) to (5) of this section in the child's health record. The child's health record shall be kept as a part of the agency's total records of that child. The child's health record shall be made available to both natural parents and to both prospective foster or adoptive parents of that child. A qualified member of a child-caring agency under the supervision of a qualified physician or naturopathic physician shall explain to adoptive parents the medical factors possible as a result of a child's birth history, hereditary or congenital defects, or disease or disability experience.

SECTION 3. ORS 435.010 is amended to read:

435.010. (1) [No] Appliances, drugs or medicinal preparations intended or having special utility for the prevention of conception or [venereal diseases] sexually transmitted infections, or both, [shall] may not be manufactured or sold at wholesale in this state without a license issued by the State Board of Pharmacy, as provided in ORS 435.010 to 435.130, which licenses shall be in addition to other licenses required by law.

(2) The prohibitions of subsection (1) of this section do not apply to practitioners as defined in ORS 689.005.

SECTION 4. ORS 677.370 is amended to read:

677.370. [No] Semen [shall] **may not** be donated for use in artificial insemination by any person who:

- (1) Has any disease or defect known by [him] the person to be transmissible by genes; or
- (2) Knows or has reason to know [he has a venereal disease] that the person has a sexually transmitted infection.

HOSPITALS AND HOME HEALTH AGENCIES

SECTION 5. ORS 442.315, as amended by section 23, chapter 608, Oregon Laws 2013, and section 10, chapter 718, Oregon Laws 2017, is amended to read:

442.315. (1) Any new hospital or new skilled nursing or intermediate care service or facility not excluded pursuant to ORS 441.065 shall obtain a certificate of need from the Oregon Health Authority prior to an offering or development.

- (2) The authority shall adopt rules specifying criteria and procedures for making decisions as to the need for the new services or facilities.
- (3)(a) An applicant for a certificate of need shall apply to the authority on forms provided for this purpose by authority rule.
- (b) An applicant shall pay a fee prescribed as provided in this section. Subject to the approval of the Oregon Department of Administrative Services, the authority shall prescribe application fees, based on the complexity and scope of the proposed project.
- (4)(a) The authority shall [be the decision-making authority for the purpose of certificates of need] issue a draft recommendation in response to an application for a certificate of need.
- (b) The authority may establish an expedited review process for an application for a certificate of need to rebuild a long term care facility, relocate buildings that are part of a long term care fa-

cility or relocate long term care facility bed capacity from one long term care facility to another. The authority shall issue a [proposed order] **draft recommendation** not later than 120 days after the date a complete application [for] **subject to** expedited review is received by the authority.

- (5)(a) An applicant or any affected person who is dissatisfied with the [proposed decision] draft recommendation of the authority is entitled to an informal hearing before the authority in the course of review and before a [final] proposed decision is rendered. Following an informal hearing, or if no applicant or affected person requests an informal hearing within a period of time prescribed by the authority by rule, the authority shall issue a proposed decision.
- [(b) Following a final decision being rendered by the authority, an applicant or any affected person may request a reconsideration hearing pursuant to ORS chapter 183.]
- [(c) In any proceeding brought by an affected person or an applicant challenging an authority decision under this subsection, the authority shall follow procedures consistent with the provisions of ORS chapter 183 relating to a contested case.]
- (b) An applicant or affected person is entitled to a contested case hearing in accordance with ORS chapter 183 to challenge the proposed decision of the authority. Following a contested case hearing, or if no applicant or affected person requests a contested case hearing within a period of time prescribed by the authority by rule, the authority shall issue a final order granting, with or without limitations, or denying the certificate of need.
- (6) Once a certificate of need has been [issued] granted, it may not be revoked or rescinded unless it was acquired by fraud or deceit. However, if the authority finds that a person is offering or developing a project that is not within the scope of the certificate of need, the authority may limit the project as specified in the [issued] granted certificate of need or reconsider the application. A certificate of need is not transferable.
- (7) Nothing in this section applies to any hospital, skilled nursing or intermediate care service or facility that seeks to replace equipment with equipment of similar basic technological function or an upgrade that improves the quality or cost-effectiveness of the service provided. Any person acquiring such replacement or upgrade shall file a letter of intent for the project in accordance with the rules of the authority if the price of the replacement equipment or upgrade exceeds \$1 million.
- (8) Except as required in subsection (1) of this section for a new hospital or new skilled nursing or intermediate care service or facility not operating as a Medicare swing bed program, nothing in this section requires a rural hospital as defined in ORS 442.470 (6)(a)(A) and (B) to obtain a certificate of need.
- (9) Nothing in this section applies to basic health services, but basic health services do not include:
 - (a) Magnetic resonance imaging scanners;
 - (b) Positron emission tomography scanners;
- (c) Cardiac catheterization equipment;
 - (d) Megavoltage radiation therapy equipment;
- 39 (e) Extracorporeal shock wave lithotriptors;
- 40 (f) Neonatal intensive care;
- 41 (g) Burn care;

- 42 (h) Trauma care;
 - (i) Inpatient psychiatric services;
- 44 (j) Inpatient chemical dependency services;
- 45 (k) Inpatient rehabilitation services;

- 1 (L) Open heart surgery; or
- 2 (m) Organ transplant services.
- 3 (10) In addition to any other remedy provided by law, whenever it appears that any person is
 4 engaged in, or is about to engage in, any acts that constitute a violation of this section, or any rule
 5 or order issued by the authority under this section, the authority may institute proceedings in the
 6 circuit courts to enforce obedience to such statute, rule or order by injunction or by other pro7 cesses, mandatory or otherwise.
 - (11) As used in this section, "basic health services" means health services offered in or through a hospital licensed under ORS chapter 441, except skilled nursing or intermediate care nursing facilities or services and those services specified in subsection (9) of this section.

SECTION 6. ORS 443.035 is amended to read:

443.035. (1) The Oregon Health Authority may grant a license to a home health agency or caregiver registry for a calendar year, may annually renew a license and may allow for a change of ownership, upon payment of a fee as follows:

- 15 [(a) For a new home health agency:]
- 16 [(A) \$1,600; and]

 - (c) \$500 for a change of ownership of a home health agency at a time other than the annual renewal date.
 - (d)(A) \$1,500 for a new caregiver registry license; and
- 40 (B) \$750 for each subunit of a newly licensed caregiver registry.
- (e)(A) \$750 for a renewal of a caregiver registry license; and
- 42 (B) \$750 for each subunit of a caregiver registry described in subparagraph (A) of this paragraph.
 - (f)(A) \$350 for a change of ownership of a caregiver registry at a time other than the annual renewal date; and

- (B) \$350 for each subunit of a caregiver registry described in subparagraph (A) of this paragraph.
- (2) Notwithstanding subsection (1)(c) or (f) of this section, the fee for a change in ownership shall be \$100 if a change in ownership does not involve:
 - (a) The majority owner or partner; or
 - (b) The administrator operating the agency or registry.
- (3) All fees received pursuant to subsection (1) of this section shall be paid over to the State Treasurer and credited to the Public Health Account. Such moneys are appropriated continuously to the Oregon Health Authority for the administration of ORS 443.014 to 443.105.
- SECTION 7. (1) The amendments to ORS 442.315 and 443.035 by sections 5 and 6 of this 2019 Act become operative on January 1, 2020.
- (2) The Oregon Health Authority may take any action before the operative date specified in subsection (1) of this section that is necessary to enable the authority to exercise, on and after the operative date specified in subsection (1) of this section, all of the duties, functions and powers conferred on the authority by the amendments to ORS 442.315 and 443.035 by sections 5 and 6 of this 2019 Act.

TOBACCO AND INHALANT DELIVERY SYSTEMS

SECTION 8. ORS 431A.183 is amended to read:

431A.183. (1)(a) The Oregon Health Authority [shall:]

- [(a) Coordinate with law enforcement agencies] may enter into an agreement with federal agencies to assist the authority in monitoring and enforcing federal laws and regulations related to tobacco products or inhalant delivery systems.
- (b) The authority may commission employees of the authority as federal officers for the purpose of carrying out the duties prescribed under an agreement entered into under paragraph (a) of this subsection.
- (c) The authority may adopt rules and take any action necessary to carry out the authority's duties as established under an agreement entered into under paragraph (a) of this subsection.
- (2) The authority may enter into an agreement with federal, state and local government agencies, including federal, state and local law enforcement agencies, to assist the authority in carrying out the authority's duties under ORS 431A.175 and to conduct random, unannounced inspections of wholesalers and retailers of tobacco products or inhalant delivery systems to ensure compliance with the laws of this state designed to discourage the use of tobacco products and inhalant delivery systems by persons under 21 years of age, including ORS 167.750, 167.755, 167.760, 167.765, 167.775, 167.780 and 431A.175[; and].
- (3)(a) If the authority enters into an agreement with the Department of State Police under subsection (2) of this section, the department may employ retired state police officers who are active reserve officers. Service by a retired state police officer under this paragraph is subject to ORS 238.082.
- (b) The department may not use the services of a retired state police officer to displace an active state police member.
- (4)(a) The authority may apply for and accept moneys from the federal government or other public or private sources and, in accordance with any federal restrictions or other

- funding source restrictions, use those moneys to carry out the duties and functions related to preventing the use of tobacco products or inhalant delivery systems by persons who are not of the minimum age to purchase tobacco products or inhalant delivery systems.
- (b) Moneys received by the authority under paragraph (a) of this subsection shall be deposited in the Oregon Health Authority Fund established under ORS 413.101. Moneys subject to a federal restriction or other funding source restriction must be accounted for separately from other fund moneys.
- (5)(a) The authority shall submit a written report each biennium to the Governor and to the appropriate committee or interim committee of the Legislative Assembly to which matters of public health are assigned.
- (b) The report submitted under this subsection must contain information [Submit a report] describing:
- (A) The activities carried out to enforce the laws listed in [paragraph (a)] subsection (2) of this [subsection] section during the previous [fiscal year] biennium;
- (B) The extent of success achieved in reducing the availability of tobacco products and inhalant delivery systems to persons under 21 years of age; and
- (C) The strategies to be utilized for enforcing the laws listed in [paragraph (a)] subsection (2) of this [subsection] section during the [year] biennium following the report.
- [(2)] (6) The authority shall adopt rules for conducting random inspections of establishments that distribute or sell tobacco products or inhalant delivery systems. The rules shall provide that inspections may take place:
 - (a) Only in areas open to the public;

- (b) Only during the hours that tobacco products or inhalant delivery systems are distributed or sold; and
- (c) No more frequently than once a month in any single establishment unless a compliance problem exists or is suspected.
- [(3) The Oregon Liquor Control Commission, pursuant to an agreement or otherwise, may assist the authority with the authority's duties under subsection (1)(a) of this section and the enforcement of ORS 431A.175.]

SECTION 9. ORS 433.847 is amended to read:

- 433.847. (1) The Oregon Health Authority shall adopt rules establishing a certification system for smoke shops and any rules necessary for the implementation, administration and enforcement of ORS 433.835 to 433.875. In adopting [such] rules under this section, the authority shall prohibit the smoking, aerosolizing or vaporizing of inhalants that are not tobacco products in smoke shops.
 - (2) The authority shall issue a smoke shop certification to a business that:
- (a)(A) Is primarily engaged in the sale, for off-premises consumption or use, of tobacco products and smoking instruments used to smoke tobacco products, with at least 75 percent of the gross revenues of the business resulting from such sales;
 - (B) Prohibits persons under 21 years of age from entering the premises;
- 41 (C) Does not offer video lottery games as authorized under ORS 461.217, social gaming or betting 42 on the premises;
 - (D) Does not:
 - (i) Sell or offer food or beverages [and does not sell, offer or allow on-premises consumption of alcoholic beverages], including alcoholic beverages, for on-premises consumption; or

- (ii) Allow on-premises consumption of alcoholic beverages;
- 2 (E) Is a stand-alone business with no other businesses or residential property attached to the premises: 3
 - (F) Has a maximum seating capacity of four persons; and
- (G) Allows the smoking of tobacco product samples only for the purpose of making retail purchase decisions: 6
 - (b) On December 31, 2008:

- (c)(A) Was certified as a smoke shop under ORS 433.835, as in effect immediately before June 13 30, 2011, by the authority on or before December 31, 2012; [and] 14
- 15 (B) Allows the smoking of cigarettes only if at least 75 percent of the gross revenues of the business results from the sale of cigarettes[.]; 16
 - (C) Does not:
 - (i) Sell or offer alcoholic beverages for on-premises consumption; or
 - (ii) Allow on-premises consumption of alcoholic beverages; and
 - (D) Prohibits persons under 21 years of age from entering the premises.
 - (3) A smoke shop certified under subsection (2)(b) of this section must renew the smoke shop certification every five years by demonstrating to the satisfaction of the authority that the smoke shop:
 - (a)(A) Meets the requirements of subsection (2)(a)(A) to (D) of this section; and
 - (B)(i) Is a stand-alone business with no other businesses or residential property attached; or
 - (ii) Has a ventilation system that exhausts smoke from the business and is designed and terminated in accordance with the state building code standards for the occupancy classification in use; and
 - (b) Allows the smoking of cigarettes only if at least 75 percent of the gross revenues of the business results from the sale of cigarettes.
 - (4) A smoke shop certified under subsection (2)(c) of this section must renew the smoke shop certification every five years by demonstrating to the satisfaction of the authority that the smoke shop:
 - (a) Meets the requirements of ORS 433.835, as in effect immediately before June 30, 2011; [and]
 - (b) Allows the smoking of cigarettes only if at least 75 percent of the gross revenues of the business results from the sale of cigarettes[.];
 - (c) Does not:
 - (i) Sell or offer alcoholic beverages for on-premises consumption; or
 - (ii) Allow on-premises consumption of alcoholic beverages; and
 - (d) Prohibits persons under 21 years of age from entering the premises.
- (5) The owner of a smoke shop certified under subsection (2)(b) or (c) of this section may 41 transfer the certification with ownership of the smoke shop if the transfer is made in accordance 42 with rules adopted by the authority. 43
 - (6) A smoke shop certified under subsection (2)(b) of this section may continue to be certified in a new location under subsection (2)(b) of this section if:

- 1 (a)(A) The new location occupies no more than 3,500 square feet; or
 - (B) If the old location occupied more than 3,500 square feet, the new location occupies no more than 110 percent of the space occupied by the old location; and
 - (b) The smoke shop as operated in the new location:
 - (A) Meets the requirements of subsection (2)(a)(A) to (D) of this section;
 - (B)(i) Is a stand-alone business with no other businesses or residential property attached; or
 - (ii) Has a ventilation system that exhausts smoke from the business and is designed and terminated in accordance with the state building code standards for the occupancy classification in use; and
 - (C) Allows the smoking of cigarettes only if at least 75 percent of the gross revenues of the business results from the sale of cigarettes.
 - (7) A smoke shop certified under subsection (2)(c) of this section may continue to be certified in a new location under subsection (2)(c) of this section if:
 - (a)(A) The new location occupies no more than 3,500 square feet; or
 - (B) If the old location occupied more than 3,500 square feet, the new location occupies no more than 110 percent of the space occupied by the old location; and
 - (b) The smoke shop as operated in the new location:
 - (A) Meets the requirements of ORS 433.835, as in effect immediately before June 30, 2011; [and]
 - (B) Allows the smoking of cigarettes only if at least 75 percent of the gross revenues of the business results from the sale of cigarettes[.];
 - (C) Does not:

- (i) Sell or offer alcoholic beverages for on-premises consumption; or
- (ii) Allow on-premises consumption of alcoholic beverages; and
- (D) Prohibits persons under 21 years of age from entering the premises.
- (8) Rules adopted under this section must provide that, in order to obtain a smoke shop certification, a business must agree to allow the authority to make unannounced inspections of the business to determine compliance with ORS 433.835 to 433.875.
- (9)(a) Subject to ORS chapter 183, the authority may revoke or refuse to issue or renew a certification to a smoke shop for a violation of any provision of ORS 433.835 to 433.875 or a violation of any rule adopted under ORS 433.835 to 433.875.
- (b) If the authority revokes the certification or denies the renewal of the certification of a smoke shop that was certified under subsection (2)(b) or (c) of this section, the authority may not issue a new certification to the smoke shop under subsection (2)(b) or (c) of this section.
 - **SECTION 10.** ORS 413.101 is amended to read:
- 413.101. The Oregon Health Authority Fund is established in the State Treasury, separate and distinct from the General Fund. Interest earned by the Oregon Health Authority Fund shall be credited to the fund. Moneys in the fund are continuously appropriated to the Oregon Health Authority for carrying out the duties, functions and powers of the authority under ORS 413.032 and 431A.183.
- SECTION 11. The State Police Tobacco Law Enforcement Fund established under ORS 181A.330 is abolished. Any unexpended balances of amounts authorized to be expended by the Department of State Police, from moneys continuously appropriated, appropriated or otherwise made available to the fund for the purpose of carrying out the duties, functions and

powers of the program described in ORS 181A.335, remaining in the fund on the operative date specified in section 12 of this 2019 Act are transferred to the Oregon Health Authority Fund established under ORS 413.101. The moneys transferred are available for expenditure by the Oregon Health Authority for the purpose of administering and enforcing the duties of the authority under ORS 431A.183.

SECTION 12. (1) Section 11 of this 2019 Act and the amendments to ORS 413.101, 431A.183 and 433.847 by sections 8, 9 and 10 of this 2019 Act become operative on January 1, 2020.

(2) The Oregon Health Authority may take any action before the operative date specified in subsection (1) of this section that is necessary to enable the authority to exercise, on and after the operative date specified in subsection (1) of this section, all of the duties, functions and powers conferred on the authority by section 11 of this 2019 Act and the amendments to ORS 413.101, 431A.183 and 433.847 by sections 8, 9 and 10 of this 2019 Act.

- 38 (S) State Board of Denture Technology;
- 39 (T) Respiratory Therapist and Polysomnographic Technologist Licensing Board;
- 40 (U) Oregon Health Authority, to the extent that the authority licenses emergency medical ser-41 vices providers;
 - (V) Oregon State Veterinary Medical Examining Board; or
 - (W) State Mortuary and Cemetery Board.
- 44 (b) "Licensee" means a health professional licensed or certified by or registered with a board.
- 45 (c) "Prohibited conduct" means conduct by a licensee that:

(A) Constitutes a criminal act against a patient or client; or

- (B) Constitutes a criminal act that creates a risk of harm to a patient or client.
- (d) "Unprofessional conduct" means conduct unbecoming a licensee or detrimental to the best interests of the public, including conduct contrary to recognized standards of ethics of the licensee's profession or conduct that endangers the health, safety or welfare of a patient or client.
- (2) Unless state or federal laws relating to confidentiality or the protection of health information prohibit disclosure, a licensee who has reasonable cause to believe that another licensee has engaged in prohibited or unprofessional conduct shall report the conduct to the board responsible for the licensee who is believed to have engaged in the conduct. The reporting licensee shall report the conduct without undue delay, but in no event later than 10 working days after the reporting licensee learns of the conduct.
- (3) A licensee who is convicted of a misdemeanor or felony or who is arrested for a felony crime shall report the conviction or arrest to the licensee's board within 10 days after the conviction or arrest.
- (4) The board responsible for a licensee who is reported to have engaged in prohibited or unprofessional conduct shall investigate in accordance with the board's rules. If the board has reasonable cause to believe that the licensee has engaged in prohibited conduct, the board shall present the facts to an appropriate law enforcement agency without undue delay, but in no event later than 10 working days after the board finds reasonable cause to believe that the licensee engaged in prohibited conduct.
- (5) A licensee who fails to report prohibited or unprofessional conduct as required by subsection (2) of this section or the licensee's conviction or arrest as required by subsection (3) of this section is subject to discipline by the board responsible for the licensee.
- (6) A licensee who fails to report prohibited conduct as required by subsection (2) of this section commits a Class A violation.
- (7)(a) Notwithstanding any other provision of law, a report under subsection (2) or (3) of this section is confidential under ORS 676.175.
 - (b) A board may disclose a report as provided in ORS 676.177.
- (c) If the Health Licensing Office receives a report described in this subsection, the report is confidential and the office may only disclose the report pursuant to ORS 676.595 and 676.599.
- (8) Except as part of an application for a license or for renewal of a license and except as provided in subsection (3) of this section, a board may not require a licensee to report the licensee's criminal conduct.
- (9) The obligations imposed by this section are in addition to and not in lieu of other obligations to report unprofessional conduct as provided by statute.
- (10) A licensee who reports to a board in good faith as required by subsection (2) of this section is immune from civil liability for making the report.
- (11) A board and the members, employees and contractors of the board are immune from civil liability for actions taken in good faith as a result of a report received under subsection (2) or (3) of this section.

SECTION 14. ORS 676.560 is amended to read:

 - (9) Sex Offender Treatment Board, as provided in ORS 675.360 to 675.410;
 - (10) Long Term Care Administrators Board, as provided in ORS 678.710 to 678.820;
 - (11) Board of Licensed Dietitians, as provided in ORS 691.405 to 691.485;
- 35 (12) Behavior Analysis Regulatory Board, as provided in ORS 676.806;
- 36 (13) Board of Certified Advanced Estheticians, as provided in ORS 676.630 to 676.660;
- 37 (14) Art therapy, as provided in ORS 681.740 to 681.758; [and]
- 38 (15) Lactation consultation, as provided in ORS 676.665 to 676.689; and
 - (16) Music therapy, as provided in ORS 681.700 to 681.730.
 - **SECTION 16.** ORS 676.579 is amended to read:
 - 676.579. (1)(a) The Health Licensing Office is under the supervision and control of a director, who is responsible for the performance of the duties, functions and powers and for the organization of the office.
 - (b) The Director of the Oregon Health Authority shall establish the qualifications for and appoint the Director of the Health Licensing Office, who holds office at the pleasure of the Director

1 of the Oregon Health Authority.

- (c) The Director of the Health Licensing Office shall receive a salary as provided by law or, if not so provided, as prescribed by the Director of the Oregon Health Authority.
 - (d) The Director of the Health Licensing Office is in the unclassified service.
- (2) The Director of the Health Licensing Office shall provide the boards, councils and programs administered by the office with any services and employees as the office requires to carry out the office's duties. Subject to any applicable provisions of the State Personnel Relations Law, the Director of the Health Licensing Office shall appoint all subordinate officers and employees of the office, prescribe their duties and fix their compensation.
- (3) The Director of the Health Licensing Office is responsible for carrying out the duties, functions and powers under ORS 675.360 to 675.410, 676.560 to 676.625, 676.665 to 676.689, 676.810, 676.815, 676.825, 676.992, 678.710 to 678.820, 680.500 to 680.565, **681.700 to 681.730**, 681.740 to 681.758, 687.405 to 687.495, 687.895, 688.701 to 688.734, 688.800 to 688.840, 690.005 to 690.225, 690.350 to 690.410, 691.405 to 691.485 and 694.015 to 694.170 and ORS chapter 700.
- (4) The enumeration of duties, functions and powers in subsection (3) of this section is not intended to be exclusive or to limit the duties, functions and powers imposed on or vested in the office by other statutes.

SECTION 17. ORS 676.590 is amended to read:

- 676.590. (1) [Upon request, the Health Licensing Office shall disclose to a person against whom disciplinary action is sought information, including complaints and information identifying complainants, but not including information that is otherwise privileged or confidential under state or federal law,] Information obtained by the Health Licensing Office as part of an investigation conducted under the following laws and any reports issued by an investigator are exempt from public disclosure:
- (a) ORS 676.630 to 676.660, **676.665 to 676.689**, 681.700 to 681.730, **681.740 to 681.758**, 690.005 to 690.225, 690.350 to 690.410 or 694.015 to 694.170.
 - (b) ORS 676.560 to 676.625 if the investigation is related to the regulation of:
 - (A) Advanced nonablative esthetics under ORS 676.630 to 676.660;
 - (B) Lactation consultation under ORS 676.665 to 676.689;

 - (G) Respiratory care and polysomnography under ORS 688.800 to 688.840;
- 30 (H) Dietetics under ORS 691.405 to 691.485; or
 - (I) Environmental or waste water sanitation under ORS chapter 700.
 - (3) Notwithstanding subsection (2) of this section, if the office **or board** decides not to impose a disciplinary sanction after conducting an investigation described in subsection (2) of this section:
 - (a) The office shall disclose information obtained as part of the investigation if the person requesting the information demonstrates by clear and convincing evidence that the public interest in disclosure outweighs other interests in nondisclosure, including the public interest in nondisclosure.
 - (b) The office may disclose to a complainant who made a complaint related to the investigation a written summary of information obtained as part of the investigation to the extent that disclosure is necessary to explain the office's **or board's** decision. The person who is the subject of the investigation may review and obtain a copy of a written summary disclosed under this paragraph after the office has redacted any information identifying the complainant.
 - (4) Notwithstanding subsection (2) of this section, if a decision is made to impose a disciplinary sanction and to issue a notice of intent to impose a disciplinary sanction after conducting an investigation described in subsection (2) of this section, upon written request by the person who is the subject of the investigation, the office shall disclose to the person all information obtained by the

- 1 office or board during the investigation, except that the office may not disclose:
 - (a) Information that is otherwise privileged or confidential under state or federal law.
- 3 (b) Information identifying a person who provided information that led to the investigation, un-4 less the person will provide testimony at a hearing arising out of the investigation.
 - (c) Information identifying a complainant.

- (5) Information disclosed to a person under subsection (4) of this section may be further disclosed by the person only to the extent that disclosure is necessary to prepare for a hearing arising out of the investigation.
 - (6) The office shall disclose:
 - (a) Any notice related to the imposition of a disciplinary sanction.
- 12 (b) A final order related to the imposition of a disciplinary sanction.
 - (c) An emergency suspension order.
 - (d) A consent order or stipulated agreement that involves the conduct of a person against whom discipline is sought.
 - (e) Information to further an investigation into board conduct under ORS 192.685.
- 17 (7) The office **or board** must summarize the factual basis for the office's **or board's** disposition 18 of:
 - (a) A final order related to the imposition of a disciplinary sanction;
 - (b) An emergency suspension order; or
 - (c) A consent order or stipulated agreement that involves the conduct of a person against whom discipline is sought.
 - (8)(a) An office **or board** record or order, or any part of an office **or board** record or order, that is obtained during an investigation described in subsection (2) of this section, during a contested case proceeding or as a result of entering into a consent order or stipulated agreement is not admissible as evidence and may not preclude an issue or claim in a civil proceeding.
 - (b) This subsection does not apply to a proceeding between the office **or board** and a person against whom discipline is sought as otherwise authorized by law.
 - (9)(a) Notwithstanding subsection (2) of this section, the office is not publicly disclosing information when the office permits other public officials and members of the press to attend executive sessions where information obtained as part of an investigation is discussed. Public officials and members of the press attending such executive sessions may not disclose information obtained as part of an investigation to any other member of the public.
 - (b) For purposes of this subsection, "public official" means a member, member-elect or employee of a public entity as defined in ORS 676.177.
 - (10) The office may establish fees reasonably calculated to reimburse the actual cost of disclosing information to a person against whom discipline is sought as required by subsection (4) of this section.
 - **SECTION 19.** ORS 676.608 is amended to read:
- 40 676.608. (1) As used in this section, "public entity" has the meaning given that term in ORS 41 676.177.
 - (2)(a) The Health Licensing Office shall carry out the investigatory duties necessary to enforce the provisions of ORS 676.560 to 676.625 and 676.992.
 - (b) Subject to subsection (12) of this section, the office, upon its own motion, may initiate and conduct investigations of matters relating to the practice of occupations or professions subject to

the authority of the boards, councils and programs listed in ORS 676.565.

- (c) Subject to subsection (12) of this section, the office shall investigate all complaints received by the office relating to the practice of occupations or professions subject to the authority of the boards, councils and programs listed in ORS 676.565.
- (3) While conducting an investigation authorized under subsection (2) of this section or a hearing related to an investigation, the office may:
 - (a) Take evidence;
- (b) Administer oaths;

- (c) Take the depositions of witnesses, including the person charged;
- 10 (d) Compel the appearance of witnesses, including the person charged;
 - (e) Require answers to interrogatories;
 - (f) Compel the production of books, papers, accounts, documents and testimony pertaining to the matter under investigation; and
 - (g) Conduct criminal and civil background checks to determine conviction of a crime that bears a demonstrable relationship to the field of practice.
 - (4) In exercising its authority under this section, the office may issue subpoenas over the signature of the Director of the Health Licensing Office or designated employee of the director and in the name of the State of Oregon.
 - (5) If a person fails to comply with a subpoena issued under this section, the judge of the Circuit Court for Marion County may compel obedience by initiating proceedings for contempt as in the case of disobedience of the requirements of a subpoena issued from the court.
 - (6) If necessary, the director, or an employee designated by the director, may appear before a magistrate empowered to issue warrants in criminal cases to request that the magistrate issue a warrant. The magistrate shall issue a warrant, directing it to any sheriff or deputy or police officer, to enter the described property, to remove any person or obstacle, to defend any threatened violence to the director or a designee of the director or an officer, upon entering private property, or to assist the director in enforcing the office's authority in any way.
 - (7) In all investigations and hearings, the office and any person affected by the investigation or hearing may have the benefit of counsel.
 - (8) If an authorization holder who is the subject of a complaint or an investigation is to appear before the office, the office shall provide the authorization holder with a current summary of the complaint or the matter being investigated not less than 10 days before the date that the authorization holder is to appear. At the time the summary of the complaint or the matter being investigated is provided, the office shall provide the authorization holder with a current summary of documents or alleged facts that the office has acquired as a result of the investigation. The name of the complainant may be withheld from the authorization holder.
 - (9) An authorization holder who is the subject of an investigation, and any person acting on behalf of the authorization holder, may not contact the complainant until the authorization holder has requested a contested case hearing and the office has authorized the taking of the complainant's deposition pursuant to ORS 183.425.
 - (10) Except in an investigation or proceeding conducted by the office or another public entity, or in an action, suit or proceeding in which a public entity is a party, an authorization holder may not be questioned or examined regarding any communication with the office made in an appearance before the office as part of an investigation.
 - (11) This section does not prohibit examination or questioning of an authorization holder re-

- garding records about the authorization holder's care and treatment of a patient or affect the admissibility of those records.
- (12) In conducting an investigation related to the practice of direct entry midwifery, as defined in ORS 687.405, the office shall:
 - (a) Allow the State Board of Direct Entry Midwifery to review the motion or complaint before beginning the investigation;
 - (b) Allow the board to prioritize the investigation with respect to other investigations related to the practice of direct entry midwifery; and
 - (c) Consult with the board during and after the investigation for the purpose of determining whether to pursue disciplinary action.

SECTION 20. ORS 676.612 is amended to read:

- 676.612. (1) Subject to ORS 676.616 and 687.445, and in the manner prescribed in ORS chapter 183 for contested cases and as specified in ORS 675.385, 676.685, 676.825, 678.780, 680.535, 681.755, 687.445, 688.734, 688.836, 690.167, 690.407, 691.477, 694.147 and 700.111 and section 42 of this 2019 Act, the Health Licensing Office may refuse to issue or renew, may suspend or revoke or may otherwise condition or limit an authorization or may discipline or place on probation an authorization holder for commission of the prohibited acts listed in subsection (2) of this section.
- (2) A person subject to the authority of a board, council or program listed in ORS 676.565 commits a prohibited act if the person engages in:
- (a) Fraud, misrepresentation, concealment of material facts or deception in applying for or obtaining an authorization to practice in this state, or in any written or oral communication to the office concerning the issuance or retention of the authorization.
- (b) Using, causing or promoting the use of any advertising matter, promotional literature, testimonial, guarantee, warranty, label, insignia or any other representation, however disseminated or published, that is false, misleading or deceptive.
- (c) Making a representation that the authorization holder knew or should have known is false or misleading regarding skill or the efficacy or value of treatment or remedy administered by the authorization holder.
- (d) Practicing under a false, misleading or deceptive name, or impersonating another authorization holder.
 - (e) Permitting a person other than the authorization holder to use the authorization.
- (f) Practicing with a physical or mental condition that presents an unreasonable risk of harm to the authorization holder or to the person or property of others in the course of performing the authorization holder's duties.
- (g) Practicing while under the influence of alcohol, cannabis, controlled substances or other skill-impairing substances, or engaging in the illegal use of controlled substances or other skill-impairing substances so as to create a risk of harm to the person or property of others in the course of performing the duties of an authorization holder.
 - (h) Failing to properly and reasonably accept responsibility for the actions of employees.
- (i) Employing, directly or indirectly, any suspended, uncertified, unlicensed or unregistered person to practice a regulated occupation or profession subject to the authority of the boards, councils and programs listed in ORS 676.565.
- (j) Unprofessional conduct, negligence, incompetence, repeated violations or any departure from or failure to conform to standards of practice in performing services or practicing in a regulated occupation or profession subject to the authority of the boards, councils and programs listed under

1 ORS 676.565.

- (k) Conviction of any criminal offense, subject to ORS 670.280. A copy of the record of conviction, certified by the clerk of the court entering the conviction, is conclusive evidence of the conviction. A plea of no contest or an admission of guilt is a conviction for purposes of this paragraph.
- (L) Failing to report any adverse action, as required by statute or rule, taken against the authorization holder by another regulatory jurisdiction or any peer review body, health care institution, professional association, governmental agency, law enforcement agency or court for acts or conduct similar to acts or conduct that would constitute grounds for disciplinary action as described in this section.
- (m) Violation of a statute regulating an occupation or profession subject to the authority of the boards, councils and programs listed in ORS 676.565.
- (n) Violation of any rule regulating an occupation or profession subject to the authority of the boards, councils and programs listed in ORS 676.565.
- (o) Failing to cooperate with the office in any investigation, inspection or request for information.
- (p) Selling or fraudulently obtaining or furnishing an authorization to practice in a regulated occupation or profession subject to the authority of the boards, councils and programs listed in ORS 676.565, or aiding or abetting such an act.
- (q) Selling or fraudulently obtaining or furnishing any record related to practice in a regulated occupation or profession subject to the authority of the boards, councils and programs listed in ORS 676.565, or aiding or abetting such an act.
- (r) Failing to pay an outstanding civil penalty or fee that is due or failing to meet the terms of any order issued by the office that has become final.
- (3) For the purpose of requesting a state or nationwide criminal records check under ORS 181A.195, the office may require the fingerprints of a person who is:
 - (a) Applying for an authorization;
 - (b) Applying for renewal of an authorization; or
 - (c) Under investigation by the office.
- (4) If the office places an authorization holder on probation under subsection (1) of this section, the office, in consultation with the appropriate board, council or program, may determine and at any time modify the conditions of the probation.
- (5) If an authorization is suspended, the authorization holder may not practice during the term of suspension. Upon the expiration of the term of suspension, the authorization may be reinstated by the office if the conditions of suspension no longer exist and the authorization holder has satisfied all requirements in the relevant statutes or administrative rules for issuance, renewal or reinstatement.

SECTION 21. ORS 676.613 is amended to read:

676.613. (1) In addition to all other remedies, when it appears to the Health Licensing Office that a person is engaged in, has engaged in or is about to engage in any act, practice or transaction that violates any provision of ORS 675.360 to 675.410, 676.665 to 676.689, 676.810, 676.815, 678.710 to 678.820, 680.500 to 680.565, **681.700 to 681.730**, 681.740 to 681.758, 687.405 to 687.495, 688.701 to 688.734, 688.800 to 688.840, 690.005 to 690.225, 690.350 to 690.410, 691.405 to 691.485 or 694.015 to 694.170 or ORS chapter 700, the office may, through the Attorney General or the district attorney of the county in which the act, practice or transaction occurs or will occur, apply to the court for

an injunction restraining the person from the act, practice or transaction.

(2) A court may issue an injunction under this section without proof of actual damages. An injunction issued under this section does not relieve a person from any other prosecution or enforcement action taken for violation of statutes listed in subsection (1) of this section.

SECTION 22. ORS 676.622 is amended to read:

- 676.622. (1) A transaction conducted through a state or local system or network that provides electronic access to the Health Licensing Office information and services is exempt from any requirement under ORS 675.360 to 675.410, 676.560 to 676.625, 676.665 to 676.689, 676.810, 676.815, 676.992, 680.500 to 680.565, **681.700 to 681.730**, 681.740 to 681.758, 687.405 to 687.495, 688.701 to 688.734, 688.800 to 688.840, 690.005 to 690.225, 690.350 to 690.410, 691.405 to 691.485 and 694.015 to 694.170 and ORS chapter 700, and rules adopted thereunder, requiring an original signature or the submission of handwritten materials.
- (2) Electronic signatures subject to ORS 84.001 to 84.061 and facsimile signatures are acceptable and have the same force as original signatures.
- <u>SECTION 23.</u> The amendments to ORS 676.150, 676.560, 676.565, 676.579, 676.590, 676.595, 676.608, 676.612, 676.613 and 676.622 by sections 13 to 22 of this 2019 Act apply to complaints and reports received on or after the operative date specified in section 24 of this 2019 Act.
- <u>SECTION 24.</u> (1) The amendments to ORS 676.150, 676.560, 676.565, 676.579, 676.590, 676.595, 676.608, 676.612, 676.613 and 676.622 by sections 13 to 22 of this 2019 Act become operative on January 1, 2020.
- (2) The Health Licensing Office may take any action before the operative date specified in subsection (1) of this section that is necessary to enable the office to exercise, on and after the operative date specified in subsection (1) of this section, all of the duties, functions and powers conferred on the office by the amendments to ORS 676.150, 676.560, 676.565, 676.579, 676.590, 676.595, 676.608, 676.612, 676.613 and 676.622 by sections 13 to 22 of this 2019 Act.

- 11 (A) At least one trauma hospital administration representative; and
- 12 (B) At least one emergency medical services provider.
- 13 (i) From a predominately rural area:
- 14 (A) At least one trauma hospital administration representative; and
- 15 (B) At least one emergency medical services provider.
- 16 (j) At least two public members.
 - (k) At least one representative from a public safety answering point.
- 18 (3) In appointing members under subsection (2)(j) of this section, the director may not appoint
 19 a member who has an economic interest in the provision of emergency medical services or trauma
 20 care.
 - (4)(a) The State Trauma Advisory Board shall:
- (A) Advise the authority with respect to the authority's duties and responsibilities under ORS 431A.050 to 431A.080, 431A.085, 431A.090, 431A.095, 431A.100 and 431A.105;
 - (B) Advise the authority with respect to the adoption of rules under ORS 431A.050 to 431A.080, 431A.085, 431A.095 and 431A.105;
 - (C) Analyze data related to the emergency medical services and trauma system developed pursuant to ORS 431A.050; and
 - (D) Suggest improvements to the emergency medical services and trauma system developed pursuant to ORS 431A.050.
 - (b) In fulfilling the duties, functions and powers described in this subsection, the board shall:
 - (A) Make evidence-based decisions that emphasize the standard of care attainable throughout this state and by individual communities located in this state; and
 - (B) Seek the advice and input of coordinated care organizations.
 - (5)(a) The State Trauma Advisory Board may establish a Quality Assurance Subcommittee for the purposes of providing peer review support to and discussing evidence-based guidelines and protocols with the members of area trauma advisory boards and trauma care providers located in this state.
- 38 (b) Notwithstanding ORS 414.227, meetings of the subcommittee are not subject to ORS 192.610 39 to 192.690.
 - (c) Personally identifiable information provided by the State Trauma Advisory Board to individuals described in paragraph (a) of this subsection is not subject to ORS 192.311 to 192.478.
- 42 (6) A majority of the voting members of the board constitutes a quorum for the transaction of business.
 - (7) Official action taken by the board requires the approval of a majority of the voting members of the board.

- (8) The board shall nominate and elect a chairperson from among its voting members.
- (9) The board shall meet at the call of the chairperson or of a majority of the voting members of the board.
 - (10) The board may adopt rules necessary for the operation of the board.
- (11) The term of office of each voting member of the board is four years, but a voting member serves at the pleasure of the director. Before the expiration of the term of a voting member, the director shall appoint a successor whose term begins January 1 next following. A voting member is eligible for reappointment. If there is a vacancy for any cause, the director shall make an appointment to become immediately effective for the unexpired term.
- (12) Members of the board are not entitled to compensation, but may be reimbursed from funds available to the Oregon Health Authority, for actual and necessary travel and other expenses incurred by them in the performance of their official duties in the manner and amounts provided for in ORS 292.495.

SECTION 26. ORS 431A.070 is amended to read:

- 431A.070. (1)(a) Area trauma advisory boards shall meet as often as necessary to:
- (A) Identify specific trauma area needs and problems; and
- (B) Propose to the Oregon Health Authority area trauma system plans and changes that meet state standards and objectives.
- (b) The authority, acting with the advice of the State Trauma Advisory Board established under ORS 431A.055, has the authority to implement plans and changes proposed under paragraph (a) of this subsection.
- (2) In concurrence with the Governor, the authority shall select members for each trauma area from lists submitted by local associations of emergency medical services providers, emergency nurses, emergency physicians, surgeons, hospital administrators, emergency medical services agencies and citizens at large. The members of an area trauma advisory board must be broadly representative of the trauma area as a whole. An area trauma advisory board must consist of at least [15] 16 members and must include:
 - (a) [Three] **Two** surgeons;

- (b) Two physicians serving as emergency physicians;
- (c) Two hospital administrators from different hospitals;
- (d) Two nurses serving as emergency nurses;
 - (e) Two emergency medical services providers serving different emergency medical services;
 - (f) One emergency medical services medical director;
 - (g) Two representatives of the public at large selected from among those submitting letters of application in response to public notice by the authority;
- 36 (h) One representative of any bordering state that is included within the patient referral area; 37 [and]
 - (i) One ambulance service owner or operator or both; and
 - (j) One representative from a public safety answering point.
 - (3) Members of an area trauma advisory board described in subsection (2)(g) of this section may not have an economic interest in health care services provided in the trauma area for which the area trauma advisory board makes proposals under subsection (1)(a)(B) of this section.
 - SECTION 27. The amendments to ORS 431A.055 and 431A.070 by sections 25 and 26 of this 2019 Act apply to individuals who are members of the State Trauma Advisory Board and area trauma advisory boards on or after the operative date specified in section 28 of this 2019 Act.

SECTION 28. (1) The amendments to ORS 431A.055 and 431A.070 by sections 25 and 26 of this 2019 Act become operative on January 1, 2020.

(2) The Oregon Health Authority may take any action before the operative date specified in subsection (1) of this section that is necessary to enable the authority to exercise, on and after the operative date specified in subsection (1) of this section, all of the duties, functions and powers conferred on the authority by the amendments to ORS 431A.055 and 431A.070 by sections 25 and 26 of this 2019 Act.

DISEASES AND INFECTIONS

SECTION 29. ORS 432.510, as amended by section 13, chapter 98, Oregon Laws 2018, is amended to read:

432.510. (1) The Oregon Health Authority[, or designee,] shall establish a uniform, statewide, population-based registry system for the collection of information determining the incidence of cancer and benign or borderline tumors of the brain and central nervous system and related data. The purpose of the registry [shall be] is to provide information to design, target, monitor, facilitate and evaluate efforts to determine the causes or sources of cancer and benign or borderline tumors among the residents of this state and to reduce the burden of cancer and benign or borderline tumors in this state. Such efforts may include but are not limited to:

- (a) Targeting populations in need of cancer screening services or evaluating screening or other cancer control services;
- (b) Supporting the operation of hospital registries in monitoring and upgrading the care and the end results of treatment for cancer and benign or borderline tumors;
- (c) Investigating suspected clusters or excesses of cancer and benign or borderline tumors both in occupational settings and in the state's environment generally;
- (d) Conducting studies to identify cancer hazards to the public health and cancer hazard remedies; and
- (e) Projecting the benefits or costs of alternative policies regarding the prevention or treatment of cancer and benign or borderline tumors.
- (2) The authority shall adopt rules necessary to carry out the purposes of ORS 432.510 to 432.550 and 432.900, including but not limited to designating which types of cancer and benign or borderline tumors of the brain and central nervous system are reportable to the statewide registry, the data to be reported, the data reporting standards and format and the effective date after which reporting by health care facilities, clinical laboratories and practitioners shall be required. When adopting rules under this subsection, the authority shall, to the greatest extent practicable, conform the rules to the standards and procedures established by the American College of Surgeons Commission on Cancer, with the goal of achieving uniformity in the collection and reporting of data.
 - (3) The authority [or designee] shall:
- (a) Conduct a program of epidemiologic analyses of registry data collected under subsection (1) of this section to assess control, prevention, treatment and causation of cancer and benign or borderline tumors in this state; and
- (b) Utilize the data to promote, facilitate and evaluate programs designed to reduce the burden of cancer and benign or borderline tumors among the residents of Oregon.
 - (4) The authority [or designee] shall:
 - (a) Collaborate in studies of cancer and benign or borderline tumors with clinicians and

epidemiologists and publish reports on the results of such studies; and

- (b) Cooperate with the National Institutes of Health and the Centers for Disease Control and Prevention in providing incidence data for cancer and benign or borderline tumors.
- (5) The authority [or designee] shall establish a training program for the personnel of participating health care facilities and a quality control program for data for cancer and benign or borderline tumors reported to the state registry.
 - (6) The authority may contract with a public or private third party to:
 - (a) Operate or maintain the statewide registry; and
 - (b) Fulfill the authority's duties under subsections (3) to (5) of this section.

SECTION 30. ORS 432.520 is amended to read:

432.520. (1) Except as provided in subsection (2) of this section, any health care facility in which patients are diagnosed or provided treatment for cancer or benign or borderline tumors of the brain and central nervous system shall report each case of cancer or benign or borderline tumors of the brain and central nervous system to the Oregon Health Authority or its authorized representative within a time period and in a format prescribed by the authority. The authority may provide, at cost, reporting services to health care facilities. Health care facilities may also purchase reporting services from another facility or commercial vendor. If a health care facility is unable to report in conformance with the format and standards prescribed by the authority, the authority may, after consultation with the health care facility, elect to activate its reporting service for the facility. When activated, the authority may enter the facility, obtain the information and report it in conformance with the appropriate format and standards. In these instances, the facility shall reimburse the authority or its authorized representative for the cost of obtaining and reporting the information.

- (2) Upon application to the authority by a health care facility, the authority shall grant to the health care facility an extension of time in which to meet the reporting requirements of this section. In no event shall the extension of time exceed one year from the date of application.
- (3) Any **licensed health care** practitioner diagnosing or providing treatment to patients with cancer or benign or borderline tumors of the brain and central nervous system shall report each case to the authority or its authorized representative within a time period and in a format prescribed by the authority. Those cases diagnosed or treated at an Oregon health care facility or previously admitted to an Oregon health care facility for diagnosis or treatment of that instance of cancer or benign or borderline tumors of the brain and central nervous system shall be considered by the authority to have been reported by the **licensed** health care practitioner.
- (4) Any clinical laboratory diagnosing cases of cancer or benign or borderline tumors of the brain and central nervous system shall report each case to the authority or its authorized representative within a time period and in a format prescribed by the authority.
- (5) For the purpose of assuring the accuracy and completeness of reported data, the authority shall have the right to periodically review all records that would:
- (a) Identify cases of cancer and benign or borderline tumors, the treatment of the cancer or benign or borderline tumors or the medical status of any patient identified as being treated for cancer or benign or borderline tumors; or
 - (b) Establish characteristics of the cancer or benign or borderline tumors.
- (6) The authority may conduct special studies of cancer morbidity and mortality. As part of such studies, registry personnel may obtain additional information that applies to a patient's cancer or benign or borderline tumors and that may be in the medical record of the patient. The record holder

may either provide the requested information to the registry personnel or provide the registry personnel access to the relevant portions of the patient's medical record. Neither the authority nor the record holder shall bill the other for the cost of providing or obtaining this information.

SECTION 31. ORS 433.004 is amended to read:

- 433.004. (1) The Oregon Health Authority shall by rule:
 - (a) Specify reportable diseases;
- (b) Identify those categories of persons who must report reportable diseases and the circumstances under which the reports must be made;
- (c) Prescribe the procedures and forms for making such reports and transmitting the reports to the authority; and
- (d) Prescribe measures and methods for investigating the source and controlling reportable diseases.
 - (2) Persons required under the rules to report reportable diseases shall [do so by reporting] report to the authority or the local public health administrator as specified by the authority by rule. [The] A local public health administrator that receives a report under this subsection shall transmit [such reports] the report to the authority as specified by the authority by rule.
 - (3) The authority or local public health administrator may investigate a case of a reportable disease, disease outbreak or epidemic. The investigation may include, but is not limited to:
 - (a) Interviews of:
- (A) The subject of a reportable disease report;
- 21 (B) Controls;

- 22 (C) Health care providers; or
- 23 (D) Employees of a health care facility.
 - (b) Requiring a health care provider, any public or private entity, or an individual who has information necessary for the investigation to:
- 26 (A) Permit inspection of the information by the authority or local public health administrator; 27 and
 - (B) Release the information to the authority or local public health administrator.
 - (c) Inspection, sampling and testing of real or personal property with consent of the owner or custodian of the property or with an administrative warrant.
 - (4)(a) The authority shall establish by rule the manner in which information may be requested and obtained under subsection (3) of this section.
 - (b) Information requested may include, but is not limited to, individually identifiable health information related to:
 - (A) The case;
 - (B) An individual who may be the potential source of exposure or infection;
 - (C) An individual who has been or may have been exposed to or affected by the disease;
- 38 (D) Policies, practices, systems or structures that may have affected the likelihood of disease 39 transmission; and
- 40 (E) Factors that may influence an individual's susceptibility to the disease or likelihood of being diagnosed with the disease.
 - (5) In addition to other grounds for which a state agency may exercise disciplinary action against its licensees or certificate holders, the substantial or repeated failure of a licensee or certificate holder to report when required to do so under subsection (2) or (3) of this section shall be cause for the exercise of any of the agency's disciplinary powers.

- (6) Any person making a report or providing information under this section is immune from any civil or criminal liability that might otherwise be incurred or imposed with respect to the making of a report or providing information under this section.
- **SECTION 32.** ORS 433.045, as amended by section 15, chapter 61, Oregon Laws 2018, is amended to read:

433.045. (1) As used in this section:

- (a) "Health care provider" means an individual licensed by a health professional regulatory board, as defined in ORS 676.160, the Long Term Care Administrators Board, the Board of Licensed Dietitians or the Behavior Analysis Regulatory Board.
- (b) "HIV test" means a test of an individual for the presence of HIV, or for antibodies or antigens that result from HIV infection, or for any other substance specifically indicating infection with HIV.
 - (c) "Insurance producer" has the meaning given that term in ORS 746.600.
 - (d) "Insurance-support organization" has the meaning given that term in ORS 746.600.
 - (e) "Insurer" has the meaning given that term in ORS 731.106.
- (2) Except as provided in ORS 433.017, 433.055 [(3)] (2) and 433.080, a health care provider or the provider's designee shall, before subjecting an individual to an HIV test:
 - (a) Notify the individual being tested; and
 - (b) Allow the individual being tested the opportunity to decline the test.
- (3) The notification and opportunity to decline testing required under subsection (2) of this section may be verbal or in writing, and may be contained in a general medical consent form.
- (4)(a) Regardless of the manner of receipt or the source of the information, including information received from the tested individual, a person may not disclose or be compelled to disclose the identity of any individual upon whom an HIV-related test is performed, or the results of such a test in a manner that permits identification of the subject of the test, except as required or permitted by federal law, the law of this state or any rule, including any authority rule considered necessary for public health or health care purposes, or as authorized by the individual whose blood is tested.
- (b) This subsection does not apply to an individual acting in a private capacity and not in an employment, occupational or professional capacity.
- (5) A person who complies with the requirements of this section is not subject to an action for civil damages.
- (6) Whenever an insurer, insurance producer or insurance-support organization asks an applicant for insurance to take an HIV test in connection with an application for insurance, the insurer, insurance producer or insurance-support organization must reveal the use of the test to the applicant and obtain the written consent of the applicant. The consent form must disclose the purpose of the test and the persons to whom the results may be disclosed.

SECTION 33. ORS 433.055 is amended to read:

- 433.055. (1) The Oregon Health Authority shall conduct studies of the prevalence of the HIV infection in this state. [Its findings shall be reported] The authority shall report findings to the Oregon Public Health Advisory Board, the Conference of Local Health Officials, the Emergency Board and other interested bodies at regular intervals, commencing in January 1988. The authority may cause the prevalence study of persons sentenced to the Department of Corrections of this state, as defined in ORS 421.005, to be made.
- [(2) The authority shall contract with an appropriate education agency to prepare a curriculum regarding HIV infection, acquired immune deficiency syndrome (AIDS) and prevention of the spread

of AIDS for all school districts and offer workshops to prepare teachers and parents to implement the curriculum. The authority shall award incentive grants from funds available therefor to school districts to encourage use of the curriculum in the schools.]

[(3)] (2) Prior consent to HIV antibody testing need not be obtained from an individual if the test is for the purpose of research as authorized by the authority and if the testing is performed in a manner by which the identity of the test subject is not known, and may not be retrieved by the researcher.

SECTION 34. ORS 433.075 is amended to read:

- 433.075. (1) When an HIV test is performed pursuant to ORS 433.080 or rules adopted under ORS 433.065, the exposed person requesting the test, or the exposed person's employer in the case of an occupational exposure, shall be responsible for the cost of the testing.
- (2) If an employer provides a program of prevention, education and testing for HIV exposures for its employees, an employee to be tested under ORS 433.060 to 433.080 shall comply with the procedures provided by the program. [The program must be approved by the Oregon Health Authority.]
- (3) When an HIV test is performed pursuant to ORS 433.080 or rules adopted under ORS 433.065, the results shall be reported confidentially to the person who suffered the substantial exposure giving rise to the test.
- (4) The confidentiality provisions of ORS 433.045 (4) apply to any person who receives an HIV test result pursuant to ORS 433.080 or rules adopted under ORS 433.065. A person who complies with the requirements of this subsection is not subject to an action for damages.

IMMUNIZATIONS

SECTION 35. ORS 433.269 is amended to read:

- 433.269. [(1) Local health departments shall make immunizations available for administration under the direction of a local health officer in convenient areas and at convenient times. A local health department may not refuse to administer an immunization to a person because the person is unable to pay for the immunization.]
- (1) A local public health authority shall ensure that immunizations required under ORS 433.282 and 433.283 and the rules adopted pursuant to ORS 433.273 for attendance at a school, children's facility or post-secondary educational institution are available through local health care providers or the local public health authority or its contractors:
- (a) To the entire population of the area served by the local public health authority in convenient areas and at convenient times.
 - (b) Regardless of whether a child or student is able to pay for the immunization.
- (2)(a) Each local [health department] **public health authority**, school and children's facility shall report annually to the Oregon Health Authority on:
- (A) The number of children in the area served by the local [health department] public health authority, school or children's facility; and
- (B) The number of children in the area served by the local [health department] public health authority, school or children's facility who are susceptible to restrictable disease as prescribed by the Oregon Health Authority's rules pursuant to ORS 433.273.
- (b) Each school and children's facility shall report annually to the **Oregon Health** Authority on the number of children in the area served by the school or children's facility who are in at-

tendance at the school or children's facility conditionally because of an incomplete immunization schedule.

- (c) Each local [health department] public health authority shall make available to each school and children's facility in the area served by the local [health department] public health authority data on the immunization rate, by disease, of children in the area. Upon request, the Oregon Health Authority shall assist local [health departments] public health authorities in compiling data for purposes of this paragraph.
- (d) A child exempted under ORS 433.267 is susceptible to restrictable disease for purposes of this subsection.
- (3)(a) For the purpose of providing parents with the information necessary to protect their children's health, each school and children's facility shall make available the information reported and received by the school and children's facility pursuant to subsection (2) of this section:
 - (A) At the main office of the school or children's facility;
- (B) On the school's or school district's website or on the children's facility's website, if available; and
- (C) To the parents of the children who attend the school or children's facility, in the form of a paper document or electronic communication that includes the information in a clear and easy to understand manner.
- (b) The information required to be made available under paragraph (a) of this subsection must be made available at the beginning of each school year and not later than one month after the date that children may be excluded as provided by ORS 433.267.
- (4) The administrator of a school or children's facility shall maintain immunization records of children, including children who are in attendance at the school or children's facility conditionally because of an incomplete immunization schedule and children who are exempted as described in ORS 433.267 [(1)(b)] (2)(b) and (c).

NOTE: Section 36 was deleted by amendment. Subsequent sections were not renumbered.

SECTION 37. ORS 475B.895, as amended by section 7, chapter 103, Oregon Laws 2018, is amended to read:

- 475B.895. (1) The Oregon Health Authority shall enter into an agreement with the Oregon Liquor Control Commission under which the commission shall use the system developed and maintained under ORS 475B.177 to track:
- (a) The propagation of immature marijuana plants and the production of marijuana by marijuana grow sites;
- (b) The processing of marijuana into medical cannabinoid products, cannabinoid concentrates and cannabinoid extracts that are transferred to a medical marijuana dispensary;
- (c) The transfer of usable marijuana, immature marijuana plants, medical cannabinoid products, cannabinoid concentrates and cannabinoid extracts by a marijuana grow site or a medical marijuana dispensary to a registry identification cardholder or the designated primary caregiver of a registry identification cardholder; and
- (d) The transfer of usable marijuana, immature marijuana plants, medical cannabinoid products, cannabinoid concentrates and cannabinoid extracts between marijuana grow sites, marijuana processing sites and medical marijuana dispensaries.

- (2) Marijuana grow sites, marijuana processing sites[,] and medical marijuana dispensaries [and any other person that processes marijuana into medical cannabinoid products and cannabinoid concentrates for the purpose of transferring the medical cannabinoid products and cannabinoid concentrates to a medical marijuana dispensary] are subject to tracking under this section.
- (3) On and after the date on which a marijuana grow site becomes subject to tracking under this section, the person is exempt from the requirements of ORS 475B.816 and the provisions of ORS 475B.810 that relate to ORS 475B.816.
- (4) On and after the date on which a marijuana processing site becomes subject to tracking under this section, the marijuana processing site is exempt from the requirements of ORS 475B.846 and the provisions of ORS 475B.840 that relate to ORS 475B.846.
- (5) On and after the date on which a medical marijuana dispensary becomes subject to tracking under this section, the medical marijuana dispensary is exempt from the requirements of ORS 475B.867 and the provisions of ORS 475B.858 that relate to ORS 475B.867.
- (6) The commission may conduct inspections and investigations of alleged violations of ORS 475B.785 to 475B.949 about which the commission obtains knowledge as a result of performing the commission's duties under this section. Notwithstanding ORS 475B.299, the commission may use regulatory specialists, as defined in ORS 471.001, to conduct the inspections and investigations, including inspections and investigations of marijuana grow sites located at a primary residence.
- (7) When imposing a fee on a person responsible for a marijuana grow site, marijuana processing site or medical marijuana dispensary under ORS 475B.810, 475B.840 or 475B.858, the authority shall impose a fee that is reasonably calculated to pay costs incurred under this section. As part of the agreement entered into under subsection (1) of this section, the authority shall transfer fee moneys collected pursuant to this subsection to the commission for deposit in the Marijuana Control and Regulation Fund established under ORS 475B.296. Moneys collected pursuant to this subsection and deposited in the Marijuana Control and Regulation Fund are continuously appropriated to the commission for purposes of this section.
 - (8) The authority and the commission may adopt rules as necessary to administer this section.
 - (9) This section does not apply to a marijuana grow site located at an address where:
- (a) A registry identification cardholder produces marijuana and no more than 12 mature marijuana plants and 24 immature marijuana plants are produced; or
 - (b)(A) No more than two persons are registered under ORS 475B.810 to produce marijuana; and
- (B) The address is used to produce marijuana for no more than two registry identification cardholders.
- **SECTION 38.** ORS 475B.895, as amended by sections 7 and 7a, chapter 103, Oregon Laws 2018, is amended to read:
- 475B.895. (1) The Oregon Health Authority shall enter into an agreement with the Oregon Liquor Control Commission under which the commission shall use the system developed and maintained under ORS 475B.177 to track:
- (a) The propagation of immature marijuana plants and the production of marijuana by marijuana grow sites;
- (b) The processing of marijuana into medical cannabinoid products, cannabinoid concentrates and cannabinoid extracts that are transferred to a medical marijuana dispensary;
- (c) The transfer of usable marijuana, immature marijuana plants, medical cannabinoid products, cannabinoid concentrates and cannabinoid extracts by a marijuana grow site or a medical marijuana dispensary to a registry identification cardholder or the designated primary caregiver of a registry

identification cardholder; and

- (d) The transfer of usable marijuana, immature marijuana plants, medical cannabinoid products, cannabinoid concentrates and cannabinoid extracts between marijuana grow sites, marijuana processing sites and medical marijuana dispensaries.
- (2) Marijuana grow sites, marijuana processing sites[,] and medical marijuana dispensaries [and any other person that processes marijuana into medical cannabinoid products and cannabinoid concentrates for the purpose of transferring the medical cannabinoid products and cannabinoid concentrates to a medical marijuana dispensary] are subject to tracking under this section.
- (3) On and after the date on which a marijuana grow site becomes subject to tracking under this section, the person is exempt from the requirements of ORS 475B.816 and the provisions of ORS 475B.810 that relate to ORS 475B.816.
- (4) On and after the date on which a marijuana processing site becomes subject to tracking under this section, the marijuana processing site is exempt from the requirements of ORS 475B.846 and the provisions of ORS 475B.840 that relate to ORS 475B.846.
- (5) On and after the date on which a medical marijuana dispensary becomes subject to tracking under this section, the medical marijuana dispensary is exempt from the requirements of ORS 475B.867 and the provisions of ORS 475B.858 that relate to ORS 475B.867.
- (6) The commission may conduct inspections and investigations of alleged violations of ORS 475B.785 to 475B.949 about which the commission obtains knowledge as a result of performing the commission's duties under this section. Notwithstanding ORS 475B.299, the commission may use regulatory specialists, as defined in ORS 471.001, to conduct the inspections and investigations, including inspections and investigations of marijuana grow sites located at a primary residence.
- (7) Notwithstanding ORS 475B.759, before making any other distribution from the Oregon Marijuana Account established under ORS 475B.759, the Department of Revenue shall first distribute moneys quarterly from the account to the commission for deposit in the Marijuana Control and Regulation Fund established under ORS 475B.296 for purposes of paying administrative, inspection and investigatory costs incurred by the commission under this section, provided that the amount of distributed moneys does not exceed \$1.25 million per quarter. For purposes of estimating the amount of moneys necessary to pay costs incurred under this section, the commission shall establish a formulary based on expected costs for each marijuana grow site, marijuana processing site or medical marijuana dispensary that is tracked under this section. The commission shall provide to the Department of Revenue and the Legislative Fiscal Officer before each quarter the estimated amount of moneys necessary to pay costs expected to be incurred under this section and the formulary.
- (8) When imposing a fee on a person responsible for a marijuana grow site, marijuana processing site or medical marijuana dispensary under ORS 475B.810, 475B.840 or 475B.858, the authority shall impose an additional fee that is reasonably calculated to pay costs incurred under this section other than costs paid pursuant to subsection (7) of this section. As part of the agreement entered into under subsection (1) of this section, the authority shall transfer fee moneys collected pursuant to this subsection to the commission for deposit in the Marijuana Control and Regulation Fund established under ORS 475B.296. Moneys collected pursuant to this subsection and deposited in the Marijuana Control and Regulation Fund are continuously appropriated to the commission for purposes of this section.
 - (9) The authority and the commission may adopt rules as necessary to administer this section.
 - (10) This section does not apply to a marijuana grow site located at an address where:
 - (a) A registry identification cardholder produces marijuana and no more than 12 mature

- 1 marijuana plants and 24 immature marijuana plants are produced; or
 - (b)(A) No more than two persons are registered under ORS 475B.810 to produce marijuana; and
- 3 (B) The address is used to produce marijuana for no more than two registry identification 4 cardholders.

EMERGENCY MEDICAL SERVICES

SECTION 51. ORS 682.025 is amended to read:

682.025. As used in this chapter, unless the context requires otherwise:

- (1) "Ambulance" or "ambulance vehicle" means a privately or publicly owned motor vehicle, aircraft or watercraft that is regularly provided or offered to be provided for the emergency transportation of persons who are ill or injured or who have disabilities.
- (2) "Ambulance service" means a person, governmental unit or other entity that operates ambulances and that holds itself out as providing prehospital care or medical transportation to persons who are ill or injured or who have disabilities.
- (3) "Emergency care" means the performance of acts or procedures under emergency conditions in the observation, care and counsel of persons who are ill or injured or who have disabilities; in the administration of care or medications prescribed by a licensed physician or naturopathic physician, insofar as any of these acts is based upon knowledge and application of the principles of biological, physical and social science as required by a completed course utilizing an approved curriculum in prehospital emergency care. "Emergency care" does not include acts of medical diagnosis or prescription of therapeutic or corrective measures.
- (4) "Emergency medical services provider" means a person who has received formal training in prehospital and emergency care, and is licensed to attend any person who is ill or injured or who has a disability. Police officers, firefighters, funeral home employees and other persons serving in a dual capacity one of which meets the definition of "emergency medical services provider" are "emergency medical services providers" within the meaning of this chapter.
- (5) "Fraud or deception" means the intentional misrepresentation or misstatement of a material fact, concealment of or failure to make known any material fact, or any other means by which misinformation or false impression knowingly is given.
- (6) "Governmental unit" means the state or any county, municipality or other political subdivision or any department, board or other agency of any of them.
- (7) "Highway" means every public way, thoroughfare and place, including bridges, viaducts and other structures within the boundaries of this state, used or intended for the use of the general public for vehicles.
- (8) "Nonemergency care" means the performance of acts or procedures on a patient who is not expected to die, become permanently disabled or suffer permanent harm within the next 24 hours, including but not limited to observation, care and counsel of a patient and the administration of medications prescribed by a physician licensed under ORS chapter 677 or naturopathic physician licensed under ORS chapter 685, insofar as any of those acts are based upon knowledge and application of the principles of biological, physical and social science and are performed in accordance with scope of practice rules adopted by the Oregon Medical Board or Oregon Board of Naturopathic

1 Medicine in the course of providing prehospital care.

- (9) "Owner" means the person having all the incidents of ownership in an ambulance service or an ambulance vehicle or where the incidents of ownership are in different persons, the person, other than a security interest holder or lessor, entitled to the possession of an ambulance vehicle or operation of an ambulance service under a security agreement or a lease for a term of 10 or more successive days.
- (10) "Patient" means a person who is ill or injured or who has a disability and [who is transported in an ambulance] who receives emergency or nonemergency care from an emergency medical services provider.
- (11) "Prehospital care" means care rendered by emergency medical services providers as an incident of the operation of an ambulance and care rendered by emergency medical services providers as incidents of other public or private safety duties, and includes, but is not limited to, "emergency care."
- (12) "Scope of practice" means the maximum level of emergency or nonemergency care that an emergency medical services provider may provide.
- (13) "Standing orders" means the written protocols that an emergency medical services provider follows to treat patients when direct contact with a physician is not maintained.
- (14) "Supervising physician" means a physician licensed under ORS 677.100 to 677.228, actively registered and in good standing with the Oregon Medical Board, who provides direction of emergency or nonemergency care provided by emergency medical services providers.
- (15) "Unprofessional conduct" means conduct unbecoming a person licensed to perform emergency care, or detrimental to the best interests of the public and includes:
- (a) Any conduct or practice contrary to recognized standards of ethics of the medical profession or any conduct or practice which does or might constitute a danger to the health or safety of a patient or the public or any conduct, practice or condition which does or might impair an emergency medical services provider's ability safely and skillfully to practice emergency or nonemergency care;
- (b) Willful performance of any medical treatment which is contrary to acceptable medical standards; and
- (c) Willful and consistent utilization of medical service for treatment which is or may be considered inappropriate or unnecessary.

SECTION 52. ORS 682.035 is amended to read:

682.035. ORS 820.330 to 820.380 and this chapter do not apply to:

- (1) Ambulances owned by or operated, and emergency medical service providers who operate, under the control of the United States Government.
- (2) Vehicles being used to render temporary assistance in the case of a major catastrophe or emergency with which the ambulance services of the surrounding locality are unable to cope, or when directed to be used to render temporary assistance by an official at the scene of an accident.
- (3) Vehicles operated solely on private property or within the confines of institutional grounds, whether or not the incidental crossing of any highway through the property or grounds is involved.
- (4) Vehicles operated by lumber industries solely for the transportation of lumber industry employees.
- (5) Any person who drives or attends [an individual who is ill or injured or who has a disability] a patient, if the [individual] patient is transported in a vehicle [mentioned] described in subsections [(1)] (2) to (4) of this section.
 - (6) Any person who otherwise by license is authorized to attend patients.

SECTION 53. ORS 682.039 is amended to read:

682.039. (1) The State Emergency Medical Service Committee is established within the Oregon Health Authority. The committee must have at least [19] 18 members. The Oregon Health Authority shall appoint at least [18] 17 voting members as described in subsection (2) of this section. The chairperson of the State Trauma Advisory Board established under ORS 431A.055, or the chairperson's designee, shall be a nonvoting member.

- (2) The authority shall appoint members to serve on the State Emergency Medical Service Committee, including:
- (a) [Seven] Six physicians licensed under ORS chapter 677 whose practice consists of routinely treating emergencies, such as cardiovascular illness, [or] trauma or pediatric emergencies, appointed from a list submitted by the Oregon Medical Board. At least two members appointed under this paragraph must be emergency medical services medical directors, and at least one member appointed under this paragraph must specialize in pediatric emergency care.
- (b) Four emergency medical services providers whose practices consist of routinely treating emergencies, such as cardiovascular illness or trauma. At least one of the providers must be at the lowest level of licensure for emergency medical services providers established by the authority at the time of appointment. Emergency medical services providers appointed pursuant to this paragraph must be selected from lists submitted by each area trauma advisory board. The lists must include nominations from organizations that represent emergency care providers in this state.
- (c) One volunteer ambulance operator.
 - (d) One person representing governmental agencies that provide ambulance services.
- (e) One person representing a private ambulance company.
- 23 (f) One hospital administrator.
 - (g) One nurse who has served at least two years in the capacity of an emergency department nurse.
 - (h) One representative of an emergency dispatch center.
 - (i) One community college or licensed career school representative.
 - (3) The committee must include at least one resident, but no more than three residents, from each region served by one area trauma advisory board at the time of appointment.
 - (4) Appointments are for a term of four years and must be made in a manner that preserves as much as possible the representation of the organization described in subsection (2) of this section. A vacancy must be filled for an unexpired term as soon as the authority can make the appointment. The committee shall choose a chairperson and shall meet at the call of the chairperson or the Director of the Oregon Health Authority.
 - (5) The State Emergency Medical Service Committee shall:
 - (a) Advise the authority concerning the adoption, amendment and repeal of rules authorized by this chapter;
 - (b) Assist the Emergency Medical Services and Trauma Systems Program in providing state and regional emergency medical services coordination and planning;
 - (c) Assist communities in identifying emergency medical service system needs and quality improvement initiatives;
 - (d) Assist the Emergency Medical Services and Trauma Systems Program in prioritizing, implementing and evaluating emergency medical service system quality improvement initiatives identified by communities;
 - (e) Review and prioritize rural community emergency medical service funding requests and pro-

vide input to the Rural Health Coordinating Council; and

- (f) Review and prioritize funding requests for rural community emergency medical service training and provide input to the Area Health Education Center program.
- (6) The chairperson of the committee shall appoint a subcommittee on the licensure and discipline of emergency medical services providers, consisting of five physicians and four emergency medical services providers. The subcommittee shall advise the authority and the Oregon Medical Board on the adoption, amendment, repeal and application of rules implementing ORS 682.204 to 682.220 and 682.245. The decisions of the subcommittee are not subject to the review of the committee.
 - (7) Members of the committee are entitled to compensation as provided in ORS 292.495.

SECTION 54. ORS 682.208 is amended to read:

- 682.208. (1) A person desiring to be licensed as an emergency medical services provider shall submit an application for licensure to the Oregon Health Authority. The application must be upon forms prescribed by the authority and must contain:
 - (a) The name and address of the applicant.
- (b) The name and location of the training course successfully completed by the applicant and the date of completion.
- [(c) A statement that to the best of the applicant's knowledge the applicant is physically and mentally qualified to act as an emergency medical services provider, is free from addiction to controlled substances, cannabis or alcoholic beverages or, if not so free, has been and is currently rehabilitated and is free from epilepsy or diabetes or, if not so free, has been free from any lapses of consciousness or control for a period of time as prescribed by rule of the authority.]
- (c) Evidence that the authority determines is satisfactory to prove that the applicant's physical and mental health is such that it is safe for the applicant to act as an emergency medical services provider.
- (d) Other information as the authority may reasonably require to determine compliance with applicable provisions of this chapter and the rules adopted under this chapter.
- (2) The application must be accompanied by proof as prescribed by rule of the authority of the applicant's successful completion of a training course approved by the authority and, if an extended period of time has elapsed since the completion of the course, of a satisfactory amount of continuing education.
- (3) The authority shall adopt a schedule of minimum educational requirements in emergency and nonemergency care for emergency medical services providers. A course approved by the authority must be designed to protect the welfare of out-of-hospital patients, to promote the health, well-being and saving of the lives of such patients and to reduce their pain and suffering.
- SECTION 55. (1) The amendments to ORS 682.039 by section 53 of this 2019 Act apply to individuals who are members of the State Emergency Medical Service Committee on or after the operative date specified in section 56 of this 2019 Act.
- (2) The amendments to ORS 682.208 by section 54 of this 2019 Act apply to applications for licensure as an emergency medical services provider received on or after the operative date specified in section 56 of this 2019 Act.
- <u>SECTION 56.</u> (1) The amendments to ORS 682.025, 682.035, 682.039 and 682.208 by sections 51 to 54 of this 2019 Act become operative on January 1, 2020.
- (2) The Oregon Health Authority may take any action before the operative date specified in subsection (1) of this section that is necessary to enable the authority to exercise, on and

after the operative date specified in subsection (1) of this section, all of the duties, functions and powers conferred on the authority by the amendments to ORS 682.025, 682.035, 682.039 and 682.208 by sections 51 to 54 of this 2019 Act.

SECTION 59. ORS 181A.200 is amended to read:

181A.200. (1) As used in this section:

- (a) "Care" means the provision of care, treatment, education, training, instruction, supervision, placement services, recreation or support to children, the elderly or persons with disabilities.
 - (b) "Native American tribe" has the meaning given that term in ORS 181A.210 (4).
- (c) "Qualified entity" means a community mental health program, a community developmental disabilities program, a local [health department] public health authority, the government of a Native American tribe or an agency of a Native American tribe responsible for child welfare or an individual or business or organization, whether public, private, for-profit, nonprofit or voluntary, that provides care, including a business or organization that licenses, certifies or registers others to provide care.
- (2) For the purpose of requesting a state or nationwide criminal records check under ORS 181A.195, the Department of Human Services, the Oregon Health Authority and the Employment Department may require the fingerprints of a person:
- (a) Who is employed by or is applying for employment with either department or the **Oregon Health** Authority;
- (b) Who provides or seeks to provide services to either department or the **Oregon Health** Authority as a contractor, subcontractor, vendor or volunteer who:
 - (A) May have contact with recipients of care;
- (B) Has access to personal information about employees of either department or the **Oregon Health** Authority, recipients of care from either department or the **Oregon Health** Authority or members of the public, including Social Security numbers, dates of birth, driver license numbers,

1 medical information, personal financial information or criminal background information;

- (C) Has access to information the disclosure of which is prohibited by state or federal laws, rules or regulations, or information that is defined as confidential under state or federal laws, rules or regulations;
- (D) Has access to property held in trust or to private property in the temporary custody of the state:
 - (E) Has payroll or fiscal functions or responsibility for:
 - (i) Receiving, receipting or depositing money or negotiable instruments;
 - (ii) Billing, collections, setting up financial accounts or other financial transactions; or
- 10 (iii) Purchasing or selling property;

- (F) Provides security, design or construction services for government buildings, grounds or facilities;
 - (G) Has access to critical infrastructure or secure facilities information; or
- (H) Is providing information technology services and has control over or access to information technology systems;
- (c) For the purposes of licensing, certifying, registering or otherwise regulating or administering programs, persons or qualified entities that provide care;
- (d) For the purposes of employment decisions by or for qualified entities that are regulated or otherwise subject to oversight by the Department of Human Services or the Oregon Health Authority and that provide care;
- (e) For the purposes of employment decisions made by a mass transit district or transportation district for qualified entities that, under contracts with the district or the Oregon Health Authority, employ persons to operate motor vehicles for the transportation of medical assistance program clients; or
- (f) For the purposes of licensure, certification or registration of foster homes by the government of a Native American tribe or an agency of a Native American tribe responsible for child welfare.
- (3) The Department of Human Services and the Oregon Health Authority may conduct criminal records checks on a person through the Law Enforcement Data System maintained by the Department of State Police, if deemed necessary by the Department of Human Services or the Oregon Health Authority to protect children, elderly persons, persons with disabilities or other vulnerable persons.
- (4) The Department of Human Services and the Oregon Health Authority may furnish to qualified entities, in accordance with the rules of the Department of Human Services or the Oregon Health Authority and the rules of the Department of State Police, information received from the Law Enforcement Data System. However, any criminal offender records and information furnished to the Department of Human Services or the Oregon Health Authority by the Federal Bureau of Investigation through the Department of State Police may not be disseminated to qualified entities.
- (5)(a) Except as otherwise provided in ORS 443.735 and 475B.785 to 475B.949, a qualified entity, subject to rules adopted by the Oregon Department of Administrative Services under ORS 181A.215, shall determine under this section whether a person is fit to hold a position, provide services, be employed or, if the qualified entity has authority to make such a determination, be licensed, certified or registered. If a person is determined to be unfit, then that person may not hold the position, provide services or be employed, licensed, certified or registered.
- (b) A person prohibited from receiving public funds for employment under ORS 443.004 (3) is not entitled to a determination of fitness under this subsection.

- 1 (c) In making the fitness determination under this subsection, the qualified entity shall consider:
 - (A) The nature of the crime;

- 3 (B) The facts that support the conviction or pending indictment or indicate the making of a false 4 statement;
 - (C) The relevancy, if any, of the crime or the false statement to the specific requirements of the person's present or proposed position, services, employment, license, certification or registration; and
 - (D) Intervening circumstances relevant to the responsibilities and circumstances of the position, services, employment, license, certification or registration, such as:
 - (i) The passage of time since the commission of the crime;
 - (ii) The age of the person at the time of the crime;
 - (iii) The likelihood of a repetition of offenses;
 - (iv) The subsequent commission of another relevant crime; and
 - (v) The recommendation of an employer.
 - (6) The Department of Human Services and the Oregon Health Authority, subject to rules adopted by the Oregon Department of Administrative Services under ORS 181A.215, shall develop systems that maintain information regarding criminal records checks in order to minimize the administrative burden imposed by this section and ORS 181A.195. Records maintained under this subsection are confidential and may not be disseminated except for the purposes of this section and in accordance with the rules of the Department of Human Services, the Oregon Health Authority and the Department of State Police. Nothing in this subsection permits the Department of Human Services to retain fingerprint cards obtained pursuant to this section.
 - (7) In addition to the rules required by ORS 181A.195, the Department of Human Services and the Oregon Health Authority, in consultation with the Department of State Police, shall adopt rules:
 - (a) Specifying which qualified entities are subject to this section;
 - (b) Specifying which qualified entities may request criminal offender information;
 - (c) Specifying which qualified entities are responsible for deciding, subject to rules adopted by the Oregon Department of Administrative Services under ORS 181A.215, whether a subject individual is not fit for a position, service, license, certification, registration or employment; and
 - (d) Specifying when a qualified entity, in lieu of conducting a completely new criminal records check, may proceed to make a fitness determination under subsection (5) of this section using the information maintained by the Department of Human Services and the Oregon Health Authority pursuant to subsection (6) of this section.
 - (8) If a person refuses to consent to the criminal records check or refuses to be fingerprinted, the qualified entity shall deny or terminate the employment of the person, or revoke or deny any applicable position, authority to provide services, employment, license, certification or registration.
 - (9) If the qualified entity requires a criminal records check of employees or other persons, the application forms of the qualified entity must contain a notice that employment is subject to fingerprinting and a criminal records check.

SECTION 60. ORS 336.035 is amended to read:

- 336.035. (1) The district school board shall see that the courses of study prescribed by law and by the rules of the State Board of Education are carried out. The board may establish supplemental courses that are not inconsistent with the prescribed courses and may adopt courses of study in lieu of state courses of study upon approval by the Superintendent of Public Instruction.
 - (2) Any district school board may establish a course of education concerning sexually transmit-

- ted [diseases] infections including recognition of causes, sources and symptoms, and the availability of diagnostic and treatment centers. Any such course established may be taught to adults from the community served by the individual schools as well as to students enrolled in the school. The board shall **notify** [cause] the parents or guardians of minor students [to be notified] in advance that the course is to be taught. Any such parent or guardian may direct in writing that the minor child in the care of the parent or guardian be excused from any class within the course. Any parent or guardian may inspect the instructional materials to be used before or during the time the course is taught.
- (3) The district school board shall coordinate the course provided in subsection (2) of this section with the officials of the local [health department] public health authority and the Superintendent of Public Instruction. Teachers holding endorsements for health education shall be used where available. [No] A teacher [shall] may not be subject to discipline or removal for teaching or refusing to teach courses concerning sexually transmitted [diseases] infections.

SECTION 61. ORS 403.115 is amended to read:

- 403.115. (1) The primary emergency telephone number within this state is 9-1-1, but a public or private safety agency shall maintain both a separate 10-digit secondary emergency number for use by a telephone operator or provider and a separate 10-digit nonemergency number.
- (2) Every public and private safety agency in this state shall participate in the emergency communications system.
- (3) An emergency telephone number other than 9-1-1 may not be published on the top three-quarters of the emergency listing page of a telephone book. However, an alternative nonemergency telephone number for a 9-1-1 jurisdiction may be printed on the top three-quarters of the emergency listing page of a telephone book. The publisher may use the remainder of the page to list the Oregon Poison Center, Federal Bureau of Investigation, a designated mental health crises service and United States Coast Guard, where applicable. If there is more than one mental health crises service in a jurisdiction, the local [health department] public health authority shall decide which mental health crises service the publisher may list by using the criteria of a 24-hour staffed service, nonprofit organization and non-9-1-1 participating agency. The publisher shall refer to the community services section for other numbers.
 - (4) The emergency communications system must provide:
- (a) Interconnectivity between public safety answering points and interconnectivity with providers of the same or similar emergency response services nationally;
- (b) The capability, within each primary public safety answering point, to receive all emergency calls placed locally within each 9-1-1 service area; and
- (c) The automatic location identification accurately portraying the location from which each emergency call originates.

SECTION 62. ORS 411.435 is amended to read:

- 411.435. The Oregon Health Authority and the Department of Human Services shall endeavor to develop agreements with local governments to facilitate the enrollment of medical assistance program clients. Subject to the availability of funds therefor, the agreement shall be structured to allow flexibility by the state and local governments and may allow any of the following options for enrolling clients in medical assistance programs:
- (1) Initial processing may be done at the local [health department] public health authority by employees of the local [health department] public health authority, with eligibility determination completed at the local office of the Department of Human Services or by the Oregon Health Au-

1 thority;

- (2) Initial processing and eligibility determination may be done at the local [health department] public health authority by employees of the local [health department] public health authority; or
- (3) Application forms may be made available at the local [health department] public health authority with initial processing and eligibility determination done at the local office of the Department of Human Services or by the Oregon Health Authority.

SECTION 63. ORS 413.600 is amended to read:

- 8 413.600. (1) There is established within the Oregon Health Authority the Traditional Health 9 Workers Commission.
 - (2) The Director of the Oregon Health Authority shall appoint the following 19 members to serve on the commission:
 - (a) Ten members, at least six of whom must be appointed from nominees provided by the Oregon Community Health Workers Association, who represent traditional health workers, including at least one member to represent each of the following:
 - (A) Community health workers, as defined in ORS 414.025;
 - (B) Personal health navigators, as defined in ORS 414.025;
 - (C) Peer wellness specialists, including family support specialists and youth support specialists, all as defined in ORS 414.025;
 - (D) Peer support specialists, including family support specialists and youth support specialists, all as defined in ORS 414.025; and
 - (E) Doulas;
 - (b) One member who represents the Office of Community Colleges and Workforce Development;
 - (c) One member who is a community health nurse who represents the Oregon Nurses Association;
 - (d) One member who is a physician who represents the Oregon Medical Association;
 - (e) One member selected from nominees provided by the Home Care Commission;
- 27 (f) One member who represents coordinated care organizations;
- 28 (g) One member who represents a labor organization;
 - (h) One member who supervises traditional health workers at a community-based organization, local [health department] public health authority, as defined in ORS 433.235, or agency, as defined in ORS 183.310;
 - (i) One member who represents community-based organizations or agencies, as defined in ORS 183.310, that provide for the training of traditional health workers; and
 - (j) One member who represents a consumer of services provided by health workers who are not licensed by this state.
 - (3) In appointing members under subsection (2) of this section, the director shall consider whether the composition of the Traditional Health Workers Commission represents the geographic, ethnic, gender, racial, disability status, gender identity, sexual orientation and economic diversity of traditional health workers.
 - (4) The term of office of each member of the commission is three years, but a member serves at the pleasure of the director. Before the expiration of the term of a member, the director shall appoint a successor whose term begins on January 1 next following. A member is eligible for reappointment. If there is a vacancy for any cause, the director shall make an appointment to become immediately effective for the unexpired term.
 - (5) A majority of the members of the commission constitutes a quorum for the transaction of

- (6) Official action by the commission requires the approval of a majority of the members of the commission.
- (7) The commission shall elect one of its members to serve as chairperson.
- (8) The commission shall meet at times and places specified by the call of the chairperson or of a majority of the members of the commission.
 - (9) The commission may adopt rules necessary for the operation of the commission.
- 8 (10) A member of the commission is entitled to compensation and expenses as provided in ORS 9 292.495.

SECTION 64. ORS 414.152 is amended to read:

414.152. To capitalize on the successful public health programs provided by local [health departments] public health authorities and the sizable investment by state and local governments in the public health system, state agencies shall encourage agreements that allow local [health departments] public health authorities and other publicly supported programs to continue to be the providers of those prevention and health promotion services now available, plus other maternal and child health services such as prenatal outreach and care, child health services and family planning services to women and children who become eligible for poverty level medical assistance program benefits pursuant to ORS 414.153.

SECTION 65. ORS 414.153 is amended to read:

414.153. In order to make advantageous use of the system of public health care and services available through local [health departments] **public health authorities** and other publicly supported programs and to ensure access to public health care and services through contract under ORS chapter 414, the state shall:

- (1) Unless cause can be shown why such an agreement is not feasible, require and approve agreements between coordinated care organizations and publicly funded providers for authorization of payment for point of contact services in the following categories:
 - (a) Immunizations;
 - (b) Sexually transmitted [diseases] infections; and
 - (c) Other communicable diseases;
- (2) Allow members of coordinated care organizations to receive from fee-for-service providers:
- 31 (a) Family planning services;
- 32 (b) Human immunodeficiency virus and acquired immune deficiency syndrome prevention ser-33 vices; and
 - (c) Maternity case management if the Oregon Health Authority determines that a coordinated care organization cannot adequately provide the services;
 - (3) Encourage and approve agreements between coordinated care organizations and publicly funded providers for authorization of and payment for services in the following categories:
 - (a) Maternity case management;
 - (b) Well-child care;
- 40 (c) Prenatal care;
 - (d) School-based clinics;
- 42 (e) Health care and services for children provided through schools and Head Start programs; 43 and
- 45 (f) Screening services to provide early detection of health care problems among low income 45 women and children, migrant workers and other special population groups; and

- (4) Recognize the responsibility of counties under ORS 430.620 to operate community mental health programs by requiring a written agreement between each coordinated care organization and the local mental health authority in the area served by the coordinated care organization, unless cause can be shown why such an agreement is not feasible under criteria established by the Oregon Health Authority. The written agreements:
- (a) May not prevent coordinated care organizations from contracting with other public or private providers for mental health or chemical dependency services;
 - (b) Must include agreed upon outcomes; and

- (c) Must describe the authorization and payments necessary to maintain the mental health safety net system and to maintain the efficient and effective management of the following responsibilities of local mental health authorities, with respect to the service needs of members of the coordinated care organization:
- (A) Management of children and adults at risk of entering or who are transitioning from the Oregon State Hospital or from residential care;
 - (B) Care coordination of residential services and supports for adults and children;
 - (C) Management of the mental health crisis system;
- (D) Management of community-based specialized services, including but not limited to supported employment and education, early psychosis programs, assertive community treatment or other types of intensive case management programs and home-based services for children; and
- (E) Management of specialized services to reduce recidivism of individuals with mental illness in the criminal justice system.

SECTION 66. ORS 414.629 is amended to read:

- 414.629. (1) A community health improvement plan adopted by a coordinated care organization and its community advisory council in accordance with ORS 414.627 shall include, to the extent practicable, a strategy and a plan for:
- (a) Working with programs developed by the Early Learning Council, Early Learning Hubs, the Youth Development Council and the school health providers in the region; and
- (b) Coordinating the effective and efficient delivery of health care to children and adolescents in the community.
- (2) A community health improvement plan must be based on research, including research into adverse childhood experiences, and must identify funding sources and additional funding necessary to address the health needs of children and adolescents in the community and to meet the goals of the plan. The plan must also:
- (a) Evaluate the adequacy of the existing school-based health resources including school-based health centers and school nurses to meet the specific pediatric and adolescent health care needs in the community;
- (b) Make recommendations to improve the school-based health center and school nurse system, including the addition or improvement of electronic medical records and billing systems;
- (c) Take into consideration whether integration of school-based health centers with the larger health system or system of community clinics would further advance the goals of the plan;
- (d) Improve the integration of all services provided to meet the needs of children, adolescents and families;
 - (e) Focus on primary care, behavioral health and oral health; and
- (f) Address promotion of health and prevention and early intervention in the treatment of children and adolescents.

- 1 (3) A coordinated care organization shall involve in the development of its community health 2 improvement plan, school-based health centers, school nurses, school mental health providers and 3 individuals representing:
- 4 (a) Programs developed by the Early Learning Council and Early Learning Hubs;
 - (b) Programs developed by the Youth Development Council in the region;
 - (c) The Healthy Start Family Support Services program in the region;
 - (d) The Health Care for All Oregon Children program and other medical assistance programs;
- (e) Relief nurseries in the region;
- (f) Community health centers;
- 10 (g) Oral health care providers;

- (h) Community mental health providers;
- (i) Administrators of [county health department programs] local public health authorities that offer preventive health services to children;
 - (j) Hospitals in the region; and
 - (k) Other appropriate child and adolescent health program administrators.
- (4) The Oregon Health Authority may provide incentive grants to coordinated care organizations for the purpose of contracting with individuals or organizations to help coordinate integration strategies identified in the community health improvement plan adopted by the community advisory council. The authority may also provide funds to coordinated care organizations to improve systems of services that will promote the implementation of the plan.
- (5) Each coordinated care organization shall report to the authority, in the form and manner prescribed by the authority, on the progress of the integration strategies and implementation of the plan for working with the programs developed by the Early Learning Council, Early Learning Hubs, the Youth Development Council and school health care providers in the region, as part of the development and implementation of the community health improvement plan. The authority shall compile the information biennially and report the information to the Legislative Assembly by December 31 of each even-numbered year.

SECTION 67. ORS 417.827 is amended to read:

417.827. (1) As used in this section and ORS 417.829:

- (a) "Early Learning Hub" means any entity designated by regional partners to coordinate early learning services, as determined by rules adopted by the Early Learning Council.
- (b) "Regional partners" includes counties, cities, school districts, education service districts, community colleges, public universities, private educational institutions, faith-based organizations, nonprofit service providers and tribes.
- (2) The council shall implement and oversee a system that coordinates the delivery of early learning services to the communities of this state through the direction of Early Learning Hubs. The system may not include more than 16 Early Learning Hubs.
 - (3) The system implemented and overseen by the council must ensure that:
 - (a) Providers of early learning services are accountable for outcomes;
 - (b) Services are provided in a cost-efficient manner; and
- (c) The services provided, and the means by which those services are provided, are focused on the outcomes of the services.
- (4) The council shall develop and implement a process for requesting proposals from entities to become Early Learning Hubs. Proposals submitted under this subsection must comply with criteria and requirements adopted by the council by rule, including:

- (a) The entity will be able to coordinate the provision of early learning services to the community that will be served by the entity. An entity may meet the requirement of this paragraph by submitting evidence that local stakeholders, including but not limited to service providers, parents, community members, county governments, local governments and school districts, have participated in the development of the proposal and will maintain a meaningful role in the Early Learning Hub.
- (b) The services coordinated by the entity will be in alignment with the services provided by the public schools of the community that will be served by the entity.
- (c) The entity will be in alignment with, and make advantageous use of, the system of public health care and services available through local [health departments] public health authorities and other publicly supported programs delivered through, or in partnership with, counties and coordinated care organizations.
- (d) The entity will be able to integrate efforts among education providers, providers of health care, providers of human services and providers of other programs and services in the community.
 - (e) The entity will use coordinated and transparent budgeting.
 - (f) The entity will operate in a fiscally sound manner.

- (g) The entity must have a governing body or community advisory body that:
- (A) Has the authority to initiate audits, recommend the terms of a contract and provide reports to the public and to the council on the outcomes of the provision of early learning services to the community served by the entity.
- (B) Has members selected through a transparent process and includes both public and private entities, locally based parents and service recipients, human social service providers, child care providers, health care providers and representatives of local governments from the service area.
- (h) The entity will collaborate on documentation related to coordinated services with public and private entities that are identified by the council as providers of services that advance the early learning of children.
- (i) The entity will serve a community that is based on the population and service needs of the community and will demonstrate the ability to improve results for at-risk children, including the ability to identify, evaluate and implement coordinated strategies to ensure that a child is ready to succeed in school.
- (j) The entity will be able to raise and leverage significant funds from public and private sources and to secure in-kind support to support early learning services coordinated by the entity and operate in a fiscally sound manner.
 - (k) The entity meets any other qualifications established by the council.
- (5) The council may adopt by rule requirements that are in addition to the requirements described in subsections (3) and (4) of this section that an entity must meet to qualify as an Early Learning Hub. When developing the additional requirements, the council must use a statewide public process of community engagement that is consistent with the requirements of the federal Head Start Act.
- (6) When determining whether to designate an entity as an Early Learning Hub, the council shall balance the following factors:
 - (a) The entity's ability to engage the community and be involved in the community.
 - (b) The entity's ability to produce outcomes that benefit children.
 - (c) The entity's resourcefulness.
- (d) The entity's use, or proposed use, of evidence-based practices.
- 45 (7) The council shall develop metrics for the purpose of providing funding to Early Learning

1 Hubs designated under this section. The metrics must:

- (a) Focus on community readiness, high capacity development and progress toward tracking child outcomes;
- (b) Establish a baseline of information for the area to be served by the Early Learning Hub, including information about the inclusion of community partners in the governance structure of the Early Learning Hub, the availability of data on local programs and outcomes and the success in leveraging private, nonprofit and other governmental resources for early learning; and
 - (c) Include child performance metrics.
- (8) The council may require that, as a condition of receiving funding as a designated Early Learning Hub under this section, the Early Learning Hub provide matching funding. The percentage of matching funding shall be determined by the council and may vary for each fiscal year. Any moneys received by an Early Learning Hub are subject to the restrictions of this section.
- (9) For any community in this state that is not served by an Early Learning Hub, the council shall oversee and administer the delivery of early learning services for that community and, to the extent practicable, shall regionalize service administration.
- (10) The council may alter the lines of the territory served by an Early Learning Hub only to ensure that all children of this state are served by an Early Learning Hub.
- (11) An entity designated as part of an Early Learning Hub may not use more than 15 percent of the moneys received by the entity from the council to pay administrative costs of the entity.
- (12) The Department of Human Services or the Oregon Health Authority may not transfer any authority for determining eligibility for a state or federal program to an Early Learning Hub.

SECTION 68. ORS 418.714 is amended to read:

- 418.714. (1) A local domestic violence coordinating council recognized by the local public safety coordinating council or by the governing body of the county may establish a multidisciplinary domestic violence fatality review team to assist local organizations and agencies in identifying and reviewing domestic violence fatalities. When no local domestic violence coordinating council exists, a similar interdisciplinary group may establish the fatality review team.
- (2) The purpose of a fatality review team is to review domestic violence fatalities and make recommendations to prevent domestic violence fatalities by:
 - (a) Improving communication between public and private organizations and agencies;
- (b) Determining the number of domestic violence fatalities occurring in the team's county and the factors associated with those fatalities;
 - (c) Identifying ways in which community response might have intervened to prevent a fatality;
 - (d) Providing accurate information about domestic violence to the community; and
- (e) Generating recommendations for improving community response to and prevention of domestic violence.
 - (3) A fatality review team shall include but is not limited to the following members, if available:
- (a) Domestic violence program service staff or other advocates for battered women;
 - (b) Medical personnel with expertise in the field of domestic violence;
- (c) Local [health department staff] public health authority personnel;
- 41 (d) The local district attorney or the district attorney's designees;
- 42 (e) Law enforcement personnel;
 - (f) Civil legal services attorneys;
- 44 (g) Protective services workers;
- 45 (h) Community corrections professionals;

- 1 (i) Judges, court administrators or their representatives;
- 2 (j) Perpetrator treatment providers;

- (k) A survivor of domestic violence; and
 - (L) Medical examiners or other experts in the field of forensic pathology.
 - (4) Other individuals may, with the unanimous consent of the team, be included in a fatality review team on an ad hoc basis. The team, by unanimous consent, may decide the extent to which the individual may participate as a full member of the team for a particular review.
 - (5) Upon formation and before reviewing its first case, a fatality review team shall adopt a written protocol for review of domestic violence fatalities. The protocol must be designed to facilitate communication among organizations and agencies involved in domestic violence cases so that incidents of domestic violence and domestic violence fatalities are identified and prevented. The protocol shall define procedures for case review and preservation of confidentiality, and shall identify team members.
 - (6) Consistent with recommendations provided by the statewide interdisciplinary team under ORS 418.718, a local fatality review team shall provide the statewide team with information regarding domestic violence fatalities.
 - (7) To ensure consistent and uniform results, fatality review teams may collect and summarize data to show the statistical occurrence of domestic violence fatalities in the team's county.
 - (8) Each organization or agency represented on a fatality review team may share with other members of the team information concerning the victim who is the subject of the review. Any information shared between team members is confidential.
 - (9) An individual who is a member of an organization or agency that is represented on a fatality review team is not required to disclose information. The intent of this section and ORS 418.718 is to allow the voluntary disclosure of information.
 - (10) An oral or written communication or a document related to a domestic violence fatality review that is shared within or produced by a fatality review team is confidential, not subject to disclosure and not discoverable by a third party. An oral or written communication or a document provided by a third party to a fatality review team is confidential, not subject to disclosure and not discoverable by a third party. All information and records acquired by a team in the exercise of its duties are confidential and may be disclosed only as necessary to carry out the purposes of the fatality review. However, recommendations of a team upon the completion of a review may be disclosed without personal identifiers at the discretion of two-thirds of the members of the team.
 - (11) Information, documents and records otherwise available from other sources are not immune from discovery or introduction into evidence solely because the information, documents or records were presented to or reviewed by a fatality review team.
 - (12) ORS 192.610 to 192.690 do not apply to meetings of a fatality review team.
 - (13) Each fatality review team shall develop written agreements signed by member organizations and agencies that specify the organizations' and agencies' understanding of and agreement with the principles outlined in this section.

SECTION 69. ORS 418.747 is amended to read:

418.747. (1) The district attorney in each county shall be responsible for developing county multidisciplinary child abuse teams to consist of but not be limited to law enforcement personnel, Department of Human Services child protective service workers, school officials, local [health department] public health authority personnel, county mental health department personnel who have experience with children and family mental health issues, child abuse intervention center workers,

- if available, and juvenile department representatives, as well as others specially trained in child abuse, child sexual abuse and rape of children investigation.
- (2) The teams shall develop a written protocol for immediate investigation of and notification procedures for child abuse cases and for interviewing child abuse victims. Each team also shall develop written agreements signed by member agencies that are represented on the team that specify:
 - (a) The role of each agency;

- (b) Procedures to be followed to assess risks to the child;
- (c) Guidelines for timely communication between member agencies;
- (d) Guidelines for completion of responsibilities by member agencies;
- (e) That upon clear disclosure that the alleged child abuse occurred in a child care facility as defined in ORS 329A.250, immediate notification of parents or guardians of children attending the child care facility is required regarding any abuse allegation and pending investigation; and
- (f) Criteria and procedures to be followed when removal of the child is necessary for the child's safety.
- (3) Each team member and the personnel conducting child abuse investigations and interviews of child abuse victims shall be trained in risk assessment, dynamics of child abuse, child sexual abuse and rape of children and legally sound and age appropriate interview and investigatory techniques.
- (4) All investigations of child abuse and interviews of child abuse victims shall be carried out by appropriate personnel using the protocols and procedures called for in this section. If trained personnel are not available in a timely fashion and, in the judgment of a law enforcement officer or child protective services worker, there is reasonable cause to believe a delay in investigation or interview of the child abuse victim could place the child in jeopardy of physical harm, the investigation may proceed without full participation of all personnel. This authority applies only for as long as reasonable danger to the child exists. A law enforcement officer or child protective services worker shall make a reasonable effort to find and provide a trained investigator or interviewer.
- (5) To ensure the protection and safe placement of a child, the Department of Human Services may request that team members obtain criminal history information on any person who is part of the household where the department may place or has placed a child who is in the department's custody. All information obtained by the team members and the department in the exercise of their duties is confidential and may be disclosed only when necessary to ensure the safe placement of a child.
 - (6) Each team shall classify, assess and review cases under investigation.
- (7)(a) Each team shall develop and implement procedures for evaluating and reporting compliance of member agencies with the protocols and procedures required under this section. Each team shall submit to the administrator of the Child Abuse Multidisciplinary Intervention Program copies of the protocols and procedures required under this section and the results of the evaluation as requested.
 - (b) The administrator may:
- 40 (A) Consider the evaluation results when making eligibility determinations under ORS 418.746 41 (3);
 - (B) If requested by the Advisory Council on Child Abuse Assessment, ask a team to revise the protocols and procedures being used by the team based on the evaluation results; or
 - (C) Ask a team to evaluate the team's compliance with the protocols and procedures in a particular case.

- (c) The information and records compiled under this subsection are exempt from ORS 192.311 to 192.478.
- (8) Each team shall develop policies that provide for an independent review of investigation procedures of sensitive cases after completion of court actions on particular cases. The policies shall include independent citizen input. Parents of child abuse victims shall be notified of the review procedure.
- (9) Each team shall designate at least one physician, physician assistant, naturopathic physician or nurse practitioner who has been trained to conduct child abuse medical assessments, as defined in ORS 418.782, and who is, or who may designate another physician, physician assistant, naturopathic physician or nurse practitioner who is, regularly available to conduct the medical assessment described in ORS 419B.023.
- (10) If photographs are taken pursuant to ORS 419B.028, and if the team meets to discuss the case, the photographs shall be made available to each member of the team at the first meeting regarding the child's case following the taking of the photographs.
- (11) No later than September 1, 2008, each team shall submit to the Department of Justice a written summary identifying the designated medical professional described in subsection (9) of this section. After that date, this information shall be included in each regular report to the Department of Justice.
- (12) If, after reasonable effort, the team is not able to identify a designated medical professional described in subsection (9) of this section, the team shall develop a written plan outlining the necessary steps, recruitment and training needed to make such a medical professional available to the children of the county. The team shall also develop a written strategy to ensure that each child in the county who is a suspected victim of child abuse will receive a medical assessment in compliance with ORS 419B.023. This strategy, and the estimated fiscal impact of any necessary recruitment and training, shall be submitted to the Department of Justice no later than September 1, 2008. This information shall be included in each regular report to the Department of Justice for each reporting period in which a team is not able to identify a designated medical professional described in subsection (9) of this section.

SECTION 70. ORS 419B.005 is amended to read:

431.405. It is the purpose of ORS 431.380 to 431.510 to encourage improvement and standardization of local public health [departments] authorities in order to provide a more effective and more efficient public health service throughout the state.

SECTION 77. ORS 431.415 is amended to read:

- 431.415. (1) Subject to the availability of funds paid pursuant to ORS 431.380, each governing body of a local public health authority shall:
- (a) In collaboration with the local public health administrator appointed under ORS 431.418, develop public health policies and goals for the local public health authority;
- (b) Adopt ordinances and rules necessary for the local public health authority to administer ORS 431.001 to 431.550 and 431.990, any other public health law of this state and any other public health matter not expressly preempted by a law of this state;
- (c) Adopt civil penalties for violations of ordinances and rules adopted under paragraph (b) of this subsection, provided that any civil penalty adopted under this paragraph is for an amount that does not exceed \$1,000 per violation per day;
- (d) Review and make recommendations on the local public health modernization plan adopted under ORS 431.413; and
- (e) Monitor the progress of the local public health authority in meeting statewide and local public health goals, including progress in applying the foundational capabilities established under ORS 431.131 and implementing the foundational programs established under ORS 431.141.
- (2) The governing body of a local public health authority shall adopt ordinances and rules necessary to carry out the duties of the local public health authority under subsection (1) of this section. The governing body of a local public health authority may not adopt an ordinance or rule or policy that is inconsistent with or less strict than a provision of ORS 431.001 to 431.550 and 431.990 or any other public health law of this state, or that is inconsistent with or less strict than a rule adopted under ORS 431.001 to 431.550 and 431.990 or any other public health law of this state.
- (3) The governing body of a local public health authority may adopt schedules of fees for public health services that are reasonably calculated to not exceed the cost of the services performed. The local [health department] public health authority shall charge fees in accordance with the schedule or schedules adopted.

SECTION 78. ORS 431.418 is amended to read:

- 431.418. (1) Each local public health authority shall appoint a qualified local public health administrator to supervise the activities of the local public health authority. In making an appointment under this subsection, the local public health authority shall consider standards for selection of local public health administrators prescribed by the Oregon Health Authority.
- (2)(a) When the local public health administrator is a physician licensed [by the Oregon Medical Board] under ORS chapter 677, the local public health administrator [shall] may serve as the local health officer for the local public health authority.
- (b) When the local public health administrator is not a physician licensed [by the Oregon Medical Board] under ORS chapter 677, or the local public health administrator elects to not serve as the local health officer, the local public health administrator shall employ or otherwise contract

- for services with [a local health officer who is] a physician licensed [by the Oregon Medical Board to perform the specific medical responsibilities requiring the services of a physician. A physician employed or whose services are contracted for under this subsection] under ORS chapter 677 to act as the local health officer.
 - (c) The local health officer is responsible to the local public health administrator for the medical and paramedical aspects of the public health programs administered by the local public health [administrator] authority.
 - (3) The local public health administrator shall:

- (a) Serve as the executive secretary of the local public health authority[, act as the administrator of the local health department] and supervise the officers and employees appointed under paragraph (b) of this subsection.
- (b) Appoint, subject to the approval of the local public health authority, administrators, medical officers, public health nurses, environmental health specialists and [such] **other** employees necessary to carry out the duties of the local public health administrator under ORS 431.001 to 431.550 and 431.990 and any other public health law of this state.
- (c) Provide the local public health authority at appropriate intervals information concerning the activities of the local [health department] public health authority and submit an annual budget for the approval of the governing body of the county or, for a health district formed under ORS 431.443, the governing bodies of the counties that formed the health district.
- (d) Act as the agent of the Oregon Health Authority in enforcing state public health laws and rules of the authority, including such sanitary inspection of hospitals and related institutions as may be requested by the authority.
 - (e) Perform any other duty required by law.
- (4) A local public health administrator shall serve until removed by the appointing local public health authority. A local public health administrator may not engage in an occupation that conflicts with the local public health administrator's official duties and shall devote sufficient time to fulfilling the requirements of subsection (3) of this section. [However, if the governing body of a local public health authority is not established under ORS 431.443 (3),] The local public health authority may, with the approval of the Director of the Oregon Health Authority, require the local public health administrator to work less than full-time.
- (5) A local public health administrator shall receive a salary fixed by the appointing [board] authority and shall be reimbursed for actual and necessary expenses incurred in the performance of duties.

SECTION 79. ORS 431.510 is amended to read:

- 431.510. (1) The governing body of a county shall provide adequate quarters and facilities for the office and operations of a local public health authority [and shall appropriate sufficient moneys for the administration of the local public health authority and the operation of the local health department administered by the local public health authority].
- (2) If a health district is established under ORS 431.443, the governing body of each participating county shall appropriate annually moneys specifically designated for the administration and operation of a local public health authority described in ORS 431.443 (2) or established under ORS 431.443 (3) [and the operation of the local health department administered by the local public health authority].

SECTION 80. ORS 431.520 is amended to read:

431.520. Public records, as defined in ORS 192.005, of local [health departments] public health

authorities and community mental health clinics may be destroyed or otherwise disposed of in accordance with rules prescribed by the State Archivist, except that public records may not be required to be maintained for more than seven years from the date of the last entry for purposes of preserving evidence for an action, suit or proceeding.

SECTION 81. ORS 431A.125 is amended to read:

431A.125. (1) Subject to available funding, including gifts, grants or donations, the Oregon Health Authority shall establish and administer a statewide injury and violence prevention program. In administering the program, the authority may:

- (a) Collect and analyze data on injury and violence, including but not limited to data from death certificates, emergency department records, hospitalization records, medical examiner and coroner records and police reports and surveys;
- (b) Develop and revise, as necessary, a comprehensive state plan for injury and violence prevention;
- (c) Provide technical support and training to communities, local [health departments] public health authorities, state and local agencies, organizations and individuals;
 - (d) Prepare an annual report on injury and violence in Oregon;
- (e) Conduct special studies of, collect data on and monitor and evaluate activities related to the risk factors, protective factors, causes and prevention of morbidity and mortality resulting from injury that occurs as a result of unintentional or undetermined causes, nonfatal self-harming behavior, suicide, assault or homicide;
 - (f) Work with researchers to enhance knowledge about reducing injury and violence in Oregon;
- (g) Develop collaborative relationships with other state agencies and private and community organizations for the purpose of establishing programs that promote injury and violence prevention;
- (h) Provide information to assist in the development of institutional and public policies that will reduce injury and violence;
- (i) Collaborate with local public health authorities, persons providing emergency medical services, hospitals, law enforcement agencies, research institutions and other organizations to conduct studies of, collect data on and monitor and evaluate activities related to the causes and prevention of injury and violence;
- (j) Publish compilations of data and reports about injury and violence, provided that the data and reports do not identify individual cases or sources of information; and
 - (k) Adopt rules as necessary to carry out this section.
- (2) Notwithstanding subsection (1) of this section, the authority may not require a hospital, as defined in ORS 442.015, to report data to the authority under this section unless the authority is otherwise authorized to require the hospital to report the data to the authority under other state or federal law.
- (3)(a) Except as provided in paragraph (c) of this subsection, all data collected pursuant to this section is:
 - (A) Confidential and not subject to public disclosure law under ORS 192.311 to 192.478; and
 - (B) Privileged.
- (b) Except as required by the administration or enforcement of the public health laws of this state or rules adopted under the public health laws of this state, a public health official, employee or agent may not be examined in an administrative or judicial proceeding as to the existence or content of data collected pursuant this section.
 - (c) The authority shall adopt rules under which confidential data collected pursuant to this

- section may be requested by a third party for the purpose of conducting research and studies for the public good. Research and studies conducted using confidential data collected pursuant to this section must be reviewed and approved by a committee established for the protection of human research subjects pursuant to 45 C.F.R. 46.
- (4) A person who furnishes information to the authority for a purpose described in this section is not civilly or criminally liable for any loss, damage or injury arising out of the furnishing of that information to the authority.
- (5) The authority may accept gifts, grants or donations from any public or private source for the purpose of carrying out this section. Funds received under this subsection shall be deposited in the Oregon Health Authority Fund established under ORS 413.101 and are continuously appropriated to the authority for the purposes of carrying out this section.

SECTION 82. ORS 432.141 is amended to read:

- 432.141. (1) From resources available to the Oregon Health Authority, the authority shall compile statistics on the total number of opioid and opiate overdoses and the total number of opioid and opiate overdose related deaths occurring in this state.
- (2) Not less than once every three months, the **Oregon Health** Authority shall report to the Governor and each local [health department] **public health authority**, as defined in ORS 431.003, the statistics compiled under subsection (1) of this section.
- (3) Not later than September 15 of each year, the **Oregon Health** Authority shall report to the interim committees of the Legislative Assembly related to health care, in the manner provided by ORS 192.245, the statistics compiled under subsection (1) of this section.

SECTION 83. ORS 433.012 is amended to read:

433.012. The Oregon Health Authority shall provide the necessary laboratory examinations requested by local [health departments] public health authorities for the diagnosis of those communicable diseases identified by rule of the Oregon Health Authority to be a reportable disease.

SECTION 84. ORS 433.060 is amended to read:

- [(6)] (4) "Local public health administrator" means the local public health administrator, as defined in ORS 431.003, for the jurisdiction in which the reported substantial exposure occurred.
- [(7)] (5) "Local public health officer" means the local health officer, as described in ORS 431.418, of the county or district [health department] local public health authority for the jurisdiction in which the substantial exposure occurred.
 - [(8)] (6) "Occupational exposure" means a substantial exposure of a worker in the course of the

worker's occupation.

- [(9)] (7) "Source person" means a person who is the source of the blood or body fluid in the instance of a substantial exposure of another person.
- [(10)] (8) "Substantial exposure" means an exposure to blood or certain body fluids as defined by rule of the authority to have a potential for transmitting the human immunodeficiency virus based upon current scientific information.
- [(11)] (9) "Worker" means a person who is licensed or certified to provide health care under ORS chapters 677, 678, 679, 680, 684 or 685 or ORS 682.216, an employee of a health care facility, of a licensed health care provider or of a clinical laboratory, as defined in ORS 438.010, a firefighter, a law enforcement officer, as defined in ORS 414.805, a corrections officer or a parole and probation officer.

SECTION 85. ORS 433.080 is amended to read:

- 433.080. When the Oregon Health Authority declares by rule that mandatory testing of source persons could help a defined class of workers from being infected or infecting others with the human immunodeficiency virus, the following apply:
- (1) When a source person, after having been first requested to consent to testing by rules adopted under ORS 433.065, has refused or within a time period prescribed by rule of the **Oregon Health** Authority has failed to submit to the requested test, except when the exposed person has knowledge that the exposed person has a history of a positive HIV test, the exposed person may seek mandatory testing of the source person by filing a petition with the circuit court for the county in which the exposure occurred. The form for the petition shall be as prescribed by the **Oregon Health** Authority and shall be obtained from the local public health [department] authority.
- (2) The petition shall name the source person as the respondent and shall include a short and plain statement of facts alleging:
- (a) The petitioner is a worker subjected to an occupational exposure or a person who has been subjected to a substantial exposure by a worker administering health care and the respondent is the source person;
- (b) The petitioner is in the class of workers defined by rule of the **Oregon Health** Authority under this section;
- (c) All procedures for obtaining the respondent's consent to an HIV test by rules adopted under ORS 433.065 have been exhausted by the petitioner and the respondent has refused to consent to the test, or within the time period prescribed by rule of the **Oregon Health** Authority has failed to submit to the test;
- (d) The petitioner has no knowledge that the petitioner has a history of a positive HIV test and has since the exposure, within a time period prescribed by rule of the **Oregon Health** Authority, submitted a specimen from the petitioner for an HIV test; and
- (e) The injury that petitioner is suffering or will suffer if the source person is not ordered to submit to an HIV test.
- (3) The petition shall be accompanied by the certificate of the local public health administrator declaring that, based upon information in the possession of the **local public health** administrator, the facts stated in the allegations under subsection (2)(a), (b) and (c) of this section are true.
- (4) Upon the filing of the petition, the court shall issue a citation to the respondent stating the nature of the proceedings, the statutes involved and the relief requested and, that if the respondent does not appear at the time and place for hearing stated in the citation, that the court will order the relief requested in the petition.

- (5) The citation shall be served on the respondent together with a copy of the petition by the county sheriff or deputy. The person serving the citation and petition shall, immediately after service [thereof] of the citation and petition, make a return showing the time, place and manner of [such] the service and file [it] the return with the clerk of the court.
- (6) The hearing shall be held within three days of the service of the citation upon the respondent. The court may for good cause allow an additional period of 48 hours if additional time is requested by the respondent.
- (7) Both the petitioner and the local public health administrator certifying to the matter alleged in the petition shall appear at the hearing. The hearing of the case shall be informal with the object of resolving the issue before the court promptly and economically between the parties. The parties shall be entitled to subpoena witnesses, to offer evidence and to cross-examine. The judge may examine witnesses to [insure] ensure a full inquiry into the facts necessary for a determination of the matter before the court.
- (8) After hearing all of the evidence, the court shall determine the truth of the allegations contained in the petition. The court shall order the respondent to submit to the requested test by a licensed health care provider without delay if, based upon clear and convincing evidence, the court finds that:
 - (a) The allegations in the petition are true;
- (b) The injury the petitioner is suffering or will suffer is an injury that only the relief requested will adequately remedy; and
- (c) The interest of the petitioner in obtaining the relief clearly outweighs the privacy interest of the respondent in withholding consent.
- (9) If the court does not make the finding described in subsection (8) of this section, the court shall dismiss the petition.
- (10) Failure to obey the order of the court shall be subject to contempt proceedings pursuant to law.
 - SECTION 86. ORS 433.090 is amended to read:

 - (b) "Transferring child" means a child moving from:
 - (A) One facility to another facility;
 - (B) One school in this state to another school in this state when the move is not the result of a normal progression of grade level; or

(C) A school in another state to a school in this state.

- [(1)] (2) As a condition of attendance in any school or children's facility in this state, every child through grade 12 shall submit to the administrator, unless the school or facility the child attends already has on file a record that indicates that the child has received immunizations against the restrictable diseases prescribed by rules of the Oregon Health Authority as provided in ORS 433.273, one of the following:
- (a) A document signed by the parent, a **health care** practitioner [of the healing arts] who has within the scope of the practitioner's license the authority to administer immunizations or a representative of the local [health department] **public health authority** certifying the immunizations the child has received;
- (b) A document signed by a physician or a representative of the local [health department] **public** health authority stating that the child should be exempted from receiving specified immunization because of indicated medical diagnosis; or
- (c) A document, on a form prescribed by the **Oregon Health** Authority by rule and signed by the parent of the child, stating that the parent is declining one or more immunizations on behalf of the child. A document submitted under this paragraph:
- (A) May include the reason for declining the immunization, including whether the parent is declining the immunization because of a religious or philosophical belief; and
 - (B) Must include either:

- (i) A signature from a health care practitioner verifying that the health care practitioner has reviewed with the parent information about the risks and benefits of immunization that is consistent with information published by the Centers for Disease Control and Prevention and the contents of the vaccine educational module approved by the **Oregon Health** Authority pursuant to rules adopted under ORS 433.273; or
- (ii) A certificate verifying that the parent has completed a vaccine educational module approved by the **Oregon Health** Authority pursuant to rules adopted under ORS 433.273.
- [(2)(a)] (3)(a) A newly entering child or a transferring child shall be required to submit the document described in subsection [(1)] (2) of this section prior to attending the school or facility.
- (b) Notwithstanding paragraph (a) of this subsection, a child transferring from a school in the United States must submit the document required by subsection [(1)] (2) of this section not later than the exclusion date set by rule of the **Oregon Health** Authority.
- [(3)] (4) Persons who have been emancipated pursuant to ORS 419B.558 or who have reached the age of consent for medical care pursuant to ORS 109.640 may sign those documents on their own behalf otherwise requiring the signatures of parents under subsection [(1)] (2) of this section.
- [(4)] (5) The administrator shall conduct a primary evaluation of the records submitted pursuant to subsection [(1)] (2) of this section to determine whether the child is entitled to begin attendance by reason of having submitted a document that complies with the requirements of subsection [(1)] (2) of this section.
- [(5)] (6) If the records do not meet the initial minimum requirements established by rule, the child may not be allowed to attend until the requirements are met. If the records meet the initial minimum requirements, the child shall be allowed to attend.
- [(6)] (7) At the time specified by the **Oregon Health** Authority by rule, records for children meeting the initial minimum requirements and records previously on file shall be reviewed for completion of requirements by the administrator to determine whether the child is entitled to continue in attendance. If the records do not comply, the administrator shall notify the local [health depart-

ment] public health authority and shall transmit any records concerning the child's immunization status to the local [health department] public health authority.

- [(7)] (8) The local [health department] public health authority shall provide for a secondary evaluation of the records to determine whether the child should be excluded for noncompliance with the requirements stated in subsection [(1)] (2) of this section. If the child is determined to be in noncompliance, the local [health department] public health authority shall issue an exclusion order and shall send copies of the order to the parent or the person who is emancipated or has reached the age of majority and the administrator. On the effective date of the order, the administrator shall exclude the child from the school or facility and not allow the child to attend the school or facility until the requirements of this section have been met.
- [(8)] (9) The administrator shall readmit the child to the school or facility when in the judgment of the local [health department] public health authority the child is in compliance with the requirements of this section.
- [(9)] (10) The administrator shall be responsible for updating the document described in subsection [(1)(a)] (2)(a) of this section as necessary to reflect the current status of the immunization of the child and the time at which the child comes into compliance with immunizations against the restrictable diseases prescribed by rules of the **Oregon Health** Authority pursuant to ORS 433.273.
- [(10)] (11) Nothing in this section shall be construed as relieving agencies, in addition to school districts, which are involved in the maintenance and evaluation of immunization records on April 27, 1981, from continuing responsibility for these activities.
- [(11)] (12) All documents required by this section shall be on forms approved or provided by the **Oregon Health** Authority.
- [(12)] (13) In lieu of signed documents from **health care** practitioners, the authority may accept immunization record updates using practitioner documented immunization records generated by electronic means or on unsigned practitioner letterhead if the authority determines such records are accurate.

 - **SECTION 94.** ORS 433.273 is amended to read:
- 433.273. The Oregon Health Authority shall adopt rules pertaining to the implementation of ORS 433.235 to 433.284, which shall include, but need not be limited to:
 - (1) The definition of "restrictable" disease;
 - (2) The required immunization against diseases;
- 44 (3) The time schedule for immunization;
- 45 (4) The approved means of immunization;

- (5) The procedures and time schedule whereby children may be excluded from attendance in schools or children's facilities under ORS 433.267 [(1)(b)] (2)(b) and (c), provided that the authority includes as part of those procedures service of notice to parents;
- (6) The manner in which immunization records for children are established, evaluated and maintained;
- (7) Exemptions for schools and children's facilities, including exemptions from the reporting requirements of ORS 433.269 (2) and exemptions from the requirement under ORS 433.269 (3) to make information available;
 - (8) The implementation of ORS 433.282 and 433.283;
 - (9) The process for approving a vaccine educational module;
- (10) Criteria for a vaccine educational module, including the requirement that a vaccine educational module present information that is consistent with information published by the Centers for Disease Control and Prevention concerning:
 - (a) Epidemiology;

- (b) The prevention of disease through the use of vaccinations; and
- (c) The safety and efficacy of vaccines; and
- (11) Documentation required to verify completion of a vaccine educational module, including the qualifications of persons who may certify the completion.

SECTION 95. ORS 433.280 is amended to read:

- 433.280. Nothing in ORS 179.505, 192.553 to 192.581, 326.565, 326.575 or 336.187 prevents:
- (1) Inspection by or release to administrators by local [health departments] public health authorities of information relating to the status of a person's immunization against restrictable diseases without the consent of the person, if the person has been emancipated or has reached the age of majority, or the parent of a child.
- (2) Local [health departments] public health authorities from releasing information concerning the status of a person's immunization against restrictable diseases by telephone to the parent, administrators and public health officials.

SECTION 96. ORS 433.326 is amended to read:

433.326. The purpose of ORS 433.321, 433.323 and 433.327 [and section 4, chapter 240, Oregon Laws 2003,] is to waive the requirement of authorization to disclose information from, or provide information to, the record of a newborn child in the newborn hearing screening test registry and to waive confidentiality in regard to this information. The waiver allows providers, the Oregon Health Authority and local [health departments] public health authorities and their agents, parents or guardians and diagnostic facilities to share information from the newborn hearing screening test registry without violating confidentiality. The newborn hearing screening test registry and the associated tracking and recall system are designed to increase early and appropriate intervention to minimize delays in developing language skills by the children of this state.

SECTION 97. ORS 433.419 is amended to read:

433.419. When a local [health department] public health authority or the Oregon Health Authority learns of a case or suspected case of an infectious disease [which] that may have exposed a worker to risk of infection, the local [health department] public health authority or the Oregon Health Authority shall make every reasonable effort to notify the worker and employer of the exposure as soon as medically appropriate given the urgency of the disease or suspected disease. Notification shall include recommendations to the worker and employer that are medically appropriate.

SECTION 98. ORS 433.423 is amended to read:

- 433.423. (1) The Oregon Health Authority shall adopt rules implementing ORS 433.407 to 433.423. [Such] **The** rules [shall] **must** include, but need not be limited to:
 - (a) The development of curriculum dealing with the exposure of workers to infectious diseases;
- (b) Development and conduct of training programs for local [health department] public health authority personnel to prepare them to train workers about the subject of infectious diseases;
 - (c) Information on the manner in which infectious diseases are transmitted; and
- (d) Guidelines that can assist workers and their employers in distinguishing between conditions in which such workers are or are not at risk with respect to infectious diseases.
- (2) The rules adopted by the **Oregon Health** Authority shall require that implementation of ORS 433.407 to 433.423 be accomplished in such a manner as to protect the confidentiality of persons with infectious diseases and workers exposed to such persons.

SECTION 99. ORS 435.205 is amended to read:

435.205. (1) The Oregon Health Authority and every local **public** health [department] **authority** shall [offer] **ensure access to** family planning and birth control services within the limits of available funds. Both agencies jointly may offer [such] **family planning and birth control** services. [The Director of the Oregon Health Authority or a designee shall initiate and conduct discussions of family planning with each person who might have an interest in and benefit from such service.] The authority shall [furnish] **provide** consultation and assistance to local **public** health [departments] **authorities**.

- (2) Family planning and birth control services may include [interviews] face-to-face encounters with trained personnel; distribution of literature; referral to a licensed physician, physician assistant licensed under ORS 677.505 to 677.525, naturopathic physician licensed under ORS chapter 685 or nurse practitioner licensed under ORS 678.375 to 678.390 for consultation, examination, medical treatment and prescription; and, to the extent so prescribed, the distribution of [rhythm charts, the initial supply of a drug or other medical preparation, contraceptive devices and similar products] contraceptive methods, including drugs and devices to prevent pregnancy.
- (3) Any [literature, charts or other] family planning and birth control information offered under this section in counties in which a significant segment of the population does not speak English shall be made available in the appropriate [foreign] language for that segment of the population.
- (4) In carrying out its duties under this section, [and with the consent of the local public health authority as defined in ORS 431.003,] the local **public** health [department] authority may adopt a fee schedule for services provided by the local **public** health [department] authority. The fees shall be reasonably calculated not to exceed costs of services provided and may be adjusted on a sliding scale reflecting ability to pay.
- (5) The local **public** health [department] **authority** shall collect fees according to the schedule adopted under subsection (4) of this section. [Such] **The** fees may be used to meet the expenses of providing the services authorized by this section.

SECTION 100. ORS 441.413 is amended to read:

441.413. (1) The Long Term Care Ombudsman shall appoint designees in consultation with local screening committees that may consist of but not be limited to persons representing:

- (a) The area agency, as defined in ORS 410.040.
- (b) The local office of the Department of Human Services.
- (c) The local [health department] public health authority.
- 44 (d) Senior citizens groups in the area.
 - (e) Local elected officials.

- (2) To be appointed as a designee, a person must complete an initial training, as prescribed by the Long Term Care Ombudsman by rule, and attend quarterly training sessions that are approved by the ombudsman and that shall be coordinated and funded by the Department of Human Services and the Oregon Health Authority, subject to the availability of funds. Local screening committees shall be appointed by and serve at the pleasure of the ombudsman.
- (3) Designees must sign a contract with the state that outlines the scope of their duties. In districts where a designee is an employee or agent of a local entity, a three-party contract shall be executed. Violation of the contract is cause for the termination of the appointment. A directory of all designees shall be maintained in the office of the Long Term Care Ombudsman.
- (4) The qualifications of designees shall include experience with long term care facilities or residents or potential residents of long term care facilities, and the ability to communicate well, to understand laws, rules and regulations, and to be assertive, yet objective.
- (5) Applicants who have experience in either social service, mental health, developmental disability services, gerontology, nursing or paralegal work shall be given preference in the appointment of designees.
- (6) The contract shall include statements that the purpose of the Long Term Care Ombudsman Program is to:
- (a) Promote rapport and trust between the residents and staff of the long term care facilities and Long Term Care Ombudsman;
- (b) Assist residents with participating more actively in determining the delivery of services at the facilities;
 - (c) Serve as an educational resource;

 - (3) "Home health services" means items and services furnished to an individual by a home health agency, or by others under arrangements with such agency, on a visiting basis, in a place of temporary or permanent residence used as the individual's home for the purpose of maintaining that individual at home.

SECTION 104. ORS 448.150 is amended to read:

448.150. (1) The Oregon Health Authority shall:

- (a) Conduct periodic sanitary surveys of drinking water systems and sources, take water samples and inspect records to ensure that the systems are not creating an unreasonable risk to health. The authority shall provide written reports of the examinations to water suppliers and to local public health administrators, as defined in ORS 431.003. The authority may impose a fee on water suppliers to recover the costs of conducting the periodic sanitary surveys.
- (b) Require regular water sampling by water suppliers to determine compliance with water quality standards established by the authority. These samples shall be analyzed in a laboratory approved by the authority. The results of the laboratory analysis of a sample shall be reported to the authority by the water supplier, unless direct laboratory reporting is authorized by the water supplier. The laboratory performing the analysis shall report the validated results of the analysis directly to the authority and to the water supplier if the analysis shows that a sample contains contaminant levels in excess of any maximum contaminant level specified in the water quality standards.
- (c) Investigate any water system that fails to meet the water quality standards established by the authority.
- (d) Require every water supplier that provides drinking water that is from a surface water source to conduct sanitary surveys of the watershed as may be considered necessary by the **Oregon Health** Authority for the protection of public health. The water supplier shall make written reports of such sanitary surveys of watersheds promptly to the authority and to the local [health department] public health authority.
- (e) Investigate reports of waterborne disease pursuant to ORS 431.001 to 431.550 and 431.990 and take necessary actions as provided for in ORS 446.310, 448.030, 448.115 to 448.285, 454.235, 454.255 and 455.680 to protect the public health and safety.
- (f) Notify the Department of Environmental Quality of a potential ground water management area if, as a result of its water sampling under paragraphs (a) to (e) of this subsection, the **Oregon Health** Authority detects the presence in ground water of:
- (A) Nitrate contaminants at levels greater than 70 percent of the levels established pursuant to ORS 468B.165; or
- (B) Any other contaminants at levels greater than 50 percent of the levels established pursuant to ORS 468B.165.
- (2) The notification required under subsection (1)(f) of this section shall identify the substances detected in the ground water and all ground water aquifers that may be affected.

SECTION 105. ORS 448.273 is amended to read:

- 448.273. The Legislative Assembly finds that an agreement between this state and the federal government to assume primary enforcement responsibility in this state for the federal Safe Drinking Water Act is in the best interest of this state, subject to the following assumptions:
- (1) The federal government provides an annual program grant in an amount no less than that allocated for the state in the 1984 fiscal year.
- (2) The federal government provides technical assistance to this state, as requested, in emergency situations and during outbreaks of waterborne diseases.
- (3) The federal government must negotiate an annual work plan for the Oregon Health Authority that can be accomplished within the amount of program grant funding available.
 - (4) The authority adopts standards no less stringent than the National Primary Drinking Water

1 Regulations of the United States Environmental Protection Agency.

- (5) The authority provides engineering assistance through regional offices in at least four geographically distributed areas in this state.
- (6) In cooperation with representatives of local [health departments] public health authorities, the Oregon Health Authority develops an equitable formula for distribution of available funds to support local [health department] public health authority water programs.
- (7) The primacy agreement may be canceled by the **Oregon Health** Authority, upon 90 days' notice, if at any time the federal requirements exceed the amount of federal funding and the cancellation is approved by the legislative review agency as defined in ORS 291.371 (1).
- (8) The federal government can impose financial sanctions against this state if the state fails to meet the objectives of the annual negotiated work plan without reasonable explanation by tying the next annual funding to specific state production and by withholding of funds a possibility if continued unexplained failures occur but no sanction exists to interfere with other types of federal funding in this state.
- (9) The federal government may seek to enforce the safe drinking water standards if this state fails to take timely compliance action against a public water system that violates such standards.
- (10) Enforcement under subsection (9) of this section may be by injunctive relief or, in the case of willful violation, civil penalties authorized by 42 U.S.C. 300g-3(a) and (b).

SECTION 106. ORS 459.385 is amended to read:

- 459.385. (1) Personnel of the Department of Environmental Quality or a local [health department] public health authority, authorized environmental health specialists or other authorized personnel of a city or county may enter upon the premises of any person regulated under ORS 459.005 to 459.105, 459.205 to 459.385, 466.005 to 466.385 and 466.992 or under regulations adopted pursuant to ORS 450.075, 450.810, 450.820 and 451.570, at reasonable times, to determine compliance with and to enforce ORS 450.075, 450.810, 450.820, 451.570, 459.005 to 459.105, 459.205 to 459.385, 466.005 to 466.385 and 466.992 and any rules or regulations adopted pursuant thereto. The department shall also have access to any pertinent records, including but not limited to blueprints, operation and maintenance records and logs, operating rules and procedures.
- (2) As used in this section, "pertinent records" does not include financial information unless otherwise authorized by law.
 - SECTION 107. ORS 609.652 is amended to read:
- 32 609.652. As used in ORS 609.654:
- 33 (1)(a) "Aggravated animal abuse" means any animal abuse as described in ORS 167.322.
 - (b) "Aggravated animal abuse" does not include:
 - (A) Good animal husbandry, as defined in ORS 167.310; or
- 36 (B) Any exemption listed in ORS 167.335.
- 37 (2) "Law enforcement agency" means:

 44 the mobile unit is moved prior to operating the mobile unit within that county.] **If a local public**45 **health authority licenses a mobile unit, and the unit is moved to a location within the juris-**

diction of a different local public health authority, the operator shall give notice of the move to the local public health authority that has jurisdiction for the new location before operating the mobile unit at the new location. The operator shall [furnish] provide the Oregon Health Authority with written details of the conversion of any vending machine to dispense products other than those for which the license was issued.

SECTION 109. ORS 624.400 is amended to read:

624.400. The Oregon Health Authority shall make such surveys as are necessary to obtain uniform enforcement of ORS 624.310 to 624.430 throughout the state and shall prepare and disseminate information and shall cooperate with and assist local [health departments] public health authorities in educational programs for the purpose of encouraging compliance with ORS 624.310 to 624.430 on the part of operators and employees of vending machines and mobile units.

SECTION 110. ORS 689.605 is amended to read:

689.605. (1) In a hospital or long term care facility [having] that has a pharmacy and [employing] employs a pharmacist, the pharmacy and pharmacist are subject to the requirements of this chapter, except that in a hospital when a pharmacist is not in attendance, pursuant to standing orders of the pharmacist, a registered nurse supervisor on the written order of a person authorized to prescribe a drug may withdraw such drug in such volume or amount as needed for administration to or treatment of an inpatient or outpatient until regular pharmacy services are available in accordance with the rules adopted by the [board] State Board of Pharmacy. However, the [State] board [of Pharmacy] may grant an exception to the requirement for a written order by issuing a special permit authorizing the registered nurse supervisor in a hospital to dispense medication on the oral order of a person authorized to prescribe a drug. An inpatient care facility [which] that does not have a pharmacy must have a drug room. In an inpatient care facility [having] that has a drug room as may be authorized by rule of the Department of Human Services or the Oregon Health Authority, the drug room is not subject to the requirements of this chapter relating to pharmacies. However, a drug room must be supervised by a pharmacist and is subject to the rules of the State Board of Pharmacy. When a pharmacist is not in attendance, any person authorized by the prescriber or by the pharmacist on written order may withdraw such drug in such volume or amount as needed for administration to or treatment of a patient, entering such withdrawal in the record of the responsible pharmacist.

- (2) In a hospital [having] **that has** a drug room, any drug may be withdrawn from storage in the drug room by a registered nurse supervisor on the written order of a licensed practitioner in such volume or amount as needed for administration to and treatment of an inpatient or outpatient in the manner set forth in subsection (1) of this section and within the authorized scope of practice.
- (3) A hospital [having] that has a drug room shall cause accurate and complete records to be kept of the receipt, withdrawal from stock and use or other disposal of all legend drugs stored in the drug room. Such record shall be open to inspection by agents of the board and other qualified authorities.
- (4) In an inpatient care facility other than a hospital, the drug room shall contain only prescribed drugs already prepared for patients therein and such emergency drug supply as may be authorized by rule by the Department of Human Services.
 - (5) The requirements of this section [shall] do not apply to facilities described in ORS 441.065.
- [(6) A registered nurse who is an employee of a local health department that is registered by the board under ORS 689.305 may, pursuant to the order of a person authorized to prescribe a drug or device, dispense a drug or device to a client of the local health department for purposes of caries pre-

vention, birth control or prevention or treatment of a communicable disease. Such dispensing shall be subject to rules jointly adopted by the board and the Oregon Health Authority.]

- (6) Subject to rules adopted by the board in consultation with the Oregon Health Authority, a registered nurse may, pursuant to the order of a person authorized to prescribe a drug or device, dispense a drug or device to a patient for purposes of caries prevention, birth control or prevention or treatment of a communicable disease if the registered nurse is an employee of:
 - (a) A local public health authority registered by the board under ORS 689.305; or
- (b) An entity registered by the board under ORS 689.305 with which the local public health authority has entered into an agreement for the purpose of performing local public health services and activities.
- (7) The board shall adopt rules authorizing a pharmacist to delegate to a registered nurse the authority to withdraw prescription drugs from a manufacturer's labeled container for administration to persons confined in penal institutions including, but not limited to, adult and juvenile correctional facilities. A penal institution, in consultation with a pharmacist, shall develop policies and procedures regarding medication management, procurement and distribution. A pharmacist shall monitor a penal institution for compliance with the policies and procedures and shall perform drug utilization reviews. The penal institution shall submit to the board for approval a written agreement between the pharmacist and the penal institution regarding medication policies and procedures.

MISCELLANEOUS

FOOD SANITATION

SECTION 114. Section 115 of this 2019 Act is added to and made a part of ORS chapter 624.

SECTION 115. (1) A person may apply to the Oregon Health Authority for a variance from one or more rules of the authority regarding food sanitation, including but not limited to rules regarding personnel, food protection, equipment and facilities, utilities and plan review. An application for a variance must be accompanied by a fee of \$500. If the authority grants the variance, the authority shall state the terms and conditions of the variance.

- (2) The authority shall adopt rules establishing requirements for applications and variances under this section.
 - (3) The authority may not delegate the granting of variances under this section.
 - SECTION 116. (1) Section 115 of this 2019 Act becomes operative on January 1, 2020.
- (2) The Oregon Health Authority may take any action before the operative date specified in subsection (1) of this section that is necessary to enable the authority to exercise, on and after the operative date specified in subsection (1) of this section, all of the duties, functions and powers conferred on the authority by section 115 of this 2019 Act.

PUBLIC POOLS

SECTION 117. ORS 448.011 is amended to read:

448.011. The Oregon Health Authority shall [make such] adopt rules pertaining to [the submission of plans for] construction plan submission, [issuance of permits,] plan approval, design, construction, size, shape, purification equipment, piping, operation, sanitation and accident prevention for public swimming pools, public spa pools, public wading pools and bathhouses as [it] the authority deems necessary.

SECTION 118. ORS 448.020 is amended to read:

448.020. [No person shall] **A person may not** construct or perform a major alteration or reconstruction of a public swimming pool, public spa pool, public wading pool or bathhouse without [a permit] **plan approval** to do so from the Oregon Health Authority.

SECTION 119. ORS 448.030 is amended to read:

- 448.030. (1) Any person desiring to construct any public swimming pool, public spa pool, public wading pool or bathhouse shall file **an** application for [a permit to do so] **plan approval** with the Oregon Health Authority.
- (2) The application [shall] **must** be accompanied by a description of the sources of water supply, amount and quality of water available and intended to be used, method and manner of water purification, treatment, disinfection, heating, regulating and cleaning, lifesaving apparatus, and meas-

- ures to [insure] **ensure** safety of bathers, measures to [insure] **ensure** personal cleanliness of bathers, methods and manner of washing, disinfecting, drying and storing bathing apparel and towels, and all other information and statistics that may be required by the authority. The authority shall either approve or [reject] **deny** the application based upon the plans submitted [and either issue or deny the construction permit].
- (3) After [a] construction [permit is issued and upon request], the authority shall cause an [investigation] inspection to be made of the proposed public swimming pool, public spa pool, public wading pool or bathhouse. If the authority determines that the public swimming pool, public spa pool, public wading pool or bathhouse as constructed complies with the rules of the authority, it shall issue a final approval [which shall authorize] authorizing the issuance of a license under ORS 448.035.
- (4) [An applicant for a permit to construct] If a public swimming pool, public spa pool, public wading pool or bathhouse is to be owned, operated or maintained by a person for profit, or in conjunction with a travelers' accommodation or recreation park, the applicant shall pay the authority a plan review fee of \$600. [\$100 and a construction permit fee of \$200, which] Payment of the plan review fee entitles the [holder] applicant to two inspections toward final approval. The authority [shall] may not impose any new standards after a second or any subsequent inspection. For any subsequent construction inspection necessary, the [permit holder] applicant shall pay \$100 for each inspection.

SECTION 120. ORS 448.051 is amended to read:

- 448.051. (1) The Director of the Oregon Health Authority shall inspect all public swimming pools, public spa pools, public wading pools and bathhouses to determine the sanitary conditions of such places and whether ORS 448.005 to 448.090 and the rules of the Oregon Health Authority pertaining to public swimming pools, public spa pools, public wading pools and bathhouses are being violated.
- (2) If the director determines that a public swimming pool, public spa pool, public wading pool or bathhouse is being **constructed**, operated or maintained in violation of the rules of the authority or is found to be insanitary, unclean or dangerous to public health or safety, the director may suspend, revoke or deny the permit **or plan approval issued under ORS 448.030** or license issued under ORS [448.030 or] 448.035 in accordance with ORS chapter 183.

SECTION 121. ORS 448.060 is amended to read:

- 448.060. (1) [No] **A** public swimming pool, public spa pool, public wading pool or bathhouse [shall] **may not** remain open to the public after the permit, **plan approval** or license to operate [such facilities] **the facility** has been suspended, denied or revoked.
- (2) Any public swimming pool, public spa pool, public wading pool or bathhouse constructed, operated or maintained contrary to ORS 448.005 to 448.090[,] is a public nuisance, dangerous to health.
- [(3)] Such nuisance may be abated or enjoined in an action brought by the Director of the Oregon Health Authority or may be summarily abated in the manner provided by law for the summary abatement of public nuisances dangerous to health.

SECTION 122. ORS 448.100 is amended to read:

448.100. (1) The Director of the Oregon Health Authority shall delegate to any county board of commissioners that requests any of the duties and functions of the director under ORS 448.005, 448.011, 448.020 to 448.035[,] **and** 448.040 to 448.060 and this section if the director determines that the county is able to carry out the rules of the Oregon Health Authority relating to fee collection,

approvals and licenses in compliance with standards for enforcement by the counties and monitoring by the authority. The authority shall review and monitor each county's performance under this subsection. In accordance with ORS chapter 183, the director may suspend or rescind a delegation under this subsection. If it is determined that a county is not carrying out such rules or the delegation is suspended, the unexpended portion of the fees collected under subsection (2) of this section shall be available to the authority for carrying out the duties and functions under this section.

(2) The county may determine the amount of, and retain, any fee for any function undertaken pursuant to subsection (1) of this section or use the fee [schedules pursuant to] amounts established under ORS 448.030 and 448.035. A county to whom licensing, inspection and enforcement authority has been delegated under this section shall collect and remit to the authority a fee to support the activities of the authority under this section. The fee shall be established by the authority and the Conference of Local Health Officials based upon a budget and formula for funding activities described in this section. The authority and the Conference of Local Health Officials shall consult with associations representing Oregon cities, special districts and the lodging industry in establishing the fee. In the event the authority and the Conference of Local Health Officials cannot reach agreement on the budget and formula, the authority shall submit its budget proposal to the Legislative Assembly.

(3) In any action, suit or proceeding arising out of county administration of functions pursuant to subsection (1) of this section and involving the validity of a rule promulgated by the authority, the authority shall be made a party to the action, suit or proceeding.

SECTION 123. (1) The amendments to ORS 448.011, 448.020 and 448.030 by sections 117 to 119 of this 2019 Act do not affect the validity or terms of any permit issued under ORS 448.030 before the effective date of this 2019 Act.

(2) The Oregon Health Authority shall treat any application for a permit under ORS 448.030 that is pending with the authority on the effective date of this 2019 Act as an application for plan approval. This subsection does not subject an application pending authority approval on the effective date of this 2019 Act to any additional fee amount established in the amendments to ORS 448.030 by section 119 of this 2019 Act.

REPEALS

SECTION 124. ORS 181A.330 and 181A.335 are repealed.
