25 adopt rules under ORS 1.002 to designate information specified in this subsection as confidential and
26 require that the information be submitted through an alternate procedure to ensure that the infor-
27 mation is exempt from public disclosure under ORS 192.355.

28 (9)(a) Except as otherwise provided in paragraph (b) of this subsection, in any subsequent child
29 support enforcement action, the court or administrator, upon a showing of diligent effort made to

32 (b) Service of an order directing an obligor to appear in a contempt proceeding is subject to

36 **ORS chapters 107, 108, 109, 110, [416,] 419A, 419B and 419C** that would otherwise impose the same
37 duties or functions upon the county clerk or the Department of Human Services.

38 (11) Except as provided for in subsections (12), (13) and (14) of this section, credit may not be
39 given for payments not made to the Department of Justice as required under subsection (1) of this

2 (c) As provided by rule adopted under ORS 180.345.

3 (13) An obligor may apply to the Department of Justice for credit for payments made other than
4 to the Department of Justice. If the obligee or other state does not provide the agreement or ver-
5 ification required by subsection (12) of this section, credit may be given pursuant to order of an
6 administrative law judge assigned from the Office of Administrative Hearings after notice and op-
7 portunity to object and be heard are given to both obligor and obligee. Notice shall be served upon
8 the obligee as provided by ORS 25.085. Notice to the obligor may be by regular mail at the address
9 provided in the application for credit. A hearing conducted under this subsection is a contested case
10 hearing and ORS 183.413 to 183.470 apply. Any party may seek a hearing de novo in the circuit
11 court.

12 (14) Nothing in this section precludes the Department of Justice from giving credit for payments
13 not made to the department when there has been a judicially determined credit or satisfaction or
14 when there has been a satisfaction of support executed by the person to whom support is owed.

15 (15) The Department of Justice shall adopt rules that:

16 (a) Direct how support payments that are made through or credited by the department are to
17 be applied and, if applicable, disbursed; and

18 (b) Are consistent with federal regulations.

19 **NOTE:** Eliminates inappropriate chapter reference and substitutes appropriate series reference
20 in (1) and (10).

21 **SECTION 8.** ORS 25.080 is amended to read:

22 25.080. (1) The following entity is primarily responsible for providing the support enforcement
23 services described in subsection (4) of this section when an application as described in ORS 25.084
24 is made, or when an assignment of support rights is made to the state:

25 (a) The Division of Child Support of the Department of Justice:

26 (A) If support rights are, or were within the past five months, assigned to this or another state;
27 or

28 (B) In any case where arrearage under a support order is assigned or owed to or the right to
29 recover back support or state debt is held by this state or another state.

30 (b) Except as provided in subsection (6) of this section, the district attorney in cases other than
31 those described in paragraph (a) of this subsection if an application as described in ORS 25.084 is
32 made by the obligee, by the obligor, by a person having physical custody of a minor child or by a
33 child attending school, as defined in ORS 107.108.

34 (2) The provisions of this section apply to support enforcement services for any order or judg-
35 ment that is or could be entered under ORS **416.400 to 416.465**, 419B.400 or 419C.590 or ORS
36 chapter 107, 108, 109[,] **or** 110 [*or 416*]. The entity specified in subsection (1) of this section shall
37 provide the support enforcement services on behalf of the State of Oregon and not on behalf of any
38 other party or on behalf of a parent. The Department of Justice shall adopt rules addressing the
39 provision of support enforcement services when the purposes of the state in providing those services
40 may be contradictory in individual cases.

41 (3) Notwithstanding the division of responsibility for providing support enforcement services
42 between the Division of Child Support and the district attorney as described in subsection (1) of this
43 section, provision of support enforcement services may not be challenged on the basis that the entity
44 providing the services in a particular case is not the entity responsible for the case under subsection
45 (1) of this section.

1 (4) When responsible for providing support enforcement services and there is sufficient evidence
 2 available to support the action to be taken, the entity described in subsection (1) of this section:

3 (a) Shall establish and enforce any child support obligation;

4 (b) Shall establish paternity;

5 (c) Shall enforce spousal support when the obligee is living with the obligor's child for whom
 6 support enforcement services are being provided and those services are funded in part by federal
 7 moneys;

8 (d) May enforce any other order or judgment for spousal support;

9 (e) Shall, on behalf of the state, initiate and respond to child support modification proceedings
 10 based upon a substantial change of circumstances;

11 (f) Shall, on behalf of the state, initiate and respond to child support modification proceedings
 12 based upon a modification conducted under ORS 25.287 concerning existing child support orders;

13 (g) Shall establish and enforce obligations to provide medical insurance coverage for dependent
 14 children;

15 (h) Shall ensure compliance with the provisions of 42 U.S.C. 651 to 669 and 45 C.F.R. Chapter
 16 III as authorized by state law;

17 (i) Shall carry out the policy of the State of Oregon regarding child support obligations as ex-
 18 pressed in ORS 416.405; and

19 (j) Shall ensure that child support orders are in compliance with the formula established by this
 20 chapter.

21 (5) In any proceeding under subsection (4) of this section, the parties are those described in ORS
 22 416.407.

23 (6) The district attorney of any county and the department may provide by agreement for as-
 24 sumption by the Division of Child Support of the functions of the district attorney under subsection
 25 (1) of this section or for redistribution between the district attorney and the Division of Child Sup-
 26 port of all or any portion of the duties, responsibilities and functions set forth in subsections (1) and
 27 (4) of this section.

28 (7) All county governing bodies and all district attorneys shall enter into child support cooper-
 29 ative agreements with the department. The following apply to this subsection:

30 (a) The agreements shall contain appropriate terms and conditions sufficient for the state to
 31 comply with all child support enforcement service requirements under federal law; and

32 (b) If this state loses any federal funds due to the failure of a county governing body or district
 33 attorney to either enter into an agreement under this subsection or to provide sufficient support
 34 enforcement service, the county shall be liable to the department for, and the liability shall be lim-
 35 ited to, the amount of money the state determines it lost because of the failure. The state shall offset
 36 the loss from any moneys the state is holding for or owes the county or from any moneys the state
 37 would pay to the county for any purpose.

38 (8) The Department of Justice shall enter into an agreement with the Oregon District Attorneys
 39 Association to establish a position or positions to act as a liaison between the Division of Child
 40 Support and those district attorneys who provide support enforcement services under this section.
 41 The department shall fund the position or positions. The Oregon District Attorneys Association shall
 42 administer the liaison position or positions under the agreement. The liaison shall work to:

43 (a) Enhance the participation and interaction of the district attorneys in the development and
 44 implementation of Child Support Program policies and services; and

45 (b) Increase the effectiveness of child support enforcement services provided by the district at-

1 torneys.

2 (9) The district attorney or the Division of Child Support, whichever is appropriate, shall pro-
3 vide the services specified in subsections (1) and (4) of this section to any applicant, but may in their
4 discretion, upon a determination and notice to the applicant that the prospect of successful recovery
5 from the obligor of a portion of the delinquency or future payments is remote, require payment to
6 the district attorney or the Division of Child Support of an application fee, in accordance with an
7 application fee schedule established by rule by the department. If service performed results in the
8 district attorney or the Division of Child Support recovering any support enforcement fees, the fees
9 shall be paid to the applicant in an amount equal to the amount of the application fee.

10 (10) An obligee may request the Division of Child Support or a district attorney to cease all
11 collection efforts if it is anticipated that physical or emotional harm will be caused to the parent
12 or caretaker relative or the child for whom support was to have been paid. The department, by rule,
13 shall set out the circumstances under which such requests shall be honored.

14 **NOTE:** Eliminates inappropriate chapter reference and substitutes appropriate series reference
15 in (2).

16 **SECTION 9.** ORS 25.085 is amended to read:

17 25.085. (1) In any proceeding under ORS 25.080, service of legal documents upon an obligee may
18 be by regular mail to the address at which the obligee receives public assistance, to an address
19 provided by the obligee on the obligee's application for child support enforcement services or to any
20 other address given by the obligee. When service is authorized by regular mail under this section,
21 proof of service may be by notation upon the computerized case record made by the person making
22 the mailing. The notation must set forth the address to which the documents were mailed, the date
23 they were mailed, the description of the documents mailed and the name of the person making the
24 notation. If the documents are returned by the postal service as undeliverable as addressed, that
25 fact must be noted on the computerized case record. If no new address for service by regular mail
26 can be obtained, service must be by certified mail, return receipt requested, by personal service
27 upon the obligee, or by any other mail service with delivery confirmation.

28 (2) Notwithstanding any other provision of **ORS 416.400 to 416.465** or this chapter or ORS
29 chapter 110 [or 416], when a case is referred to this state by a public child support agency of an-
30 other state for action in this state, there is no requirement that an obligee, present in the initiating
31 state and receiving child support enforcement services from that state, be served in any action taken
32 in this state as a consequence of the interstate referral. In such cases the requirement to serve the
33 obligee that would otherwise apply is satisfied by sending to the initiating agency in the other state,
34 by regular mail, any documents that would otherwise be served upon the obligee.

35 (3) The appropriate child support agency of the state shall make any mailings to or service upon
36 the obligee that is required by this section.

37 **NOTE:** Eliminates inappropriate chapter reference and substitutes appropriate series reference
38 in (2).

39 **SECTION 10.** ORS 25.089 is amended to read:

40 25.089. (1) As used in this section, "child support judgment" means the terms of a judgment or
41 order of a court, or an order that has been filed under ORS 416.440, that provide for past or current
42 child support, including medical support as defined in ORS 25.321. "Child support judgment" does
43 not include any term of a judgment or order that deals with matters other than child support.

44 (2)(a) A child support judgment originating under ORS 416.440 has all the force, effect and at-
45 tributes of a circuit court judgment. The judgment lien created by a child support judgment origi-

1 nating under ORS 416.440 applies to all arrearages owed under the underlying order from the date
2 the administrator or administrative law judge entered, filed or registered the underlying order under
3 ORS 416.400 to 416.465 or ORS chapter 110.

4 (b) Until the underlying order is filed under ORS 416.440, the order may not be enforced against
5 and has no lien effect on real property.

6 (c) No action to enforce a child support judgment originating under ORS 416.440 may be taken
7 while the child support judgment is stayed under ORS 416.427, except as permitted in the order
8 granting the stay.

9 (3) In any judicial or administrative proceeding in which child support may be awarded under
10 this chapter or ORS chapter 107, 108, 109[,] or 110 or [416 or] ORS 125.025, **416.400 to 416.465**,
11 419B.400 or 419C.590, if a child support judgment already exists with regard to the same obligor and
12 child:

13 (a) A court may only enforce the existing child support judgment, modify the existing child
14 support judgment as specifically authorized by law or set aside the existing child support judgment
15 under subsection (6) of this section or under the provisions of ORCP 71. If the court sets aside the
16 existing child support judgment, the court may issue a new child support judgment.

17 (b) The administrator or administrative law judge may only enforce the existing child support
18 judgment, modify the existing child support judgment as specifically authorized by law or, with re-
19 gard to an existing child support judgment originating under ORS 416.400, move to set aside the
20 existing child support judgment under subsection (6) of this section or for the reasons set out in
21 ORCP 71.

22 (4) If the administrator or administrative law judge finds that there exist two or more child
23 support judgments involving the same obligor and child and the same period of time, the adminis-
24 trator or administrative law judge shall apply the provisions of ORS 416.448.

25 (5)(a) If the court finds that there exist two or more child support judgments involving the same
26 obligor and child and the same period of time, and each judgment was issued in this state, the court
27 shall apply the provisions of ORS 25.091 to determine the controlling terms of the child support
28 judgments and to issue a governing child support judgment as defined in ORS 25.091.

29 (b) If the court finds that there exist two or more child support judgments involving the same
30 obligor and child and the same period of time, and one or more of the judgments was issued by a
31 tribunal of another state, the court shall apply the provisions of ORS chapter 110 to determine
32 which judgment is the controlling child support order.

33 (6) Subject to the provisions of subsection (3) of this section, a court may modify or set aside a
34 child support judgment issued in this state when:

35 (a) The child support judgment was issued without prior notice to the issuing court, adminis-
36 trator or administrative law judge that:

37 (A) There was pending in this state or any other jurisdiction any type of support proceeding
38 involving the child; or

39 (B) There existed in this state or any other jurisdiction another child support judgment involv-
40 ing the child; or

41 (b) The child support judgment was issued after another child support judgment, and the later
42 judgment did not enforce, modify or set aside the earlier judgment in accordance with this section.

43 (7) When modifying a child support judgment, the court, administrator or administrative law
44 judge shall specify in the modification judgment the effects of the modification on the child support
45 judgment being modified.

1 **NOTE:** Eliminates inappropriate chapter reference and substitutes appropriate series reference
2 in (3).

3 **SECTION 11.** ORS 25.091 is amended to read:

4 25.091. (1) As used in this section:

5 (a) “Child support judgment” has the meaning given that term in ORS 25.089.

6 (b) “Governing child support judgment” means a child support judgment issued in this state that
7 addresses child support, including medical support as defined in ORS 25.321, and is entitled to ex-
8 clusive prospective enforcement or modification with respect to any earlier child support judgment
9 issued in this state.

10 (2) Notwithstanding any other provision of this section or ORS 25.089, when two or more child
11 support judgments exist involving the same obligor and child and one or more of the judgments was
12 issued by a tribunal of another state, the court shall apply the provisions of ORS chapter 110 before
13 enforcing or modifying a judgment under this section or ORS 25.089.

14 (3) When two or more child support judgments exist involving the same obligor and child and
15 the same period, any party to one or more of the child support judgments or the administrator, un-
16 der ORS 416.448, may file a petition with the court for a governing child support judgment under
17 this section. When a matter involving a child is before the court and the court finds that two or
18 more child support judgments exist involving the same obligor and child and the same period, the
19 court on its own motion, and after notice to all affected parties, may determine the controlling terms
20 of the child support judgments and issue a governing child support judgment under this section.

21 (4)(a) Except as provided in paragraph (b) of this subsection, when two or more child support
22 judgments exist involving the same obligor and child and the same period, and each judgment was
23 issued in this state, there is a presumption that the terms of the last-issued child support judgment
24 are the controlling terms and terminate contrary terms of each earlier-issued child support judg-
25 ment.

26 (b) If the earlier-issued child support judgment requires provision of a specific type of child
27 support and the last-issued child support judgment is silent with respect to that type of child sup-
28 port, the requirement of the earlier-issued child support judgment continues in effect.

29 (5) A party may rebut the presumption in subsection (4) of this section by showing that:

30 (a) The last-issued child support judgment should be set aside under the provisions of ORCP 71;

31 (b) The last-issued child support judgment was issued without prior notice to the issuing court,
32 administrator or administrative law judge that:

33 (A) There was pending in this state or any other jurisdiction any type of support proceeding
34 involving the child; or

35 (B) There existed in this state or any other jurisdiction another child support judgment involv-
36 ing the child; or

37 (c) The last-issued child support judgment was issued after an earlier child support judgment and
38 did not enforce, modify or set aside the earlier child support judgment in accordance with ORS
39 25.089.

40 (6) When a court finds that two or more child support judgments exist involving the same
41 obligor and child and the same period, and each child support judgment was issued in this state, the
42 court shall set the matter for hearing to determine the controlling terms of the child support judg-
43 ments. When the child support judgments were issued in different counties of this state, the court
44 may designate an auxiliary court under ORS 25.100.

45 (7) Following a review of each child support judgment and any other evidence admitted by the

1 court:

2 (a) The court shall apply the presumption in subsection (4) of this section, unless the
3 presumption is rebutted, and shall determine the controlling terms of the child support judgments;
4 and

5 (b) Notwithstanding ORS 25.089 (3), the court shall issue a governing child support judgment
6 addressing child support, including medical support as defined in ORS 25.321, for the benefit of the
7 child.

8 (8) The governing child support judgment must include:

9 (a) A reference to each child support judgment considered and a copy of the judgment;

10 (b) A determination of which terms regarding child support, including medical support as defined
11 in ORS 25.321, are controlling and which child support judgment or judgments contain those terms;

12 (c) An affirmation, termination or modification of the terms regarding child support, including
13 medical support as defined in ORS 25.321, in each of the child support judgments;

14 (d) Except as provided in subsection (9) of this section, a reconciliation of any child support
15 arrears or credits under all of the child support judgments; and

16 (e) The effective date of each controlling term and the termination date of each noncontrolling
17 term in each of the child support judgments. In determining these dates, the court may apply the
18 following:

19 (A) A controlling term is effective on the date specified in the child support judgment containing
20 that term or, if no date is specified, on the date the child support judgment was entered as described
21 in ORS 18.075.

22 (B) A noncontrolling term is terminated on the date the governing child support judgment is
23 entered as described in ORS 18.075.

24 (9) The court may order the parties, in a separate proceeding under ORS 25.167 or 416.429, to
25 reconcile any child support arrears or credits under all of the child support judgments.

26 (10) When the governing child support judgment is entered as described in ORS 18.075, the
27 noncontrolling terms of each earlier child support judgment are terminated. However, subject to
28 subsection (11) of this section, the entry of the governing child support judgment does not affect any
29 child support payment arrearage or any liability related to medical support, as defined in ORS
30 25.321, that has accrued under a child support judgment before the governing child support judgment
31 is entered.

32 (11) For purposes of reconciling any child support arrears or credits under all of the child sup-
33 port judgments, amounts collected and credited for a particular period under one child support
34 judgment must be credited against the amounts accruing or accrued for the same period under any
35 other child support judgment.

36 (12) Not sooner than 30 days and not later than 60 days after entry of the governing child sup-
37 port judgment, a party named by the court, or the petitioner if the court names no other party, shall
38 file a copy of the governing child support judgment with each court or the administrator that issued
39 an earlier child support judgment. A party who fails to file a copy of the governing child support
40 judgment as required by this subsection is subject to monetary sanctions, including but not limited
41 to attorney fees, costs and disbursements. A failure to file does not affect the validity or
42 enforceability of the governing child support judgment.

43 (13) This section applies to any judicial proceeding in which child support may be awarded or
44 modified under this chapter or ORS chapter 107, 108[,] or 109 or [416 or] ORS 125.025, **416.400 to**
45 **416.465**, 419B.400, 419B.923, 419C.590 or 419C.610.

1 **NOTE:** Eliminates inappropriate chapter reference and substitutes appropriate series reference
2 in (13).

3 **SECTION 12.** ORS 25.166 is amended to read:

4 25.166. (1) Any court order or administrative order issued or modified in a proceeding under
5 **ORS 416.400 to 416.465** or ORS chapter 107, 108, 109, 110, [416,] 419B or 419C that contains an
6 order for the payment of child support or spousal support must specify an initial due date and year
7 for the payment of support that is on the first day of a calendar month, with subsequent payments
8 due on the first day of each subsequent month for which the support is payable.

9 (2) For purposes of support enforcement, any support payment that becomes due and payable on
10 a day other than the first day of the month in which the payment is due shall be enforceable by
11 income withholding as of the first day of that month.

12 (3) Any court order or administrative order that contains an award of child, medical or spousal
13 support that accrues on other than a monthly basis may, for income withholding and administrative
14 support billing purposes only, be converted to a monthly amount.

15 (4) Support payments become delinquent only if not paid in full within one month of the payment
16 due date. A monthly child support obligation that is to be paid in two or more installments does not
17 become delinquent until the obligation is not paid in full by the due date for the first installment in
18 the next month.

19 (5) Subsections (2) and (3) of this section do not apply to the determination or issuance of sup-
20 port arrearage liens, installment arrearage liens, judgment liens, writs of garnishment or any other
21 action or proceeding that affects property rights under ORS chapter 18.

22 **NOTE:** Eliminates inappropriate chapter reference and substitutes appropriate series reference
23 in (1).

24 **SECTION 13.** ORS 25.240 is amended to read:

25 25.240. Notwithstanding any other law, [where] **when** a court or the administrator has the au-
26 thority under ORS chapter 107, 108, 109[,] **or** 110 or [416 or] **ORS 416.400 to 416.465**, 419B.400 to
27 419B.406 or 419C.590, 419C.592 and 419C.597 to require a parent without legal custody to pay sup-
28 port for a minor child, [then] the court or administrator may require a parent with legal custody to
29 pay support for [such a] **the** child as long as that parent does not have physical custody of [such]
30 **the** child or is not providing the child with the necessities of life, including but not limited to
31 lodging, food and clothing.

32 **NOTE:** Updates syntax; eliminates inappropriate chapter reference and substitutes appropriate
33 series reference.

34 **SECTION 14.** ORS 25.280 is amended to read:

35 25.280. In any judicial or administrative proceeding for the establishment or modification of a
36 child support obligation under ORS chapter 107, 108, 109[,] **or** 110 or [416 or] **ORS 416.400 to**
37 **416.465**, 419B.400, 419B.923, 419C.590 or 419C.610, the amount of support determined by the formula
38 established under ORS 25.275 is presumed to be the correct amount of the obligation. This is a
39 rebuttable presumption and a written finding or a specific finding on the record that the application
40 of the formula would be unjust or inappropriate in a particular case is sufficient to rebut the
41 presumption. The following criteria shall be considered in making the finding:

42 (1) Evidence of the other available resources of a parent;

43 (2) The reasonable necessities of a parent;

44 (3) The net income of a parent remaining after withholdings required by law or as a condition
45 of employment;

1 (4) A parent's ability to borrow;

2 (5) The number and needs of other dependents of a parent;

3 (6) The special hardships of a parent including, but not limited to, any medical circumstances
4 of a parent affecting the parent's ability to pay child support;

5 (7) The needs of the child;

6 (8) The desirability of the custodial parent remaining in the home as a full-time parent and
7 homemaker;

8 (9) The tax consequences, if any, to both parents resulting from spousal support awarded and
9 determination of which parent will name the child as a dependent; and

10 (10) The financial advantage afforded a parent's household by the income of a spouse or another
11 person with whom the parent lives in a relationship similar to that of a spouse.

12 **NOTE:** Eliminates inappropriate chapter reference and substitutes appropriate series reference
13 in lead-in.

14 **SECTION 15.** ORS 25.287 is amended to read:

15 25.287. (1)(a) The entity providing support enforcement services under ORS 25.080 may initiate
16 proceedings to modify a support obligation to ensure that the support obligation is in accordance
17 with the formula established under ORS 25.275.

18 (b) Proceedings under this subsection may occur only after three years have elapsed, or such
19 shorter cycle as determined by rule of the Department of Justice, from the later of the following:

20 (A) The date the original support obligation took effect;

21 (B) The date any previous modification of the support obligation took effect; or

22 (C) The date of any previous review and determination under this subsection that resulted in
23 no modification of the support obligation.

24 (c) For purposes of paragraph (b) of this subsection, a support obligation or modification takes
25 effect on the first date on which the obligor is to pay the established or modified support amount.

26 (d) The only issues at proceedings under this subsection are whether three years have elapsed,
27 or such shorter cycle as determined by rule of the department, and whether the support obligation
28 is in substantial compliance with the formula established under ORS 25.275.

29 (e) Upon review, if the administrator determines that a support obligation does not qualify for
30 modification under this section, a party may object to the determination within 30 days after the
31 date of the determination. A hearing on the objection shall be conducted by an administrative law
32 judge assigned from the Office of Administrative Hearings. Appeal of the order of the administrative
33 law judge may be taken to the circuit court of the county in which the support obligation has been
34 entered or registered for a hearing de novo. The appeal to the court shall be by petition for review
35 filed within 60 days after entry of the order of the administrative law judge.

36 (f) If the court, the administrator or the administrative law judge finds that more than three
37 years have elapsed, or such shorter cycle as determined by rule of the department, the court, the
38 administrator or the administrative law judge shall modify the support order to bring the support
39 obligation into substantial compliance with the formula established under ORS 25.275, regardless of
40 whether there has been a substantial change in circumstances since the support obligation was last
41 established, modified or reviewed. Proceedings by the administrator or administrative law judge
42 under this subsection shall be conducted according to the provisions of ORS 416.425 and 416.427.

43 (g) The provisions of this subsection apply to any support obligation established by a support
44 order under this chapter or ORS chapter 107, 108, 109[,] or 110 or [416 or] ORS **416.400 to 416.465,**
45 419B.400 or 419C.590.

1 (2) The entity providing support enforcement services shall state in the document initiating the
2 proceeding, to the extent known:

3 (a) Whether there is pending in this state or any other jurisdiction any type of support pro-
4 ceeding involving the child, including a proceeding brought under ORS 107.085, 107.135, 107.431,
5 108.110, 109.100, 109.103, 109.165, 125.025, 416.400 to 416.465, 419B.400 or 419C.590 or ORS chapter
6 110; and

3 lowing evidence is not admissible:

4 (a) Reputation or opinion evidence of the past sexual behavior of an alleged victim or a cor-
5 roborating witness; or

6 (b) Reputation or opinion evidence presented for the purpose of showing that the manner of
7 dress of an alleged victim incited the crime or, in a proceeding under ORS 163.760 to 163.777, incited
8 the sexual abuse, or indicated consent to the sexual acts that are alleged.

9 (2) Notwithstanding any other provision of law, in a prosecution for a crime or an attempt to
10 commit a crime listed in subsection (1) of this section or in a proceeding conducted under ORS
11 163.760 to 163.777, evidence of an alleged victim's past sexual behavior other than reputation or
12 opinion evidence is also not admissible, unless the evidence other than reputation or opinion evi-
13 dence:

14 (a) Is admitted in accordance with subsection (4) of this section; and

15 (b) Is evidence that:

16 (A) Relates to the motive or bias of the alleged victim;

17 (B) Is necessary to rebut or explain scientific or medical evidence offered by the state; or

18 (C) Is otherwise constitutionally required to be admitted.

19 (3) Notwithstanding any other provision of law, in a prosecution for a crime or an attempt to
20 commit a crime listed in subsection (1) of this section or in a proceeding conducted under ORS
21 163.760 to 163.777, evidence, other than reputation or opinion evidence, of the manner of dress of
22 the alleged victim or a corroborating witness, presented by a person accused of committing the
23 crime or, in a proceeding conducted under ORS 163.760 to 163.777, by the respondent, is also not
24 admissible, unless the evidence *[is]*:

25 (a) Is admitted in accordance with subsection (4) of this section; and

26 (b) Is evidence that:

27 (A) Relates to the motive or bias of the alleged victim;

28 (B) Is necessary to rebut or explain scientific, medical or testimonial evidence offered by the
29 state;

30 (C) Is necessary to establish the identity of the alleged victim; or

40 made under this paragraph shall be served on all other parties and, in a criminal proceeding, on the
41 alleged victim through the office of the prosecutor.

42 (b) The motion described in paragraph (a) of this subsection shall be accompanied by a written
43 offer of proof. If the court determines that the offer of proof contains evidence described in sub-

45 dence is admissible. At the hearing the parties may call witnesses, including the alleged victim, and

1 offer relevant evidence. Notwithstanding ORS 40.030 (2), if the relevancy of the evidence that the
 2 accused or the respondent seeks to offer in the trial depends upon the fulfillment of a condition of
 3 fact, the court, at the hearing in camera or at a subsequent hearing in camera scheduled for the
 4 same purpose, shall accept evidence on the issue of whether the condition of fact is fulfilled and
 5 shall determine the issue.

6 (c) If the court determines on the basis of the hearing described in paragraph (b) of this sub-
 7 section that the evidence the accused or the respondent seeks to offer is relevant and that the
 8 probative value of the evidence outweighs the danger of unfair prejudice, the evidence shall be ad-
 9 missible in the trial to the extent an order made by the court specifies evidence that may be offered
 10 and areas with respect to which a witness may be examined or cross-examined.

11 of them, to provide for the support or maintenance of a child attending school.

12 (3) Notwithstanding ORS 416.407, a child attending school is a party to any legal proceeding
13 related to the support order. A child attending school may:

14 (a) Apply for services under ORS 25.080:

15 (A) If a support order provides for the support or maintenance of the child attending school; or

20 the Department of Justice should be credited for amounts that would have been paid to the child
21 attending school if the payments had been made to the department.

22 (4) Regardless of whether the child is a child attending school, an unmarried child who is 18
23 years of age or older and under 21 years of age:

24 (a) Is a necessary party to a judicial proceeding under ORS 107.085, 107.135, 107.431, 108.110,

31 request to the administrator within 30 days after the date of the notice of the proceeding.

32 (5)(a) If a support order provides for the support or maintenance of a child attending school and
33 the child qualifies as a child attending school, unless good cause is found for the distribution of the
34 payment to be made in some other manner, support shall be distributed to the child if services are
35 being provided under ORS 25.080 or shall be paid directly to the child if those services are not being
36 provided.

37 (b) Unless otherwise ordered by the court, administrator or administrative law judge, when there
38 are multiple children for whom support is ordered, the amount distributed or paid directly to a child
39 attending school is a prorated share based on the number of children for whom support is ordered.
40 However, if, due to a parenting time or split custody arrangement, support was not paid to the
41 parent having primary physical custody of the child before the child turned 18 years of age, support
42 may not be distributed or paid directly to the child attending school unless the support order is
43 modified.

44 (c) The Department of Justice shall adopt rules to define good cause and circumstances under
45 which the administrator or administrative law judge may allocate support by other than a prorated

1 share and to determine how support is to be allocated in those circumstances.

2 (6)(a) For support payments to continue to be distributed or paid directly to the child attending
3 school, the child shall provide to each parent ordered to pay support and, if services are being
4 provided under ORS 25.080, to the department:

15 rollment status, whether the child is maintaining satisfactory academic progress, a list of courses
16 in which the child is enrolled and the child's grades; and

17 (iii) States that the disclosure is for the purpose of permitting each parent to verify the child's
18 compliance with the requirements of this section.

19 (b) The child shall provide the written consent form described in paragraph (a)(B) of this sub-
20 section within 30 days after the beginning of the first term or semester after the child reaches 18
21 years of age, at the beginning of each academic year thereafter and as otherwise required by the
22 school to disclose the information under this section.

23 (c) If an order of nondisclosure of information has been entered concerning the child under ORS
24 25.020, the child may provide the information described in paragraph (a)(B) of this subsection in the
25 manner established by the department by rule.

26 (7) Each parent ordered to pay support shall continue to make support payments, to be distrib-
27 uted or paid directly, to the child during regularly scheduled breaks as long as the child intends to
28 continue attending school the next scheduled term or semester.

29 (8) A parent's obligation to pay support to a child attending school is suspended when:

30 (a) The child has reached 18 years of age and has not provided written notice of the child's in-
31 tent to attend or continue to attend school, or the child has graduated or reached the date to stop
32 attending classes, as provided under subsection (6)(a)(A) of this section;

33 (b)(A) Services are not being provided under ORS 25.080;

34 (B) The parent has provided the child with a written notice of the parent's intent to stop paying
35 support directly to the child because the child is no longer a child attending school or the child has
36 not provided the written consent required by subsection (6)(a)(B) of this section; and

37 (C) Thirty days have passed since the parent provided the notice to the child and the parent
38 has not received:

39 (i) Written confirmation from the school that the child is enrolled in the school and is a child
40 attending school; or

41 (ii) The written consent from the child as required by subsection (6)(a)(B) of this section;

42 (c)(A) Services are being provided under ORS 25.080;

43 (B) A parent ordered to pay support has provided the department with written notice that the
44 child is no longer a child attending school or that the child has not provided the written consent
45 required by subsection (6)(a)(B) of this section;

1 (C) The department has provided written notice to the child requiring:

2 (i) Written confirmation, on a form developed by the department, from the school that the child
3 is enrolled in the school and is a child attending school; and

4 (ii) Proof that the written consent required by subsection (6)(a)(B) of this section has been pro-
5 vided to the parent ordered to pay support; and

6 (D) Thirty days have passed since the department provided the notice to the child and the de-
7 partment has not received:

8 (i) Written confirmation from the school that the child is enrolled in the school and is a child
9 attending school; or

10 (ii) Proof that the written consent required by subsection (6)(a)(B) of this section has been pro-
11 vided to the parent ordered to pay support.

12 (9) When a parent's support obligation has been suspended under subsection (8) of this section,
13 the obligation is reinstated:

14 (a) If services are not being provided under ORS 25.080, effective on the date the parent receives
15 written confirmation from the school that the child is enrolled in the school and is a child attending
16 school and receives the written consent from the child as required by subsection (6)(a)(B) of this
17 section; or

18 (b) If services are being provided under ORS 25.080, effective on the date the department re-
19 ceives written confirmation from the school that the child is enrolled in the school and is a child
20 attending school and receives proof that the written consent required by subsection (6)(a)(B) of this
21 section has been provided to the parent ordered to pay support.

22 (10) If a parent ordered to pay support is paying a prorated share under subsection (5) of this
23 section and that obligation is suspended under subsection (8) of this section, the parent shall pay
24 to the obligee the amount previously paid to the child attending school until such time as the sup-
25 port order is modified. The suspension of a parent's obligation to pay support to a child attending
26 school is a substantial change of circumstances for purposes of modifying a support order. In a
27 proceeding to modify a support order, the court, administrator or administrative law judge may or-
28 der a modified amount of support and may order an amount of support to be paid in the event that
29 a support obligation is reinstated under subsection (9) of this section.

30 (11)(a) If services are being provided under ORS 25.080 and the department has suspended a
31 support obligation under subsection (8) of this section or reinstated a support obligation under sub-
32 section (9) of this section, a party may request administrative review of the action within 30 days
33 after the date of the notice that the department has suspended or reinstated the support obligation.

1 for the benefit of any dependent child or youth offender, including but not limited to payments made
 2 so that food, shelter, medical care, clothing, transportation or other necessary goods, services or
 3 items may be provided, and payments made in compensation for the provision of the necessities.
 4 “Public assistance” does not include money payments made by the state to or for the benefit of a
 5 dependent child as the result of the child’s removal from the parent’s home against the wishes of the
 6 parent, if the Department of Human Services determines after completion of a child protective ser-
 7 vices assessment that the report of abuse is unfounded according to rules adopted by the Depart-
 8 ment of Human Services.

9 [(10)] (9) “Youth offender” has the meaning given that term in ORS 419A.004.

12 416.407. (1) In any proceeding under ORS 416.400 to 416.465, the following are parties and shall

24 **NOTE:** Eliminates inappropriate chapter reference and substitutes appropriate series reference
 25 in (1)(b) and (c).

26 **SECTION 45.** ORS 416.440 is amended to read:

27 416.440. (1) The documents required to be filed for purposes of subsection (2) of this section in-
 28 clude all the following:

29 (a) A true copy of any order entered, filed or registered by the administrator or administrative

 35 the clerk of the circuit court in the county in which either the parent or the dependent child resides
 36 or in the county where the court order was entered if the administrative order is an order modifying
 37 a court order. Upon receipt of the documents, the clerk shall enter the order in the register of the
 38 circuit court, shall note in the register that the order creates a lien and shall make the notations
 39 required by ORS 18.075 in the judgment lien record maintained under ORS 18.075.

40 (3) Upon entry in the register under subsection (2) of this section, the order shall have all the
 41 force, effect and attributes of a judgment of the circuit court, including but not limited to:

42 (a) Creation of a judgment lien under ORS chapter 18; and

43 (b) Ability to be enforced by contempt proceedings and pursuant to ORS 18.252 to 18.993.

44 (4) Notwithstanding subsections (2) and (3) of this section, the entry in the register of an order
 45 of the administrator or administrative law judge does not preclude any subsequent proceeding or

1 remedy available under ORS 416.400 to 416.465.

2 (5) An order filed under this section that modifies a previously filed order or a previously en-
3 tered judgment may contain provisions that were included in the order or judgment.

4 (6) A court or administrative order of another state may be filed, or if appropriate, registered,

6 of [*this chapter*] **ORS 416.400 to 416.465**, an order of another state registered pursuant to ORS
7 110.605 to 110.611 may not be modified unless the requirements of ORS 110.626 to 110.637 are met.

8 **NOTE:** Eliminates inappropriate chapter reference and substitutes appropriate series reference
9 in (6).

10 **SECTION 46.** ORS 418.310 is amended to read:

11 418.310. ORS 418.205 to [*418.310*] **418.327** and 418.992 to 418.998 apply to private agencies and
12 institutions for the combined care of adults and children where the care for children includes day
13 or residential treatment or care.

14 **NOTE:** Corrects series reference.

15 **SECTION 47.** ORS 419B.806 is amended to read:

16 419B.806. (1) As used in this section, “consolidated” means that actions are heard before one
17 judge of the circuit court to determine issues regarding a child or ward.

18 (2) In any action filed in the juvenile court in which the legal or physical custody of a child or
19 ward is at issue and there is also a child custody, parenting time, visitation, restraining order,
20 filiation or Family Abuse Prevention Act action involving the child or ward in a domestic relations,
21 filiation or guardianship proceeding, the matters shall be consolidated. Actions must be consol-
22 idated under this subsection regardless of whether the actions to be consolidated were filed or ini-
23 tiated before or after the filing of the petition under ORS 419B.100.

24 (3) Consolidation does not merge the procedural or substantive law of the individual actions.
25 Parties to the individual consolidated actions do not have standing, solely by virtue of the consol-
26 idation, in every action subject to the order of consolidation. Parties must comply with provisions
27 for intervention or participation in a particular action under the provisions of law applicable to that
28 action.

29 (4) Upon entry of an order of consolidation, all pending issues pertaining to the actions subject
30 to the order shall be heard together in juvenile court. The court shall hear the juvenile matters first
31 unless the court finds that it is in the best interest of the child or ward to proceed otherwise.

32 (5) A judge shall make and modify orders and findings in actions subject to the order of con-
33 solidation upon the filing of proper motions and notice as provided by law applicable to the actions.
34 Any findings, orders or modifications must be consistent with the juvenile court orders, and persons
35 who were parties to the juvenile court action may not relitigate issues in consolidated actions.

36 (6) The judge shall set out separately from orders entered under this chapter or ORS chapter
37 419C any orders or judgments made in other actions subject to the consolidation order. The trial
38 court administrator shall file the orders and judgments in the appropriate actions subject to the
39 consolidation order. An order or judgment in an individual juvenile court action is final if it finally
40 disposes of the rights and duties of the parties to that action, without reference to whether the order
41 or judgment disposes of the rights and duties of the parties to another action with which the action
42 has been consolidated.

43 (7)(a) When the actions described in subsection (2) of this section exist in two or more circuit
44 courts, the judges assigned to the actions shall confer to determine the appropriate court in which
45 to consolidate and hear the actions. The judges shall confer not later than 10 judicial days after a

1 court has received notice of the existence of an action in another circuit court.

2 (b) If the judges agree on the circuit court in which the actions should be consolidated, the
3 judges shall take such action as is necessary to consolidate the actions in the circuit court.

4 (c) If the judges do not agree on the circuit court in which the actions should be consolidated,
5 the actions must be consolidated in the court in which the juvenile action is filed or, if more than
6 one juvenile action is pending, in the court in which the first juvenile action was filed.

7 (8) Nothing in this section requires the consolidation of any administrative proceeding under
8 **ORS 416.400 to 416.465 or** ORS chapter 25 [or 416] with a juvenile court or other action.

9 **NOTE:** Eliminates inappropriate chapter reference and substitutes appropriate series reference
10 in (8).

11 **SECTION 48.** ORS 443.455 is amended to read:

12 443.455. (1) Except as provided in subsection (5) of this section, for purposes of imposing civil
13 penalties, residential facilities approved under ORS 443.400 to 443.455 are subject to ORS 441.705
14 to 441.745.

15 (2)(a) The Director of Human Services shall impose penalties on residential care facilities pur-
16 suant to ORS 441.731.

17 (b) The director shall by rule prescribe a schedule of penalties for residential training facilities
18 and residential training homes that are not in compliance with ORS 443.400 to 443.455.

19 (3) The Director of the Oregon Health Authority shall by rule prescribe a schedule of penalties
20 for residential treatment facilities and residential treatment homes that are not in compliance with
21 ORS 443.400 to 443.455.

22 (4) If the Department of **Human Services** or the **Oregon Health** Authority investigates and
23 makes a finding of abuse arising from deliberate or other than accidental action or inaction that is
24 likely to cause a negative outcome by a person with a duty of care toward a resident of a residential
25 facility, other than a residential care facility, and if the abuse resulted in the death, serious injury,
26 rape or sexual abuse of a resident, the department or authority shall impose a civil penalty of not
27 less than \$2,500 for each occurrence of substantiated abuse, not to exceed \$15,000 in any 90-day
28 period. As used in this subsection:

29 (a) "Negative outcome" includes serious injury, rape, sexual abuse or death.

30 (b) "Rape" means rape in the first degree as defined in ORS 163.375, rape in the second degree
31 as defined in ORS 163.365 and rape in the third degree as defined in ORS 163.355.

32 (c) "Serious injury" means physical injury that creates a substantial risk of death or that causes
33 serious and protracted disfigurement, protracted impairment of health or protracted loss or impair-
34 ment of the function of any bodily organ.

35 (d) "Sexual abuse" means any form of sexual contact between an employee of a residential fa-
36 cility or a person providing services in the residential facility and a resident of that facility, in-
37 cluding but not limited to sodomy, sexual coercion, sexually explicit photographing and sexual
38 harassment.

39 (5) Civil penalties recovered from a residential training facility, residential training home, resi-
40 dential treatment facility or residential treatment home shall be deposited in the Long Term Care
41 Ombudsman Account established in ORS 441.419.

42 **NOTE:** Sets out full agency names in first reference in (4).

43 **SECTION 49.** Notwithstanding any other provision of law, **ORS 456.594 to 456.599 shall not**
44 **be considered to have been added to or made a part of ORS chapter 469 for the purpose of**
45 **statutory compilation or for the application of definitions, penalties or administrative pro-**

1 **visions applicable to statute sections in that chapter.**

2 **NOTE:** Removes series from inappropriate chapter.

3 **SECTION 50. ORS 459A.738 and 459A.739 are added to and made a part of ORS 459A.700**
 4 **to 459A.740.**

5 **NOTE:** Adds statutes to appropriate series.

6 **SECTION 51.** ORS 459A.739 is amended to read:

7 459A.739. In addition to the authority granted under ORS 459.992, inspectors and investigators
 8 employed by the Oregon Liquor Control Commission have authority to inspect any space occupied
 9 by a dealer[, *as defined in ORS 459A.700,*] for compliance with ORS 459A.738.

10 **NOTE:** Deletes redundant definition citation (see section 50).

11 **SECTION 52.** ORS 461.250 is amended to read:

12 461.250. Upon recommendation of the Director of the Oregon State Lottery, the Oregon State
 13 Lottery Commission shall adopt rules to establish a system of verifying the validity of tickets or
 14 shares claimed to win prizes and to effect payment of such prizes, provided:

15 (1) For the convenience of the public, lottery game retailers may be authorized by the commis-
 16 sion to pay winners of up to \$5,000 after performing validation procedures on their premises appro-
 17 priate to the lottery game involved.

18 (2) A prize may not be paid to a person under 18 years of age.

19 (3) A video lottery game prize may not be paid to a person under 21 years of age.

20 (4) A prize may not be paid arising from claimed tickets or shares that are stolen, counterfeit,
 21 altered, fraudulent, unissued, produced or issued in error, unreadable, not received or not recorded
 22 by the Oregon State Lottery by applicable deadlines, lacking in captions that confirm and agree with
 23 the lottery play symbols as appropriate to the lottery game involved or not in compliance with such
 24 additional specific rules or with public or confidential validation and security tests of the lottery
 25 appropriate to the particular lottery game involved. However, the commission may adopt rules to
 26 establish a system of verifying the validity of claims to prizes greater than \$600 that are otherwise
 27 not payable under this subsection due to a lottery game retailer's losing, damaging or destroying the
 28 winning ticket or share while performing validation procedures thereon, and to effect payment of
 29 verified claims. A verification system established by the commission shall include appropriate public
 30 or confidential validation and security tests.

31 (5) A particular prize in any lottery game may not be paid more than once, and in the event of
 32 a binding determination that more than one claimant is entitled to a particular prize, the sole rem-
 33 edy of such claimants is the award to each of them of an equal share in the prize.

34 (6) The commission may specify that winners of less than \$25 claim such prizes from either the
 35 same lottery game retailer who sold the winning ticket or share or from the lottery itself and may
 36 also specify that the lottery game retailer who sold the winning ticket or share be responsible for
 37 directly paying that prize.

38 (7) Holders of tickets or shares shall have the right to claim prizes for one year after the
 39 drawing or the end of the lottery game or play in which the prize was won. The commission may
 40 define shorter time periods to claim prizes and for eligibility for entry into drawings involving en-
 41 tries or finalists. If a valid claim is not made for a prize payable directly by the lottery commission
 42 within the applicable period, the unclaimed prize shall remain the property of the commission and
 43 shall be allocated to the benefit of the public purpose.

44 (8)(a) The right of any person to a prize shall not be assignable, except that:

45 (A) Payment of any prize may be made according to the terms of a deceased prize winner's

1 signed beneficiary designation form filed with the commission or, if no such form has been filed, to
2 the estate of the deceased prize winner.

3 (B) Payment of any prize shall be made to a person designated pursuant to an appropriate ju-
4 dicial order or pursuant to a judicial order approving the assignment of the prize in accordance with
5 ORS 461.253.

6 (b) The director, commission and state shall be discharged of all further liability with respect
7 to a specific prize payment upon making that prize payment in accordance with this subsection or
8 ORS 461.253.

9 (9) A ticket or share may not be purchased by, and a prize may not be paid to, a member of the
10 commission, the director, the assistant directors or any employee of the state lottery or to any
11 spouse, child, brother, sister or parent of such person.

12 (10) Payments made according to the terms of a deceased prize winner's signed beneficiary des-
13 ignation form filed with the commission are effective by reason of the contract involved and this
14 statute and are not to be considered as testamentary devices or subject to ORS chapter 112. The
15 director, commission and state shall be discharged of all liability upon payment of a prize.

16 (11) In accordance with the provisions of the [*Soldiers' and Sailors' Civil Relief Act of 1940 (50*
17 *U.S.C.A. app. 525)*] **Servicemembers Civil Relief Act, 50 U.S.C. 3935**, a person while in active
18 military service may claim exemption from the one-year ticket redemption requirement under sub-
19 section (7) of this section. However, the person must notify the commission by providing satisfactory
20 evidence of possession of the winning ticket within the one-year period, and must claim the prize
21 or share no later than one year after discharge from active military service.

22 **NOTE:** Adjusts reference in (11) to update title of federal Act and to reflect federal code reor-
23 ganization.

24 **SECTION 53.** ORS 541.984 is amended to read:

25 541.984. (1) The Oregon Watershed Enhancement Board shall establish programs to provide
26 grants from the Oregon Agricultural Heritage Fund for the purposes of:

27 (a) Assisting owners of working land with succession planning for those lands;

28 (b) Funding the purchasing, implementing, carrying out or monitoring of conservation manage-
29 ment plans, working land conservation covenants or working land conservation easements described
30 in ORS 541.981 and 541.982; and

31 (c) Providing development funding or technical assistance to organizations that enter into or
32 propose to enter into agreements resulting in conservation management plans, or that accept or
33 propose to accept working land conservation covenants or working land conservation easements.

34 (2) The board, after consultation with the Oregon Agricultural Heritage Commission established
35 in ORS 541.986, shall adopt rules that establish a process for submitting and processing applications
36 for grants under ORS 541.981 and 541.982. To the extent practicable, the board shall design the
37 process to:

38 (a) Allow flexibility and responsiveness to program participant needs; and

39 (b) Ensure compatibility with federal working land conservation easement programs and other
40 programs for the conservation of working land.

41 (3) The board and the commission[,] shall jointly appoint one or more technical committees to
42 evaluate and rank conservation management plans, working land conservation covenants and work-
43 ing land conservation easements described in applications filed under ORS 541.981 and 541.982. The
44 system used by the technical committee or committees shall provide for the ranking of conservation
45 management plans to be separate from the ranking of working land conservation covenants and

1 working land conservation easements. The ranking for a plan, covenant or easement shall be based
2 on criteria that include, but need not be limited to:

3 (a) The extent to which the plan, covenant or easement would protect, maintain or enhance
4 farming or ranching on working land;

5 (b) The extent to which the plan, covenant or easement would protect, maintain or enhance fish
6 or wildlife habitat, improve water quality or support other natural resource values;

7 (c) The extent to which the plan, covenant or easement would protect agricultural outcomes,
8 benefits or other investment gains;

9 (d) The capacity of the organization that filed the application to enter into a conservation
10 management plan[,] **or** accept a working land conservation covenant or working land conservation
11 easement, and the competence of the organization;

12 (e) The extent to which the benefit to the state from the investment may be maximized, based
13 on the ability to leverage grant moneys with other funding sources and on the duration and extent
14 of the conservation management plan, working land conservation covenant or working land conser-
15 vation easement; and

16 (f) The extent and nature of plan, covenant or easement impacts on owners or operators of
17 neighboring lands.

18 (4) The criteria for ranking conservation management plans, working land conservation
19 covenants or working land conservation easements under subsection (3) of this section may not in-
20 clude a consideration of the type of agricultural operation conducted on the working land.

21 (5) An applicant must demonstrate to the satisfaction of the board that the participants in a
22 conservation management plan, working land conservation covenant or working land conservation
23 easement to be benefitted by a grant under this section understand and agree to their roles and
24 responsibilities under the plan, covenant or easement.

25 (6) The board may issue a grant to fund a conservation management plan, working land con-
26 servation covenant or working land conservation easement described in ORS 541.981 and 541.982
27 only if:

28 (a) There is a contribution of cash for the plan, covenant or easement, a contribution of in-kind
29 services or another form of investment in the plan, covenant or easement from a funding source
30 other than the Oregon Agricultural Heritage Fund;

31 (b) The plan, covenant or easement is reviewed by a technical committee that has expertise
32 relevant to the described plan, covenant or easement; and

33 (c) The commission reviews and recommends funding of the plan, covenant or easement.

34 (7) Except as provided in this subsection, an organization that receives a grant from the board
35 for a conservation management plan, or an agricultural owner or operator receiving payments of
36 moneys from an organization grant regarding a conservation management plan, may receive cash
37 contributions, other financial assistance, in-kind services or investments, rental or easement pay-
38 ments, tax benefits or other benefits from a federal, state or private entity in return for practices
39 related to the purchasing, implementing, carrying out or monitoring of the conservation management
40 plan. The board or an organization grant may not, however, provide payments that duplicate any
41 federal, state or private payments for the same measures directed to maintaining or enhancing fish
42 or wildlife habitat, improving water quality or supporting other natural resource values within the
43 plan.

44 (8) An organization that receives a grant from the board for a working land conservation
45 covenant or working land conservation easement, or an owner of working land that enters into a

1 working land conservation covenant or grants a working land conservation easement, may receive
 2 cash contributions, other financial assistance, in-kind services or other forms of investment from any
 3 public or private sources for purposes of purchasing, implementing, carrying out or monitoring of
 4 the covenant or easement.

39 (22) “Payroll” means a record of wages payable to workers for their services and includes
40 commissions, value of exchange labor and the reasonable value of board, rent, housing, lodging or
41 similar advantage received from the employer. However, “payroll” does not include overtime pay,
42 vacation pay, bonus pay, tips, amounts payable under profit-sharing agreements or bonus payments
43 to reward workers for safe working practices. Bonus pay is limited to payments [*which*] **that** are
44 not anticipated under the contract of employment and [*which*] **that** are paid at the sole discretion
45 of the employer. The exclusion from payroll of bonus payments to reward workers for safe working

1 practices is only for the purpose of calculations based on payroll to determine premium for workers'
2 compensation insurance, and does not affect any other calculation or determination based on payroll
3 for the purposes of this chapter.

4 (23) "Person" includes a partnership, joint venture, association, limited liability company and
5 corporation.

6 (24)(a) "Preexisting condition" means, for all industrial injury claims, any injury, disease, con-
7 genital abnormality, personality disorder or similar condition that contributes to disability or need
8 for treatment, provided that:

9 (A) Except for claims in which a preexisting condition is arthritis or an arthritic condition, the
10 worker has been diagnosed with [*such*] **the** condition, or has obtained medical services for the
11 symptoms of the condition regardless of diagnosis; and

12 (B)(i) In claims for an initial injury or omitted condition, the diagnosis or treatment precedes
13 the initial injury;

14 (ii) In claims for a new medical condition, the diagnosis or treatment precedes the onset of the
15 new medical condition; or

16 (iii) In claims for a worsening pursuant to ORS 656.273 or 656.278, the diagnosis or treatment
17 precedes the onset of the worsened condition.

18 (b) "Preexisting condition" means, for all occupational disease claims, any injury, disease, con-
19 genital abnormality, personality disorder or similar condition that contributes to disability or need
20 for treatment and that precedes the onset of the claimed occupational disease, or precedes a claim
21 for worsening in such claims pursuant to ORS 656.273 or 656.278.

22 (c) For the purposes of industrial injury claims, a condition does not contribute to disability or
23 need for treatment if the condition merely renders the worker more susceptible to the injury.

24 (25) "Self-insured employer" means an employer or group of employers certified under ORS
25 656.430 as meeting the qualifications set out by ORS 656.407.

26 (26) "State Accident Insurance Fund Corporation" and "corporation" mean the State Accident
27 Insurance Fund Corporation created under ORS 656.752.

28 (27) "Subject employer" means an employer [*who*] **that** is subject to this chapter as provided by
29 ORS 656.023.

30 (28) "Subject worker" means a worker who is subject to this chapter as provided by ORS
31 656.027.

32 (29) "Wages" means the money rate at which the service rendered is recompensed under the
33 contract of hiring in force at the time of the accident, including reasonable value of board, rent,
34 housing, lodging or similar advantage received from the employer, and includes the amount of tips
35 required to be reported by the employer pursuant to section 6053 of the Internal Revenue Code of
36 1954, as amended, and the regulations promulgated pursuant thereto, or the amount of actual tips
37 reported, whichever amount is greater. The State Accident Insurance Fund Corporation may estab-
38 lish assumed minimum and maximum wages, in conformity with recognized insurance principles, at
39 which any worker shall be carried upon the payroll of the employer for the purpose of determining
40 the premium of the employer.

41 (30) "Worker" means any person, including a minor whether lawfully or unlawfully employed,
42 who engages to furnish services for a remuneration, subject to the direction and control of an em-
43 ployer and includes salaried, elected and appointed officials of the state, state agencies, counties,
44 cities, school districts and other public corporations, but does not include any person whose services
45 are performed as an inmate or ward of a state institution or as part of the eligibility requirements

1 for a general or public assistance grant. For the purpose of determining entitlement to temporary
 2 disability benefits or permanent total disability benefits under this chapter, “worker” does not in-
 3 clude a person who has withdrawn from the workforce during the period for which such benefits are
 4 sought.

5 (31) “Independent contractor” has the meaning for that term provided in ORS 670.600.

6 **NOTE:** Corrects punctuation in (7)(a) and (17); improves syntax in (7)(a)(A) and (23); updates
 7 word choice in (7)(b)(A), (c) and (d), (12)(a), (13)(a), (18), (21), (22), (24)(a)(A) and (27).

8 **SECTION 63.** ORS 657.855 is amended to read:

9 657.855. (1) Except as provided in this section, benefits due under this chapter may not be as-
 10 signed, pledged, encumbered, released or commuted. *[and]* **Benefits due under this chapter** shall,
 11 except as otherwise provided in this chapter, be exempt from all claims of creditors and from levy,
 12 execution and attachment or remedy for recovery or collection of a debt, *[which]* **and the** exemption
 13 may not be waived. No agreement by an individual to waive the individual’s rights under this
 14 chapter is valid.

15 (2) The exemption from execution or other process granted under this section applies to only
 16 50 percent of benefits payable under this chapter if the execution or other process is issued for a
 17 child support obligation or an order or notice entered pursuant to **ORS 416.400 to 416.465** or ORS
 18 chapter 25, 107, 108, 109, 110, *[416,]* 419B or 419C and the child support obligation or the order or
 19 notice is being enforced pursuant to a plan approved under Title IV-D of the Social Security Act.

20 **NOTE:** Improves sentence structure in (1); eliminates inappropriate chapter reference and sub-
 21 stitutes appropriate series reference in (2).

22 **SECTION 64.** ORS 676.220 is amended to read:

23 676.220. (1) If at any time the board suspending or revoking the license of any *[licentiate]*
 24 **licensee** of a health care profession determines that *[such licentiate]* **the licensee** is continuing to
 25 practice the health care profession notwithstanding, the board shall in its own name bring an action
 26 to enjoin *[such licentiate]* **the licensee**.

27 (2) If the court *[shall find]* **finds** that the *[licentiate]* **licensee** has been or is continuing the
 28 practice of the health care profession for which the license has been revoked or suspended, **the**
 29 **court** *[it]* shall issue an injunction restraining the *[licentiate]* **licensee**. The commission of a single
 30 act constituting the practice of the respective health care profession shall be prima facie evidence
 31 warranting the issuance of *[such]* **an** injunction.

32 **NOTE:** Updates terminology in (1) and (2); improves syntax and punctuation in (2).

33 **SECTION 65.** ORS 689.689 is amended to read:

34 689.689. (1) In accordance with rules adopted by the State Board of Pharmacy under ORS
 35 689.205, a pharmacist may prescribe and administer injectable hormonal contraceptives and pre-
 36 scribe and dispense self-administered hormonal contraceptives to a person who is:

37 (a) At least 18 years of age, regardless of whether the person has evidence of a previous pre-
 38 scription from a primary care practitioner or women’s health care practitioner for an injectable
 39 hormonal contraceptive or a self-administered hormonal contraceptive; or

27 (3) All state and federal laws governing insurance coverage of contraceptive drugs, devices,
28 products and services [shall] apply to injectable hormonal contraceptives and self-administered
29 hormonal contraceptives prescribed by a pharmacist under this section.

30 **NOTE:** Updates organization title and provides for future name changes in (2)(a); improves
31 syntax in (3).

32 **SECTION 66.** ORS 689.689, as amended by section 3, chapter 649, Oregon Laws 2015, and sec-
33 tion 3, chapter 289, Oregon Laws 2017, is amended to read:

34 689.689. (1) In accordance with rules adopted by the State Board of Pharmacy under ORS
35 689.205, a pharmacist may prescribe and administer injectable hormonal contraceptives and pre-

44 prescribing injectable hormonal contraceptives and self-administered hormonal contraceptives;

45 (B) Provide a self-screening risk assessment tool that the patient must use prior to the

25 syntax in (3).

26 **SECTION 67.** ORS 734.810 is amended to read:

27 734.810. (1) If a member insurer is an impaired insurer, the Oregon Life and Health Insurance
28 Guaranty Association, in its discretion and subject to any conditions imposed by the association and
29 approved by the Director of the Department of Consumer and Business Services, other than those
30 [which] **that** impair the contractual obligations of the impaired insurer, may:

31 (a) Guarantee, assume or reinsure, or cause to be guaranteed, assumed or reinsured, any or all
32 of the covered policies of the impaired insurer.

33 (b) Provide such moneys, pledges, notes, loans, guarantees or other means as are proper to im-
34 plement paragraph (a) of this subsection and ensure payment of the contractual obligations of the
35 impaired insurer pending action under paragraph (a) of this subsection.

36 (2) If a member insurer is an insolvent insurer, the association, in its discretion and subject to
37 the approval of the director, shall take either of the following steps:

38 (a)(A) Guarantee, assume or reinsure, or cause to be guaranteed, assumed or reinsured, the
39 covered policies of the insolvent insurer;

40 (B) Ensure payment of the contractual obligations of the insolvent insurer; and

41 (C) Provide such moneys, pledges, notes, loans, guarantees or other means as are reasonably
42 necessary to discharge such duties.

43 (b) Provide benefits and coverages in accordance with the following provisions:

44 (A) For life and health insurance policies and annuity contracts, the association shall ensure
45 that the payment of benefits for premiums, except for terms of conversion and renewability, under

1 the replacement coverage provided by the association is identical to the payment of benefits for
2 premiums that would have been payable under the policies or contracts of the insolvent insurer, for
3 claims incurred:

4 (i) With respect to group policies and contracts, not later than the earlier of the next renewal
5 date under those policies or contracts or 45 days, but in no event less than 30 days, after the date
6 on which the association becomes obligated with respect to the policies or contracts.

7 (ii) With respect to nongroup policies and contracts, if any, not later than the earlier of the next
8 renewal date under those policies or contracts or one year, but in no event less than 30 days, after
9 the date on which the association becomes obligated with respect to the policies or contracts.

10 (B) The association shall make diligent efforts to provide a 30-day notice of the termination of
11 the benefits provided under subparagraph (A) of this paragraph to all known insureds or annuitants
12 for nongroup policies and contracts, or to group policyholders or contract owners with respect to
13 group policies and contracts.

14 (C) For nongroup life and health insurance policies and annuities covered by the association, the
15 association shall make substitute coverage available to each known insured or annuitant, or owner
16 if other than the insured or annuitant. For an individual formerly insured or formerly an annuitant
17 under a group policy who is not eligible for replacement group coverage, the association shall make
18 available substitute coverage on an individual basis in accordance with the provisions of subpara-
19 graph (D) of this paragraph, if the insureds or annuitants had a right under law or under the ter-
20 minated policy or annuity to convert coverage to individual coverage or to continue an individual
21 policy or annuity that was already in force until a specified age or for a specified time, during which
22 the insurer had no right to make changes unilaterally in any provision of the policy or annuity or
23 had a right to make changes only to premiums or to classes of risk.

24 (D) In providing the substitute coverage required under subparagraph (C) of this paragraph, the
25 association:

26 (i) May offer either to reissue the terminated coverage or to issue an alternative policy.

27 (ii) Shall offer alternative or reissued policies without requiring evidence of insurability.

28 (iii) May not impose any waiting period or exclusion that would not have applied under the
29 terminated policy.

30 (iv) May reinsure any alternative or reissued policy.

31 (E) Any alternative policy adopted by the association must:

32 (i) Be approved by the Director of the Department of Consumer and Business Services and the
33 court. The association may adopt alternative policies of various types for future issuance without
34 regard to any particular impairment or insolvency.

35 (ii) Contain at least the minimum statutory provisions required in this state and provide benefits
36 that are not unreasonable in relation to the premium charged. The association shall set the premium
37 in accordance with a table of rates adopted by the association. The premium shall reflect the amount
38 of insurance to be provided and the age and class of risk of each insured, but may not reflect any
39 changes in the health of the insured after the original policy was last underwritten.

40 (iii) Provide coverage of a type similar to that of the policy issued by the insolvent insurer, as
41 determined by the association.

42 (F) If the association elects to reissue terminated coverage at a premium rate that is different
43 from the premium rate that was charged under the terminated policy, the premium rate shall be set
44 by the association, in accordance with the amount of insurance provided and the age and class of
45 risk, and be subject to approval by the Director of the Department of Consumer and Business Ser-

1 vices and the court.

2 (G) The association's obligations with respect to coverage under any policy of the insolvent
3 insurer or under any reissued or alternative policy shall cease on the date on which the coverage
4 or policy is replaced by another similar policy by the policyholder, the insured or the association.

5 (H) When proceeding under this subsection with respect to a policy or contract that carries a
6 guaranteed minimum interest rate, the association shall ensure the payment or crediting of a rate
7 of interest consistent with the provisions of ORS 734.790 (3).

8 (3) Nonpayment of premiums within 31 days after the date required under the terms of any
9 guaranteed, assumed, alternative or reissued policy or contract or substitute coverage shall termi-
10 nate the association's obligations under the policy, contract or substitute coverage under ORS
11 734.750 to 734.890 with respect to the policy, contract or substitute coverage, except with respect
12 to any claims incurred or any net cash surrender value or net cash withdrawal value that may be
13 due in accordance with the provisions of ORS 734.750 to 734.890.

14 (4) Premiums due for coverage after entry of an order of liquidation of an insolvent insurer shall
15 belong to and be payable at the direction of the association. At the request of the liquidator of an
16 insolvent insurer, the association shall provide a report to the liquidator regarding any premium
17 collected by the association. The association is liable for unearned premiums due to policyholders
18 or contract owners arising after the entry of the order.

19 (5) The protection provided by ORS 734.750 to 734.890 does not apply where any guaranty pro-
20 tection is provided to residents of this state by the laws of the domiciliary state or jurisdiction of
21 the impaired or insolvent insurer other than this state.

22 (6)(a) In carrying out its duties under subsection (2) of this section, the association may impose
23 permanent policy liens or contract liens in connection with any guaranteed, assumption or reinsur-
24 ance agreement, if the court considering the lien finds that the amounts that can be assessed under
25 ORS 734.750 to 734.890 are less than the amounts needed to ensure full and prompt performance of
26 the insolvent insurer's contractual obligations or that the economic or financial conditions affecting
27 member insurers are sufficiently adverse to render the imposition of policy or contract liens to be
28 in the public interest, and approves the specific policy liens or contract liens to be used.

29 (b) In carrying out its duties under subsection (2) of this section, the association may request
30 that there be imposed temporary moratoriums or liens on payments of cash values and policy loans
31 or temporary moratoriums on the right to withdraw funds held in conjunction with the policies or
32 contracts, in addition to any contractual provisions for deferral of cash or policy loan values, and
33 such temporary moratoriums and liens may be imposed if they are approved by the court. In addi-
34 tion, in the event of a temporary moratorium or moratorium charge imposed by the court on pay-
35 ment of cash values or policy loan values, or on any other right to withdraw funds held in
36 conjunction with policies or contracts, out of the assets of the impaired or insolvent insurer, the
37 association may defer the payment of cash values, policy loan values and other rights by the asso-
38 ciation for the period of the temporary moratorium or moratorium charge that is imposed by the
39 court, except for claims that are covered by the association to be paid in accordance with a hard-
40 ship procedure that is established by the liquidator or rehabilitator and approved by the court.

41 (7) If the association fails to act as required in subsection (2) of this section within a reasonable
42 time, the director shall have the powers and duties of the association under ORS 734.750 to 734.890
43 with respect to insolvent insurers.

44 (8) The association may render assistance and advice to the director, upon request of the di-
45 rector, concerning rehabilitation, payment of claims, continuance of coverage or the performance

1 of other contractual obligations of any impaired or insolvent insurer.

2 (9) The association shall have standing to intervene or appear before any court or agency in this
3 state having jurisdiction over an impaired or insolvent insurer concerning which the association is
4 or may become obligated under ORS 734.750 to 734.890 or with jurisdiction over any person or
5 property against which the association has rights through subrogation or otherwise. Such standing
6 shall extend to all matters germane to the powers and duties of the association including, but not
7 limited to, proposals for reinsuring, modifying or guaranteeing the covered policies of the impaired
8 or insolvent insurer and the determination of the covered policies and contractual obligations. The
9 association may also appear or intervene before a court or agency in another state with jurisdiction
10 over an impaired or insolvent insurer for which the association is or may become obligated or with
11 jurisdiction over any person or property against whom the association may have rights through
12 subrogation or otherwise.

13 (10)(a) Any person receiving benefits under ORS 734.750 to 734.890 shall be considered to have
14 assigned the rights under, and any causes of action against any person for losses arising under, re-
15 sulting from or otherwise relating to, the covered policy to the association to the extent of the
16 benefits received because of ORS 734.750 to 734.890, whether the benefits are payments of or on
17 account of contractual obligations or continuation of coverage. The association may require an
18 assignment to the association of such rights by any payee, policyholder, contract owner, beneficiary,
19 insured or annuitant as a condition precedent to the receipt of any rights or benefits conferred by
20 ORS 734.750 to 734.890 upon such person. The association shall be subrogated to these rights against
21 the assets of any impaired or insolvent insurer.

22 (b) The subrogation rights of the association under this subsection shall have the same priority
23 against the assets of the impaired or insolvent insurer as that possessed by the person entitled to
24 receive benefits under ORS 734.750 to 734.890.

25 (c) In addition to the rights set forth in paragraphs (a) and (b) of this subsection, the association
26 may exercise any common law rights of subrogation or any other equitable or legal remedy that
27 would have been available to the impaired or insolvent insurer or to the policyholder or contract
28 owner, beneficiary or payee of a policy or contract with respect to the policy or contract. In the
29 case of a structured settlement annuity, these rights include but are not limited to any rights of the
30 policyholder or contract owner, beneficiary or payee of the annuity, to the extent of benefits re-
31 ceived under ORS 734.750 to 734.890, against a person originally or by succession responsible for the
32 losses arising from the personal injury relating to the annuity or payment therefor, with the excep-
33 tion of a person responsible solely by reason of serving as an assignee in respect of a qualified as-
34 signment under section 130 of the federal Internal Revenue Code.

35 (d) If the provisions of this subsection are determined by a court to be invalid or ineffective with
36 respect to any person or claim for any reason, the association shall reduce the amount payable by
37 the association with respect to the related covered obligations by the amount realized by any other
38 person with respect to the person or claim that is attributable to the policies or contracts covered
39 by the association.

40 (e) If the association provides benefits with respect to a covered obligation and a person re-
41 covers amounts to which the association has rights as described in this subsection, the person shall
42 pay to the association the portion of the recovery attributable to the policies or contracts covered
43 by the association.

44 (11) The contractual obligations of the impaired or insolvent insurer for which the association
45 becomes or may become liable may not exceed the [lessor] **least** of:

1 (a) The contractual obligations for which the impaired or insolvent insurer is liable or would
2 have been liable if it were not an impaired or insolvent insurer, unless such obligations are reduced
3 as permitted by subsection (6) of this section;

4 (b) With respect to any one life, regardless of the number of policies or contracts:

5 (A) \$300,000 in life insurance death benefits, but not more than \$100,000 in net cash surrender
6 and net cash withdrawal values for life insurance.

7 (B) \$100,000 in health insurance benefits other than basic hospital, medical and surgical insur-
8 ance, major medical insurance, disability insurance or long term care insurance, including any net
9 cash surrender and net cash withdrawal values.

10 (C) \$300,000 in disability insurance benefits.

11 (D) \$300,000 in long term care insurance benefits.

12 (E) \$500,000 in basic hospital, medical and surgical insurance or major medical insurance.

13 (F) \$250,000 in the present value of annuity benefits, including any net cash surrender and net
14 cash withdrawal values;

15 (c) With respect to each payee of a structured settlement annuity or the beneficiary of the payee
16 if deceased, \$250,000 in the present value of annuity benefits, in the aggregate, including any net
17 cash surrender and net cash withdrawal values; or

18 (d) \$250,000 in the present value of annuity benefits, in the aggregate, including any net cash
19 surrender and net cash withdrawal values, with respect to each individual participating in a gov-
20 ernmental retirement plan established under section 401, 403(b) or 457 of the United States Internal
21 Revenue Code covered by an unallocated annuity contract or the beneficiaries of each such indi-
22 vidual if deceased.

23 (12) The association may not be liable for more than:

24 (a) \$300,000 in benefits, in the aggregate, with respect to any one life under subsection (11)(b),
25 (c) and (d) of this section, with the exception of benefits under subsection (11)(b)(E) of this section,
26 in which case the aggregate liability of the association may not exceed \$500,000 with respect to any
27 one life.

28 (b) With respect to one policyholder of multiple nongroup policies of life insurance, regardless
29 of whether the policyholder is an individual, firm, corporation or other person, and whether the
30 persons insured are officers, managers, employees or other persons, \$5 million in benefits, regardless
31 of the number of policies and contracts held by the policyholder.

32 (13) The limitations set forth in subsections (11) and (12) of this section are limitations on the
33 benefits for which the association is obligated before taking into account either its subrogation and
34 assignment rights or the extent to which those benefits could be provided out of the assets of the
35 impaired or insolvent insurer attributable to covered policies. The costs of the association's obli-
36 gations under ORS 734.750 to 734.890 may be met by the use of assets attributable to covered poli-
37 cies or reimbursed to the association under its subrogation and assignment rights.

38 (14) In performing its obligations to provide coverage under ORS 734.750 to 734.890, the associ-
39 ation is not required to guarantee, assume, reinsure or perform, or cause to be guaranteed, assumed,
40 reinsured or performed, any contractual obligation of the impaired or insolvent insurer or contract
41 owner under a covered policy that does not materially affect the economic values or economic
42 benefits of the covered policy or contract.

43 (15) The association may:

44 (a) Enter into such contracts as are necessary or proper to carry out the provisions and pur-
45 poses of ORS 734.750 to 734.890.

1 (b) Sue or be sued, including taking any legal actions necessary or proper for recovery of any
2 unpaid assessments under ORS 734.815 and to settle claims or potential claims against the associ-
3 ation.

4 (c) Borrow money to effect the purposes of ORS 734.750 to 734.890. Any notes or other evidence
5 of indebtedness of the association not in default shall be legal investments for member insurers and
6 may be carried as admitted assets.

7 (d) Employ or retain such persons as are necessary to handle the financial transactions of the
8 association, and to perform such other functions as become necessary or proper under ORS 734.750
9 to 734.890.

10 (e) Negotiate and contract with any liquidator, rehabilitator, conservator or ancillary receiver
11 to carry out the powers and duties of the association.

12 (f) Take such legal action as may be necessary to avoid payment of improper claims.

13 (g) Exercise, for the purposes of ORS 734.750 to 734.890 and to the extent approved by the di-
14 rector, the powers of a member life or health insurer, but in no case may the association issue pol-
15 icies other than those issued to perform the contractual obligations of the impaired or insolvent
16 insurer.

17 (h) Organize itself as a corporation or other legal form permitted by the laws of this state.

18 (i) Request information from a person seeking coverage from the association to aid the associ-
19 ation in determining its obligations under ORS 734.750 to 734.890 with respect to that person.

20 (j) Take any other necessary or appropriate action to discharge its duties and obligations and
21 to exercise its powers under ORS 734.750 to 734.890.

22 (16) The duties and powers of the association described in this section are in addition to any
23 other duties and powers of the association described in ORS 734.750 to 734.890.

24 (17)(a) Within 180 days after the date of the order of liquidation, the association may succeed
25 to the rights and obligations of the ceding member insurer that relate to policies or annuities cov-
26 ered, in whole or in part, by the association, in each case under any one or more reinsurance con-
27 tracts entered into by the insolvent insurer and its reinsurers and selected by the association. Any
28 such assumption shall be effective as of the date of the order of liquidation. The election shall be
29 effected by the association sending written notice, return receipt requested, to the affected reinsur-
30 ers.

31 (b) To facilitate the earliest practicable decision about whether to assume any of the contracts
32 of reinsurance, and in order to protect the financial position of the estate, the receiver and each
33 reinsurer of the ceding member insurer shall make available upon request to the association as soon
34 as possible after commencement of formal delinquency proceedings copies of in-force contracts of
35 reinsurance and all related files and records relevant to the determination of whether such contracts
36 should be assumed, and notices of any defaults under the reinsurance contracts or any known event
37 or condition which with the passage of time could become a default under the reinsurance contracts.

38 (c) For any reinsurance contracts assumed by the association under paragraphs (a) and (b) of
39 this subsection:

40 (A) The association is responsible for all unpaid premiums due under the reinsurance contracts
41 for periods both before and after the date of the order of liquidation, and shall be responsible for
42 the performance of all other obligations to be performed after the date of the order of liquidation,
43 related to policies or annuities covered by the reinsurance contract, in whole or in part, by the as-
44 sociation. The association may charge policies or annuities covered in part by the association,
45 through reasonable allocation methods, the costs for reinsurance in excess of the obligations of the

1 association and shall provide notice and an accounting of those charges to the liquidator.

2 (B) The association is entitled to any amounts payable by the reinsurer under the reinsurance
3 contracts with respect to losses or events that occur in periods after the date of the order of liqui-
4 dation and that relate to policies or annuities covered, in whole or in part, by the association. Upon
5 receipt of any such amounts, the association shall pay the beneficiary under the policy or annuity
6 on account of which the amounts were paid a portion of the amount equal to the lesser of:

7 (i) The amount received by the association; or

8 (ii) The amount received by the association that is in excess of the amount equal to the benefits
9 paid by the association on account of the policy or annuity minus the amount retained by the
10 insurer applicable to the loss or event.

11 (C) Within 30 days following the association's election, the association and each reinsurer shall
12 calculate the net balance due to or from the association under each reinsurance contract as of the
13 election date with respect to policies or annuities covered, in whole or in part, by the association.
14 The calculation shall give full credit to all items paid by the insurer or its receiver or by the re-
15 insurer prior to the election date. The reinsurer shall pay the receiver any amounts due for losses
16 or events prior to the date of the order of liquidation, subject to any setoff for premiums unpaid for
17 periods prior to that date, and the association or the reinsurer shall pay any remaining balance due
18 to one another. The reinsurer and the association shall make such payments within five days after
19 the completion of the calculation of the net balance due under each reinsurance contract. Any dis-
20 putes over the amounts due to the association or the reinsurer shall be resolved by arbitration ac-
21 cording to the terms of the affected reinsurance contracts or, if the contract contains no arbitration
22 clause, as otherwise provided by law. If the receiver has received any amounts due the association
23 under subparagraph (B) of this paragraph, the receiver shall remit the amounts to the association
24 as promptly as practicable.

25 (d) If the association, or the receiver on the association's behalf, within 60 days after the
26 election date pays the unpaid premiums due for periods both before and after the election date that
27 relate to policies or annuities covered, in whole or in part, by the association, the reinsurer may
28 not terminate the reinsurance contracts for failure to pay premiums insofar as the reinsurance
29 contracts relate to policies or annuities covered, in whole or in part, by the association, and may
30 not set off any unpaid amounts due under other contracts, or unpaid amounts due from parties other
31 than the association, against amounts due to the association.

32 (e)(A) During the period from the date of the order of liquidation until the election date or, if
33 the election date does not occur, 180 days after the date of the order of liquidation:

34 (i) Neither the association nor the reinsurer shall have any rights or obligations under reinsur-
35 ance contracts that the association has the right to assume under paragraph (a) of this subsection,
36 whether for periods prior to or after the date of the order of liquidation; and

37 (ii) The reinsurer, the receiver and the association shall, to the extent practicable, provide to
38 each other data and records that are reasonably requested.

39 (B) After the association has elected to assume a reinsurance contract, the parties' rights and
40 obligations shall be governed by paragraph (a) of this subsection.

41 (f) If the association does not elect to assume a reinsurance contract by the election date under
42 paragraph (a) of this subsection, the association shall have no rights or obligations, for periods both
43 before and after the date of the order of liquidation, with respect to the reinsurance contract.

44 (g) When policies or annuities, or covered obligations related to policies or annuities, are
45 transferred to an assuming insurer, the association may also transfer reinsurance on the policies or

1 annuities for contracts assumed under paragraph (a) of this subsection, subject to the following:

2 (A) Unless the reinsurer and the assuming insurer agree otherwise, the reinsurance contract
3 transferred may not cover any new policies of insurance or annuities in addition to those trans-
4 ferred;

5 (B) The obligations described in paragraph (a) of this subsection shall no longer apply with re-
6 spect to matters arising after the effective date of the transfer; and

7 (C) The transferring party shall give notice in writing, return receipt requested, to the affected
8 reinsurer not less than 30 days before the effective date of the transfer.

9 (h) The provisions of this subsection shall supersede any other provision of law or any affected
10 reinsurance contract that provides for or requires any payment of reinsurance proceeds, on account
11 of losses or events that occur in periods after the date of the order of liquidation, to the receiver
12 or any other person. The receiver shall remain entitled to any amounts payable by the reinsurer
13 under the reinsurance contract with respect to losses or events that occur in periods prior to the
14 date of the order of liquidation, subject to applicable setoff provisions.

15 (i) Except as otherwise provided in this subsection, nothing in this section shall:

16 (A) Alter or modify the terms and conditions of any reinsurance contract;

17 (B) Abrogate or limit any rights of any reinsurer to claim that the reinsurer is entitled to
18 rescind a reinsurance contract;

19 (C) Grant a policyholder, contract owner or beneficiary an independent cause of action against
20 a reinsurer that is not otherwise set forth in the reinsurance contract;

21 (D) Limit or affect the association's rights as a creditor of the estate against the assets of the
22 estate; or

23 (E) Apply to reinsurance agreements covering property or casualty risks.

24 (18) The board of directors of the association may exercise reasonable business judgment to
25 determine the means by which the association is to provide the benefits under ORS 734.750 to
26 734.890 in an economical and efficient manner.

27 (19) If the association has arranged or offered to provide the benefits of ORS 734.750 to 734.890
28 to a covered person under a plan or arrangement that fulfills the association's obligations under this
29 section, the person is not entitled to benefits from the association in addition to or other than those
30 provided under the plan or arrangement.

31 (20) Venue in a suit against the association arising under ORS 734.750 to 734.890 shall be in the
32 Circuit Court for Marion County.

33 (21) In carrying out its duties in connection with guaranteeing, assuming or reinsuring policies
34 or contracts under this section, the association may, subject to approval of the court, issue substi-
35 tute coverage for a policy or contract that provides an interest rate, crediting rate or similar factor
36 determined by use of an index or other external reference stated in the policy or contract for the
37 purpose of calculating returns or changes in value by issuing an alternative policy or contract in
38 accordance with all of the following provisions:

39 (a) In lieu of the index or other external reference provided for in the original policy or con-
40 tract, the alternative policy or contract provides for a fixed interest rate, payment of dividends with
41 minimum guarantees, or a different method for calculating interest or changes in value.

42 (b) There is no requirement for evidence of insurability, waiting period or other exclusion that
43 would not have applied under the original policy or contract.

44 (c) The alternative policy or contract is substantially similar to the original policy or contract
45 in all other material terms.
