 7 *need for a higher rate of interest on loans made for the acquisition of mobile homes and houseboats,*  
 8 *the department shall prescribe the rate of interest for the acquisition of a mobile home or houseboat*  
 9 *at not higher than two percent more per annum than the basic rate established by this section.*]

10       **(2) The department shall periodically, during the term of a home or farm loan with a**  
 11 **variable interest rate, prescribe the interest rate to be paid by an applicant, taking into**  
 12 **consideration the current value of the money, the solvency of the loan program and the ef-**

14       [(2)] **(3)** Except as provided in subsection [(3)] **(4)** of this section:

15       (a) The rate of interest on [*loans*] **a loan** granted on or after May 27, 1971, and originally set

 25 at a rate greater than the rates described in subsection [(2)] **(3)** of this section, but only if the de-  
 26 partment determines, at the sole discretion of the department, that such action [*reduces the proba-*  
 27 *bility that*] **is necessary to avoid** invoking the provisions of **Article XI-A**, section 4, [*Article*  
 28 *XI-A*] of the Oregon Constitution [*will become necessary*].

29       [(4)] **(5)** When, during two consecutive fiscal years, the cash flow projection and the review of  
 30 the projection performed under ORS 407.185 indicate that the Oregon War Veterans' Bond Sinking  
 31 Account will maintain a balance throughout the term of the projections that exceeds the succeeding  
 32 years' debt service and operating expenses for the loan program, the department shall prepare a  
 33 program for reducing the interest rates charged under this section in such a manner as to [*insure*]  
 34 **ensure** the future solvency and self-supporting nature of the loan program. However, no reduction  
 35 in interest rates shall occur if the variable rate debt, if converted to a fixed rate, requires retention  
 36 of the amounts in order to meet projections.

37       [(5)] **(6)** Notwithstanding the rate prescribed for acquisition of a home as provided in subsections  
 38 (1) to [(4)] **(5)** of this section, the department may periodically establish separate and distinct inter-

2 **SECTION 19.** ORS 407.177 is amended to read:

3 407.177. (1) When the Department of Veterans' Affairs considers such contracts necessary to  
4 improve the financial condition of the loan program conducted under this chapter, the department  
5 is authorized to enter into contracts with lending institutions under which the lending institutions  
6 may provide any of the following services:

7 (a) Processing of new loans and purchase contracts; and

8 (b) Management and servicing of new loans and purchase contracts.

9 (2) Contracts entered into by the department under this section may provide that the lending

11 (a) Receive applications for loans for the acquisition of homes or farms under this chapter;

12 (b) Immediately investigate and process an application for a loan as provided by law; and

13 (c) For approved loans or contracts, if requested by the department, service the loan or purchase  
14 contract for a period of time specified by the department.

15 (3) When a lending institution, pursuant to a contract authorized by this section, receives an

17 lending institution shall investigate and process the application in the manner prescribed in the  
18 contract between the lending institution and the department.

19 (4) When a lending institution, pursuant to a contract authorized by this section, investigates  
20 and processes a loan application that it considers eligible for approval under this chapter, the  
21 lending institution shall notify the department and state the reasons why the loan may be approved  
22 under this chapter. The department shall retain final authority to approve or disapprove the loan.  
23 If the department disapproves the loan, the department shall notify the lending institution and the  
24 applicant of the disapproval and shall indicate the reasons for the disapproval. When the department  
25 is satisfied that all requirements for approval of a loan have been met by the applicant and the  
26 lending institution and that the property offered as security for the loan protects the interests of the  
27 state, the department shall transfer to the lending institution an amount [*of money*] from the Oregon  
28 War Veterans' Fund equal to the loan amount approved by the department. The lending institution  
29 shall disburse the [*money*] **amount** in the manner prescribed by the department. The lending insti-

31 *loan*] and then shall forward all the original loan documents to the department.

32 (5) All moneys received by a lending institution as payments on principal and interest for loans  
33 made under this chapter shall be paid to the department in accordance with the terms of the con-  
34 tract between the department and the lending institution.

35 (6) The department and lending institution shall mutually agree upon the compensation to be  
36 paid to the lending institution for services performed under a contract authorized by this section.  
37 Such compensation may be a fixed annual payment or a percentage of the amount of each loan or  
38 purchase contract processed or serviced by the lending institution under the contract.

39 (7) Contracts entered into under this section are exempt from the requirements of the provisions  
40 of ORS 279.835 to 279.855 and ORS chapters 279A, 279B and 279C regarding personal services con-  
41 tracts.

42 (8) As used in this section, "lending institution" means an entity that is licensed to conduct  
43 business in the State of Oregon exclusively or in part as a mortgage lender or a conduit for mort-  
44 gage loans and that, in the judgment of the department, is capable of meeting the needs of the de-  
45 partment in carrying out this chapter.

1        **SECTION 20.** ORS 407.145 is amended to read:

2        407.145. (1) The Department of Veterans' Affairs may acquire property by purchase when the  
3 acquisition of such property is necessary to protect the interest of the state because of default in  
4 repayment of loans made in accordance with ORS 407.125 or statutes supplementary thereof. The  
5 department shall exercise control of all the property while the title remains vested in the state.

6        (2) The department may take any action and make disbursements as may be necessary to protect  
7 the securities for loans acquired under this chapter. Any disbursement so made shall be added to  
8 the amount due from the borrower and shall bear interest [*at the rate then fixed for home improve-*  
9 *ment loans under ORS 407.325 or*] at the rate on the existing loan[, *whichever is higher*]. Any such  
10 disbursement shall be made only upon order of the department.

11        (3) Funds for the protection of security may be disbursed from the Oregon War Veterans' Fund  
12 including the Oregon War Veterans' Bond Sinking Account as the department shall determine.

13        **SECTION 21.** ORS 407.305 is amended to read:

14        407.305. When a veteran who is eligible for a loan under this chapter and Article XI-A of the  
15 Oregon Constitution seeks to acquire a home or farm that is serving as security for a previous loan  
16 made under this chapter, the veteran may choose either to receive a new loan for the property or  
17 to assume the previous loan. If the loan balance for the loan being assumed does not exceed the  
18 amount of the veteran's entitlement under ORS 407.205, the interest rate to be paid on the assumed  
19 loan balance shall be the rate per annum prescribed under ORS 407.315. In addition to the amount  
20 assumed, the veteran may apply for and receive additional funds to be applied to the purchase price.  
21 The interest rate to be paid on the additional funds shall be the rate per annum currently prescribed  
22 under ORS 407.325. The sum of the assumed loan balance and the additional funds shall not exceed  
23 the amount of the veteran's entitlement under ORS 407.205 or the maximum loan amount prescribed  
24 by [*ORS 407.225 (3)*] **ORS 407.205 (3)(b) or (c)**. An assumption or an assumption with additional  
25 funds under this section shall be deemed to be one loan and the veteran making the assumption or  
26 the assumption with additional funds shall be deemed to be a borrower for the purposes of ORS  
27 407.145, 407.205, 407.215, 407.325, 407.385, 407.465 and 407.475.

28        **SECTION 22.** ORS 407.315 is amended to read:

29        407.315. (1) When a veteran assumes a previous loan under ORS 407.305, the interest rate to be  
30 paid by the veteran from the date of assumption shall be the rate per annum prescribed periodically  
31 by the Department of Veterans' Affairs, taking into consideration the solvency of the loan program  
32 and the interest rates currently prevailing in this state for loans secured by owner-occupied resi-  
33 dential property.

34        (2) The department shall make a cash flow projection to determine if assumptions at the interest  
35 rate established under subsection (1) of this section are among the causes of a negative cash flow  
36 projection for the loan program. The cash flow projection required by this section shall be an esti-  
37 mate of the revenue received from the repayment of [*mortgages*] **loans**, interest earnings, adminis-  
38 trative expenses of the loan program, payment of interest and principal on outstanding debt and  
39 other relevant factors during the period in which current outstanding bonds are required to be re-  
40 tired.

41        (3) If the cash flow projection required under subsection (2) of this section indicates that as-  
42 sumptions of loans at the interest rate established under subsection (1) of this section are a cause  
43 of a negative cash flow projection for the loan program, the department, by rule and notwithstanding  
44 ORS 407.325 [(2)] **(3)**, shall increase the interest rate to be paid for loans assumed under ORS 407.305  
45 to the lowest rate per annum that assures a positive cash flow projection, but not exceeding the rate

1 then prescribed under ORS 407.325.

2 **SECTION 23.** ORS 407.375 is amended to read:

3 407.375. (1) When the Department of Veterans' Affairs offers for sale a home or farm obtained  
4 for and in behalf of the state under ORS 407.135 and 407.145 (1), the department shall provide notice  
5 of the proposed sale to prospective purchasers. The notice shall state the minimum bid that will be  
6 accepted.

7 (2) Subject to subsection (3) of this section, the department shall accept the highest such bid or  
8 offer received during the 15-day period after a home or farm acquired under ORS 407.135 or 407.145  
9 (1) is first offered for sale unless the person making the highest bid or offer is disqualified from such  
10 purchase based on prior credit history, inadequate income or other grounds for refusal established  
11 in rules adopted by the department. Prior to such refusal, the person making the highest bid or offer  
12 shall be given the opportunity to purchase the property for cash.

13 (3) When the highest bid under subsection (2) of this section is made by a person who is not  
14 eligible for a loan under Article XI-A of the Oregon Constitution, the person who submits the high-  
15 est bid or offer received from those persons eligible for a loan under Article XI-A of the Oregon  
16 Constitution shall be given the opportunity to purchase the property for the amount bid by the  
17 highest bidder. The property must be purchased by matching the highest bid within a period of time  
18 and at a place specified by rule of the department.

19 (4) When the department sells a home or farm obtained under ORS 407.135 or 407.145 (1) to a  
20 person, the department may accept improvement of the property by such purchaser in lieu of other  
21 means of satisfying the requirements of [ORS 407.225 (3)] **ORS 407.205 (3)(b) or (c)**. For the purpose  
22 of this section, all purchasers are subject to the provisions of [ORS 407.225 (3)] **ORS 407.205 (3)(b)**  
23 **or (c)**. The department shall require the purchaser to provide an improvement plan containing a  
24 description of the proposed improvements to be made and the cost of the necessary work and ma-  
25 terials. An appraiser employed by the department must certify that the ratio of the purchase price  
26 and the net appraised value of the home and farm after the proposed improvement is completed will  
27 satisfy the requirements of [ORS 407.225 (3)] **ORS 407.205 (3)(b) or (c)**. The department may then  
28 approve the sale subject to the condition that the improvement of the home or farm be completed  
29 within 180 days after purchase. Failure by the applicant to complete the improvement within the  
30 time allowed shall be considered a breach of the purchase agreement and grounds for foreclosure  
31 by the department. Upon timely application and a showing that the improvement cannot be com-  
32 pleted within the time allowed because of circumstances beyond the applicant's control, the depart-  
33 ment may grant the applicant an additional period not to exceed 180 days in which to complete the  
34 improvement.

35 (5) The rate of interest for a contract made for the acquisition of a home or farm obtained by  
36 the department under ORS 407.135 or 407.145 (1) shall be the rate per annum prescribed by the de-  
37 partment.

38 (6) Notwithstanding subsection (5) of this section, if the provisions of subsections (1) to (3) of  
39 this section have been complied with and no satisfactory bid has been received, the department, af-  
40 ter considering the time value of money, may sell the home or farm at a private negotiated sale at  
41 any price or at any rate of interest, either fixed or variable, that the department considers to be  
42 necessary and prudent to sell the property and that provides an economic benefit to the home and  
43 farm loan program that is equivalent to the property being marketed at the current appraised value  
44 of the property and the rate prescribed under subsection (5) of this section.

45 (7) Except as provided in this subsection, redemption of a home or farm obtained and sold by

1 the department under ORS 407.135 or 407.145 (1) shall be made as provided in ORS 18.960 to 18.985.  
2 When the department accepts improvement of property by a purchaser in lieu of purchase money  
3 or cash down payment under subsection (4) of this section, redemption shall be made by paying an  
4 amount equal to the fair market value of those improvements actually made to the property under  
5 the improvement plan described in subsection (4) of this section, with interest thereon at the rate  
6 of nine percent per annum from the date of sale. The department shall determine the fair market  
7 value of the improvements and such amount shall be paid in addition to the amount of purchase  
8 money and interest thereon required under ORS 18.966 and 18.967.

9 **SECTION 24. ORS 407.115 and 407.265 are repealed.**

10
