AN ACT

Relating to small watercraft; creating new provisions; amending ORS 830.110, 830.565, 830.570, 830.575 and 830.990; repealing section 3, chapter 154, Oregon Laws 2019 (Enrolled House Bill 2076); and prescribing an effective date.

Be It Enacted by the People of the State of Oregon:

SECTION 1. Sections 2 to 7 of this 2019 Act are added to and made a part of ORS chapter 830.

SECTION 2. Waterway Access Fund. (1) The Waterway Access Fund is established in the State Treasury, separate and distinct from the General Fund. Interest earned by the Waterway Access Fund shall be credited to the fund. Moneys in the fund are continuously appropriated to the State Marine Board to carry out the provisions of sections 2 to 7 of this 2019 Act.

(2)(a) The fund consists of:
(A) Moneys deposited into the fund under section 6 of this 2019 Act.
(B) Moneys received under paragraph (b) of this subsection.
(C) Any other moneys appropriated to the fund by the Legislative Assembly.
(b) The board may receive gifts, grants or contributions from any source, whether public or private. Moneys received under this paragraph shall be deposited into the fund.

(3) The board may use the moneys in the fund:
(a) To award grants as provided in sections 3 and 4 of this 2019 Act.
(b) For any other purpose described in sections 2 to 7 of this 2019 Act.

SECTION 3. Grants for nonmotorized boat waterway access. (1) As used in this section, “public body” has the meaning given that term in ORS 174.109.

(2) The State Marine Board may award grants under this section to public bodies, federally recognized Indian tribes in Oregon and federal agencies for the purposes of assisting with:
(a) The purchase of real property, leases or easements in order to provide access to public waterways.
(b) The construction, renovation, expansion or development of public boating facilities, including but not limited to public access to waterways and public sanitation facilities.
(c) The construction, renovation, expansion or development of public play parks for nonmotorized boat use, such as whitewater parks and competition courses.
(3) For the purpose of awarding grants under this section, the board shall develop a priority list, giving highest priority to:
   (a) Projects that serve nonmotorized boat users; and
   (b) Public boating facilities that are determined by the board to have the greatest need for construction, renovation, expansion or development.

(4) The board shall adopt rules for implementing the grant program described in this section.

SECTION 4. Grants for boating safety education and waterway access to underserved communities.

(1) As used in this section:
   (a) “Nonprofit organization” means an organization described in section 501(c)(3) or (4) of the Internal Revenue Code that is exempt from income tax under section 501(a) of the Internal Revenue Code.
   (b) “Public body” has the meaning given that term in ORS 174.109.

(2) The State Marine Board may award, from moneys in the Waterway Access Fund established under section 2 of this 2019 Act and the Boating Safety, Law Enforcement and Facility Account established under ORS 830.140, grants to public bodies, federally recognized Indian tribes in Oregon, private entities and nonprofit organizations, for the purposes of:
   (a) Improving boating safety education; and
   (b) Providing waterway access to underserved communities, as described by the board by rule.

(3) Grants may be awarded under this section to assist in paying for costs incurred to:
   (a) Provide boating safety education;
   (b) Purchase boating equipment; or
   (c) Provide waterway access to underserved communities.

(4) The board shall adopt rules to implement the grant program described in this section.

SECTION 5. Waterway access permit.

(1) Except as provided in subsections (3) and (4) of this section, a person 14 years of age or older shall carry a waterway access permit while operating a nonmotorized boat that is at least 10 feet in length or a sailboat that is at least 10 feet but less than 12 feet in length, in the manner provided by the State Marine Board by rule. The person shall present proof of a permit upon request by a peace officer.

(2) A waterway access permit under this section is transferrable to any nonmotorized boat that is at least 10 feet in length or a sailboat that is at least 10 feet but less than 12 feet in length.

(3) Subsection (1) of this section does not apply to:
   (a) Days that the board designates, by rule, as free boating days and on which the board allows individuals to operate a boat described in subsection (1) of this section without holding an otherwise required waterway access permit.
   (b) A person operating a boat owned by an operator of a boat livery if the operator of a boat livery displays proof of holding a waterway access permit according to rules adopted by the board.
   (c) A person operating a boat on a federally designated wild and scenic river for which a separate fee system is in place.
   (d) A person operating a boat if the person is engaged in law enforcement, public safety or official business of a federal, state or municipal agency, as defined by the board by rule.
   (e) A resident of a bordering state who launches a boat from that bordering state into bordering waters, as defined by the board by rule.
   (f) A person operating a boat if the person holds a nonmotorized boating permit, a registration or a similar authorization that is issued by another state and accepted by the board by rule.
   (g) A person who is a member of a federally recognized Indian tribe in this state and who is engaged in tribal fishing or a tribal ceremony.
(4) The board may adopt rules that provide additional exemptions from the requirement to obtain a permit under subsection (1) of this section.

SECTION 6. Waterway access permit; fees. (1) Notwithstanding ORS 830.790 (3), fees for issuance of a waterway access permit are as follows:

(a) $5 for a one-week permit.
(b) $17 for an annual permit.
(c) $30 for a biennial permit.
(d) The annual fee for an operator of a boat livery that offers nonmotorized boats at least 10 feet in length or sailboats at least 10 feet but less than 12 feet in length is:
   (A) $90 for an operator who owns 6 to 10 nonmotorized boats or sailboats.
   (B) $165 for an operator who owns 11 to 20 nonmotorized boats or sailboats.
   (C) $300 for an operator who owns 21 or more nonmotorized boats or sailboats.

(2) The State Marine Board shall deposit fees received under this section into the Waterway Access Fund established under section 2 of this 2019 Act as follows:

(a) $4 for every one-week permit fee paid.
(b) $12 for every annual permit fee paid.
(c) $20 for every biennial permit fee paid.
(d) $60 for every permit fee paid by an operator of a boat livery who owns 6 to 10 nonmotorized boats or sailboats.
(e) $110 for every permit fee paid by an operator of a boat livery who owns 11 to 20 nonmotorized boats or sailboats.
(f) $200 for every permit fee paid by an operator of a boat livery who owns 21 or more nonmotorized boats or sailboats.

(3) The board shall deposit fees received under this section into the Aquatic Invasive Species Prevention Fund established under ORS 830.585 as follows:

(a) $1 for every one-week permit fee paid.
(b) $5 for every annual permit fee paid.
(c) $10 for every biennial permit fee paid.
(d) $30 for every permit fee paid by an operator of a boat livery who owns 6 to 10 nonmotorized boats or sailboats.
(e) $55 for every permit fee paid by an operator of a boat livery who owns 11 to 20 nonmotorized boats or sailboats.
(f) $100 for every permit fee paid by an operator of a boat livery who owns 21 or more nonmotorized boats or sailboats.

SECTION 7. Waterway access permit; issuance; agents. (1) The State Marine Board shall issue a waterway access permit to a person who pays the fee for the permit described in section 6 of this 2019 Act.

(2) The board may appoint agents to issue waterway access permits.

(3) Agents shall issue waterway access permits in accordance with procedures prescribed by the board by rule and shall charge and collect the waterway access permit fees described in section 6 of this 2019 Act.

(4) The board may authorize an agent who is not a board employee to charge a service fee of $2, in addition to the waterway access permit fee, for the issuance service performed by the agent.

(5) The board may supply the agents with waterway access permits, if applicable.

SECTION 8. The State Marine Board shall collaborate with relevant recreation user groups and organizations and law enforcement agencies that enforce boating regulations for the purpose of educating nonmotorized boat users about the requirement to obtain a waterway access permit under section 5 of this 2019 Act.

SECTION 9. Section 8 of this 2019 Act is repealed on January 2, 2022.

SECTION 10. ORS 830.110 is amended to read:
830.110. In addition to the powers and duties otherwise provided in this chapter, the State Marine Board shall have the power and duty to:

(1) Make all rules necessary to carry out the provisions of this chapter. The rules shall be made in accordance with ORS chapter 183.

(2) Devise a system of identifying numbers for boats, floating homes and boathouses. If an agency of the federal government has an overall system of identification numbering for boats within the United States, the system devised by the board shall conform with the federal system.

(3) Cooperate with state and federal agencies to promote uniformity of the laws relating to boating and their enforcement.

(4) Make contracts necessary to carry out the provisions of ORS 830.060 to 830.140, 830.700 to 830.715, 830.725, 830.730, 830.770, 830.780, 830.785, 830.795 to 830.820 and 830.830 to 830.870 and section 7 of this 2019 Act.

(5) Advise and assist county sheriffs and other peace officers in the enforcement of laws relating to boating.

(6) Study, plan and recommend the development of boating facilities throughout the state which will promote the safety and pleasure of the public through boating.

(7) Publicize the advantage of safe boating.

(8) Accept gifts and grants of property and money to be used to further the purposes of this chapter.

(9) Exempt from any provisions of this chapter any class of boats if it determines that the safety of persons and property will not be materially promoted by the applicability of those provisions to the class of boats. The board may not exempt from numbering any class of boats unless:
   (a) The board determines that the numbering will not materially aid in their identification; and
   (b) The secretary of the department of the federal government under which the United States Coast Guard is operating has exempted from numbering the same boats or classes of boats.

(10) Appoint and require the bonding of agents to issue a temporary permit to operate a boat. In addition to the prescribed fees, the agents may charge the following fee prescribed by the board for their services in issuing the temporary permit:
   
   (a) $2.50 per transaction for calendar years 2008, 2009 and 2010;
   
   (b) $3.75 per transaction for calendar years 2011, 2012 and 2013; and
   
   (c) Beginning in 2014, every three years thereafter, the board shall issue an order revising the fee imposed under paragraph (b) of this subsection on January 1, based on changes in the Portland-Salem, OR-WA, U.S. City Average Consumer Price Index for All Urban Consumers for All Items, as published by the Bureau of Labor Statistics of the United States Department of Labor. The board shall round the amount of the fee to the nearest half-dollar. The revised fee takes effect on January 1 and applies for the following three years.

(11) Publish and distribute to the interested public the boating laws of this state and resumes or explanations of those laws.

(12) Publish and distribute forms for any application required under this chapter and require the use of such forms.

(13) Make rules for the uniform navigational marking of the waters of this state. Such rules shall not conflict with markings prescribed by the United States Coast Guard. No political subdivision or person shall mark the waters of this state in any manner in conflict with the markings prescribed by the board.

(14) Make rules regarding marine toilets and their use consistent with the prevention and control of pollution of the waters of this state and not in conflict with the rules of the Oregon Health Authority or the Environmental Quality Commission.

(15) Institute proceedings to enjoin unlawful obstructions injuring free navigation on the waters of this state.

(16) Make rules regulating water ski course markers, ski jumps and other special use devices placed in the waters of this state. Such rules may regulate the installation and use of the devices and may require a permit.
(17) Adopt rules necessary to carry out and enforce the provisions of ORS 830.950 and 830.955. The rules shall include but need not be limited to:

(a) The kinds of protective covering or physical barriers that are acceptable to be used between a submersible polystyrene device and the water.

(b) Guidelines for the use of submersible polystyrene devices for the repair or maintenance of existing docks or floats.

(18) Adopt rules providing for establishment of a Safe Boating Education Course to be made available to courts and law enforcement agencies within this state for use as a sentencing option for those individuals convicted of boating offenses. The board shall specify the content of the Safe Boating Education Course and shall prescribe procedures for making the course available to local courts and law enforcement agencies, including procedures for promptly notifying such courts whether individuals required to enroll in the course have taken and successfully passed the course. Such rules may provide for administration of the course through nonprofit organizations, such as the United States Coast Guard Auxiliary, United States Power Squadrons or similar groups.

(19) For purposes of ORS 830.175, 830.180, 830.185, 830.187 and 830.195, in cooperation with the State Aviation Board, regulate boats that are seaplanes as provided in ORS 830.605 and 835.200.

SECTION 10a. If House Bill 2118 becomes law, section 10 of this 2019 Act (amending ORS 830.110) is repealed and ORS 830.110, as amended by section 38, chapter 57, Oregon Laws 2019 (Enrolled House Bill 2118), is amended to read:

830.110. In addition to the powers and duties otherwise provided in this chapter, the State Marine Board shall have the power and duty to:

(1) Make all rules necessary to carry out the provisions of this chapter. The rules shall be made in accordance with ORS chapter 183.

(2) Devise a system of identifying numbers for boats, floating homes and boathouses. If an agency of the federal government has an overall system of identification numbering for boats within the United States, the system devised by the board shall conform with the federal system.

(3) Cooperate with state and federal agencies to promote uniformity of the laws relating to boating and their enforcement.

(4) Make contracts necessary to carry out the provisions of ORS 830.060 to 830.140, 830.700 to 830.715, 830.725, 830.730, 830.770, 830.780, 830.785, 830.795 to 830.820 and 830.830 to 830.870 and section 7 of this 2019 Act.

(5) Advise and assist county sheriffs and other peace officers in the enforcement of laws relating to boating.

(6) Study, plan and recommend the development of boating facilities throughout the state which will promote the safety and pleasure of the public through boating.

(7) Publicize the advantage of safe boating.

(8) Accept gifts and grants of property and money to be used to further the purposes of this chapter.

(9) Exempt from any provisions of this chapter any class of boats if it determines that the safety of persons and property will not be materially promoted by the applicability of those provisions to the class of boats. The board may not exempt from numbering any class of boats unless:

(a) The board determines that the numbering will not materially aid in their identification; and

(b) The secretary of the department of the federal government under which the United States Coast Guard is operating has exempted from numbering the same boats or classes of boats.

(10) Appoint and require the bonding of agents to issue a temporary permit to operate a boat. In addition to the prescribed fees, the agents may charge [the following] a fee prescribed by the board for their services in issuing the temporary permit:[].

[(a) $2.50 per transaction for calendar years 2008, 2009 and 2010;]

[(b) $3.75 per transaction for calendar years 2011, 2012 and 2013; and]

[(c) Beginning in 2014, and] Every three years [thereafter,] the board shall issue an order revising the fee imposed under [specified in paragraph (b) of] this subsection on January 1, based on changes in the Consumer Price Index for All Urban Consumers, West Region (All Items), as published by the
Bureau of Labor Statistics of the United States Department of Labor. The board shall round the amount of the fee to the nearest half-dollar. The revised fee takes effect on January 1 and applies for the following three years.

(11) Publish and distribute to the interested public the boating laws of this state and resumes or explanations of those laws.

(12) Publish and distribute forms for any application required under this chapter and require the use of such forms.

(13) Make rules for the uniform navigational marking of the waters of this state. Such rules shall not conflict with markings prescribed by the United States Coast Guard. No political subdivision or person shall mark the waters of this state in any manner in conflict with the markings prescribed by the board.

(14) Make rules regarding marine toilets and their use consistent with the prevention and control of pollution of the waters of this state and not in conflict with the rules of the Oregon Health Authority or the Environmental Quality Commission.

(15) Institute proceedings to enjoin unlawful obstructions injuring free navigation on the waters of this state.

(16) Make rules regulating water ski course markers, ski jumps and other special use devices placed in the waters of this state. Such rules may regulate the installation and use of the devices and may require a permit.

(17) Adopt rules necessary to carry out and enforce the provisions of ORS 830.950 and 830.955. The rules shall include but need not be limited to:

(a) The kinds of protective covering or physical barriers that are acceptable to be used between a submersible polystyrene device and the water.
