Senate Bill 544

Sponsored by Senator RILEY (at the request of Annette Cornish) (Presession filed.)

SUMMARY

The following summary is not prepared by the sponsors of the measure and is not a part of the body thereof subject to consideration by the Legislative Assembly. It is an editor's brief statement of the essential features of the measure as introduced.

Requires ambulances to carry emergency treatment medication for adrenal insufficiency disorder. Authorizes Oregon Health Authority to adopt rules.

Takes effect on 91st day following adjournment sine die.

A BILL FOR AN ACT

Relating to adrenal insufficiency; and prescribing an effective date.

Be It Enacted by the People of the State of Oregon:

SECTION 1. (1) As used in this section, “ambulance” has the meaning given that term in ORS 682.025.

(2) An ambulance shall carry emergency treatment medication for adrenal insufficiency disorder.

(3) The Oregon Health Authority may adopt rules to carry out this section, including rules regarding training on the use of emergency treatment medication for adrenal insufficiency disorder and best practices for administering emergency treatment medication for adrenal insufficiency disorder.

SECTION 2. (1) Section 1 of this 2019 Act becomes operative on January 1, 2020.

(2) The Oregon Health Authority may take any action before the operative date specified in subsection (1) of this section that is necessary to enable the authority to exercise, on and after the operative date specified in subsection (1) of this section, all of the duties, functions and powers conferred on the authority by section 1 of this 2019 Act.

SECTION 3. This 2019 Act takes effect on the 91st day after the date on which the 2019 regular session of the Eightieth Legislative Assembly adjourns sine die.
