4 **secutive calendar years of membership that produce the highest average salary, including**
5 **calendar years in which the member was employed for less than a full calendar year. If the**
6 **number of consecutive calendar years of active membership before the effective date of re-**
7 **irement of the member is five or less, the final average salary for the member is the aver-**
8 **age salary per calendar year earned by the member in all of those years, without regard to**
9 **whether the member was employed for full calendar years.**

10 [(b)] (c) One-third of the total salary earned by an active member in the last 36 calendar months
11 of membership before the effective date of retirement of the member **and before January 1, 2020.**

12 **(d) One-fifth of the total salary earned by an active member in the last 60 calendar**
13 **months of membership before the effective date of retirement of the member.**

14 (4) For the purposes of calculating the final average salary of a member under this section, the
15 salary of the member does not include:

16 (a) Any amounts attributable to hours of overtime that exceed the average number of hours of
17 overtime for the same class of employees as established by rule of the Public Employees Retirement
18 Board. The Oregon Department of Administrative Services shall establish by rule more than one
19 overtime average for a class of state employees based on the geographic placement of the employees.

20 (b) Any increases in salary during the last [36] **60** calendar months of membership before the
21 effective date of retirement of the member that:

22 (A) Are made by an employer to pay for insurance coverage previously paid for by the employer;
23 and

24 (B) Are not offered to all employees in the same class of employees as established by rule of the
25 board under paragraph (a) of this subsection.

26 **SECTION 4.** ORS 238.350 is amended to read:

27 238.350. (1)(a) Upon the request by a public employer that its employees be compensated for
28 accumulated unused sick leave with pay in the form of increased retirement benefits upon service
29 or disability retirement, the board shall establish a procedure for adding to the gross amount of
30 salary used in determining final average salary the monetary value of one-half of the accumulated
31 unused sick leave with pay of each retiring employee of the requesting public employer and shall
32 establish benefits of the retiring employee on the basis of a final average salary reflecting that ad-
33 dition.

34 (b) For employees of a common school district, a union high school district, an education service
35 district or an institution of higher education engaged in teaching or other school activity, or em-
36 ployees of the school operated under ORS 346.010 engaged in teaching or other school activity, who
37 are employed under contract for a period of less than 12 consecutive months and who are entitled
38 to sick leave with pay of less than 96 hours for a year, each hour of accumulated unused sick leave
39 with pay shall be valued on the basis of the actual number of contract hours of employment during
40 the last year of contributing membership of an employee before retiring and the salary of the em-
41 ployee during the same period. This paragraph does not apply to any employee who is employed
42 under contract for 12 consecutive months in [*any of the three or less years*] **the period or periods**
43 used in determining the final average salary of the employee.

44 (c) For the purpose of this subsection, accumulated unused sick leave with pay includes unused
45 sick leave with pay accumulated by an active member of the system while in the service of any

1 public employer participating in the system that has the request described in paragraph (a) of this
2 subsection in effect at the time of the member's separation from the service of the employer, whether
3 that employer is or is not the employer of the member at the time of the member's retirement.

4 (d) The board shall establish rules requiring all public employers participating in the system to
5 transmit to the board reports of unused sick leave with pay accumulated by their employees who
6 are members of the system and to provide timely notification to each of those employees of unused
7 sick leave with pay accumulated by the employee and reported to the board.

8 (2) Accumulated unused sick leave with pay may be considered for the purpose of subsection (1)
9 of this section only in accordance with the following requirements:

10 (a) Sick leave not credited at the rate actually provided by the public employer may not be
11 considered. The amount of sick leave exceeding an amount credited at the lowest rate in effect for
12 any employee of the public employer who is normally entitled to sick leave, and in any event ex-
13 ceeding an amount credited at a rate of eight hours for each full month worked, may not be con-
14 sidered.

15 (b) Sick leave credited for periods when an employee was absent from employment on sabbatical
16 leave, educational leave or any leave without pay may not be considered.

17 (c) Any period during which an employee was absent from employment for illness or injury that
18 was charged against sick leave not qualified for consideration shall be deducted from sick leave
19 qualified for consideration.

20 (d) Sick leave for any period for which the public employer provides no sick leave with pay for
21 its employees may not be considered.

22 (e) Sick leave accumulated on and after July 1, 1973, may be considered only to the extent it is
23 supported by records of accumulation and use pursuant to a plan adopted formally by the public
24 employer.

25 (f) Accumulated unused sick leave for periods before July 1, 1973, may be considered as follows:

26 (A) If any department, bureau or other organizational unit of a public employer maintained
27 formal records of accumulation and use even though the public employer did not require that those
28 records be maintained, the accumulated unused sick leave shall be considered according to those
29 records.

30 (B) Where the public employer provided sick leave before July 1, 1973, but formal records of
31 accumulation and use were not required or if required, are unavailable or incomplete, or the sick
32 leave was subject to administrative limitations on total accumulation or transfer between public
33 employers, accumulated unused sick leave for periods before July 1, 1973, may be considered as
34 equal to 2.675 hours for each full month worked or an amount per month equal to the average
35 monthly accumulation by an employee during the period beginning July 1, 1973, and ending at the
36 time of retirement, whichever amount is greater, but reduced by the amount of any accumulated
37 unused sick leave credited to the employee on July 1, 1973.

38 (g) The written certification of a member or former member of the Legislative Assembly shall
39 constitute a formal record of accumulation and use in determining the amount of accumulated un-
40 used sick leave of an employee of the Legislative Assembly, either of its houses or any of its com-
41 mittees or officers for periods of employment before July 1, 1981. Sick leave accumulated on and
42 after July 1, 1981, by employees of the Legislative Assembly, either of its houses or any of its com-
43 mittees or officers may be considered only to the extent it is supported by records of accumulation
44 and use maintained by the Legislative Administration Committee, or any statutory, standing, special
45 or interim committee of the Legislative Assembly or either house thereof, or any constitutional or

1 statutory office of the Legislative Assembly or either house thereof, pursuant to a plan adopted
2 formally by the committee or officer.

3 (3)(a) As used in this subsection, "legislative employee" means any person employed by the
4 Legislative Assembly, either of its houses or any of its committees or officers, but does not include
5 a regular employee of a statutory committee or statutory office of the Legislative Assembly de-
6 scribed in ORS 173.005 (1).

7 (b) Upon the request of a retiring legislative employee who is a member of the system, and the
8 request of the public employer of the legislative employee, that the legislative employee be com-
9 pensated for accumulated unused vacation with pay for periods of legislative employment in the form
10 of increased retirement benefits upon service or disability retirement, the board shall add to the
11 gross amount of salary used in determining final average salary of the legislative employee the
12 monetary value of one-half of the accumulated unused vacation with pay of the legislative employee
13 and shall establish the benefits of the legislative employee on the basis of a final average salary
14 reflecting that addition.

15 (c) Accumulated unused vacation with pay may be considered for the purposes of paragraph (b)
16 of this subsection only in accordance with the following requirements:

17 (A) Vacation not credited at the rate actually provided by the public employer may not be
18 considered.

19 (B) Amounts of vacation exceeding amounts creditable to employees in the classified service of
20 the state service pursuant to ORS 240.515 (1), and rules adopted pursuant thereto, in effect on June
21 30, 1981, shall not be considered.

22 (C) Vacation accumulated before, on and after July 1, 1981, may be considered only to the extent
23 it is supported by records of accumulation and use pursuant to a plan adopted formally by the public
24 employer. However, the written certification of a member or former member of the Legislative As-
25 sembly shall constitute a formal record of accumulation and use in determining the amount of ac-
26 cumulated unused vacation of a legislative employee for periods of legislative employment before
27 July 1, 1981.

28 (4) Employers with plans providing payments on account of sickness in lieu of sick leave with
29 pay may request the board to consider the monetary value of accumulated unused payments on ac-
30 count of sickness as if such payments were an equivalent amount of accumulated unused sick leave
31 with pay under the same terms and conditions specified in subsections (1) and (2) of this section.

32 **SECTION 5. The amendments to ORS 238.005, 238.350, 238.435 and 238A.130 by sections 1**
33 **to 4 of this 2019 Act apply only to a member of the Public Employees Retirement System**
34 **whose effective date of retirement is on or after January 1, 2020.**

35 **SECTION 6. (1) As soon as practicable after the effective date of this 2019 Act, the Public**
36 **Employees Retirement Board shall:**

37 **(a) Determine the amount of savings in employer contributions that are attributable to**
38 **the provisions of this 2019 Act; and**

39 **(b) Recalculate the contribution rates of all employers, pursuant to ORS 238.225, to re-**
40 **fect the provisions of this 2019 Act.**

41 **(2) The board shall issue corrected contribution rate orders to employers affected by**
42 **rates recalculated under this section as soon as is practicable after the effective date of this**
43 **2019 Act. The corrected rates are effective July 1, 2019.**

44 **SECTION 7. (1) Jurisdiction is conferred on the Supreme Court to determine in the**
45 **manner provided by this section whether this 2019 Act breaches any contract between**

1 members of the Public Employees Retirement System and their employers or violates any
 2 provision of the Oregon Constitution or of the United States Constitution, including but not
 3 limited to impairment of contract rights of members of the Public Employees Retirement
 4 System under Article I, section 21, of the Oregon Constitution, or Article I, section 10, clause
 5 1, of the United States Constitution.

6 (2) A person who is adversely affected by this 2019 Act or who will be adversely affected
 7 by this 2019 Act may institute a proceeding for review by filing with the Supreme Court a
 8 petition that meets the following requirements:

9 (a) The petition must be filed within 60 days after the effective date of this 2019 Act.

10 (b) The petition must include the following:

11 (A) A statement of the basis of the challenge; and

12 (B) A statement and supporting affidavit showing how the petitioner is adversely af-
 13 fected.

14 (3) The petitioner shall serve a copy of the petition by registered or certified mail upon
 15 the Public Employees Retirement Board, the Attorney General and the Governor.

16 (4) Proceedings for review under this section shall be given priority over all other mat-
 17 ters before the Supreme Court.

18 (5) The Supreme Court shall allow public employers participating in the Public Employees
 19 Retirement System to intervene in any proceeding under this section.

20 (6)(a) The Supreme Court shall allow members of the Legislative Assembly to intervene
 21 in any proceeding relating to this 2019 Act. After a member intervenes in a proceeding re-
 22 lating to this 2019 Act, the member has standing to participate in the proceeding even if the
 23 member ceases to be a member of the Legislative Assembly.

24 (b) A member of the Senate or the House of Representatives who intervenes in a pro-
 25 ceeding under this subsection may not use public funds to pay legal expenses incurred in
 26 intervening or participating in the proceeding.

27 (7) In the event the Supreme Court determines that there are factual issues in the peti-
 28 tion, the Supreme Court may appoint a special master to hear evidence and to prepare re-
 29 commended findings of fact.

30 (8) The Supreme Court may not award attorney fees to a petitioner in a proceeding under
 31 this section.
