(B) Refrain from copying any of the information; and

(C) Return the information to the owner when the negotiations to purchase the [park] facility are completed or terminated.

(5) Within 15 days after delivery of the financial information described in subsection (3) of this section, or within 15 days after the end of the 10-day period described in subsection (1) of this section when the representative of the tenants committee does not request financial information under subsection (2) of this section, if the tenants choose to continue competing to purchase the [park] facility, the tenants committee must:

(a) Form a corporate entity under ORS chapter 60, 62 or 65 that is legally capable of purchasing real property or associate with a nonprofit corporation or housing authority that is legally capable of purchasing real property or that is advising the tenants about purchasing the [park] facility in which the tenants reside.

(b) Submit to the owner a written offer to purchase the [park] facility, in the form of a proposed purchase and sale agreement, and either a copy of the articles of incorporation of the corporate entity or other evidence of the legal capacity of the formed or associated corporate entity to purchase real property.

(6)(a) The owner may accept the offer to purchase in the tenants committee’s purchase and sale agreement, reject the offer or submit a counteroffer.

(b) If the parties reach agreement on the purchase, the purchase and sale agreement must specify the price, due diligence duties, schedules, timelines, conditions and any extensions.

(c) If the tenants do not act as required within the time periods described in this section and ORS 90.842, if the tenants violate the confidentiality agreement described in this section or if the parties do not reach agreement on a purchase, the owner is not obligated to take additional action under ORS 90.842 to 90.850.

SECTION 26. ORS 90.846 is amended to read:

90.846. (1) During the process described in ORS 90.842 to 90.850, the parties shall act in a commercially reasonable manner.

(2) Except as provided in ORS 90.848, before selling a [manufactured dwelling park] facility to an entity that is not formed by or associated with the tenants, the owner of the [park] facility must give the notice required by ORS 90.842 and comply with the requirements of ORS 90.844.
(3) A minor error in providing the notice required by ORS 90.842 or in providing the financial information required by ORS 90.844 does not prevent the owner from selling the [park] facility to an entity that is not formed by or associated with the tenants and does not cause the owner to be liable to the tenants for damages or a penalty.

(4) During the process described in ORS 90.842 to 90.850, the owner may seek, or negotiate with, potential purchasers other than the tenants or an entity formed by or associated with the tenants.

(5) If the owner does not comply with requirements of this section and ORS 90.842 and 90.844, in a substantial way that prevents the tenants from competing to purchase the [park] facility, the tenants may:
   (a) Obtain injunctive relief to prevent a sale or transfer to an entity that is not formed by or associated with the tenants when the owner has not caused an affidavit to be recorded before the sale or transfer pursuant to ORS 90.850.
   (b) Recover actual damages or twice the rent from the owner for each tenant, whichever is greater.

(6) If a tenant misuses or discloses, in a substantial way, confidential information in violation of a confidentiality agreement described in ORS 90.844, the owner may recover actual damages from the tenant.

(7) The [Office of Manufactured Dwelling Park Community Relations] Manufactured and Marina Communities Division of the Housing and Community Services Department shall prepare and make available information for tenants about purchasing a [manufactured dwelling park] facility.

SECTION 27. ORS 90.848 is amended to read:

90.848. (1) With regard to a sale or transfer of a [manufactured dwelling park] facility, ORS 90.842, 90.844 and 90.846 do not apply to:
   (a) Any sale or transfer to an individual who would be included within the table of descent and distribution if the owner of the [manufactured dwelling park] facility were to die intestate.
   (b) Any transfer by gift, devise or operation of law.
   (c) Any sale or transfer by a corporation to an affiliate.
   (d) Any sale or transfer by a partnership to any of its partners.
   (e) Any sale or transfer of an interest in a limited liability company to any of the limited liability company's members.
   (f) Any conveyance of an interest in a [park] facility incidental to the financing of the [park] facility.
   (g) Any conveyance resulting from the foreclosure of a mortgage, deed of trust or other instrument encumbering a [park] facility or any deed given in lieu of a foreclosure.
   (h) Any sale or transfer between or among joint tenants or tenants in common owning a [park] facility.
   (i) Any sale or transfer in which the [park] facility satisfies the purchaser's requirement to make a like-kind exchange under section 1031 of the Internal Revenue Code.
   (j) Any purchase of a [park] facility by a governmental entity under the entity's powers of eminent domain.
   (k) Any transfer to a charitable trust.

(2) As used in this section, “affiliate” means any shareholder of the selling or transferring corporation, any corporation or entity owned or controlled, directly or indirectly, by the selling or transferring corporation or any other corporation or entity owned or controlled, directly or indirectly, by any shareholder of the selling or transferring corporation.
SECTION 28. ORS 90.849 is amended to read:

90.849. In addition to providing notice as required by ORS 90.842, upon sale of a [manufactured dwelling park] facility under ORS 90.842 to 90.850 or upon any sale, transfer, exchange or other conveyance of a [manufactured dwelling park] facility described in ORS 90.848, the owner shall give notice of the conveyance to the [Office of Manufactured Dwelling Park Community Relations] Manufactured and Marina Communities Division stating:

(1) The number of vacant spaces and homes in the [manufactured dwelling park] facility;
(2) If applicable, the final sale price of the [manufactured dwelling park] facility;
(3) The date the conveyance became final; and
(4) The name, address and telephone number of the new owner.

SECTION 29. ORS 90.850 is amended to read:

90.850. (1) A [manufactured dwelling park] facility owner may present for recordation, in the County Clerk Lien Record of the county in which the [manufactured dwelling park] facility is located, an affidavit in which the owner certifies that:

(a) The owner has complied with the requirements of ORS 90.842, 90.844 and 90.846 with reference to an offer by the owner for the sale or transfer of the [park] facility.

(b) The owner has complied with the requirements of ORS 90.842, 90.844 and 90.846 with reference to an offer received by the owner for the purchase or transfer of the [park] facility or to a counteroffer the owner has made or intends to make.

(c) The owner has not entered into a contract for the sale or transfer of the [park] facility to an entity formed by or associated with the tenants.

(d) ORS 90.842, 90.844 and 90.846 do not apply to a particular sale or transfer of the [park] facility pursuant to ORS 90.848.

(2) The following parties have an absolute right to rely on the truth and accuracy of all statements appearing in the affidavit and are not obligated to inquire further as to any matter or fact relating to the owner’s compliance with ORS 90.842, 90.844 and 90.846:

(a) A party that acquires an interest in a [park] facility.

(b) A title insurance company, or an attorney, that prepares, furnishes or examines evidence of title.

(3) The purpose and intention of this section is to preserve the marketability of title to [parks] facilities. Accordingly, the provisions of this section must be liberally construed in order that all persons may rely on the record title to [parks] facilities.

FACILITY UTILITY BILLING METHODS

SECTION 30. ORS 90.532 is amended to read:

90.532. (1) Subject to the policies of the utility or service provider, [a landlord may, except as provided in subsections (2) to (5) of this section,] a landlord may provide for utilities or services to tenants by one or more of the following billing methods:

(a) A relationship between the tenant and the utility or service provider in which:

(A) The provider provides the utility or service directly to the tenant’s space, including any utility or service line, and bills the tenant directly; and

(B) The landlord does not act as a provider.

(b) A relationship between the landlord, tenant and utility or service provider in which:

(A) The provider provides the utility or service to the landlord;
(B) The landlord provides the utility or service directly to the tenant’s space or to a common area available to the tenant as part of the tenancy; and

(C) The landlord:

(i) Includes the cost of the utility or service in the tenant’s rent; or

(ii) Bills the tenant for a utility or service charge separately from the rent in an amount determined by apportioning on a pro rata basis the provider’s charge to the landlord as measured by a master meter.

(c) A relationship between the landlord, tenant and utility or service provider in which:

(A) The provider provides the utility or service to the landlord;

(B) The landlord provides the utility or service directly to the tenant’s space; and

(C) The landlord uses a submeter to measure the utility or service actually provided to the space and bills the tenant for a utility or service charge for the amount provided.

(2) A landlord may not use a separately charged pro rata apportionment billing method as described in subsection (1)(b)(C)(ii) of this section:

(a) For garbage collection and disposal, unless the pro rata apportionment is based upon the number and size of the garbage receptacles used by the tenant.

(b) For water service, if the rental agreement for the dwelling unit was entered into on or after January 1, 2010, unless the landlord was using a separately charged pro rata apportionment billing method for all tenants in the facility immediately before January 1, 2010.

(c) For sewer service, if sewer service is measured by consumption of water and the rental agreement for the dwelling unit was entered into on or after January 1, 2010, unless the landlord was using a separately charged pro rata apportionment billing method for all tenants in the facility immediately before January 1, 2010.

(3) [Except as allowed by subsection (2) of this section for rental agreements entered into on or after January 1, 2010.] A landlord [and tenant] may not [amend a rental agreement to] convert [water or sewer] utility [and] or service billing from a method described in subsection [(1)(b)(C)(ii)] (1)(b)(C)(i) of this section to a method described in subsection [(1)(b)(C)(ii)] (1)(b)(C)(i) of this section.

(4) Except as provided in ORS 90.543 (3), a landlord for a manufactured dwelling park containing 200 or more spaces in the facility may not assess a tenant a utility or service charge for water by using the billing method described in subsection (1)(b)(C)(ii) of this section.

(5)(a) A landlord of a manufactured dwelling park built after June 23, 2011, may use only the submeter billing method described in subsection (1)(c) of this section for the provision of water.

(b) A landlord of a manufactured dwelling park that expands to add spaces after June 23, 2011, may use only the submeter billing method described in subsection (1)(c) of this section for the provision of water to any spaces added in excess of 200.

(6) To assess a tenant for a utility or service charge for any billing period using the billing method described in subsection (1)(b)(C)(ii) or (c) of this section, the landlord shall give the tenant a written notice, including notice by electronic means if allowed for in the landlord’s written description of the billing method, stating the amount of the utility or service charge that the tenant is to pay the landlord and the due date for making the payment. The due date may not be before the date of service of the notice. The amount of the charge is determined as described in ORS 90.534 or 90.536. [If the rental agreement allows delivery of notice of a utility or service charge by electronic means, for purposes of this subsection, “written notice” includes a communication that is transmitted in a manner that is electronic, as defined in ORS 84.004.] If the landlord includes in the notice a statement of the rent due, the landlord shall separately and clearly state the amount of the
rent and the amount of the utility or service charge.

(7) A utility or service charge is not rent or a fee. Nonpayment of a utility or service charge is not grounds for termination of a rental agreement for nonpayment of rent under ORS 90.394, but is grounds for termination of a rental agreement for cause under ORS 90.630. A landlord may not give a notice of termination of a rental agreement under ORS 90.630 for nonpayment of a utility or service charge sooner than the eighth day, including the first day the utility or service charge is due, after the landlord gives the tenant the written notice stating the amount of the utility or service charge.

(8) The landlord is responsible for maintaining the utility or service system, including any sub-meter, consistent with ORS 90.730. The landlord shall ensure that any system does not interfere with the tenant's access to the dwelling or home. The landlord shall ensure that any system is adequately insulated or located to prevent damage from freezing or weather. After any installation or maintenance of the system on a tenant's space, the landlord shall restore the space to a condition that is the same as or better than the condition of the space before the installation or maintenance.

(9) A landlord may not assess a utility or service charge for water unless the water is provided to the landlord by a:

(a) Public utility as defined in ORS 757.005;
(b) Municipal utility operating under ORS chapter 225;
(c) People's utility district organized under ORS chapter 261;
(d) Cooperative organized under ORS chapter 62;
(e) Domestic water supply district organized under ORS chapter 264; or
(f) Water improvement district organized under ORS chapter 552.

(10) A landlord that provides utilities or services only to tenants of the landlord in compliance with this section and ORS 90.534 and 90.536 is not a public utility for purposes of ORS chapter 757.

(11) The authority granted in this section for a utility or service provider to apply policy regarding the billing methods described in subsection (1) of this section does not authorize the utility or service provider to dictate either the amount billed to tenants or the rate at which tenants are billed under ORS 90.534 or 90.536.

SECTION 31. ORS 90.534 is amended to read:

90.534. (1) [If a written rental agreement so provides.] A landlord using the pro rata billing method described in ORS 90.532 (1)(b)(C)(ii) may require a tenant to pay to the landlord a utility or service charge that has been billed by a utility or service provider to the landlord for a utility or service, including a public service charge, as defined in ORS 90.315 (1), provided directly to the tenant's space or to a common area available to the tenant as part of the tenancy. [A landlord may not unilaterally amend a rental agreement to convert utility and service billing from a method described in ORS 90.532 (1)(b)(C)(ii) to a method described in ORS 90.532 (1)(b)(C)(ii).]

(2)(a) As used in this subsection, “occupied” means that a tenant resides in the dwelling or home during each month for which the utility or service is billed.

(b) A utility or service charge that is assessed on a pro rata basis to tenants for the tenants' spaces under this section must be allocated among the tenants by a method that reasonably apportions the cost among the affected tenants [and that is described in the rental agreement].

(c) Methods that reasonably apportion the cost among the tenants include, but are not limited to, methods that divide the cost based on:

(A) The number of occupied spaces in the facility;
(B) The number of tenants or occupants in the dwelling or home compared with the number of tenants or occupants in the facility, if there is a correlation with consumption of the utility or service; or

(C) The square footage in each dwelling, home or space compared with the total square footage of occupied dwellings or homes in the facility, if there is a correlation with consumption of the utility or service.

(3) A utility or service charge to be assessed to a tenant for a common area must be described in the written rental agreement or rules and regulations separately and distinctly from the utility or service charge for the tenant’s space.

(4) A landlord may not:

(a) Bill or collect more money from tenants for utilities or services than the utility or service provider charges the landlord.

(b) Increase the utility or service charge to the tenant by adding any costs of the landlord, such as a handling or administrative charge.

(5) Notwithstanding any provision to the contrary in the rental agreement, a landlord may amend the landlord’s rules and regulations to convert a tenant’s existing billing method from a method described in ORS 90.532 (1)(b)(C)(i) to a pro rata billing method described in ORS 90.532 (1)(b)(C)(ii), only if the landlord:

(a) Provides 90 days’ written notice of the conversion in method;

(b) Reduces the tenant’s rent on a pro rata basis upon the landlord’s first billing of the tenant using the pro rata method;

(c) At least 60 days before the conversion, and with no less than 14 days written notice to each tenant, holds a meeting on or near the facility in which the changes to the billing method are explained to the tenants; and

(d) After the conversion, no less frequently than once every three years:

(A) Conducts testing of every portion of any utility or service lines that serve the common areas and up to any delivery point to the tenants;

(B) Makes the results of any testing available to the tenants; and

(C) Fixes any leaks discovered within a reasonable time.

(6) A landlord may not convert billing to a pro rata billing method under subsection (5) of this section less than one year after giving notice of a rent increase, unless the rent increase is an automatic increase provided for in a fixed term rental agreement entered into before the notice of conversion.

SECTION 32. ORS 90.536 is amended to read:

90.536. (1) If [a] allowed by a written rental agreement or facility rules and regulations [so provides], a landlord using the submeter billing method described in ORS 90.532 (1)(c) may require a tenant to pay to the landlord a utility or service charge, including a public service charge, as defined in ORS 90.315 (1), that has been billed by a utility or service provider to the landlord for utility or service provided directly to the tenant’s space as measured by a submeter.

(2) A utility or service charge to be assessed to a tenant under this section may consist of only:

(a) The cost of the utility or service provided to the tenant’s space and under the tenant’s control, as measured by the submeter, at a rate no greater than the average rate billed to the landlord by the utility or service provider, not including any base or service charge;

(b) The cost of any sewer service for wastewater as a percentage of the tenant’s water charge.
as measured by a submeter, if the utility or service provider charges the landlord for sewer service
as a percentage of water provided;

(c) A pro rata portion of the cost of sewer service for storm water and wastewater if the utility
or service provider does not charge the landlord for sewer service as a percentage of water pro-
vided;

(d) A pro rata portion of costs to provide a utility or service to a common area;

(e) A pro rata portion of any base or service charge billed to the landlord by the utility or
service provider, including but not limited to any tax passed through by the provider; and

(f) A pro rata portion of the cost to read water meters and to bill tenants for water if:

(A) A third party service reads the meters and bills tenants for the landlord; and

(B) The charges do not include any costs for repairs, maintenance or inspections; and

[(B)] (C) The landlord allows the tenants to inspect the third party’s billing records as provided
by ORS 90.538.

(3) Except as provided in subsection (2) of this section, the landlord may not bill or collect more
money from tenants for utilities or services than the utility or service provider charges the landlord.
A utility or service charge to be assessed to a tenant under this section may not include any addi-
tional charge, including any costs of the landlord, for the installation or maintenance of the utility
or service system or any profit for the landlord.

(4) Nothing in ORS 90.531 to 90.539 gives a tenant any right to demand an inspection or
testing of a submeter.

SECTION 33. ORS 90.537 is amended to read:

ORS 90.537. (1) A landlord may unilaterally amend a rental agreement Notwithstanding any pro-
vision to the contrary in the rental agreement, a landlord may amend its facility policies to
convert a tenant’s existing utility or service billing method from a method described in ORS 90.532
(1)(b) to a submeter billing method described in ORS 90.532 (1)(c) as provided in this section.

(2) The landlord shall give the tenant not less than 180 days’ written notice before con-
verting to a submeter billing method. The landlord may extend without limit the date for con-
verting to a submeter billing method in written subsequent notices delivered before the
expiration of the notice period and extending the conversion date by no less than 30 days
from the date of the subsequent notice. The notice must include:

(a) The landlord’s planned changes to the billing system and the methodology under
which the new submeter billing system would work; and

(b) If the submeter billing method is based on water or wastewater usage, a copy of any
handout developed by the Manufactured and Marina Communities Division explaining the
conversion process.

(3) After giving the notice described in subsection (2) of this section but before convert-
ing to the submeter billing method, the landlord shall:

(a) At least 60 days prior to the installation of any submeter and at least 14 days after
delivering written notice of the meeting to the tenants, hold a meeting on or near the facility
explaining the submeter installation and the changes in the billing method to the tenants;

(b) Provide each tenant with written documentation from the utility or service provider
showing the landlord’s cost for the utility or service provided to the facility during at least
the preceding year; and

(c) After the installation of the submeter, deliver to each tenant for three consecutive
months a mock-up of the billing for the proposed submeter billing method showing for each
tenant:
(A) The rate the tenant would be billed for the month under the submeter billing method;
(B) Any special assessment charge, or an estimate of the special assessment charge, that
would occur under subsection (6)(b) of this section; and
(C) Any rent reduction, or an estimate of the rent reduction, that would occur under
subsection (5) of this section.

[(2)] (4) A landlord must give notice as provided in ORS 90.725 before entering a tenant’s space
install or maintain a utility or service line or a submeter that measures the amount of a provided
utility or service.

[(3)] (5) If the cost of the tenant’s utility or service was included in the rent before the con-
version to submeters, the landlord shall reduce the tenant’s rent [on a pro rata basis upon] beginning with the landlord’s first billing of the tenant using the submeter method. The rent reduction may not be by no less than an amount reasonably comparable to the amount of the rent previously allocated to the utility or service cost averaged over at least the preceding one year. A landlord may not convert billing to a submeter method less than one year after giving notice of a rent in-
crease, unless the rent increase is an automatic increase provided for in a fixed term rental agree-
ment entered into one year or more before the conversion. [Before the landlord first bills the tenant
using the submeter method, the landlord shall provide the tenant with written documentation from the
utility or service provider showing the landlord’s cost for the utility or service provided to the facility
during at least the preceding year.]

[(4)] (6) A landlord that installs submeters [pursuant to] under this section may recover from a
tenant the cost of installing the submeters, including costs to improve or repair existing utility or
service system infrastructure necessitated by the installation of the submeters, only as follows:
(a) By raising the rent, as with any capital expense in the facility, except that the landlord may
not raise the rent for this purpose within the first six months after installation of the submeters;
or
(b) In a manufactured dwelling park, by imposing a special assessment pursuant to a written
special assessment plan adopted unilaterally by the landlord. The plan may include only the
landlord’s actual costs to be recovered on a pro rata basis from each tenant with payments due no
more frequently than monthly over a period of at least 60 months. Payments must be [assessed as
part of] itemized as a separate charge from rent or the utility or service charge. The landlord
must give each tenant a copy of the plan at least 90 days before the first payment is due. Payments
may not be due before the completion of the installation[, but] and must begin within six months
after completion. A new tenant of a space subject to the plan may be required to make payments
under the plan. Payments must end when the plan ends. The landlord is not required to provide an
accounting of plan payments made during or after the end of the plan.

[(5)] (7) A landlord that converts to a submeter billing method under this section from the rent
billing method described in ORS 90.532 (1)(b)(C)(i) may unilaterally, and at the same time as the
conversion to submeters, convert the billing for common areas to the pro rata billing method de-
scribed in ORS 90.532 (1)(b)(C)(ii) by including the change in the notice required by subsection (1)
of this section. If the landlord continues to use the rent billing method for common areas, the
landlord may offset against the rent reduction required by subsection [(3)] (5) of this section an
amount that reflects the cost of serving the common areas. If the utility or service provider cannot
provide an accurate cost for the service to the common areas, the landlord shall assume the cost
of serving the common areas to be 20 percent of the total cost billed. This offset is not available if
the landlord chooses to bill for the common areas using the pro rata method.

[(6)] (8) If storm water service and wastewater service are not measured by the submeter, a landlord that installs submeters to measure water consumption under this section and converts to a submeter billing method from the rent billing method described in ORS 90.532 (1)(b)(C)(i) may continue to recover the cost of the storm water service or wastewater service in the rent or may unilaterally, and at the same time as the conversion to submeters, convert the billing for the storm water service or wastewater service to the pro rata billing method described in ORS 90.532 (1)(b)(C)(ii) by including the change in the notice required by subsection [(1)] (2) of this section. If the landlord converts the billing for the storm water service or wastewater service to the pro rata billing method, the landlord must reduce the rent to reflect that charge, as required by subsection [(3)] (5) of this section.

[(7)] (9) [A rental agreement] Facility rules and regulations amended under this section shall include language that fairly describes the provisions of this section.

[(8)] (10) If a landlord installs a submeter on an existing utility or service line to a space or common area that is already served by that line, unless the installation causes a system upgrade, a local government may not assess a system development charge as defined in ORS 223.299 as a result of the installation.

SECTION 34. The amendments to ORS 90.532, 90.534, 90.536 and 90.537 by sections 30 to 33 of this 2019 Act do not apply to billing methods adopted or for which a notice of conversion of a billing method was given before the effective date of this 2019 Act.

SECTION 35. ORS 90.538 is amended to read:

90.538. (1) A landlord shall, upon written request by the tenant, make available for inspection by the tenant all utility billing records relating to a utility or service charge billed to the tenant by the landlord during the preceding year. The landlord shall make the records available to the tenant during normal business hours at an on-site manager’s office or at a location agreed to by the landlord and tenant. A tenant may not abuse the right to inspect utility or service charge records or use the right to harass the landlord.

(2) If a landlord fails to comply with a provision of ORS 90.531 to 90.539 or 90.543, the tenant may recover from the landlord [an amount equal to] the greater of:

(a) One month’s periodic rent; or

(b) Twice the amount of the tenant’s actual damages, including any amount wrongfully charged to the tenant, whichever is greater].

SECTION 36. ORS 90.510 is amended to read:

90.510. (1) Every landlord who rents a space for a manufactured dwelling or floating home shall provide a written statement of policy to prospective and existing tenants. The purpose of the statement of policy is to provide disclosure of the landlord’s policies to prospective tenants and to existing tenants who have not previously received a statement of policy. The statement of policy is not a part of the rental agreement. The statement of policy shall provide all of the following information in summary form:

(a) The location and approximate size of the space to be rented.

(b) The federal fair-housing age classification and present zoning that affect the use of the rented space.

(c) The facility policy regarding rent adjustment and a rent history for the space to be rented. The rent history must, at a minimum, show the rent amounts on January 1 of each of the five preceding calendar years or during the length of the landlord’s ownership, leasing or subleasing of the
facility, whichever period is shorter.
(d) The personal property, services and facilities that are provided by the landlord.
(e) The installation charges that are imposed by the landlord and the installation fees that are
imposed by government agencies.
(f) The facility policy regarding rental agreement termination including, but not limited to, clos-
ure of the facility.
(g) The facility policy regarding facility sale.
(h) The facility policy regarding informal dispute resolution.
(i) The utilities and services that are available, the name of the person furnishing them and the
name of the person responsible for payment.

described in ORS 90.531 to 90.539.
(k) If a tenants' association exists for the facility, a one-page summary about the tenants'
association. The tenants' association shall provide the summary to the landlord.
(l) Any facility policy regarding the removal of a manufactured dwelling, including a
statement that removal requirements may impact the market value of a dwelling.
(m) Any facility policy regarding the planting of trees on the rented space for a manufac-
tured dwelling.
(2) The rental agreement and the facility rules and regulations must be attached as an
exhibit to the statement of policy. If the recipient of the statement of policy is a tenant, the rental
agreement attached to the statement of policy must be a copy of the agreement entered by the
landlord and tenant.
(3) The landlord shall give:
(a) Prospective tenants a copy of the statement of policy before the prospective tenants sign
rental agreements;
(b) Existing tenants who have not previously received a copy of the statement of policy and who
are on month-to-month rental agreements a copy of the statement of policy at the time a 90-day
notice of a rent increase is issued; and
(c) All other existing tenants who have not previously received a copy of the statement of policy
a copy of the statement of policy upon the expiration of their rental agreements and before the
tenants sign new agreements.
(4) Every landlord who rents a space for a manufactured dwelling or floating home shall provide
a written rental agreement, except as provided by ORS 90.710 (2)(d). The agreement must be signed
by the landlord and tenant and may not be unilaterally amended by one of the parties to the con-
tract except by:
(a) Mutual agreement of the parties;
(b) Actions taken pursuant to ORS 90.530, 90.533, 90.537, 90.543 (3), 90.600, 90.725 (3)(f) and (7)
or 90.727; or
(c) Those provisions required by changes in statute or ordinance.
(5) The agreement required by subsection (4) of this section must specify:
(a) The location and approximate size of the rented space;
(b) The federal fair-housing age classification;
(c) The rent per month;
(d) All personal property, services and facilities to be provided by the landlord;
(e) All security deposits, fees and installation charges imposed by the landlord;
(f) Any facility policy regarding the planting of trees on the rented space for a manufactured
dwelling;

(g) Improvements that the tenant may or must make to the rental space, including plant mate-
rials and landscaping;

(h) Provisions for dealing with improvements to the rental space at the termination of the
tenancy;

(i) Any conditions the landlord applies in approving a purchaser of a manufactured dwelling or
floating home as a tenant in the event the tenant elects to sell the home. Those conditions must be
in conformance with state and federal law and may include, but are not limited to, conditions as to
pets, number of occupants and screening or admission criteria;

(j) That the tenant may not sell the tenant's manufactured dwelling or floating home to a person
who intends to leave the manufactured dwelling or floating home on the rental space until the
landlord has accepted the person as a tenant;

(k) The term of the tenancy;

(L) The process by which the rental agreement or rules and regulations may be changed, which
shall identify that the rules and regulations may be changed with 60 days' notice unless tenants of
at least 51 percent of the eligible spaces file an objection within 30 days; and

(m) The process by which the landlord or tenant shall give notices.

(6) Every landlord who rents a space for a manufactured dwelling or floating home shall provide
rules and regulations concerning the tenant's use and occupancy of the premises. A violation of the
rules and regulations may be cause for termination of a rental agreement. However, this subsection
does not create a presumption that all rules and regulations are identical for all tenants at all times.
A rule or regulation shall be enforceable against the tenant only if:

(a) The rule or regulation:

(A) Promotes the convenience, safety or welfare of the tenants;

(B) Preserves the landlord's property from abusive use; or

(C) Makes a fair distribution of services and facilities held out for the general use of the ten-
ants.

(b) The rule or regulation:

(A) Is reasonably related to the purpose for which it is adopted and is reasonably applied;

(B) Is sufficiently explicit in its prohibition, direction or limitation of the tenant's conduct to
fairly inform the tenant of what the tenant shall do or may not do to comply; and

(C) Is not for the purpose of evading the obligations of the landlord.

(7)(a) A landlord who rents a space for a manufactured dwelling or floating home may adopt a
rule or regulation regarding occupancy guidelines. If adopted, an occupancy guideline in a facility
must be based on reasonable factors and not be more restrictive than limiting occupancy to two
people per bedroom.

(b) As used in this subsection:

(A) Reasonable factors may include but are not limited to:

(i) The size of the dwelling.

(ii) The size of the rented space.

(iii) Any discriminatory impact for reasons identified in ORS 659A.421.

(iv) Limitations placed on utility services governed by a permit for water or sewage disposal.

(B) “Bedroom” means a room that is intended to be used primarily for sleeping purposes and
does not include bathrooms, toilet compartments, closets, halls, storage or utility space and similar
areas.

(8) Intentional and deliberate failure of the landlord to comply with subsections (1) to (3) of this section is cause for suit or action to remedy the violation or to recover actual damages. The prevailing party is entitled to reasonable attorney fees and court costs.

(9) A receipt signed by the potential tenant or tenants for documents required to be delivered by the landlord pursuant to subsections (1) to (3) of this section is a defense for the landlord in an action against the landlord for nondelivery of the documents.

(10) A suit or action arising under subsection (8) of this section must be commenced within one year after the discovery or identification of the alleged violation.

(11) Every landlord who publishes a directory of tenants and tenant services must include a one-page summary regarding any tenants’ association. The tenants’ association shall provide the summary to the landlord.

SECTION 37. ORS 90.725 is amended to read:

90.725. (1) As used in this section:

(a) “Emergency” includes but is not limited to:

(A) A repair problem that, unless remedied immediately, is likely to cause serious physical harm or damage to individuals or property.

(B) The presence of a hazard tree on a rented space in a manufactured dwelling park.

(b) “Unreasonable time” refers to a time of day, day of the week or particular time that conflicts with the tenant’s reasonable and specific plans to use the space.

(c) “Yard maintenance, equipment servicing or grounds keeping” includes, but is not limited to, servicing individual septic tank systems or water pumps, weeding, mowing grass and pruning trees and shrubs.

(2) A landlord or a landlord’s agent may enter onto a rented space, not including the tenant’s manufactured dwelling or floating home or an accessory building or structure, to:

(a) Inspect the space;

(b) Make necessary or agreed repairs, decorations, alterations or improvements;

(c) Inspect or maintain trees;

(d) Supply or maintain necessary or agreed services, including utility or service lines or submeters;

(e) Perform agreed yard maintenance, equipment servicing or grounds keeping; or

(f) Exhibit the space to prospective or actual purchasers of the facility, mortgagees, tenants, workers or contractors.

(3) The right of access of the landlord or landlord’s agent is limited as follows:

(a) A landlord or landlord’s agent may enter upon the rented space without consent of the tenant and without notice to the tenant for the purpose of serving notices required or permitted under this chapter, the rental agreement or any provision of applicable law.

(b) In case of an emergency, a landlord or landlord’s agent may enter the rented space without consent of the tenant, without notice to the tenant and at any time. If a landlord or landlord’s agent makes an emergency entry in the tenant’s absence, the landlord shall give the tenant actual notice within 24 hours after the entry, and the notice shall include the fact of the entry, the date and time of the entry, the nature of the emergency and the names of the persons who entered.

(c) If the tenant requests repairs or maintenance in writing, the landlord or landlord’s agent, without further notice, may enter upon demand, in the tenant’s absence or without consent of the tenant, for the purpose of making the requested repairs until the repairs are completed. The tenant’s
written request may specify allowable times. Otherwise, the entry must be at a reasonable time. The
authorization to enter provided by the tenant’s written request expires after seven days, unless the
repairs are in progress and the landlord or landlord’s agent is making a reasonable effort to com-
plete the repairs in a timely manner. If the person entering to do the repairs is not the landlord,
upon request of the tenant, the person must show the tenant written evidence from the landlord
authorizing that person to act for the landlord in making the repairs.

(d) If a written agreement requires the landlord to perform yard maintenance, equipment ser-
vicing, not including servicing utility or service lines or submeters, or grounds keeping for the
space:

(A) A landlord and tenant may agree that the landlord or landlord’s agent may enter for that
purpose upon the space, without notice to the tenant, at reasonable times and with reasonable fre-
quency. The terms of the right of entry must be described in the rental agreement or in a separate
written agreement.

(B) A tenant may deny consent for a landlord or landlord’s agent to enter upon the space pur-
suant to this paragraph if the entry is at an unreasonable time or with unreasonable frequency.
The tenant must assert the denial by giving actual notice of the denial to the landlord or landlord’s
agent prior to, or at the time of, the attempted entry.

(e) In all other cases, unless there is an agreement between the landlord and the tenant to the
contrary regarding a specific entry, the landlord shall give the tenant at least 24 hours’ actual no-
tice of the intent of the landlord to enter and the landlord or landlord’s agent may enter only at
reasonable times. The landlord or landlord’s agent may not enter if the tenant, after receiving the
landlord’s notice, denies consent to enter. The tenant must assert this denial of consent by giving
actual notice of the denial to the landlord or the landlord’s agent prior to, or at the time of, the
attempt by the landlord or landlord’s agent to enter.

(f) Notwithstanding paragraph (e) of this subsection, a landlord or the landlord’s agent may en-
ter a rented space solely to inspect a tree despite a denial of consent by the tenant if the landlord
or the landlord’s agent has given at least 24 hours’ actual notice of the intent to enter to inspect
the tree and the entry occurs at a reasonable time.

(4) A landlord shall not abuse the right of access or use it to harass the tenant. A tenant shall
not unreasonably withhold consent from the landlord to enter.

(5) A landlord has no other right of access except:

(a) Pursuant to court order;

(b) As permitted by ORS 90.410 (2);

(c) As permitted under ORS 90.539; or

(d) When the tenant has abandoned or relinquished the premises.

(6) If a landlord is required by a governmental agency to enter a rented space, but the landlord
fails to gain entry after a good faith effort in compliance with this section, the landlord shall not
be found in violation of any state statute or local ordinance due to the failure.

(7) If a landlord has a report from an arborist licensed as a landscape construction professional
pursuant to ORS 671.560 and certified by the International Society of Arboriculture that a tree on
the rented space is a hazard tree that must be maintained by the landlord as described in ORS
90.727, the landlord is not liable for any damage or injury as a result of the hazard tree if the
landlord is unable to gain entry after a good faith effort in compliance with this section.

(8) If the tenant refuses to allow lawful access, the landlord may obtain injunctive relief to
compel access or may terminate the rental agreement pursuant to ORS 90.630 (1) and take pos-
session in the manner provided in ORS 105.105 to 105.168. In addition, the landlord may recover actual damages.

(9) If the landlord makes an unlawful entry or a lawful entry in an unreasonable manner or makes repeated demands for entry otherwise lawful but that have the effect of unreasonably harassing the tenant, the tenant may obtain injunctive relief to prevent the reoccurrence of the conduct or may terminate the rental agreement pursuant to ORS 90.620 (1). In addition, the tenant may recover actual damages not less than an amount equal to one month’s rent.

MISCELLANEOUS FACILITY PROVISIONS

SECTION 37a. Section 38 of this 2019 Act is added to and made a part of ORS 90.505 to 90.850.

SECTION 38. (1) A landlord may require a tenant in a marina to move the tenant's floating home under this section for reasons allowing for the safety and convenience of the marina and other tenants, including:

(b) Repairing an adjacent floating home; or
(c) Dredging, repairing an adjacent dock or otherwise repairing or improving the marina.

(2) Before requiring the tenant to move, the landlord must give written notice specifying the reason for the move, the allowable dates for the move and the maximum duration of the move.

(3) The notice under subsection (2) of this section must be given:

(a) No less than 48 hours before the move if necessary to prevent the imminent and serious risk of substantial harm to persons or property; or
(b) Thirty days before the move in all other cases.

(4) The landlord must either:

(a) Move the floating home to another space in the marina which allows the tenant to continue to occupy the home; or
(b) Pay the tenant the reasonable costs of substitute housing.

(5) A landlord must pay:

(a) The costs to prepare the floating home for the move;
(b) The costs to move the floating home;
(c) The costs to prepare the floating home for its temporary location in the marina;
(d) The greater of actual damages based on loss of value of the temporary location or $100 per month, beginning 30 days from the date of the move to the temporary location;
(e) The costs to return the floating home to its original location in the original slip; and
(f) The costs to repair any damage to the floating home or tenant’s personal property caused by the move or to replace the property.

(6) A landlord is required to make any payments due to the tenant under subsection (5) of this section within 30 days from the date the cost is incurred.

(7) A tenant is not entitled to any additional compensation or reduction in rent under this section, including any damages based on the loss of value of the temporary location that lasts less than 30 days.

(8) If a tenant prohibits the landlord from moving the floating home under this section,
a landlord may give notices or terminate the tenancy under ORS 90.630.

(9) If a landlord fails to comply with a provision of this section, a tenant is entitled to damages of one month's rent or twice the tenant's actual damages.

SECTION 39. ORS 90.632 is amended to read:

90.632. (1) A landlord may terminate a month-to-month or fixed term rental agreement and require the tenant to remove a manufactured dwelling or floating home from a facility, due to the physical condition of the exterior of the manufactured dwelling or floating home, only by complying with this section and ORS 105.105 to 105.168. A termination shall include removal of the dwelling or home.

(2) A landlord may not require removal of a manufactured dwelling or floating home, or consider a dwelling or home to be in disrepair or deteriorated, because of the age, size, style or original construction material of the dwelling or home or because the dwelling or home was built prior to adoption of the National Manufactured Housing Construction and Safety Standards Act of 1974 (42 U.S.C. 5403), in compliance with the standards of that Act in effect at that time or in compliance with the state building code as defined in ORS 455.010.

(3) Except as provided in subsections (4) and (6) of this section, if the exterior of the tenant's dwelling or home is in disrepair or is deteriorated, a landlord may terminate a rental agreement and require the removal of a dwelling or home by giving to the tenant not less than 60 days' written notice before the date designated in the notice for termination.

(4) If the disrepair or deterioration of the manufactured dwelling or floating home creates a risk of imminent and serious harm to dwellings, homes or persons within the facility, a landlord may terminate a rental agreement and require the removal of the dwelling or home by giving to the tenant not less than 30 days' written notice before the date designated in the notice for termination. The notice shall describe the risk of harm.

(5) The notice required by subsections (3) and (4) of this section must:

(a) State facts sufficient to notify the tenant of the specific disrepair or deterioration that is the cause or reason for termination of the tenancy and removal of the dwelling or home;

(b) State that the tenant can avoid termination and removal by correcting the cause for termination and removal within the notice period;

(c) If reasonably known by the landlord, describe specifically what repairs are required to correct the disrepair or deterioration that is the cause for termination;

(d) Describe the tenant's right to give the landlord a written notice of correction, where to give the notice and the deadline for giving the notice in order to ensure a response by the landlord, all as provided by subsection (7) of this section; and

(e) Describe the tenant's right to have the termination and correction period extended as provided by subsection (8) of this section.

(6) The tenant may avoid termination of the tenancy by correcting the cause within the period specified. However, if substantially the same condition that constituted a prior cause for termination of which notice was given recurs within 12 months after the date of the notice, the landlord may terminate the tenancy and require the removal of the dwelling or home upon at least 30 days' written notice specifying the violation and the date of termination of the tenancy.

(7) During the termination notice or extension period, the tenant may give the landlord written notice that the tenant has corrected the cause for termination. Within a reasonable time after the tenant's notice of correction, the landlord shall respond to the tenant in writing, stating whether the landlord agrees that the cause has been corrected. If the tenant's notice of correction is given at
least 14 days prior to the end of the termination notice or extension period, failure by the landlord to respond as required by this subsection is a defense to a termination based upon the landlord’s notice for termination.

(8) Except when the disrepair or deterioration creates a risk of imminent and serious harm to dwellings, homes or persons within the facility, the 60-day period provided for the tenant to correct the cause for termination and removal shall be extended by at least:
   (a) An additional 60 days if:
      (A) The necessary correction involves exterior painting, roof repair, concrete pouring or similar work and the weather prevents that work during a substantial portion of the 60-day period; or
      (B) The nature or extent of the correction work is such that it cannot reasonably be completed within 60 days because of factors such as the amount of work necessary, the type and complexity of the work and the availability of necessary repair persons; [or]
   (b) An additional six months if the disrepair or deterioration has existed for more than the preceding 12 months with the landlord’s knowledge or acceptance as described in ORS 90.412[.]; or
   (c) An additional 10 months if the disrepair or deterioration relates to the float of a floating home.

(9) In order to have the period for correction extended as provided in subsection (8) of this section, a tenant must give the landlord written notice describing the necessity for an extension in order to complete the correction work. The notice must be given a reasonable amount of time prior to the end of the notice for termination period.

(10) A tenancy terminates on the date designated in the notice and without regard to the expiration of the period for which, by the terms of the rental agreement, rents are to be paid. Unless otherwise agreed, rent is uniformly apportionable from day to day.

(11) This section does not limit a landlord’s right to terminate a tenancy for nonpayment of rent under ORS 90.394 or for other cause under ORS 90.380 (5)(b), 90.396, 90.398 or 90.630 by complying with ORS 105.105 to 105.168.

(12) A landlord may give a copy of the notice for termination required by this section to any lienholder of the dwelling or home, by first class mail with certificate of mailing or by any other method allowed by ORS 90.150 (2) and (3). A landlord is not liable to a tenant for any damages incurred by the tenant as a result of the landlord giving a copy of the notice in good faith to a lienholder.

(13) When a tenant has been given a notice for termination pursuant to this section and has subsequently abandoned the dwelling or home as described in ORS 90.675, any lienholder shall have the same rights as provided by ORS 90.675, including the right to correct the cause of the notice, within the 90-day period provided by ORS 90.675 (20) notwithstanding the expiration of the notice period provided by this section for the tenant to correct the cause.

SECTION 40. ORS 90.727 is amended to read:
90.727. (1) As used in this section:
   (a) “Maintaining a tree” means removing or trimming a tree for the purpose of eliminating features of the tree that cause the tree to be hazardous, or that may cause the tree to become hazardous in the near future.
   (b) “Removing a tree” includes:

construction professional with a valid license issued pursuant to ORS 671.560 to maintain any tree with a DBH of eight inches or more.

(3) For any tree on a rented space in a manufactured dwelling park that was not planted by the current tenant, a landlord:

(a) Except as provided in paragraph (e) of this subsection, shall maintain a [tree that is a hazard tree, that was not planted by the current tenant, on a rented space in a manufactured dwelling park if] tree that the landlord knows or should know [that the tree] is a hazard tree.

(c) May not maintain a tree under paragraph (b) of this subsection and is not required to maintain the tree at any point during the tenancy if the tenant delivers to the landlord an agreement to maintain the tree and a written arborist’s report that the tree is not at high risk of becoming a hazard tree.

(d) [Has] Except as provided in paragraph (c) of this subsection, may exercise discretion [to decide whether the appropriate maintenance is removal or trimming of the hazard tree] in maintaining a hazard tree or a tree that may become a hazard tree.

(e) Is not responsible for maintaining a tree that is not a hazard tree or for maintaining any tree for aesthetic purposes.

(4) A landlord shall comply with ORS 90.725 before entering a tenant’s space to inspect or maintain a tree.

(5) Except as provided in subsection (3) of this section, a tenant is responsible for maintaining the trees on the tenant’s space in a manufactured dwelling park at the tenant’s expense. The tenant may retain an arborist licensed as a landscape construction professional pursuant to ORS 671.560 and certified by the International Society of Arboriculture to inspect a tree on the tenant’s rented space at the tenant’s expense and if the arborist determines that the tree is a hazard, the tenant may:

(a) Require the landlord to maintain a tree that is the landlord’s responsibility under subsection (3) of this section; or

(b) Maintain the tree at the tenant’s expense, after providing the landlord with reasonable written notice of the proposed maintenance and a copy of the arborist’s report.

(6) If a manufactured dwelling cannot be removed from a space without first removing or trimming a tree on the space, the owner of the manufactured dwelling may remove or trim the tree at the dwelling owner’s expense, after giving reasonable written notice to the landlord, for the purpose of removing the manufactured dwelling.

SECTION 41. ORS 90.675 is amended to read:

90.675. (1) As used in this section:

(a) “Current market value” means the amount in cash, as determined by the county assessor, that could reasonably be expected to be paid for personal property by an informed buyer to an informed seller, each acting without compulsion in an arm’s-length transaction occurring on the assessment date for the tax year or on the date of a subsequent reappraisal by the county assessor.

(b) “Dispose of the personal property” means that, if reasonably appropriate, the landlord may throw away the property or may give it without consideration to a nonprofit organization or to a person unrelated to the landlord. The landlord may not retain the property for personal use or benefit.
(c) “Lienholder” means any lienholder of abandoned personal property, if the lien is of record or the lienholder is actually known to the landlord.

(d) “Of record” means:

(B) For a floating home, that a security interest has been properly recorded with the State Marine Board pursuant to ORS 830.740 to 830.755 for a home registered and titled with the board pursuant to ORS 830.715.

(e) “Personal property” means only a manufactured dwelling or floating home located in a facility and subject to ORS 90.505 to 90.850. “Personal property” does not include goods left inside a manufactured dwelling or floating home or left upon a rented space and subject to disposition under ORS 90.425.

(2) A landlord is responsible for abandoned personal property and shall store, sell or dispose of abandoned personal property as provided by this section. This section governs the rights and obligations of landlords, tenants and any lienholders in any personal property abandoned or left upon the premises by the tenant or any lienholder in the following circumstances:

(a) The tenancy has ended by termination or expiration of a rental agreement or by relinquishment or abandonment of the premises and the landlord reasonably believes under all the circumstances that the tenant has left the personal property upon the premises with no intention of asserting any further claim to the premises or to the personal property;

(b) The tenant has been absent from the premises continuously for seven days after termination of a tenancy by a court order that has not been executed; or

(c) The landlord receives possession of the premises from the sheriff following restitution pursuant to ORS 105.161.

(3) Prior to storing, selling or disposing of the tenant’s personal property under this section, the landlord must give a written notice to the tenant that must be:

(a) Personally delivered to the tenant; or

(b) Sent by first class mail addressed and mailed to the tenant at:

(A) The premises;

(B) Any post-office box held by the tenant and actually known to the landlord; and

(A) Any lienholder of the personal property;

(C) The assessor of the county where the personal property is located.

(b) The landlord shall give the notice copy required by this subsection by personal delivery or first class mail, except that for any lienholder, mail service must be both by first class mail and by certified mail with return receipt requested.

(c) A notice to lienholders under paragraph (a)(A) of this subsection must be sent to each lienholder at each address:

(A) Actually known to the landlord;

(B) Of record; and
Provided to the landlord by the lienholder in a written notice that identifies the personal property subject to the lien and that was sent to the landlord by certified mail with return receipt requested within the preceding five years. The notice must identify the personal property by describing the physical address of the property.

(5) The notice required under subsection (3) of this section must state that:

(a) The personal property left upon the premises is considered abandoned;

(b) The tenant or any lienholder must contact the landlord by a specified date, as provided in subsection (6) of this section, to arrange for the removal of the abandoned personal property;

(c) The personal property is stored on the rented space;

(d) The tenant or any lienholder, except as provided by subsection (19) of this section, may arrange for removal of the personal property by contacting the landlord at a described telephone number or address on or before the specified date;

(e) The landlord shall make the personal property available for removal by the tenant or any lienholder, except as provided by subsection (19) of this section, by appointment at reasonable times;

(f) If the personal property is considered to be abandoned pursuant to subsection (2)(a) or (b) of this section, the landlord may require payment of storage charges, as provided by subsection (7)(b) of this section, prior to releasing the personal property to the tenant or any lienholder;

(g) If the personal property is considered to be abandoned pursuant to subsection (2)(c) of this section, the landlord may not require payment of storage charges prior to releasing the personal property;

(h) If the tenant or any lienholder fails to contact the landlord by the specified date or fails to remove the personal property within 30 days after that contact, the landlord may sell or dispose of the personal property. If the landlord reasonably believes the county assessor will determine that the current market value of the personal property is $8,000 or less, and the landlord intends to dispose of the property if the property is not claimed, the notice shall state that belief and intent; and

(i) If applicable, there is a lienholder that has a right to claim the personal property, except as provided by subsection (19) of this section.

(6) For purposes of subsection (5) of this section, the specified date by which a tenant or lienholder must contact a landlord to arrange for the disposition of abandoned personal property or a storage agreement under subsection (20) of this section must be not less than 45 days after personal delivery or mailing of the notice.

(7) After notifying the tenant as required by subsection (3) of this section, the landlord:

(a) Shall store the abandoned personal property of the tenant on the rented space and shall exercise reasonable care for the personal property; and

(b) Is entitled to reasonable or actual storage charges and costs incidental to storage or disposal. The storage charge may be no greater than the monthly space rent last payable by the tenant.

(8) If a tenant or lienholder, upon the receipt of the notice provided by subsection (3) or (4) of this section or otherwise, responds by actual notice to the landlord on or before the specified date in the landlord's notice that the tenant or lienholder intends to remove the personal property from the premises, the landlord must make that personal property available for removal by the tenant or lienholder by appointment at reasonable times during the 30 days following the date of the response, subject to subsection (19) of this section. If the personal property is considered to be abandoned pursuant to subsection (2)(a) or (b) of this section, but not pursuant to subsection (2)(c) of this section, the landlord may require payment of storage charges, as provided in subsection (7)(b) of this section.
section, prior to allowing the tenant or lienholder to remove the personal property. Acceptance by a landlord of such payment does not operate to create or reinstate a tenancy or create a waiver pursuant to ORS 90.412 or 90.417.

(9) Except as provided in subsections (19) to (21) of this section, if the tenant or lienholder does not respond within the time provided by the landlord’s notice, or the tenant or lienholder does not remove the personal property within 30 days after responding to the landlord or by any date agreed to with the landlord, whichever is later, the personal property is conclusively presumed to be abandoned. The tenant and any lienholder that have been given notice pursuant to subsection (3) or (4) of this section shall, except with regard to the distribution of sale proceeds pursuant to subsection (13) of this section, have no further right, title or interest to the personal property and may not claim or sell the property.

(10) If the personal property is presumed to be abandoned under subsection (9) of this section, the landlord then may:

(a) Sell the personal property at a public or private sale, provided that prior to the sale:

(A) The landlord may seek to transfer ownership of record of the personal property by complying with the requirements of the appropriate state agency; and

(B) The landlord shall:

(i) Place a notice in a newspaper of general circulation in the county in which the personal property is located. The notice shall state:

(I) That the personal property is abandoned;

(II) The tenant’s name;

(III) The address and any space number where the personal property is located, and any plate, registration or other identification number for a floating home noted on the title, if actually known to the landlord;

(IV) Whether the sale is by private bidding or public auction;

(V) Whether the landlord is accepting sealed bids and, if so, the last date on which bids will be accepted; and

(VI) The name and telephone number of the person to contact to inspect the personal property;

(ii) At a reasonable time prior to the sale, give a copy of the notice required by sub-subparagraph (i) of this subparagraph to the tenant and to any lienholder, by personal delivery or first class mail, except that for any lienholder, mail service must be by first class mail with certificate of mailing;

(iii) Obtain an affidavit of publication from the newspaper to show that the notice required under sub-subparagraph (i) of this subparagraph ran in the newspaper at least one day in each of two consecutive weeks prior to the date scheduled for the sale or the last date bids will be accepted; and

(iv) Obtain written proof from the county that all property taxes and assessments on the personal property have been paid or, if not paid, that the county has authorized the sale, with the sale proceeds to be distributed pursuant to subsection (13) of this section; or

(b) Destroy or otherwise dispose of the personal property if the landlord determines from the county assessor that the current market value of the property is $8,000 or less.

(11)(a) A public or private sale authorized by this section must be conducted consistent with the terms listed in subsection (10)(a)(B)(i) of this section. Every aspect of the sale including the method, manner, time, place and terms must be commercially reasonable.

(b) If there is no buyer at a sale described under paragraph (a) of this subsection, the personal
property is considered to be worth $8,000 or less, regardless of current market value, and the landlord shall destroy or otherwise dispose of the personal property.

(12) Notwithstanding ORS 446.155 (1) and (2), unless a landlord intentionally misrepresents the condition of personal property, the landlord is not liable for the condition of the personal property to:

(a) A buyer of the personal property at a sale pursuant to subsection (10)(a) of this section, with or without consideration; or
(b) A person or nonprofit organization to whom the landlord gives the personal property pursuant to subsection (1)(b), (10)(b) or (11)(b) of this section.

(13)(a) The landlord may deduct from the proceeds of the sale:
(A) The reasonable or actual cost of notice, storage and sale; and
(B) Unpaid rent.
(b) After deducting the amounts listed in paragraph (a) of this subsection, the landlord shall remit the remaining proceeds, if any, to the county tax collector to the extent of any unpaid property taxes and assessments owed on the dwelling or home.
(c) After deducting the amounts listed in paragraphs (a) and (b) of this subsection, if applicable, the landlord shall remit the remaining proceeds, if any, to any lienholder to the extent of any unpaid balance owed on the lien on the personal property.
(d) After deducting the amounts listed in paragraphs (a), (b) and (c) of this subsection, if applicable, the landlord shall remit to the tenant the remaining proceeds, if any, together with an itemized accounting.
(e) If the tenant cannot after due diligence be found, the landlord shall deposit the remaining proceeds with the county treasurer of the county in which the sale occurred. If not claimed within three years, the deposited proceeds revert to the general fund of the county and are available for general purposes.

(14) The county tax collector and the Department of Revenue shall cancel all unpaid property taxes and special assessments as provided under ORS 305.155 and 311.790 only under one of the following circumstances:
(a) The landlord disposes of the personal property after a determination described in subsection (10)(b) of this section.
(b) There is no buyer of the personal property at a sale described under subsection (11) of this section and the landlord disposes of the property.
(c)(A) There is a buyer of the personal property at a sale described under subsection (11) of this section; (B) The current market value of the personal property is $8,000 or less; and (C) The proceeds of the sale are insufficient to satisfy the unpaid property taxes and assessments owed on the personal property after distribution of the proceeds pursuant to subsection (13) of this section.
(d) The landlord buys the personal property at a sale described under subsection (11) of this section and sells the property, in compliance with subsection (15) of this section, to a buyer who intends to occupy the property in the facility in which the property is located.
(e) The landlord acquires the personal property as a result of an agreement described in subsection (23) of this section and sells the property, in compliance with subsection (15) of this section, to a buyer who intends to occupy the property in the facility in which the property is located.

(15)(a) Subsection (14)(d) and (e) of this section apply only if:
(A) There exists a lien on the personal property for unpaid property taxes and special assessments owed to a county or to the Department of Revenue and the landlord files an affidavit or declaration with the county tax collector or the Department of Revenue, as appropriate, that states:

(i) The landlord’s intent to sell the property in an arm’s-length transaction to an unrelated buyer who intends to occupy the property in the facility in which the property is located; and

(ii) That the landlord shall comply with the requirements of this subsection; and

(B) Following the sale described in paragraph (a)(A) of this subsection, the landlord files an affidavit or declaration with the county tax collector or the Department of Revenue, as appropriate, that states:

(i) That the landlord has sold the property in an arm’s-length transaction to an unrelated buyer who intends to occupy the property in the facility in which the property is located;

(ii) The sale price and a description of the landlord’s claims against the property or costs from the sale, as described under subsection (13)(a) of this section, and any costs of improvements to the property for sale; and

(iii) The period of time, which may not be more than is reasonably necessary, that is taken by the landlord to complete the sale of the property.

(b) After a landlord files the affidavit or declaration under paragraph (a)(A) of this subsection, the county tax collector shall provide to the landlord a title to the property that the landlord may then provide to a buyer at the time of the sale of the property.

(c) The affidavit or declaration described in paragraph (a)(B) of this subsection must be accompanied by:

(A) Payment to the county tax collector or the Department of Revenue, as appropriate, of the amount remaining from the sale proceeds after the deduction of the landlord’s claims and costs as described in the affidavit or declaration, up to the amount of the unpaid taxes or tax lien. The landlord may retain the amount of the sale proceeds that exceed the amount of the unpaid taxes or tax lien;

(B) Payment to the county tax collector of any county warrant fees; and

(C) An affidavit or declaration from the buyer that states the buyer’s intent to occupy the property in the facility in which the property is located.

(d) Upon a showing of compliance with paragraph (c) of this subsection, the county tax collector or the Department of Revenue shall cancel all unpaid taxes or tax liens on the property.

(16) The landlord is not responsible for any loss to the tenant or lienholder resulting from storage of personal property in compliance with this section unless the loss was caused by the landlord’s deliberate or negligent act. In the event of a deliberate and malicious violation, the landlord is liable for twice the actual damages sustained by the tenant or lienholder.

(17) Complete compliance in good faith with this section shall constitute a complete defense in any action brought by a tenant or lienholder against a landlord for loss or damage to such personal property disposed of pursuant to this section.

(18) If a landlord does not comply with this section:

(a) The tenant is relieved of any liability for damage to the premises caused by conduct that was not deliberate, intentional or grossly negligent and for unpaid rent and may recover from the landlord up to twice the actual damages sustained by the tenant;

(b) A lienholder aggrieved by the noncompliance may recover from the landlord the actual damages sustained by the lienholder. ORS 90.255 does not authorize an award of attorney fees to the prevailing party in any action arising under this paragraph; and
(c) A county tax collector aggrieved by the noncompliance may recover from the landlord the actual damages sustained by the tax collector, if the noncompliance is part of an effort by the landlord to defraud the tax collector. ORS 90.255 does not authorize an award of attorney fees to the prevailing party in any action arising under this paragraph.

(19) The provisions of this section regarding the rights and responsibilities of a tenant to the abandoned personal property also apply to any lienholder, except that the lienholder may not sell or remove the dwelling or home unless:

(a) The lienholder has foreclosed the lien on the manufactured dwelling or floating home;

(b) The tenant or a personal representative or designated person described in subsection (21) of this section has waived all rights under this section pursuant to subsection (23) of this section; or

(c) The notice and response periods provided by subsections (6) and (8) of this section have expired.

(20)(a) [Except as provided by subsection (21)(d) and (e) of this section,] If a lienholder or former tenant makes a timely response to a notice of abandoned personal property pursuant to subsections (6) and (8) of this section and so requests, a landlord shall enter into a written storage agreement with the lienholder or former tenant providing that the personal property may not be sold or disposed of by the landlord for up to 12 months. A storage agreement entitles the lienholder or former tenant to store the personal property on the previously rented space during the term of the agreement, but does not entitle anyone to occupy the personal property.

(b) The lienholder’s right to a storage agreement arises upon the failure of the tenant or, in the case of a deceased tenant, the personal representative, designated person, heir or devisee to remove or sell the dwelling or home or enter a storage agreement under this subsection within the allotted time. A landlord may not enter into a storage agreement with a lienholder if the tenant has also requested a storage agreement under this subsection.

(c) To exercise the right to a storage agreement under this subsection, [in addition to contacting the landlord with a timely response as described in paragraph (a) of this subsection,] the lienholder or former tenant must enter into the proposed storage agreement within 60 days after the landlord gives [a copy of] the proposed agreement to the lienholder or tenant. The landlord shall give [a copy of] the proposed storage agreement to the lienholder or former tenant in the same manner as provided by subsection (4)(b) of this section. The landlord may include [a copy of] the proposed storage agreement with the notice of abandoned property required by subsection (4) of this section. A [lienholder] tenant enters into a storage agreement by signing [a copy of] the proposed agreement [provided by the landlord] and personally delivering or mailing the signed [copy] agreement to the landlord within the 60-day period. If a tenant is eligible to enter into a storage agreement under paragraph (j) of this subsection, a proposed storage agreement delivered to a lienholder must state that the storage agreement is conditional upon the tenant not timely electing to enter into a storage agreement.

(d) The storage agreement may require[, in addition to other provisions agreed to by the landlord and the lienholder,] that:

(A) The lienholder or former tenant make timely periodic payment of all storage charges, as described in subsection (7)(b) of this section, accruing from the commencement of the 45-day period described in delivery of the notice under subsection (6) of this section. A storage charge may include a utility or service charge, as described in ORS 90.532, if limited to charges for electricity, water, sewer service and natural gas and if incidental to the storage of personal property. A storage
charge may not be due more frequently than monthly; (B) The lienholder or former tenant pay a late charge or fee for failure to pay a storage charge by the date required [in the agreement, if the amount of the late charge is] no greater than for late charges imposed on facility tenants; (C) The lienholder or former tenant maintain the personal property and the space on which the personal property is stored in a manner consistent with the rights and obligations described in the rental agreement [that the landlord currently provides to tenants as required by ORS 90.510 (4)]; and (D) The lienholder or former tenant repair any defects in the physical condition of the personal property [that existed prior to the lienholder entering into the storage agreement], if the defects and necessary repairs are reasonably described in the storage agreement and, for homes that were first placed on the space within the previous 24 months, the repairs are reasonably consistent with facility standards in effect at the time of placement. The lienholder or former tenant shall have 90 days after entering into the storage agreement to make the repairs. Failure to make the repairs within the allotted time constitutes a violation of the storage agreement and the landlord may terminate the agreement by giving at least 14 days’ written notice to the lienholder or former tenant stating facts sufficient to notify the lienholder or former tenant of the reason for termination. Unless the lienholder or former tenant corrects the violation within the notice period, the agreement terminates as provided and the landlord may sell or dispose of the property without further notice [to the lienholder].

e) Notwithstanding subsection (7)(b) of this section, a landlord may increase the storage charge if the increase is part of a facility-wide rent increase for all facility tenants, the increase is no greater than the increase for other tenants and the landlord gives the lienholder or former tenant written notice consistent with the requirements of ORS 90.600 (1).

(f) During the term of an agreement described under this subsection, the lienholder [has the right to] may remove or sell the property, subject to the provisions of the lien. Selling the property includes a sale to a purchaser who wishes to leave the property on the rented space and become a tenant, subject to the provisions of ORS 90.680. The landlord may condition approval for occupancy of any purchaser of the property upon payment of all unpaid storage charges and maintenance costs.

(g)(A) Except as provided in paragraph (d)(D) of this subsection, if the lienholder or former tenant violates the storage agreement, the landlord may terminate the agreement by giving at least 90 days’ written notice to the lienholder or former tenant stating facts sufficient to notify the lienholder or former tenant of the reason for the termination. Unless the lienholder or former tenant corrects the violation within the notice period, the agreement terminates as provided and the landlord may sell or dispose of the property without further notice [to the lienholder], except as provided in paragraph (h) of this subsection.

(B) After a landlord gives a termination notice pursuant to subparagraph (A) of this paragraph for failure of the lienholder or former tenant to pay a storage charge and the lienholder or former tenant corrects the violation, if the lienholder or former tenant again violates the storage agreement by failing to pay a subsequent storage charge, the landlord may terminate the agreement by giving at least 30 days’ written notice to the lienholder or former tenant stating facts sufficient to notify the lienholder or former tenant of the reason for termination. Unless the lienholder or former tenant corrects the violation within the notice period, the agreement terminates as provided and the landlord may sell or dispose of the property without further notice [to the lienholder], except as provided in paragraph (h) of this subsection.
(C) A lienholder or former tenant may terminate a storage agreement at any time upon at least 14 days' written notice to the landlord and may remove the property from the facility if the lienholder or former tenant has paid all storage charges and other charges as provided in the agreement.

(h) A landlord shall deliver copies of any termination notice of a storage agreement with the tenant to all lienholders. Upon the termination of a storage agreement with a tenant, the landlord shall deliver a proposed storage agreement to all lienholders and may not exercise any remedy under this section for 14 days after the delivery of the proposed storage agreement. If a lienholder signs and returns the proposed agreement within 14 days, the new storage agreement becomes effective under this subsection.

[(h)] (i) Upon the failure of a lienholder or former tenant to enter into a storage agreement as provided by this subsection or upon termination of an agreement, unless the parties otherwise agree or the lienholder or former tenant has sold or removed the property, the landlord may sell or dispose of the property pursuant to this section without further notice [to the lienholder].

(j) A tenant is not eligible to enter into a storage agreement under this subsection if the tenancy was terminated under ORS 90.380, 90.394, 90.630 or 90.632.

(21) If the personal property is considered abandoned as a result of the death of a tenant who was the only tenant, this section applies, except as follows:

(a) The provisions of this section regarding the rights and responsibilities of a tenant or former tenant to the abandoned personal property shall apply to any personal representative named in a will or appointed by a court to act for the deceased tenant or any person designated in writing by the tenant to be contacted by the landlord in the event of the tenant’s death.

(b) The notice required by subsection (3) of this section must be:

(A) Sent by first class mail to the deceased tenant at the premises; and

(B) Personally delivered or sent by first class mail to any personal representative or designated person if actually known to the landlord.

(c) The notice described in subsection (5) of this section must refer to any personal representative or designated person, instead of the deceased tenant, and must incorporate the provisions of this subsection.

(d) If a personal representative, designated person or other person entitled to possession of the property, such as an heir or devisee, responds by actual notice to a landlord within the 45-day period provided by subsection (6) of this section and so requests, the landlord shall enter into a written storage agreement [with the representative or person providing that the personal property may not be sold or disposed of by the landlord] under subsection (20) of this section for up to [90 days] 12 months or until conclusion of any probate proceedings, whichever is later. [A storage agreement entitles the representative or person to store the personal property on the previously rented space during the term of the agreement, but does not entitle anyone to occupy the personal property. If such an agreement is entered, the landlord may not enter a similar agreement with a lienholder pursuant to subsection (20) of this section until the agreement with the personal representative or designated person ends.]

[(e) If a personal representative or other person requests that a landlord enter into a storage agreement, subsection (20)(c) to (e) and (g)(C) of this section applies, with the representative or person having the rights and responsibilities of a lienholder with regard to the storage agreement.]

[(f)] (e) During the term of an agreement described under paragraph (d) of this subsection, the representative or person [has the right to] may remove or sell the property, including a sale to a
purchaser or a transfer to an heir or devisee where the purchaser, heir or devisee wishes to leave
the property on the rented space and become a tenant, subject to the provisions of ORS 90.680. The
landlord also may condition approval for occupancy of any purchaser, heir or devisee of the property
upon payment of all unpaid storage charges and maintenance costs.

If the representative or person violates the storage agreement, the landlord may terminate the
agreement by giving at least 30 days’ written notice to the representative or person stating facts suffi-
cient to notify the representative or person of the reason for the termination. Unless the representative
or person corrects the violation within the notice period, the agreement terminates as provided and the
landlord may sell or dispose of the property without further notice to the representative or person.

If the representative or person has sold or removed the property, the landlord may sell or dispose of the property
pursuant to this section without further notice to the representative or person.

(22) If a governmental agency determines that the condition of personal property abandoned
under this section constitutes an extreme health or safety hazard under state or local law and the
agency determines that the hazard endangers others in the facility and requires quick removal of
the property, the landlord may sell or dispose of the property pursuant to this subsection. The
landlord shall comply with all provisions of this section, except as follows:

(a) The date provided in subsection (6) of this section by which a tenant, lienholder, personal
representative or designated person must contact a landlord to arrange for the disposition of the
property must be not less than 15 days after personal delivery or mailing of the notice required by
subsection (3) of this section.

(b) The date provided in subsections (8) and (9) of this section by which a tenant, lienholder,
personal representative or designated person must remove the property must be not less than seven
days after the tenant, lienholder, personal representative or designated person contacts the landlord.

(c) The notice required by subsection (3) of this section must be as provided in subsection (5)
of this section, except that:

(A) The dates and deadlines in the notice for contacting the landlord and removing the property
must be consistent with this subsection;

(B) The notice must state that a governmental agency has determined that the property consti-
tutes an extreme health or safety hazard and must be removed quickly; and

(C) The landlord shall attach a copy of the agency’s determination to the notice.

(d) If the tenant, a lienholder or a personal representative or designated person does not remove
the property within the time allowed, the landlord or a buyer at a sale by the landlord under sub-
section (11) of this section shall promptly remove the property from the facility.

(e) A landlord is not required to enter into a storage agreement with a lienholder, former
tenant, personal representative or designated person pursuant to subsection (20) of this section.

(23)(a) A landlord may sell or dispose of a tenant’s abandoned personal property without com-
plying with the provisions of this section if, after termination of the tenancy or no more than seven
days prior to the termination of the tenancy, the following parties so agree in a writing entered into
in good faith:

(A) The landlord;

(B) The tenant, or for an abandonment as the result of the death of a tenant who was the only
tenant, the personal representative, designated person or other person entitled to possession of the
personal property, such as an heir or devisee, as described in subsection (21) of this section; and

[35]
(C) Any lienholder.

(b) A landlord may not, as part of a rental agreement, as a condition to approving a sale of property on rented space under ORS 90.680 or in any other manner, require a tenant, a personal representative, a designated person or any lienholder to waive any right provided by this section.

(24) Until personal property is conclusively presumed to be abandoned under subsection (9) of this section, a landlord does not have a lien pursuant to ORS 87.152 for storing the personal property.

SECTION 42. ORS 90.545 is amended to read:

90.545. (1) Except as provided under subsections (2) to (6) of this section, a fixed term tenancy for space for a manufactured dwelling or floating home, upon reaching its ending date, automatically renews as a month-to-month tenancy having the same terms and conditions, other than duration and rent increases under ORS 90.600, unless the tenancy is terminated under ORS 90.380 (5)(b), 90.394, 90.396, 90.398, 90.630 or 90.632.

(2) To renew or extend a fixed term tenancy for another term, of any duration that is consistent with ORS 90.550, the landlord shall submit the proposed new rental agreement to the tenant at least 60 days prior to the ending date of the term. The landlord shall include with the proposed agreement a written statement that summarizes any new or revised terms, conditions, rules or regulations.

(3) Notwithstanding ORS 90.610 (3), a landlord's proposed new rental agreement may include new or revised terms, conditions, rules or regulations, if the new or revised terms, conditions, rules or regulations:

(a)(A) Fairly implement a statute or ordinance adopted after the creation of the existing agreement; or

(B) Are the same as those offered to new or prospective tenants in the facility at the time the proposed agreement is submitted to the tenant and for the six-month period preceding the submission of the proposed agreement or, if there have been no new or prospective tenants during the six-month period, are the same as are customary for the rental market;

(b) Are consistent with the rights and remedies provided to tenants under this chapter, including the right to keep a pet pursuant to ORS 90.530;

(c) Do not relate to the age, size, style, construction material or year of construction of the manufactured dwelling or floating home contrary to ORS 90.632 (2); and

(d) Do not require an alteration of the manufactured dwelling or floating home or alteration or new construction of an accessory building or structure.

(4) A tenant shall accept or reject a landlord's proposed new rental agreement at least 30 days prior to the ending of the term by giving written notice to the landlord.

(5) If a landlord fails to submit a proposed new rental agreement as provided by subsection (2) of this section, the tenancy renews as a month-to-month tenancy as provided by subsection (1) of this section.

(6) If a tenant fails to accept or unreasonably rejects a landlord's proposed new rental agreement as provided by subsection (4) of this section, the fixed term tenancy terminates on the ending date without further notice and the landlord may take possession by complying with ORS 105.105 to 105.168.

[(7) If a tenancy terminates under conditions described in subsection (6) of this section, and the tenant surrenders or delivers possession of the premises to the landlord prior to the filing of an action pursuant to ORS 105.110, the tenant has the right to enter into a written storage agreement with the landlord, with the tenant having the same rights and responsibilities as a lienholder under ORS 90.675]
(20), except that the landlord may limit the term of the storage agreement to not exceed six months. Unless the parties agree otherwise, the storage agreement must commence upon the date of the termination of the tenancy. The rights under ORS 90.675 of any lienholder are delayed until the end of the tenant storage agreement.

CONFORMING AMENDMENTS

SECTION 43. ORS 90.643 is amended to read:

ORS 90.643. (1) A manufactured dwelling park may be converted to a planned community subdivision of manufactured dwellings pursuant to ORS 92.830 to 92.845. When a manufactured dwelling park is converted pursuant to ORS 92.830 to 92.845:

(a) Conversion does not require closure of the park pursuant to ORS 90.645 or termination of any tenancy on any space in the park or any lot in the planned community subdivision of manufactured dwellings.

(b) After approval of the tentative plan under ORS 92.830 to 92.845, the manufactured dwelling park ceases to exist, notwithstanding the possibility that four or more lots in the planned community subdivision may be available for rent.

(2) If a park is converted to a subdivision under ORS 92.830 to 92.845, and the landlord closes the park as a result of the conversion, ORS 90.645 applies to the closure.

(3) If a park is converted to a subdivision under ORS 92.830 to 92.845, but the landlord does not close the park as a result of the conversion:

(a) A tenant who does not buy the space occupied by the tenant’s manufactured dwelling may terminate the tenancy and move. If the tenant terminates the tenancy after receiving the notice required by ORS 92.839 and before the expiration of the 60-day period described in ORS 92.840 (2), the landlord shall pay the tenant as provided in ORS 90.645 (1).

(b) If the landlord and the tenant continue the tenancy on the lot created in the planned community subdivision, the tenancy is governed by ORS 90.100 to 90.465, except that the following provisions apply and, in the case of a conflict, control:

(A) ORS 90.510 (4) to (7) applies to a rental agreement and rules and regulations concerning the use and occupancy of the subdivision lot until the declarant turns over administrative control of the planned community subdivision of manufactured dwellings to a homeowners association pursuant to ORS 94.600 and 94.604 to 94.621. The landlord shall provide each tenant with a copy of the bylaws, rules and regulations of the homeowners association at least 60 days before the turnover meeting described in ORS 94.609.

(B) ORS 90.530 applies regarding pets.

(C) ORS 90.545 applies regarding the extension of a fixed term tenancy.

(D) ORS 90.600 (1) to (4) applies to an increase in rent.

(E) ORS 90.620 applies to a termination by a tenant.

(F) ORS 90.630 applies to a termination by a landlord for cause. However, the sale of a lot in the planned community subdivision occupied by a tenant to someone other than the tenant is a good cause for termination under ORS 90.630 that the tenant cannot cure or correct and for which the landlord must give written notice of termination that states the cause of termination at least 180 days before termination.

(G) ORS 90.632 applies to a termination of tenancy by a landlord due to the physical condition of the manufactured dwelling.
(H) ORS 90.634 applies to a lien for manufactured dwelling unit rent.

(I) ORS 90.680 applies to the sale of a manufactured dwelling occupying a lot in the planned community subdivision. If the intention of the buyer of the manufactured dwelling is to leave the dwelling on the lot, the landlord may reject the buyer as a tenant if the buyer does not buy the lot also.

(J) ORS 90.710 applies to a cause of action for a violation of ORS 90.510 (4) to (7), 90.630, 90.680 or 90.765.

(K) ORS 90.725 applies to landlord access to a rented lot in a planned community subdivision.

(L) ORS 90.730 (2), (3), (4) and (7) apply to the duty of a landlord to maintain a rented lot in a habitable condition.

(M) ORS 90.750 applies to the right of a tenant to assemble or canvass.

(N) ORS 90.755 applies to the right of a tenant to speak on political issues and to post political signs.

(O) ORS 90.765 applies to retaliatory conduct by a landlord.

(P) ORS 90.771 applies to the confidentiality of information provided to the [Office of Manufactured Dwelling Park Community Relations] Manufactured and Marina Communities Division of the Housing and Community Services Department about disputes.

SECTION 44. ORS 90.645 is amended to read:

90.645. (1) If a manufactured dwelling park, or a portion of the park that includes the space for a manufactured dwelling, is to be closed and the land or leasehold converted to a use other than as a manufactured dwelling park, and the closure is not required by the exercise of eminent domain or by order of federal, state or local agencies, the landlord may terminate a month-to-month or fixed term rental agreement for a manufactured dwelling park space:

(A) By giving the tenant not less than 365 days' notice in writing before the date designated in the notice for termination; and

(B) By paying a tenant, for each space for which a rental agreement is terminated, one of the following amounts:

(i) $6,000 if the manufactured dwelling is a single-wide dwelling;

(ii) $8,000 if the manufactured dwelling is a double-wide dwelling; or

(iii) $10,000 if the manufactured dwelling is a triple-wide or larger dwelling.

(b) The [Office of Manufactured Dwelling Park Community Relations] Manufactured and Marina Communities Division of the Housing and Community Services Department shall establish by rule a process to annually recalculate the amounts described in paragraph (a) of this subsection to reflect inflation.

(2) Notwithstanding subsection (1) of this section, if a landlord closes a manufactured dwelling park under this section as a result of converting the park to a subdivision under ORS 92.830 to 92.845, the landlord:

(a) May terminate a rental agreement by giving the tenant not less than 180 days' notice in writing before the date designated in the notice for termination.

(b) Is not required to make a payment under subsection (1) of this section to a tenant who:

(A) Buys the space or lot on which the tenant's manufactured dwelling is located and does not move the dwelling; or

(B) Sells the manufactured dwelling to a person who buys the space or lot.

(3) A notice given under subsection (1) or (2) of this section shall, at a minimum:

(a) State that the landlord is closing the park, or a portion of the park, and converting the land
or leasehold to a different use;
(b) Designate the date of closure; and
(c) Include the tax credit notice described in ORS 90.650.

(4) Except as provided in subsections (2) and (5) of this section, the landlord must pay a tenant the full amount required under subsection (1) of this section regardless of whether the tenant relocates or abandons the manufactured dwelling. The landlord shall pay at least one-half of the payment amount to the tenant within seven days after receiving from the tenant the notice described in subsection (5)(a) of this section. The landlord shall pay the remaining amount no later than seven days after the tenant ceases to occupy the space.

(5) Notwithstanding subsection (1) of this section:
(a) A landlord is not required to make a payment to a tenant as provided in subsection (1) of this section unless the tenant gives the landlord not less than 30 days’ and not more than 60 days’ written notice of the date within the 365-day period on which the tenant will cease tenancy, whether by relocation or abandonment of the manufactured dwelling.
(b) If the manufactured dwelling is abandoned:
(A) The landlord may condition the payment required by subsection (1) of this section upon the tenant waiving any right to receive payment under ORS 90.425 or 90.675.
(B) The landlord may not charge the tenant to store, sell or dispose of the abandoned manufactured dwelling.

(6)(a) A landlord may not charge a tenant any penalty, fee or unaccrued rent for moving out of the manufactured dwelling park prior to the end of the 365-day notice period.
