   (a) Employee compensation be reduced to generate the funds needed to make the employee contributions; or
   (b) Additional amounts be paid by the employer for the purpose of making the employee contributions, and employee compensation not be reduced for the purpose of generating the funds needed to make the employee contributions.
(3) A participating public employer must give written notice to the Public Employees Retirement Board at the time that a written employment policy or collective bargaining agreement described in subsection (1) of this section is adopted or changed. The notice must specifically indicate whether the agreement is as described in subsection (2)(a) or (b) of this section. Any change in the manner in which employee contributions are to be paid applies only to employee contributions made on and after the date the notice is received by the board.
(4) The provisions of this section apply only to employee contributions for a member who establishes membership in the system before the effective date of this 2019 Act and who has not had a break in service on or after the effective date of this 2019 Act, as described in section 2 of this 2019 Act.

A participating public employer may make an agreement under this section for specific groups of employees employed by the public employer.
(2) If a participating public employer makes employer contributions under this section and the member for which the contributions are made fails to vest in the employer account under the provisions of ORS 238A.320, the Public Employees Retirement Board shall apply the contributions in the employer account against other obligations of the employer under the Oregon Public Service Retirement Plan.
(3) The provisions of this section apply only to employer contributions for a member who establishes membership in the system before the effective date of this 2019 Act and who has not had a break in service on or after the effective date of this 2019 Act, as described in

SECTION 10. ORS 238A.350 is amended to read:

238A.350. (1) Upon any contributions being made to the individual account program by or on behalf of a member of the program, the Public Employees Retirement Board shall create the account or accounts described in this section. Each account shall be adjusted at least annually in accordance with rules adopted by the board to reflect any net earnings or losses on those contributions and to pay the reasonable administrative costs of maintaining the program to the extent the earnings on the assets of the program are insufficient to pay those costs. The adjustments described in this subsection shall continue until the account is distributed to the member or forfeited.

(2)(a) The board shall establish an employee account, which shall consist of the employee contributions made by or on behalf of the member as adjusted under subsection (1) of this section.

(b) The board shall create a separate employee account for a member who becomes an active member for the purpose of service in the Legislative Assembly under ORS 237.650, which shall consist of the employee contributions made by or on behalf of the member that are attributable to the member's legislative service, as adjusted under subsection (1) of this section.

(3) If the public employer agrees to make employer contributions under ORS 238A.340, the board shall establish an employer account, which shall consist of the employer contributions made on behalf of the member as adjusted under subsection (1) of this section.

(4) If the public employer makes employer contributions under section 9 of this 2019 Act, the board shall establish a contributions account, which shall consist of the employer contributions made on behalf of the member under section 9 of this 2019 Act as adjusted under subsection (1) of this section.

[(4)] (5) If the board accepts rollover contributions on behalf of the member, the board shall establish a rollover account, which shall consist of the rollover contributions made by the member as adjusted under subsection (1) of this section. Contributions and the earnings attributable to the contributions must be accounted for separately.

[(5)] (6) The board shall provide an annual statement to each active and inactive member of the
program that reflects the amount credited to the accounts established under this section. The
statement shall reflect whether the member is vested in the employer account under the provisions
of ORS 238A.320.

SECTION 11. ORS 238A.375 is amended to read:

238A.375. (1) An inactive member of the individual account program may elect to receive a dis-
tribution of the amounts in the member’s employee account, rollover account and contributions account, to the extent the member is vested in those accounts under ORS 238A.320 if the inactive member has separated from all service with participating public employers and with employers who are treated as part of a participating public employer's controlled group under the federal laws and rules governing the status of the system and the fund as a qualified governmental retirement plan and trust.

(2) If an inactive member of the individual account program who is not vested in the employer account receives a distribution under subsection (1) of this section, the employer account of the member is permanently forfeited as of the date of the distribution.

(3) A member may not make an election under this section for less than all of the member’s individual accounts described in ORS 238A.350 in which the member is vested.

(4) A member who is vested in the pension program established under this chapter and who is eligible to withdraw from the pension program under ORS 238A.120 may make an election under this section only if the member also withdraws from the pension program. A member who has a member account established under ORS chapter 238 may make an election under this section only if the member also withdraws that member account in the manner provided by ORS 238.265. A member who has an account established under ORS 238.440 may make an election under this section only if the member also withdraws the account established under ORS 238.440.

(5) If an inactive member receives a distribution under subsection (1) of this section and is subsequently reemployed by a participating public employer, any service performed before the date the member became an inactive member may not be used toward the period of service required for vesting in the employer account under ORS 238A.320.

SECTION 12. ORS 238A.400, as amended by section 8, chapter 101, Oregon Laws 2018, is
amended to read:

238A.400. (1) Upon retirement on or after the earliest retirement date, as described in ORS 238A.165, a member of the individual account program shall receive in a lump sum the amounts in the member’s employee account, rollover account and employer account contributions account to the extent the member is vested in those accounts under ORS 238A.320.

(2) In lieu of a lump sum payment under subsection (1) of this section, a member of the individual account program may elect to receive the amounts in the member’s employee account and employer account contributions account, to the extent the member is vested in those accounts under ORS 238A.320, in substantially equal installments paid over a period of 5, 10, 15 or 20 years, or over a period that is equal to the anticipated life span of the member as actuarially determined by the Public Employees Retirement Board. Installments may be made on a monthly, quarterly or annual basis. In no event may the period selected by the member exceed the time allowed by the minimum distribution requirements described in subsection (5) of this section. The board shall by rule establish the manner in which installments will be adjusted to reflect investment gains and losses on the unpaid balance during the payout period elected by the member under this subsection. The board by rule may establish minimum monthly amounts payable under this subsection. The board may require that a lump sum payment, or an installment schedule different than the schedules
provided for in this subsection, be used to pay the vested amounts in the member's accounts if those
amounts are not adequate to generate the minimum monthly amounts specified by the rule.

(3) A member of the individual account program electing to receive installments under sub-
section (2) of this section must designate a beneficiary or beneficiaries. In the event the member dies
before all amounts in the employee and vested employer accounts are paid, all remaining installment
payments shall be made to the beneficiary or beneficiaries designated by the member. A beneficiary
may elect to receive a lump sum distribution of the remaining amounts.

(4) A member who is entitled to receive retirement benefits under ORS chapter 238 may receive
vested amounts in the member's employee account, rollover account and employer account in the
manner provided by this section when the member retires for service under the provisions of ORS
chapter 238.

(5) Notwithstanding any other provision of ORS 238A.300 to 238A.415, the entire interest of a
member of the individual account program must be distributed over a time period commencing no
later than the latest retirement date set forth in ORS 238A.170, and must be distributed in a manner
that satisfies all other minimum distribution requirements of 26 U.S.C. 401(a)(9) and regulations im-
plementing that section, as in effect on December 31, 2017. The board shall adopt rules implementing
those minimum distribution requirements.

SECTION 13. ORS 238A.410, as amended by section 9, chapter 101, Oregon Laws 2018, is
amended to read:

238A.410. (1) If a member of the individual account program dies before retirement, the amounts
in the member's employee account, rollover account [and], employer account and contributions
account, to the extent the member is vested in those accounts under ORS 238A.320, shall be paid
in a lump sum to the beneficiary or beneficiaries designated by the member for the purposes of this
section.

(2) If a member of the individual account program is married at the time of death, or there exists
at the time of death any other person who is constitutionally required to be treated in the same
manner as a spouse for the purpose of retirement benefits, the spouse or other person shall be the
beneficiary for purposes of the death benefit payable under this section unless the spouse or other
person consents to the designation of a different beneficiary or beneficiaries before the designation
has been made and the consent has not been revoked by the spouse or other person as of the time
of the member's death. Consent and revocation of consent must be in writing, acknowledged by a
notary public, and submitted to the Public Employees Retirement Board in accordance with rules
adopted by the board. If the member's spouse is designated as the member's beneficiary and the
marriage of the member and spouse is subsequently dissolved, the former spouse shall be treated as
predeceasing the member for purposes of this section, unless the member expressly designates the
former spouse as beneficiary after the effective date of the dissolution or the former spouse is re-
quired to be designated as a beneficiary under the provisions of ORS 238.465.

(3) For purposes of this section and ORS 238A.400 (3), if a member fails to designate a benefi-
ciary, or if the person or persons designated do not survive the member, the death benefit provided
for in this section shall be paid to the following person or persons, in the following order of priority:
(a) The member's surviving spouse or other person who is constitutionally required to be treated
in the same manner as a spouse;
(b) The member's surviving children, in equal shares; or
(c) The member's estate.

(4) The entire amount of a deceased member's vested accounts must be distributed by December

The Optional Retirement Plan must be a qualified plan under the Internal Revenue Code, capable of accepting funds transferred under subsection (7) of this section without the transfer being treated as a taxable event under the Internal Revenue Code, and willing to accept those funds. Retirement and death benefits shall be provided under the plan by the purchase of annuity contracts, fixed or variable or a combination thereof, or by contracts for investments in mutual funds.

(2) An administrative or academic employee who is eligible to remain or become a member of the Public Employees Retirement System may elect to participate in the Optional Retirement Plan upon completion of:

(a) Six hundred hours of employment, or the equivalent as determined by the governing board; and

(b) Six months of employment that is not interrupted by more than 30 consecutive working days.

(3) An administrative or academic employee who is eligible to remain or become a member of the Public Employees Retirement System, including an administrative or academic employee who previously participated in the Optional Retirement Plan because of employment in a position classified as a post-doctoral scholar position under ORS 350.370, may make an irrevocable election to participate in the Optional Retirement Plan within six months after being employed. An election under this subsection is effective on the first day of the month following the completion of the requirements of subsection (2) of this section.

(4) An administrative or academic employee who is eligible to remain or become a member of the Public Employees Retirement System and who does not elect to participate in the Optional Retirement Plan:

(a) Remains or becomes a member of the Public Employees Retirement System in accordance with ORS chapters 238 and 238A; or

(b) Continues to be assisted by the governing board under ORS 243.920 if the employee is being so assisted.

(5) Except as provided in subsection (6) of this section, employees who elect to participate in the Optional Retirement Plan are ineligible for active membership in the Public Employees Retirement System or for any assistance by the governing board under ORS 243.920 as long as those employees are employed in the public university and the plan is in effect.

(6)(a) An administrative or academic employee who elects to participate in the Optional Retirement Plan, who has creditable service under ORS chapter 238 as defined by ORS 238.005 and who is not vested shall be considered by the Public Employees Retirement Board to be a terminated member under the provisions of ORS 238.095 as of the effective date of the election, and the amount credited to the member account of the member shall be transferred directly to the Optional Retirement Plan by the Public Employees Retirement Board in the manner provided by subsection (7) of this section.
(b) An administrative or academic employee who elects to participate in the Optional Retirement Plan, who has creditable service under ORS chapter 238 as defined by ORS 238.005 and who is vested shall be considered to be an inactive member by the Public Employees Retirement Board and shall retain all the rights, privileges and options under ORS chapter 238 unless the employee makes a written request to the Public Employees Retirement Board for a transfer of the amounts credited to the member account of the member to the Optional Retirement Plan. A request for a transfer must be made at the time the member elects to participate in the Optional Retirement Plan. Upon receiving the request, the Public Employees Retirement Board shall transfer all amounts credited to the member account of the member directly to the Optional Retirement Plan, and shall terminate all rights, privileges and options of the employee under ORS chapter 238.

(c) An administrative or academic employee who elects to participate in the Optional Retirement Plan, and who is not a vested member of the pension program of the Oregon Public Service Retirement Plan as described in ORS 238A.115 on the date that the election becomes effective, shall be considered to be a terminated member of the pension program by the Public Employees Retirement Board as of the effective date of the election.

(d) An administrative or academic employee who elects to participate in the Optional Retirement Plan, and who is a vested member of the pension program of the Oregon Public Service Retirement Plan as described in ORS 238A.115 on the date that the election becomes effective, shall be considered an inactive member of the pension program by the Public Employees Retirement Board as of the effective date of the election. An employee who is subject to the provisions of this paragraph retains all the rights, privileges and options of an inactive member of the pension program. If the actuarial equivalent of the employee's benefit under the pension program at the time that the election becomes effective is $5,000 or less, the employee may make a written request to the Public Employees Retirement Board for a transfer of the employee's interest under the pension program to the Optional Retirement Plan. The request must be made at the time the member elects to participate in the Optional Retirement Plan. Upon receiving the request, the Public Employees Retirement Board shall transfer the amount determined to be the actuarial equivalent of the employee's benefit under the pension program directly to the Optional Retirement Plan, and shall terminate the membership of the employee in the pension program.

(e) An administrative or academic employee who elects to participate in the Optional Retirement Plan, and who is a vested member of the individual account program of the Oregon Public Service Retirement Plan as described in ORS 238A.320 on the date that the election becomes effective, shall be considered an inactive member of the individual account program by the Public Employees Retirement Board as of the effective date of the election. An administrative or academic employee who elects to participate in the Optional Retirement Plan, and who is a member of the individual account program of the Oregon Public Service Retirement Plan, may make a written request to the Public Employees Retirement Board that all amounts in the member’s employee account, rollover account [and], employer account and contributions account, to the extent the member is vested in those accounts under ORS 238A.320, be transferred to the Optional Retirement Plan. The request must be made at the time the member elects to participate in the Optional Retirement Plan. Upon receiving the request, the Public Employees Retirement Board shall transfer the amounts directly to the Optional Retirement Plan, and shall terminate the membership of the employee in the individual account program upon making the transfer.
(f) Notwithstanding paragraphs (b), (d) and (e) of this subsection, the Public Employees Retirement Board may not treat any employee as an inactive member under the provisions of this subsection for the purpose of receiving any benefit under ORS chapter 238 or 238A that requires that the employee be separated from all service with participating public employers and with employers who are treated as part of a participating public employer's controlled group under the federal laws and rules governing the status of the Public Employees Retirement System and the Public Employees Retirement Fund as a qualified governmental retirement plan and trust.

(7) Any amounts transferred from the Public Employees Retirement Fund under subsection (6) of this section shall be transferred directly to the Optional Retirement Plan by the Public Employees Retirement Board and may not be made available to the employee.

(8) An employee participating in the Optional Retirement Plan who was hired before July 1, 2014, shall contribute monthly an amount equal to the percentage of the employee's salary that the employee would otherwise have contributed as an employee contribution to the Public Employees Retirement System if the employee had not elected to participate in the Optional Retirement Plan.

(9) For an employee participating in the Optional Retirement Plan who was hired before July 1, 2014, the governing board shall contribute monthly to the Optional Retirement Plan the percentage of salary of the employee equal to the percentage of salary that would otherwise have been contributed as an employer contribution on behalf of the employee to the Public Employees Retirement System, before any offset under ORS 238.229 (2), if the employee had not elected to participate in the Optional Retirement Plan.

(10) For an employee participating in the Optional Retirement Plan who was hired on or after July 1, 2014, the governing board shall contribute monthly to the Optional Retirement Plan:

(a) Eight percent of the employee's salary; and

(b) A percentage of the employee's salary equal to the percentage of salary contributed by the employee to the public university's Tax-Deferred Investment 403(b) Plan under ORS 243.820, up to four percent of the employee's salary in each pay period.

(11)(a) Unless otherwise prohibited by law, a person employed in a position classified as a post-doctoral scholar position under ORS 350.370 is an academic employee under subsection (1) of this section and becomes a participant in the Optional Retirement Plan when the person participates in the public university's Tax-Deferred Investment 403(b) Plan under ORS 243.820.

(b) Participation in the Optional Retirement Plan under this subsection becomes effective on the first day of the month following the later of:

(A) Enrollment in the public university's Tax-Deferred Investment 403(b) Plan under ORS 243.820; or

(B) Completion of:

(ii) Six months of employment that is not interrupted by more than 30 consecutive working days.

(c) For a post-doctoral scholar participating in the Optional Retirement Plan, the governing board shall contribute monthly to the Optional Retirement Plan a percentage of the post-doctoral scholar's salary equal to the percentage of salary contributed by the post-doctoral scholar to the public university's Tax-Deferred Investment 403(b) Plan under ORS 243.820, up to four percent of the post-doctoral scholar's salary in each pay period.

(d) A post-doctoral scholar is an academic employee who elects to participate in the Optional Retirement Plan for purposes of subsection (6) of this section.

SECTION 15. ORS 341.551 is amended to read:

341.551. (1) Notwithstanding any provision of ORS chapter 238 or 238A, the Office of Community
Colleges and Workforce Development may establish and administer an optional retirement plan for
administrative employees of community college districts who are eligible for membership in the
Public Employees Retirement System. Any community college district may participate in the plan
by giving written notice to the office.

(2) An administrative employee may make an election to participate in the optional retirement
plan if the community college district that employs the employee is participating in the plan. The
election must be made in the following manner:

(a) An administrative employee who is an active member of the Public Employees Retirement
System may make an election to participate in the plan within 180 days after the community college
district commences participation in the plan, effective on the first day of the month following the
election.

(b) An administrative employee who is hired after the community college district commences
participation in the plan may make an election to participate in the plan within the first six months
of employment, effective on the first day of the month following six full months of employment.

(3) An administrative employee who does not elect to participate in the optional retirement plan
remains or becomes a member of the Public Employees Retirement System in accordance with ORS
chapters 238 and 238A.

(4) An administrative employee may elect to participate in the optional retirement plan only if
at the time the election becomes effective the employee is not concurrently employed in a position
with any participating public employer other than the community college district in a position that
entitles the employee to membership in the Public Employees Retirement System. Except as pro-
vided in subsection (9) of this section, employees who elect to participate in the optional retirement
plan are ineligible for active membership in the Public Employees Retirement System for as long as
those employees are employed by a community college district that participates in the plan, whether
by reason of employment by the district or any other participating public employer.

(5)(a) An administrative employee who elects to participate in the optional retirement plan, who
has creditable service under ORS chapter 238 as defined by ORS 238.005 and who is not vested shall
be considered by the Public Employees Retirement Board to be a terminated member under the
provisions of ORS 238.095 as of the effective date of the election, and the amount credited to the
member account of the member shall be transferred directly to the optional retirement plan by the
Public Employees Retirement Board in the manner provided by subsection (6) of this section.

(b) An administrative employee who elects to participate in the optional retirement plan, who
has creditable service under ORS chapter 238 as defined by ORS 238.005 and who is vested shall
be considered to be an inactive member by the Public Employees Retirement Board and shall retain all the rights, privileges and options under ORS chapter 238 unless the employee makes a written request to the Public Employees Retirement Board for a transfer of the amounts credited to the member account of the member to the optional retirement plan. A request for a transfer must be made at the time the member elects to participate in the optional retirement plan. Upon receiving the request, the Public Employees Retirement Board shall transfer all amounts credited to the member account of the member directly to the optional retirement plan and shall terminate all rights, privileges and options of the employee under ORS chapter 238.

(c) An administrative employee who elects to participate in the optional retirement plan and who is not a vested member of the pension program of the Oregon Public Service Retirement Plan as described in ORS 238A.115 on the date that the election becomes effective shall be considered to be a terminated member of the pension program by the Public Employees Retirement Board as of the effective date of the election.

(d) An administrative employee who elects to participate in the optional retirement plan and who is a vested member of the pension program of the Oregon Public Service Retirement Plan as described in ORS 238A.115 on the date that the election becomes effective shall be considered an inactive member of the pension program by the Public Employees Retirement Board as of the effective date of the election. An employee who is subject to the provisions of this paragraph retains all the rights, privileges and options of an inactive member of the pension program. If the actuarial equivalent of the employee’s benefit under the pension program at the time that the election becomes effective is $5,000 or less, the employee may make a written request to the Public Employees Retirement Board for a transfer of the employee’s interest under the pension program to the optional retirement plan. The request must be made at the time the member elects to participate in the optional retirement plan. Upon receiving the request, the Public Employees Retirement Board shall transfer the amount determined to be the actuarial equivalent of the employee’s benefit under the pension program directly to the optional retirement plan and shall terminate the membership of the employee in the pension program.

(e) An administrative employee who elects to participate in the optional retirement plan and who is a vested member of the individual account program of the Oregon Public Service Retirement Plan as described in ORS 238A.320 on the date that the election becomes effective shall be considered an inactive member of the individual account program by the Public Employees Retirement Board as of the effective date of the election. An employee who is subject to the provisions of this paragraph retains all the rights, privileges and options of an inactive member of the individual account program. An administrative employee who elects to participate in the optional retirement plan and who is a member of the individual account program of the Oregon Public Service Retirement Plan may make a written request to the Public Employees Retirement Board that all amounts in the member’s employee account, rollover account, employer account and contributions account, to the extent the member is vested in those accounts under ORS 238A.320, be transferred to the optional retirement plan. The request must be made at the time the member elects to participate in the optional retirement plan. Upon receiving the request, the Public Employees Retirement Board shall transfer the amounts directly to the optional retirement plan and shall terminate the membership of the employee in the individual account program.

(f) Notwithstanding paragraphs (b), (d) and (e) of this subsection, the Public Employees Retirement Board shall not treat any employee as an inactive member under the provisions of this subsection for the purpose of receiving any benefit under ORS chapter 238 or 238A that requires that...
the employee be separated from all service with participating public employers and with employers
who are treated as part of a participating public employer’s controlled group under the federal laws
and rules governing the status of the Public Employees Retirement System and the Public Employees
Retirement Fund as a qualified governmental retirement plan and trust.

(6) Any amounts transferred from the Public Employees Retirement Fund under subsection (5)
of this section shall be transferred directly to the optional retirement plan by the Public Employees
Retirement Board and shall not be made available to the employee.

(7) An employee participating in the optional retirement plan shall contribute monthly an
amount equal to the percentage of the employee’s salary that the employee would otherwise have
contributed as an employee contribution to the Public Employees Retirement System if the employee
had not elected to participate in the optional retirement plan.

(8) A participating community college district shall contribute monthly to the optional retire-
ment plan the percentage of salary for each employee participating in the plan that is equal to the
percentage of salary that is required to be made as the employer contribution under ORS 238A.220,
less any contributions made by reason of unfunded liabilities. The district may make contributions
under this subsection only during periods of time in which the employee would be eligible for
membership in the Public Employees Retirement System if the employee had not elected to partic-
ipate in the optional retirement plan.

(9) An administrative employee who elects to participate in the optional retirement plan may
make an election to withdraw from the plan. An employee may make an election under this sub-
section only once. Upon withdrawing from the plan:

(a) All contributions made to the plan before the effective date of the withdrawal remain cred-
ited to the employee;

(b) The employee becomes a member of the Public Employees Retirement System under ORS
chapter 238A if the member meets all requirements for membership under ORS chapter 238A; and

(c) The employee is barred from ever again electing to participate in the optional retirement
plan.

(10) For the purposes of this section, “administrative employee” means a president, vice presi-

dean.
