“SECTION 2. (1) The State Board of Pharmacy shall adopt rules to require that, if a patient is of limited English proficiency and the prescribing practitioner, patient or an authorized representative of the patient so requests, a prescription drug dispensed by a pharmacist or pharmacy intern bear a label, or be dispensed with an informational insert, in both English and in a language that the patient can read and understand. The rules adopted under this section must:

“(a) Define ‘limited English proficiency.’

“(b) Determine the pharmacies to which the requirements of this section apply, and include at least pharmacies located in hospitals and in drug stores.

“(c)(A) Require that labels and informational inserts be available in at least the following languages:

“(i) Spanish.

“(ii) Chinese.

“(iii) Vietnamese.

“(iv) Russian.

“(v) Korean.

“(vi) Japanese.

“(vii) Tagalog.

“(viii) Arabic.

“(ix) Khmer.

“(x) Persian.

“(xi) Nepali.

“(xii) Somali.

“(xiii) Karen.

“(xiv) Swahili.

“(B) Allow the board to require that labels and informational inserts be available in additional languages in response to the demographics of communities in this state, and to consult the most recent American Community Survey from the United States Census Bureau and other resources as necessary to determine the language needs of each community.

“(d) Establish a list of statements for prescription drug labels and informational inserts that must be available in the languages described in paragraph (c) of this subsection.

“(e) Determine for which prescription drugs it is appropriate to include an informational insert.

“(2)(a) A pharmacy may contract with a third party for the translation of the labels and
informational inserts required under subsection (1) of this section.

“(b) A pharmacy, pharmacist or pharmacy intern that dispenses a prescription drug in compliance with the requirements of subsection (1) of this section may not be held liable for injuries resulting from the actions of a third party if the pharmacy from which the label or informational insert was dispensed entered into a contract with the third party in good faith, and the pharmacy, pharmacist or pharmacy intern was not negligent with regard to the alleged misconduct of the third party.

“(3) The board may adopt other rules as necessary to carry out this section.

“(4) The board shall, in consultation with the Oregon Health Authority, adopt rules to require that a pharmacy post signage to provide notification of the right to free, competent oral interpretation and translation services for patients who are of limited English proficiency. Rules adopted under this subsection must comply with any relevant federal laws and regulations.”.
