

Senate Bill 765

Sponsored by Senators STEINER HAYWARD, BEYER, Representative NOBLE; Senators FREDERICK, HEARD, MONNES ANDERSON, WINTERS, Representatives PRUSAK, SALINAS (at the request of Sam Barber, Lobby Oregon, American Academy of Family Physicians)

SUMMARY

The following summary is not prepared by the sponsors of the measure and is not a part of the body thereof subject to consideration by the Legislative Assembly. It is an editor's brief statement of the essential features of the measure **as introduced**.

Modifies definitions of "primary care" and "total medical expenditures" for purpose of reports on spending for primary care by insurance carriers, Public Employees' Benefit Board, Oregon Educators Benefit Board and coordinated care organizations. Requires all carriers providing specified health insurance to report spending on primary care and on use of alternative payment methodologies for reimbursing costs of primary care.

Requires Department of Consumer and Business Services and Oregon Health Authority to prescribe by rule percentage of primary care expenditures that must be reimbursed using alternative payment methodologies.

21 activity of state government.

22 [(11)] (14) "Total medical expenditures" means payments to reimburse the cost of physical and
23 mental health care provided to eligible employees or their family members, excluding [*prescription*
24 *drugs,*] vision care and dental care, whether paid on a fee-for-service basis or as part of a capitated
25 rate or other type of payment mechanism.

26 **SECTION 4.** ORS 243.135 is amended to read:

27 243.135. (1) Notwithstanding any other benefit plan contracted for and offered by the Public
28 Employees' Benefit Board, the board shall contract for a health benefit plan or plans best designed
29 to meet the needs and provide for the welfare of eligible employees, the state and the local gov-
30 ernments. In considering whether to enter into a contract for a plan, the board shall place emphasis
31 on:

32 (a) Employee choice among high quality plans;

33 (b) A competitive marketplace;

34 (c) Plan performance and information;

35 (d) Employer flexibility in plan design and contracting;

36 (e) Quality customer service;

37 (f) Creativity and innovation;

38 (g) Plan benefits as part of total employee compensation;

39 (h) The improvement of employee health; and

40 (i) Health outcome and quality measures, described in ORS 413.017 (4), that are reported by the
41 plan.

42 (2) The board may approve more than one carrier for each type of plan contracted for and of-
43 fered but the number of carriers shall be held to a number consistent with adequate service to eli-
44 gible employees and their family members.

45 (3) Where appropriate for a contracted and offered health benefit plan, the board shall provide

1 options under which an eligible employee may arrange coverage for family members.

2 (4) Payroll deductions for costs that are not payable by the state or a local government may be
3 made upon receipt of a signed authorization from the employee indicating an election to participate
4 in the plan or plans selected and the deduction of a certain sum from the employee's pay.

5 (5) In developing any health benefit plan, the board may provide an option of additional cover-
6 age for eligible employees and their family members at an additional cost or premium.

7 (6) Transfer of enrollment from one plan to another shall be open to all eligible employees and
8 their family members under rules adopted by the board. Because of the special problems that may
9 arise in individual instances under comprehensive group practice plan coverage involving acceptable
10 provider-patient relations between a particular panel of providers and particular eligible employees
11 and their family members, the board shall provide a procedure under which any eligible employee
12 may apply at any time to substitute a health service benefit plan for participation in a comprehen-
13 sive group practice benefit plan.

14 (7) The board shall evaluate a benefit plan that serves a limited geographic region of this state
15 according to the criteria described in subsection (1) of this section.

16 (8) By January 1, 2023, the board shall:

17 (a) Spend at least 12 percent of its total medical expenditures in self-insured health benefit plans
18 on payments for primary care; **and**

19 (b) **Reimburse a percentage, as established by the Director of the Department of Con-**
20 **sumer and Business Services under ORS 743.010 (1)(d), of all primary care costs in self-**
21 **insured health benefit plans using alternative payment methodologies, as defined in ORS**
22 **414.025.**

23 (9) No later than February 1 of each year, the board shall report to the Legislative Assembly
24 on the board's progress toward achieving the [*target of spending at least 12 percent of total medical*
25 *expenditures in self-insured health benefit plans on payments for primary care*] **spending targets in**
26 **subsection (8) of this section and the board's plan for achieving the targets.**

27 **SECTION 5.** ORS 243.135, as amended by section 27, chapter 746, Oregon Laws 2017, is
28 amended to read:

29 243.135. (1) Notwithstanding any other benefit plan contracted for and offered by the Public
30 Employees' Benefit Board, the board shall contract for a health benefit plan or plans best designed
31 to meet the needs and provide for the welfare of eligible employees, the state and the local gov-
32 ernments. In considering whether to enter into a contract for a plan, the board shall place emphasis
33 on:

34 (a) Employee choice among high quality plans;

35 (b) A competitive marketplace;

36 (c) Plan performance and information;

37 (d) Employer flexibility in plan design and contracting;

38 (e) Quality customer service;

39 (f) Creativity and innovation;

40 (g) Plan benefits as part of total employee compensation;

41 (h) The improvement of employee health; and

42 (i) Health outcome and quality measures, described in ORS 413.017 (4), that are reported by the
43 plan.

44 (2) The board may approve more than one carrier for each type of plan contracted for and of-
45 fered but the number of carriers shall be held to a number consistent with adequate service to eli-

1 gible employees and their family members.

2 (3) Where appropriate for a contracted and offered health benefit plan, the board shall provide
3 options under which an eligible employee may arrange coverage for family members who are not
4 enrolled in another health benefit plan offered by the board or the Oregon Educators Benefit Board.
5 An eligible employee who declines coverage in a health benefit plan offered by the Public
6 Employees' Benefit Board or the Oregon Educators Benefit Board and who is enrolled as a spouse
7 or family member in another health benefit plan offered by the Public Employees' Benefit Board or
8 the Oregon Educators Benefit Board may not be paid the employer contribution for the plan that
9 was declined.

10 (4) Payroll deductions for costs that are not payable by the state or a local government may be
11 made upon receipt of a signed authorization from the employee indicating an election to participate
12 in the plan or plans selected and the deduction of a certain sum from the employee's pay.

13 (5) In developing any health benefit plan, the board may provide an option of additional cover-
14 age for eligible employees and their family members at an additional cost or premium.

15 (6) Transfer of enrollment from one plan to another shall be open to all eligible employees and
16 their family members under rules adopted by the board. Because of the special problems that may
17 arise in individual instances under comprehensive group practice plan coverage involving acceptable
18 provider-patient relations between a particular panel of providers and particular eligible employees
19 and their family members, the board shall provide a procedure under which any eligible employee
20 may apply at any time to substitute a health service benefit plan for participation in a comprehen-
21 sive group practice benefit plan.

22 (7) The board shall evaluate a benefit plan that serves a limited geographic region of this state
23 according to the criteria described in subsection (1) of this section.

24 (8)(a) The board shall use payment methodologies in self-insured health benefit plans offered by
25 the board that are designed to limit the growth in per-member expenditures for health services to
26 no more than 3.4 percent per year.

27 (b) The board shall adopt policies and practices designed to limit the annual increase in pre-
28 mium amounts paid for contracted health benefit plans to 3.4 percent.

29 (9) A carrier or third party administrator that contracts with the board to provide or administer
30 a health benefit plan shall, at least once each plan year, conduct an audit of the health benefit plan
31 enrollees' continued eligibility for coverage as spouses or dependents or any other basis that would
32 affect the cost of the premium for the plan.

33 (10) By January 1, 2023, the board shall:

34 (a) Spend at least 12 percent of its total medical expenditures in self-insured health benefit plans
35 on payments for primary care; **and**

36 (b) **Reimburse a percentage, as established by the Director of the Department of Con-**
37 **sumer and Business Services under ORS 743.010 (1)(d), of all primary care costs in self-**
38 **insured health benefit plans using alternative payment methodologies, as defined in ORS**
39 **414.025.**

40 (11) No later than February 1 of each year, the board shall report to the Legislative Assembly
41 on the board's progress toward achieving the [*target of spending at least 12 percent of total medical*
42 *expenditures in self-insured health benefit plans on payments for primary care*] **spending targets in**
43 **subsection (10) of this section and the board's plan for achieving the targets.**

44 **SECTION 6.** ORS 243.135, as amended by section 16, chapter 489, Oregon Laws 2017, and sec-
45 tion 27, chapter 746, Oregon Laws 2017, is amended to read:

1 243.135. (1) Notwithstanding any other benefit plan contracted for and offered by the Public
2 Employees' Benefit Board, the board shall contract for a health benefit plan or plans best designed
3 to meet the needs and provide for the welfare of eligible employees, the state and the local gov-
4 ernments. In considering whether to enter into a contract for a plan, the board shall place emphasis
5 on:

6 (a) Employee choice among high quality plans;

7 (b) A competitive marketplace;

8 (c) Plan performance and information;

9 (d) Employer flexibility in plan design and contracting;

10 (e) Quality customer service;

11 (f) Creativity and innovation;

12 (g) Plan benefits as part of total employee compensation;

13 (h) The improvement of employee health; and

14 (i) Health outcome and quality measures, described in ORS 413.017 (4), that are reported by the
15 plan.

16 (2) The board may approve more than one carrier for each type of plan contracted for and of-
17 fered but the number of carriers shall be held to a number consistent with adequate service to eli-
18 gible employees and their family members.

19 (3) Where appropriate for a contracted and offered health benefit plan, the board shall provide
20 options under which an eligible employee may arrange coverage for family members who are not
21 enrolled in another health benefit plan offered by the board or the Oregon Educators Benefit Board.
22 An eligible employee who declines coverage in a health benefit plan offered by the Public
23 Employees' Benefit Board or the Oregon Educators Benefit Board and who is enrolled as a spouse
24 or family member in another health benefit plan offered by the Public Employees' Benefit Board or
25 the Oregon Educators Benefit Board may not be paid the employer contribution for the plan that
26 was declined.

27 (4) Payroll deductions for costs that are not payable by the state or a local government may be
28 made upon receipt of a signed authorization from the employee indicating an election to participate
29 in the plan or plans selected and the deduction of a certain sum from the employee's pay.

30 (5) In developing any health benefit plan, the board may provide an option of additional cover-
31 age for eligible employees and their family members at an additional cost or premium.

32 (6) Transfer of enrollment from one plan to another shall be open to all eligible employees and
33 their family members under rules adopted by the board. Because of the special problems that may
34 arise in individual instances under comprehensive group practice plan coverage involving acceptable
35 provider-patient relations between a particular panel of providers and particular eligible employees
36 and their family members, the board shall provide a procedure under which any eligible employee
37 may apply at any time to substitute a health service benefit plan for participation in a comprehen-
38 sive group practice benefit plan.

39 (7) The board shall evaluate a benefit plan that serves a limited geographic region of this state
40 according to the criteria described in subsection (1) of this section.

41 (8)(a) The board shall use payment methodologies in self-insured health benefit plans offered by
42 the board that are designed to limit the growth in per-member expenditures for health services to
43 no more than 3.4 percent per year.

44 (b) The board shall adopt policies and practices designed to limit the annual increase in pre-
45 mium amounts paid for contracted health benefit plans to 3.4 percent.

1 (9) A carrier or third party administrator that contracts with the board to provide or administer
 2 a health benefit plan shall, at least once each plan year, conduct an audit of the health benefit plan
 3 enrollees' continued eligibility for coverage as spouses or dependents or any other basis that would
 4 affect the cost of the premium for the plan.

5 **(10) The board shall:**

6 **(a) Spend at least 12 percent of its total medical expenditures in self-insured health ben-**
 7 **efit plans on payments for primary care; and**

8 **(b) Reimburse a percentage, as established by the Director of the Department of Con-**
 9 **sumer and Business Services under ORS 743.010 (1)(d), of all primary care costs in self-**
 10 **insured health benefit plans using alternative payment methodologies, as defined in ORS**
 11 **414.025.**

12 *[(10)]* **(11)** If the board *[spends less than 12 percent of its total medical expenditures in self-insured*
 13 *health benefit plans on payments for primary care]* **fails to meet the financial requirements in**
 14 **subsection (10) of this section**, the board shall implement a plan for increasing, **by at least one**
 15 **percent each year:**

16 **(a) The percentage of total medical expenditures spent on payments for primary care; and**

17 **(b) The percentage of primary care costs that are reimbursed using alternative payment**
 18 **methodologies** *[by at least one percent each year].*

19 *[(11)]* **(12)** No later than February 1 of each year, the board shall report to the Legislative As-
 20 sembly on any plan implemented under subsection *[(10)]* **(11)** of this section and on the board's
 21 progress toward achieving the *[target of spending at least 12 percent of total medical expenditures in*
 22 *self-insured health benefit plans on payments for primary care]* **financial requirements in subsection**
 23 **(10) of this section.**

24 **SECTION 7.** ORS 243.860 is amended to read:

25 243.860. As used in ORS 243.860 to 243.886, unless the context requires otherwise:

26 (1) "Benefit plan" includes but is not limited to:

27 (a) Contracts for insurance or other benefits, including medical, dental, vision, life, disability and

37 (f) **A clinical social work associate certified under ORS 675.537;**

38 (g) **An intern or resident who is working under a board-approved supervisory contract in**
39 **a clinical mental health field; or**

40 (h) **Other care team members, as defined in ORS 414.025 (15)(b), providing care to indi-**
41 **viduals and families in a patient centered primary care home to address one or more of the**
42 **following:**

43 (A) **Mental illness.**

44 (B) **Substance use disorders.**

45 (C) **Health behaviors that contribute to chronic illness.**

1 **(D) Life stressors and crises.**

2 **(E) Developmental risks and conditions.**

3 **(F) Stress-related physical symptoms.**

4 **(G) Preventive care.**

5 **(H) Ineffective patterns of health care utilization.**

6 **(12) “Primary care integrated women’s health clinician” means one of the following**
 7 **clinicians whose practice is focused on women’s health and primary care and who is provid-**
 8 **ing a range of the services within a patient centered primary care home:**

9 **(a) A physician who is an obstetrician or gynecologist;**

10 **(b) A nurse practitioner;**

11 **(c) A physician assistant; or**

12 **(d) Another health professional licensed or certified in this state.**

13 [(10)] **(13) “Total medical expenditures” means payments to reimburse the cost of physical and**
 14 **mental health care provided to eligible employees or their family members, excluding [prescription**
 15 **drugs,] vision care and dental care, whether paid on a fee-for-service basis or as part of a capitated**
 16 **rate or other type of payment mechanism.**

17 **SECTION 8.** ORS 243.866 is amended to read:

18 243.866. (1) The Oregon Educators Benefit Board shall contract for benefit plans best designed
 19 to meet the needs and provide for the welfare of eligible employees, the districts and local govern-
 20 ments. In considering whether to enter into a contract for a benefit plan, the board shall place em-
 21 phasis on:

22 (a) Employee choice among high-quality plans;

23 (b) Encouragement of a competitive marketplace;

24 (c) Plan performance and information;

25 (d) District and local government flexibility in plan design and contracting;

26 (e) Quality customer service;

27 (f) Creativity and innovation;

28 (g) Plan benefits as part of total employee compensation;

29 (h) Improvement of employee health; and

30 (i) Health outcome and quality measures, described in ORS 413.017 (4), that are reported by the
 31 plan.

32 (2) The board may approve more than one carrier for each type of benefit plan offered, but the
 33 board shall limit the number of carriers to a number consistent with adequate service to eligible
 34 employees and family members.

35 (3) When appropriate, the board shall provide options under which an eligible employee may
 36 arrange coverage for family members under a benefit plan.

37 (4) A district or a local government shall provide that payroll deductions for benefit plan costs
 38 that are not payable by the district or local government may be made upon receipt of a signed au-
 39 thorization from the employee indicating an election to participate in the benefit plan or plans se-
 40 lected and allowing the deduction of those costs from the employee’s pay.

41 (5) In developing any benefit plan, the board may provide an option of additional coverage for
 42 eligible employees and family members at an additional premium.

43 (6) The board shall adopt rules providing that transfer of enrollment from one benefit plan to
 44 another is open to all eligible employees and family members. Because of the special problems that
 45 may arise involving acceptable provider-patient relations between a particular panel of providers

1 and a particular eligible employee or family member under a comprehensive group practice benefit
 2 plan, the board shall provide a procedure under which any eligible employee may apply at any time
 3 to substitute another benefit plan for participation in a comprehensive group practice benefit plan.

4 (7) An eligible employee who is retired is not required to participate in a health benefit plan
 5 offered under this section in order to obtain dental benefit plan coverage. The board shall establish
 6 by rule standards of eligibility for retired employees to participate in a dental benefit plan.

7 (8) The board shall evaluate a benefit plan that serves a limited geographic region of this state
 8 according to the criteria described in subsection (1) of this section.

9 (9) By January 1, 2023, the board shall:

10 (a) Spend at least 12 percent of its total medical expenditures in self-insured health benefit plans
 11 on payments for primary care; **and**

12 (b) **Reimburse a percentage, as established by the Director of the Department of Con-**
 13 **sumer and Business Services under ORS 743.010 (1)(d), of all primary care costs in self-**
 14 **insured health benefit plans using alternative payment methodologies, as defined in ORS**
 15 **414.025.**

16 (10) No later than February 1 of each year, the board shall report to the Legislative Assembly
 17 on the board's progress toward achieving the [*target of spending at least 12 percent of total medical*
 18 *expenditures on payments for primary care*] **spending targets in subsection (9) of this section and**
 19 **the board's plan for achieving the targets.**

20 **SECTION 9.** ORS 243.866, as amended by section 28, chapter 746, Oregon Laws 2017, is
 21 amended to read:

22 243.866. (1) The Oregon Educators Benefit Board shall contract for benefit plans best designed
 23 to meet the needs and provide for the welfare of eligible employees, the districts and local govern-
 24 ments. In considering whether to enter into a contract for a benefit plan, the board shall place em-
 25 phasis on:

26 (a) Employee choice among high-quality plans;

27 (b) Encouragement of a competitive marketplace;

28 (c) Plan performance and information;

29 (d) District and local government flexibility in plan design and contracting;

30 (e) Quality customer service;

31 (f) Creativity and innovation;

32 (g) Plan benefits as part of total employee compensation;

33 (h) Improvement of employee health; and

34 (i) Health outcome and quality measures, described in ORS 413.017 (4), that are reported by the
 35 plan.

36 (2) The board may approve more than one carrier for each type of benefit plan offered, but the
 37 board shall limit the number of carriers to a number consistent with adequate service to eligible
 38 employees and family members who are not enrolled in another health benefit plan offered by the
 39 board or the Public Employees' Benefit Board. An eligible employee who declines coverage in a
 40 health benefit plan offered by the Oregon Educators Benefit Board or the Public Employees' Benefit
 41 Board and who is enrolled as a spouse or family member in another health benefit plan offered by
 42 the Oregon Educators Benefit Board or the Public Employees' Benefit Board may not be paid the
 43 employer contribution for the plan that was declined.

44 (3) When appropriate, the board shall provide options under which an eligible employee may
 45 arrange coverage for family members under a benefit plan.

1 (4) A district or a local government shall provide that payroll deductions for benefit plan costs
 2 that are not payable by the district or local government may be made upon receipt of a signed au-
 3 thorization from the employee indicating an election to participate in the benefit plan or plans se-
 4 lected and allowing the deduction of those costs from the employee's pay.

5 (5) In developing any benefit plan, the board may provide an option of additional coverage for
 6 eligible employees and family members at an additional premium.

7 (6) The board shall adopt rules providing that transfer of enrollment from one benefit plan to
 8 another is open to all eligible employees and family members. Because of the special problems that
 9 may arise involving acceptable provider-patient relations between a particular panel of providers
 10 and a particular eligible employee or family member under a comprehensive group practice benefit
 11 plan, the board shall provide a procedure under which any eligible employee may apply at any time
 12 to substitute another benefit plan for participation in a comprehensive group practice benefit plan.

13 (7) An eligible employee who is retired is not required to participate in a health benefit plan
 14 offered under this section in order to obtain dental benefit plan coverage. The board shall establish
 15 by rule standards of eligibility for retired employees to participate in a dental benefit plan.

16 (8) The board shall evaluate a benefit plan that serves a limited geographic region of this state
 17 according to the criteria described in subsection (1) of this section.

18 (9)(a) The board shall use payment methodologies in self-insured health benefit plans offered by
 19 the board that are designed to limit the growth in per-member expenditures for health services to
 20 no more than 3.4 percent per year.

21 (b) The board shall adopt policies and practices designed to limit the annual increase in pre-
 22 mium amounts paid for contracted health benefit plans to 3.4 percent.

23 (10) A carrier or third party administrator that contracts with the board to provide or admin-
 24 ister a health benefit plan shall, at least once each plan year, conduct an audit of the health benefit
 25 plan enrollees' continued eligibility for coverage as spouses or dependents or any other basis that
 26 would affect the cost of the premium for the plan.

27 (11) By January 1, 2023, the board shall:

28 (a) Spend at least 12 percent of its total medical expenditures in self-insured health benefit plans
 29 on payments for primary care; **and**

30 (b) **Reimburse a percentage, as established by the Director of the Department of Con-**
 31 **sumer and Business Services under ORS 743.010 (1)(d), of all primary care costs in self-**
 32 **insured health benefit plans using alternative payment methodologies, as defined in ORS**
 33 **414.025.**

34 (12) No later than February 1 of each year, the board shall report to the Legislative Assembly
 35 on the board's progress toward achieving the [*target of spending at least 12 percent of total medical*
 36 *expenditures on payments for primary care*] **spending targets in subsection (11) of this section**
 37 **and the board's plan for achieving the targets.**

38 **SECTION 10.** ORS 243.866, as amended by section 17, chapter 489, Oregon Laws 2017, and
 39 section 28, chapter 746, Oregon Laws 2017, is amended to read:

40 243.866. (1) The Oregon Educators Benefit Board shall contract for benefit plans best designed
 41 to meet the needs and provide for the welfare of eligible employees, the districts and local govern-
 42 ments. In considering whether to enter into a contract for a benefit plan, the board shall place em-
 43 phasis on:

44 (a) Employee choice among high-quality plans;

45 (b) Encouragement of a competitive marketplace;

1 (c) Plan performance and information;

2 (d) District and local government flexibility in plan design and contracting;

3 (e) Quality customer service;

4 (f) Creativity and innovation;

5 (g) Plan benefits as part of total employee compensation;

6 (h) Improvement of employee health; and

7 (i) Health outcome and quality measures, described in ORS 413.017 (4), that are reported by the
8 plan.

9 (2) The board may approve more than one carrier for each type of benefit plan offered, but the
10 board shall limit the number of carriers to a number consistent with adequate service to eligible
11 employees and family members who are not enrolled in another health benefit plan offered by the
12 board or the Public Employees' Benefit Board. An eligible employee who declines coverage in a
13 health benefit plan offered by the Oregon Educators Benefit Board or the Public Employees' Benefit
14 Board and who is enrolled as a spouse or family member in another health benefit plan offered by
15 the Oregon Educators Benefit Board or the Public Employees' Benefit Board may not be paid the
16 employer contribution for the plan that was declined.

17 (3) When appropriate, the board shall provide options under which an eligible employee may
18 arrange coverage for family members under a benefit plan.

19 (4) A district or a local government shall provide that payroll deductions for benefit plan costs
20 that are not payable by the district or local government may be made upon receipt of a signed au-
21 thorization from the employee indicating an election to participate in the benefit plan or plans se-
22 lected and allowing the deduction of those costs from the employee's pay.

23 (5) In developing any benefit plan, the board may provide an option of additional coverage for
24 eligible employees and family members at an additional premium.

25 (6) The board shall adopt rules providing that transfer of enrollment from one benefit plan to
26 another is open to all eligible employees and family members. Because of the special problems that
27 may arise involving acceptable provider-patient relations between a particular panel of providers
28 and a particular eligible employee or family member under a comprehensive group practice benefit
29 plan, the board shall provide a procedure under which any eligible employee may apply at any time
30 to substitute another benefit plan for participation in a comprehensive group practice benefit plan.

31 (7) An eligible employee who is retired is not required to participate in a health benefit plan
32 offered under this section in order to obtain dental benefit plan coverage. The board shall establish
33 by rule standards of eligibility for retired employees to participate in a dental benefit plan.

34 (8) The board shall evaluate a benefit plan that serves a limited geographic region of this state
35 according to the criteria described in subsection (1) of this section.

36 (9)(a) The board shall use payment methodologies in self-insured health benefit plans offered by
37 the board that are designed to limit the growth in per-member expenditures for health services to
38 no more than 3.4 percent per year.

39 (b) The board shall adopt policies and practices designed to limit the annual increase in pre-
40 mium amounts paid for contracted health benefit plans to 3.4 percent.

41 (10) A carrier or third party administrator that contracts with the board to provide or admin-
42 ister a health benefit plan shall, at least once each plan year, conduct an audit of the health benefit
43 plan enrollees' continued eligibility for coverage as spouses or dependents or any other basis that
44 would affect the cost of the premium for the plan.

45 **(11) The board shall:**

1 (a) Spend at least 12 percent of its total medical expenditures in self-insured health ben-
2 efit plans on payments for primary care; and

3 (b) Reimburse a percentage, as established by the Director of the Department of Con-
4 sumer and Business Services under ORS 743.010 (1)(d), of all primary care costs in self-
5 insured health benefit plans using alternative payment methodologies, as defined in ORS
6 414.025.

7 [(11)] (12) If the board [*spends less than 12 percent of its total medical expenditures in self-insured*
8 *health benefit plans on payments for primary care*] **fails to meet the financial requirements in**
9 **subsection (11) of this section**, the board shall implement a plan for increasing, **by at least one**
10 **percent each year:**

11 (a) The percentage of total medical expenditures spent on payments for primary care; and

12 (b) **The percentage of primary care costs that are reimbursed using alternative payment**
13 **methodologies** [*by at least one percent each year*].

14 [(12)] (13) No later than February 1 of each year, the board shall report to the Legislative As-
15 sembly on any plan implemented under subsection [(11)] (12) of this section and on the board's
16 progress toward achieving the [*target of spending at least 12 percent of total medical expenditures on*
17 *payments for primary care*] **financial requirements in subsection (11) of this section.**

18 **SECTION 11.** ORS 414.653 is amended to read:

19 414.653. (1) The Oregon Health Authority shall encourage coordinated care organizations to use
20 alternative payment methodologies that:

21 (a) Reimburse providers on the basis of health outcomes and quality measures instead of the
22 volume of care;

23 (b) Hold organizations and providers responsible for the efficient delivery of quality care;

24 (c) Reward good performance;

25 (d) Limit increases in medical costs; and

26 (e) Use payment structures that create incentives to:

27 (A) Promote prevention;

28 (B) Provide person centered care; and

29 (C) Reward comprehensive care coordination using delivery models such as patient centered
30 primary care homes and behavioral health homes.

31 (2) The authority shall encourage coordinated care organizations to utilize alternative payment
32 methodologies that move from a predominantly fee-for-service system to payment methods that base
33 reimbursement on the quality rather than the quantity of services provided.

34 [(3)] *A coordinated care organization that participates in a national primary care medical home*
35 *payment model, conducted by the Center for Medicare and Medicaid Innovation in accordance with 42*
36 *U.S.C. 1315a, that includes performance-based incentive payments for primary care, shall offer similar*
37 *alternative payment methodologies to all patient centered primary care homes identified in accordance*
38 *with ORS 413.259 that serve members of the coordinated care organization.]*

39 [(4)] (3) The authority shall assist and support coordinated care organizations in identifying
40 cost-cutting measures.

41 [(5)] (4) If a service provided in a health care facility is not covered by Medicare because the
42 service is related to a health care acquired condition, the cost of the service may not be:

43 (a) Charged by a health care facility or any health services provider employed by or with priv-
44 ileges at the facility, to a coordinated care organization, a patient or a third-party payer; or

45 (b) Reimbursed by a coordinated care organization.

1 [(6)(a)] **(5)(a)** Notwithstanding subsections (1) and (2) of this section, until July 1, 2014, a coordinated care organization that contracts with a Type A or Type B hospital or a rural critical access hospital, as described in ORS 442.470, shall reimburse the hospital fully for the cost of covered services based on the cost-to-charge ratio used for each hospital in setting the global payments to the coordinated care organization for the contract period.

2 (b) The authority shall base the global payments to coordinated care organizations that contract with rural hospitals described in this section on the most recent audited Medicare cost report for Oregon hospitals adjusted to reflect the Medicaid mix of services.

3 (c) The authority shall identify any rural hospital that would not be expected to remain financially viable if paid in a manner other than as prescribed in paragraphs (a) and (b) of this subsection based upon an evaluation by an actuary retained by the authority. On and after July 1, 2014, the authority may, on a case-by-case basis, require a coordinated care organization to continue to reimburse a rural hospital determined to be at financial risk, in the manner prescribed in paragraphs (a) and (b) of this subsection.

4 (d) This subsection does not prohibit a coordinated care organization and a hospital from mutually agreeing to reimbursement other than the reimbursement specified in paragraph (a) of this subsection.

5 (e) Hospitals reimbursed under paragraphs (a) and (b) of this subsection are not entitled to any additional reimbursement for services provided.

6 [(7)] **(6)** Notwithstanding subsections (1) and (2) of this section, coordinated care organizations must comply with federal requirements for payments to providers of Indian health services, including but not limited to the requirements of 42 U.S.C. 1396j and 42 U.S.C. 1396u-2(a)(2)(C).

7 **SECTION 12.** ORS 743.010, as amended by section 15, chapter 489, Oregon Laws 2017, is amended to read:

8 743.010. (1) In addition to all other powers of the Director of the Department of Consumer and Business Services with respect thereto, the director may issue rules with respect to policy forms and health benefit plan forms described in ORS 742.005 (6)(a) and (b):

9 (a) Establishing minimum benefit standards;

10 (b) Requiring the ratio of benefits to premiums to be not less than a specified percentage in order to be considered reasonable, and requiring the periodic filing of data that will demonstrate the insurer's compliance;

11 (c) Establishing requirements intended to discourage duplication or overlapping of coverage and replacement, without regard to the advantage to policyholders, of existing policies by new policies;

12 [and]

13 (d) Establishing requirements [for] **to encourage** carriers offering health benefit plans to:

14 **(A) Spend at least 12 percent of total medical expenditures on payments for primary care; and**

15 **(B) Reimburse a percentage, as established by the director by rule, of all primary care costs using alternative payment methodologies; and**

16 **(e) Requiring insurers that do not meet the spending targets in paragraph (d) of this subsection to submit with each rate filing a plan to increase, by at least one percent each plan year:**

17 **(A) The percentage of total medical expenditures spent on payments for primary care: and**

18 **(B) The percentage of primary care costs that are reimbursed using alternative payment methodologies.**

4 order to be considered reasonable, and requiring the periodic filing of data that will demonstrate the
5 insurer's compliance;
- 6 (c) Establishing requirements intended to discourage duplication or overlapping of coverage and
7 replacement, without regard to the advantage to policyholders, of existing policies by new policies;
- 8 (d) Establishing requirements *[to encourage]* **for** carriers offering health benefit plans to:
- 9 (A) Spend at least 12 percent of total medical expenditures on payments for primary care; and
10 (B) Reimburse a percentage, as established by the director by rule, of all primary care costs
11 using alternative payment methodologies; and
- 12 (e) Requiring insurers that do not meet the *[spending targets]* **financial requirements** in para-
13 graph (d) of this subsection to submit with each rate filing a plan to increase, by at least one per-
14 cent each plan year:
- 15 (A) The percentage of total medical expenditures spent on payments for primary care; and
16 (B) The percentage of primary care costs that are reimbursed using alternative payment meth-
17 odologies.
- 18 (2) As used in this section:
- 19 (a) "Alternative payment methodology" has the meaning given that term in ORS 414.025.
20 (b) "Patient centered primary care home" has the meaning given that term in ORS 414.025.
21 (c) "Primary care" means family medicine, general internal medicine, naturopathic medicine,
22 pediatrics and care provided by primary care integrated behavioral health clinicians and primary
23 care integrated women's health clinicians.

25 (2) *[No later than January 1, 2023,]* A coordinated care organization must:

26 (a) Spend at least 12 percent of the coordinated care organization’s total medical expenditures
27 on primary care; and

28 (b) Reimburse a percentage, as established by the Oregon Health Authority by rule, of all pri-
29 mary care costs using alternative payment methodologies.

30 (3) In determining the amount of the global budget to be made to each coordinated care organ-
31 ization in the next calendar year, the authority shall take into account:

32 (a) Anticipated spending, as reported by each coordinated care organization, on primary care;
33 and

34 (b) Alternative payment methodologies that will be used by the coordinated care organization
35 to reimburse the costs of primary care in the payment year.

36 **SECTION 18.** ORS 414.625, as amended by section 14, chapter 489, Oregon Laws 2017, and
37 section 4, chapter 49, Oregon Laws 2018, is amended to read:

38 414.625. (1) The Oregon Health Authority shall adopt by rule the qualification criteria and re-
39 quirements for a coordinated care organization and shall integrate the criteria and requirements
40 into each contract with a coordinated care organization. Coordinated care organizations may be
41 local, community-based organizations or statewide organizations with community-based participation
42 in governance or any combination of the two. Coordinated care organizations may contract with
43 counties or with other public or private entities to provide services to members. The authority may
44 not contract with only one statewide organization. A coordinated care organization may be a single
45 corporate structure or a network of providers organized through contractual relationships. The cri-

1 teria and requirements adopted by the authority under this section must include, but are not limited
2 to, a requirement that the coordinated care organization:

3 (a) Have demonstrated experience and a capacity for managing financial risk and establishing
4 financial reserves.

5 (b) Meet the following minimum financial requirements:

6 (A) Maintain restricted reserves of \$250,000 plus an amount equal to 50 percent of the coordi-
7 nated care organization's total actual or projected liabilities above \$250,000.

8 (B) Maintain a net worth in an amount equal to at least five percent of the average combined
9 revenue in the prior two quarters of the participating health care entities.

10 (C) Expend a portion of the annual net income or reserves of the coordinated care organization
11 that exceed the financial requirements specified in this paragraph on services designed to address
12 health disparities and the social determinants of health consistent with the coordinated care
13 organization's community health improvement plan and transformation plan and the terms and con-
14 ditions of the Medicaid demonstration project under section 1115 of the Social Security Act (42
15 U.S.C. 1315).

16 (c) Operate within a fixed global budget [*and spend on primary care, as defined by the authority*
17 *by rule, at least 12 percent of the coordinated care organization's total expenditures for physical and*
18 *mental health care provided to members, except for expenditures on prescription drugs, vision care and*
19 *dental care*].

20 (d) Develop and implement alternative payment methodologies that are based on health care
21 quality and improved health outcomes.

22 (e) Coordinate the delivery of physical health care, mental health and chemical dependency
23 services, oral health care and covered long-term care services.

24 (f) Engage community members and health care providers in improving the health of the com-
25 munity and addressing regional, cultural, socioeconomic and racial disparities in health care that
26 exist among the coordinated care organization's members and in the coordinated care organization's
27 community.

28 (2) In addition to the criteria and requirements specified in subsection (1) of this section, the
29 authority must adopt by rule requirements for coordinated care organizations contracting with the
30 authority so that:

31 (a) Each member of the coordinated care organization receives integrated person centered care
32 and services designed to provide choice, independence and dignity.

33 (b) Each member has a consistent and stable relationship with a care team that is responsible
34 for comprehensive care management and service delivery.

35 (c) The supportive and therapeutic needs of each member are addressed in a holistic fashion,
36 using patient centered primary care homes, behavioral health homes or other models that support
37 patient centered primary care and behavioral health care and individualized care plans to the extent
38 feasible.

39 (d) Members receive comprehensive transitional care, including appropriate follow-up, when en-
40 tering and leaving an acute care facility or a long term care setting.

41 (e) Members receive assistance in navigating the health care delivery system and in accessing
42 community and social support services and statewide resources, including through the use of certi-
43 fied health care interpreters and qualified health care interpreters, as those terms are defined in
44 ORS 413.550.

45 (f) Services and supports are geographically located as close to where members reside as possi-

1 ble and are, if available, offered in nontraditional settings that are accessible to families, diverse
2 communities and underserved populations.

3 (g) Each coordinated care organization uses health information technology to link services and
4 care providers across the continuum of care to the greatest extent practicable and if financially vi-
5 able.

6 (h) Each coordinated care organization complies with the safeguards for members described in
7 ORS 414.635.

8 (i) Each coordinated care organization convenes a community advisory council that meets the
9 criteria specified in ORS 414.627.

10 (j) Each coordinated care organization prioritizes working with members who have high health
11 care needs, multiple chronic conditions, mental illness or chemical dependency and involves those
12 members in accessing and managing appropriate preventive, health, remedial and supportive care
13 and services, including the services described in ORS 414.766, to reduce the use of avoidable emer-
14 gency room visits and hospital admissions.

15 (k) Members have a choice of providers within the coordinated care organization's network and
16 that providers participating in a coordinated care organization:

17 (A) Work together to develop best practices for care and service delivery to reduce waste and
18 improve the health and well-being of members.

19 (B) Are educated about the integrated approach and how to access and communicate within the
20 integrated system about a patient's treatment plan and health history.

21 (C) Emphasize prevention, healthy lifestyle choices, evidence-based practices, shared decision-
22 making and communication.

23 (D) Are permitted to participate in the networks of multiple coordinated care organizations.

24 (E) Include providers of specialty care.

25 (F) Are selected by coordinated care organizations using universal application and credentialing
26 procedures and objective quality information and are removed if the providers fail to meet objective
27 quality standards.

28 (G) Work together to develop best practices for culturally appropriate care and service delivery
29 to reduce waste, reduce health disparities and improve the health and well-being of members.

30 (L) Each coordinated care organization reports on outcome and quality measures adopted under
31 ORS 414.638 and participates in the health care data reporting system established in ORS 442.464
32 and 442.466.

33 (m) Each coordinated care organization uses best practices in the management of finances,
34 contracts, claims processing, payment functions and provider networks.

35 (n) Each coordinated care organization participates in the learning collaborative described in
36 ORS 413.259 (3).

37 (o) Each coordinated care organization has a governing body that complies with section 2,
38 chapter 49, Oregon Laws 2018, and that includes:

39 (A) At least one member representing persons that share in the financial risk of the organiza-
40 tion;

41 (B) A representative of a dental care organization selected by the coordinated care organization;

42 (C) The major components of the health care delivery system;

43 (D) At least two health care providers in active practice, including:

44 (i) A physician licensed under ORS chapter 677 or a nurse practitioner certified under ORS
45 678.375, whose area of practice is primary care; and

1 (ii) A mental health or chemical dependency treatment provider;

2 (E) At least two members from the community at large, to ensure that the organization's
3 decision-making is consistent with the values of the members and the community; and

4 (F) At least one member of the community advisory council.

5 (p) Each coordinated care organization's governing body establishes standards for publicizing
6 the activities of the coordinated care organization and the organization's community advisory
7 councils, as necessary, to keep the community informed.

8 (3) The authority shall consider the participation of area agencies and other nonprofit agencies
9 in the configuration of coordinated care organizations.

10 (4) In selecting one or more coordinated care organizations to serve a geographic area, the au-
11 thority shall:

12 (a) For members and potential members, optimize access to care and choice of providers;

13 (b) For providers, optimize choice in contracting with coordinated care organizations; and

14 (c) Allow more than one coordinated care organization to serve the geographic area if necessary
15 to optimize access and choice under this subsection.

16 (5) On or before July 1, 2014, each coordinated care organization must have a formal contractual
17 relationship with any dental care organization that serves members of the coordinated care organ-
18 ization in the area where they reside.

19 **SECTION 19.** Section 3, chapter 489, Oregon Laws 2017, is amended to read:

20 **Sec. 3.** (1) As used in this section[,]:
