Senate Bill 860

Sponsored by Senator WINTERS

SUMMARY

The following summary is not prepared by the sponsors of the measure and is not a part of the body thereof subject to consideration by the Legislative Assembly. It is an editor’s brief statement of the essential features of the measure as introduced.

Prohibits specified utilization controls on health insurance coverage of CT scans for screening for lung cancer.

A BILL FOR AN ACT

Relating to screening for lung cancer.

Be It Enacted by the People of the State of Oregon:

SECTION 1. Section 2 of this 2019 Act is added to and made a part of the Insurance Code.

SECTION 2. A policy or certificate of health insurance offered in this state that reimburses the cost of computed tomography scans for screening for lung cancer may not impose either of the following utilization controls on the coverage of the scan:

(1) An age limit for coverage.

(2) A requirement for coverage that a patient who formerly smoked quit smoking within the previous 15 years.

SECTION 3. Section 2 of this 2019 Act applies to policies or certificates of health insurance issued, renewed or extended on or after the effective date of this 2019 Act.

NOTE: Matter in boldfaced type in an amended section is new; matter [italic and bracketed] is existing law to be omitted. New sections are in boldfaced type.
