CONCURRENT RESOLUTION

1
2 Whereas the residents of the State of Oregon have a strong interest in standing against bigotry,
3 discrimination and injustice; and

4 Whereas the State of Israel and the United States are allies sharing a common bond rooted in
5 the values of freedom, democracy and equal rights; and

6 Whereas the State of Oregon and the State of Israel have a long history of friendship based on
7 economic, cultural and academic collaboration and exchange; and

8 Whereas in 2015, Oregon exported \$219 million in goods to Israel and, in 2014, Israel exported
9 \$167 million in goods to Oregon; and

10 Whereas the Boycott, Divestment and Sanctions (BDS) movement is a global campaign whose
11 goal is to delegitimize the State of Israel by seeking to hijack social, political, religious, academic,
12 cultural and economic platforms to isolate the State of Israel within the international community;
13 and

14 Whereas the dramatic increase in BDS activism on college campuses across the country, in-
15 cluding at Portland State University, has contributed to an alarming rise in anti-Semitic actions,
16 including intimidation and marginalization of Jewish students; and

17 Whereas calls by the BDS movement for academic boycotts against Israeli academic institutions
18 have been condemned by many of our nation's largest academic associations, over 250 university
19 presidents and leading scholars as a violation of the bedrock principle of academic freedom; and

20 Whereas Oregon's elected representatives, who defend the inalienable right to free speech, rec-
21 ognize that one-sided punitive economic measures targeting the State of Israel do not contribute to
22 the creation of an atmosphere of economic cooperation and political reconciliation between Israelis
23 and Palestinians that is the necessary foundation for a lasting peace; and

24 Whereas Oregonians affirm that both Israelis and Palestinians have the right to live in their
25 own safe and secure states, free from fear and violence, and with mutual recognition, trade and
26 normalized relations with each other; now, therefore,

27 **Be It Resolved by the Legislative Assembly of the State of Oregon:**

28 That we, the members of the Eightieth Legislative Assembly, call upon the public institutions
29 of this state to denounce hatred and discrimination whenever and wherever they occur; and be it
30 further
