

Requested by Senator OLSEN

**PROPOSED AMENDMENTS TO  
HOUSE BILL 2020**

1 On page 8 of the printed bill, after line 22, insert:

2 “(g) For the purpose of addressing the annual regulated emissions of  
3 goods sold in this state, the office shall designate as a covered entity a per-  
4 son not described in paragraphs (a) to (f) of this subsection that, as part of  
5 carrying on or doing business in this state, sells or offers for sale in this  
6 state goods manufactured in a country other than the United States, if:

7 “(A) The person maintains its headquarters, principal office or primary  
8 place of business in this state;

9 “(B) The greenhouse gas emissions attributable to the manufacture in a  
10 country other than the United States of the goods sold or offered for sale in  
11 this state by the person are not subject to regulation or taxation by the  
12 country where the goods are manufactured; and

13 “(C) The greenhouse gas emissions described in subparagraph (B) of this  
14 paragraph meet or exceed 25,000 metric tons of carbon dioxide equivalent.”.

15 On page 31, after line 7, insert:

16 “(d) A person described in section 9 (2)(g) of this 2019 Act.”.
