2 *to submit to the chemical test after the person has been informed of conse-*
3 *quences and rights as described under ORS 813.130.]*

4 “[(3)] **(2)** If a person refuses to [take] **submit to** a test under this section
5 or if a breath test under this section discloses that the person, at the time

7 under the influence of intoxicating liquor under ORS 813.300 **and the person**
8 **has been informed of rights and consequences as provided under ORS**

28 the person’s driving privileges are subject to suspension under ORS 813.410
29 and the police officer shall report to the department within 45 days of the
30 date of arrest that the person failed the blood test.

1 “[5] (4) Nothing in this section precludes a police officer from obtaining
2 a chemical test of the person’s breath or blood through any lawful means for
3 use as evidence in a criminal or civil proceeding including, but not limited
4 to, obtaining a search warrant.

5 **“SECTION 2.** ORS 813.130 is amended to read:

21 to the public or the highways of this state shall be deemed to have given
22 consent, subject to the Motorist Implied Consent Law, to a chemical test of
23 the person’s urine for the purpose of determining the presence of cannabis,
24 a controlled substance or an inhalant in the person’s body if the person is

3 “[2] (3) A police officer may not request a urine test unless the officer
4 is certified by the Department of Public Safety Standards and Training as
5 having completed at least eight hours of training in recognition of drug im-
6 paired driving and the officer has a reasonable suspicion that the person
7 arrested has been driving while under the influence of cannabis, a controlled
8 substance, an inhalant or any combination of cannabis, a controlled sub-
9 stance, an inhalant and intoxicating liquor.

10 “[3] (4) A person asked to give a urine sample shall be given privacy

14 while under the influence of intoxicants, a valid chemical analysis of a
15 person’s urine is admissible as evidence and may be used with other evi-
16 dence, if any, to determine whether the person was driving while under the
17 influence of intoxicants.

18 “(b) A chemical analysis of a person’s urine is valid [*under this*
19 *subsection*] if analysis is performed in an accredited or licensed toxicology
20 laboratory.

25 imposed for refusal to [*take*] **submit to** a urine test **under ORS 813.131 (2)**
26 shall be consecutive to any other suspension imposed under the Motorist
27 Implied Consent Law. If a person is subject to consecutive suspensions, the
28 length of time that must elapse before the Department of Transportation may
29 reinstate driving privileges or issue a hardship permit under ORS 813.520

2 **to submit to a urine test** under ORS 813.131 (2), in addition to information
3 described in ORS 813.130, the person asked to take the test shall be informed
4 that if the person refuses **to submit to** the test, the person’s driving privi-
5 leges will be suspended for the same time period and with the same conse-
6 quences as if the person had refused **to submit to** the breath test and that
7 a suspension for refusal [*of*] **to submit to** the urine test will be consecutive
8 to any other suspension under the Motorist Implied Consent Law.

9 “(3) Notwithstanding subsection (1) of this section, no suspension of
10 driving privileges shall be imposed for refusal to [*provide a urine sample*]
11 **submit to a urine test** if the person provides documentation from a physi-
12 cian licensed by this state showing that the person has a medical condition
13 that makes it impossible for the person to provide a sample.

14 “**SECTION 5.** ORS 813.135 is amended to read:

15 “813.135. Any person who operates a vehicle upon premises open to the
16 public or the highways of the state shall be deemed to have given consent
17 to submit to field sobriety tests upon the request of a police officer for the
18 purpose of determining if the person is under the influence of intoxicants if
19 the police officer reasonably suspects that the person has committed the of-
20 fense of driving while under the influence of intoxicants in violation of ORS
21 813.010 or a municipal ordinance. [*Before the tests are administered, the per-*

6 “813.140. Nothing in ORS 813.100, **813.131 or 813.132** is intended to pre-
7 clude the administration of a chemical test described in this section. A police
8 officer may obtain a chemical test of the breath or blood to determine the
9 amount of alcohol in any person’s blood or a test of the person’s blood or
10 urine, or both, to determine the presence of cannabis, a controlled substance
11 or an inhalant in the person as provided in the following:
