17 **“(g) Upon delivery of the conduct complaint, the independent in-**
18 **vestigator shall promptly begin the investigation described in sub-**
19 **section (14) of this rule and recommend any necessary interim safety**
20 **measures as described in subsection (13) of this rule.**

21 **“(13) Interim safety measures.**

22 **“(a) Upon receipt of a conduct report made under subsection (11)**
23 **of this rule or a conduct complaint made under subsection (12) of this**
24 **rule, or at any time during the course of an investigation, the inde-**
25 **pendent investigator may determine that an interim safety measure**
26 **needs to be implemented to ensure the safety of the complainant or**
27 **any other individual who has experienced behavior that is prohibited**
28 **by this rule or who may reasonably be foreseen as at risk of being**
29 **subjected to behavior that is prohibited by this rule. The Legislative**
30 **Equity Officer or an offsite process counselor may also recommend an**

1 interim safety measure if interim safety measures are sought by an
2 individual making a confidential disclosure under subsection (10) of
3 this rule. The investigator, officer or counselor may recommend any
4 interim safety measure that they determine is appropriate to the sit-

15 “(F) In severe situations, involving law enforcement.

16 “(b) Any interim safety measure that is recommended or that is

18 in a worse position than the complainant was in before the complaint
19 was made.

20 “(c)(A) Any interim safety measure that is imposed may not un-
21 lawfully impair any lawful rights an accused person may exercise.

22 “(B) Any interim safety measure that is imposed on a member of
23 the Legislative Assembly must be narrowly tailored to minimize limi-
24 tations on the member’s ability to perform core legislative functions
25 and to address immediate safety concerns, and an interim safety
26 measure may not be imposed until after the member is given notice
27 of the proposed interim safety measure and an opportunity to be heard
28 by the applicable chamber committee on conduct.

29 “(d) If the respondent is a member of the Legislative Assembly:

30 “(A) The committee on conduct of the chamber in which the re-

2 the respondent that lasts no longer than until the complaint is re-
3 solved;

4 “(B) The independent investigator shall report the investigator’s
5 interim safety recommendation and the reasons for the recommen-
6 dation to the respondent, to the committee and to the presiding officer
7 of the chamber; and

8 “(C) The committee shall promptly deliberate on the recommen-
9 dation and shall adopt such interim safety measures that the com-

21 but not a Legislative Branch employee, to the employee’s agency di-
22 rector and the Legislative Administrator.

24 contractor or member of the public, to the Legislative Administrator.

25 “(f) The person who receives the independent investigator’s interim
26 safety recommendation made under paragraph (e) of this subsection
27 shall act promptly on the recommendation.

28 “(g) The Legislative Equity Officer or an offsite process counselor
29 that has received a confidential disclosure under subsection (10) of this
30 rule may recommend interim safety measures under this subsection

1 if requested by the individual making a disclosure under subsection
2 (10) of this rule, except that the interim safety measure may not:

3 “(A) Identify the individual making the confidential disclosure
4 without the consent of the individual; or

5 “(B) Penalize or place the person who is the subject of the disclo-
6 sure in a worse position than before the disclosure was made.

15 the committee; and

16 “(B) Direct the Legislative Equity Officer to enter into one or more
17 contracts with individuals who meet the standards and criteria estab-
18 lished by the committee, to serve as an independent investigator under
19 this rule.

20 “(b) An investigation that is to be conducted under this subsection
21 shall be conducted promptly and shall be completed as soon as is
22 practicable. The investigation must be completed within 84 days from
23 the date the complaint is made, except that the Legislative Equity
24 Officer may extend the time by which the investigation must be com-
25 pleted if the independent investigator provides advance notice to the
26 complainant and the respondent of the extension and an explanation
27 justifying the extension.

28 “(c) The independent investigator shall keep the complainant and
29 the respondent apprised of the investigation timeline and the status
30 of the investigation at the outset of an investigation, on a regular

1 basis thereafter and upon request of the complainant or respondent.

2 “(d)(A) The independent investigator shall use best practices in
3 conducting the investigation and shall make findings of fact relevant
4 to the allegations. The investigator shall prepare draft written findings
5 of fact at least eight days before the investigation must be concluded
6 under paragraph (b) of this subsection and shall provide the draft
7 written findings to the complainant and the respondent.

8 “(B) If the respondent is someone other than a member of the
9 Legislative Assembly, the draft written findings shall also contain a

12 “(C) The complainant and the respondent may give responses to the
13 draft written findings to the investigator within seven days of receiv-
14 ing the draft.

15 “(D) The independent investigator shall consider responses supplied
16 under subparagraph (C) of this paragraph and shall prepare a final
17 report that sets forth the investigator’s findings of fact. If the re-
18 spondent is someone other than a member of the Legislative Assem-
19 bly, the final report should also include a determination by the
20 investigator of whether the facts constitute a violation of this rule.

21 “(e)(A) If a member of the Legislative Assembly is the respondent,
22 the independent investigator shall deliver the final report to the
23 complainant, the respondent and the committee on conduct for the
24 chamber in which the respondent serves on or before the date estab-
25 lished under paragraph (b) of this subsection for the completion of the
26 investigation.

27 “(B) The complainant and the respondent may each submit to the
28 appropriate committee on conduct a written challenge to the factual
29 findings set forth in the final report within seven days of receipt of the
30 report. A challenge must identify the factual findings that are the

1 **subject of the challenge and articulate the reason those findings are**
2 **in error.**

3 **“(C) The committee on conduct shall conduct a hearing on the**
4 **allegations made in the complaint and the investigator’s final report**
5 **within 14 days of receiving the report from the investigator. The**
6 **committee shall permit the complainant and the respondent to appear,**
7 **present documents and physical evidence and suggest witnesses. The**
8 **committee may determine to hear witnesses, but only committee**
9 **members may question witnesses.**

10 **“(D) At the hearing or a subsequent hearing, the committee on**
11 **conduct shall deliberate and:**

12 **“(i) Make a final determination of facts;**

13 **“(ii) Make a final determination of whether the facts constitute a**
14 **violation of this rule; and**

15 **“(iii) If the determination is that a violation of this rule occurred,**
16 **prescribe or recommend remedies as described in subsection (15) of**
17 **this rule.**

18 **“(f) If a member of the Legislative Assembly is the respondent and**
19 **irrevocably resigns the member’s office at any time after the conduct**
20 **complaint is made, the investigation described in this subsection and**
21 **the committee on conduct hearing and final committee determinations**
22 **described in paragraph (e) of this subsection shall nevertheless take**
23 **place.**

24 **“(g)(A) If someone other than a member of the Legislative Assem-**
25 **bly is the respondent, the independent investigator shall deliver the**
26 **final report, including proposed findings of violations, to the**
27 **complainant, the respondent and:**

29 **ployee in a nonpartisan staff position, to the respondent’s appointing**
30 **authority.**

1 “(ii) In the case of a respondent who is a Legislative Branch em-
2 ployee in a partisan staff position, to the respondent’s appointing au-
3 thority and to the committee on conduct of the chamber with which
4 the employee is affiliated.

5 “(iii) In the case of a respondent who is a State of Oregon employee
6 but not a Legislative Branch employee, to the Legislative Adminis-
7 trator and the respondent’s agency director.

8 “(iv) In the case of a respondent who is a lobbyist, employee of a
9 contractor or member of the public, to the Legislative Administrator.

10 “(B) A nonpartisan staff appointing authority who receives the in-
11 dependent investigator’s final report under subparagraph (A)(i) of this
12 paragraph, or the Legislative Administrator upon receiving the inde-
13 pendent investigator’s final report under subparagraph (A)(iii) or (iv)
14 of this paragraph, shall determine remedial measures described in
15 subsection (15) of this rule within 14 days of receiving the
16 investigator’s final report.

17 “(C) The appropriate committee on conduct that receives the inde-
18 pendent investigator’s final report under subparagraph (A)(ii) of this
19 paragraph shall make a recommendation on remedial measures de-
20 scribed in subsection (15) of this rule to the supervising member of the
21 Legislative Assembly within seven days of receiving the investigator’s
22 final report. The supervising member of the Legislative Assembly shall
23 consider the recommendations and make a final determination on the
24 remedial measures within 14 days of receiving the investigator’s final
25 report.

26 “(15) Remedial measures.

27 “(a) In a case where the respondent is a member of the Legislative
28 Assembly and the appropriate committee on conduct has made a de-
29 termination under subsection (14)(e) of this rule that a violation of
30 this rule has occurred, the committee shall impose any remedy that

1 is sufficient to reprimand the member and deter future conduct that
2 violates the rule, including but not limited to a reprimand, monetary
3 fine or other remedy that the committee determines is appropriate
4 under the circumstances, except that:

5 “(A) If the committee recommendation is to expel the member, the
6 committee shall report that recommendation to the full chamber,
7 which shall act on that recommendation at its earliest opportunity;
8 and

9 “(B) If the committee recommendation is to remove the member
10 from one or more committees to which the member is assigned, the
11 committee shall report that recommendation to the presiding officer
12 of that chamber.

13 “(b)(A) In a case where the respondent is a Legislative Branch em-
14 ployee in a nonpartisan staff position, the appointing authority, in
15 consultation with the Human Resources Director, shall determine an
16 appropriate remedy that is consistent with the independent
17 investigator’s determination that the respondent violated the require-
18 ments of this rule.

19 “(B) The respondent may appeal the investigator’s final report or
20 any remedial measure imposed under this paragraph after the report
21 has been delivered to the appointing authority but no later than seven
22 days after the imposition of remedial measures under this subsection,
23 except that any appeal must be based only on:

24 “(i) Newly discovered evidence that was not taken into account by
25 the investigator;

26 “(ii) A claim of process error that is being asserted by the appellant;
27 or

28 “(iii) A claim that the investigator or the person or committee that
29 imposed a remedy acted with bias.

30 “(C) The appeal may be made to the Joint Committee on Conduct.

1 “(c)(A) In a case where the respondent is a Legislative Branch em-

5 investigator’s determination that the respondent violated the require-
6 ments of this rule. The committee’s recommendation shall be made
7 to the member of the Legislative Assembly for whom the respondent
8 works.

9 “(B) The member shall determine the appropriate remedy within
10 the time prescribed in subsection (14)(g)(C) of this rule and shall notify

14 that the remedial measures imposed were substantially different from
15 the remedial measures recommended by the committee, the officer
16 shall notify the committee of the disparity. The committee may hold
17 a hearing and may impose a remedy.

18 “(D) The respondent may appeal the investigator’s final report or
19 the remedial measure imposed under this paragraph to the committee

24 “(d)(A) In a case where the respondent is a lobbyist, employee of a
25 contractor or other person who is present in the State Capitol for
26 professional or work reasons, or is a member of the public, and the
27 independent investigator’s final report determines that a violation of
28 this rule has occurred, the Legislative Administrator shall determine
29 an appropriate remedy that is consistent with the investigator’s de-
30 termination. The respondent may appeal the investigator’s final report

1 or the remedy determined by the Legislative Administrator to the co-
2 chairs of the Legislative Administration Committee within seven days
3 of the Legislative Administrator's determination, except that any ap-

5 this subsection.

6 “(B) If the respondent is a lobbyist, employee of a contractor or
7 other person who is present in the State Capitol for professional or
8 work reasons, the Legislative Administrator shall provide notice of the
9 proposed remedy under this paragraph to the respondent and the
