

Requested by Senator THATCHER

**PROPOSED AMENDMENTS TO
A-ENGROSSED HOUSE BILL 2395**

1 On page 1 of the printed A-engrossed bill, delete lines 12 and 13 and in-
2 sert:

3 “(b) ‘Consensus standard’ means a standard that a standards development
4 organization with national or industry-wide recognition promulgates.

5 “(c) ‘Manufacturer’ means a person that manufactures, imports or con-
6 tracts with another person to manufacture on the person’s behalf a connected
7 device that is sold or offered for sale in this state.”.

8 In line 14, delete “(c)” and insert “(d)”.

9 Delete lines 18 through 25 and insert:

10 “(2) A manufacturer shall equip a connected device with reasonable se-
11 curity features. A reasonable security feature may consist of:

12 “(a) A means for authentication from outside a local area network, in-
13 cluding:

14 “(A) A preprogrammed password that is unique for each connected device;
15 or

16 “(B) A requirement that a user generate a new means of authentication
17 before gaining access to the connected device for the first time;

18 “(b) Equipping a connected device with means to protect from unauthor-
19 ized access, destruction, use, modification or disclosure that are consistent
20 with a consensus standard, if the consensus standard addresses commonly
21 known or reasonably foreseeable vulnerabilities in the connected device as

1 of the date on which the person manufactured the connected device; or
2 “(c) Compliance with requirements of federal law or federal regulations
3 that apply to security measures for connected devices.”.
