

Requested by Representative ALONSO LEON

**PROPOSED AMENDMENTS TO
A-ENGROSSED SENATE BILL 698**

1 On page 1 of the printed A-engrossed bill, delete lines 9 and 10 and insert
2 “pharmacy bear a label in both English and in the language requested and,
3 if authorized by the board by rule, include an informational insert in both
4 English and the language requested. The rules adopted”.

5 Delete lines 13 through 22.

6 On page 2, delete lines 1 through 16 and insert:

7 “(b) Determine the pharmacies to which the requirements of this section
8 apply, and include at least retail drug outlets and other drug outlets that
9 dispense prescription drugs.

10 “(c) Determine for which prescription drugs it is appropriate to include
11 an informational insert in addition to the label. In adopting rules under this
12 paragraph, the board shall consider the complexity and length of the di-
13 rections for use of the prescription drug.

14 “(d)(A) Require that labels and informational inserts be available in at
15 least 14 languages other than English that are spoken in Oregon by indi-
16 viduals who are of limited English proficiency, as determined by the most
17 recent American Community Survey from the United States Census Bureau
18 and in consultation with the Oregon Health Authority and other necessary
19 resources.

20 “(B) Require the board to reassess, and update as necessary, the languages
21 described in this paragraph at least once every 10 years, in consultation with

1 the authority and other stakeholders.”.

2 After line 24, insert:

3 “(3) This section does not apply to an institutional drug outlet.”.

4 In line 25, delete “(3)” and insert “(4)”.

5 In line 26, delete “(4)” and insert “(5)”.
