Public Hearing and Possible Work Session

HB 4068

Requires Director of Department of Consumer and Business Services to amend state building code to create electric vehicle charging infrastructure requirements for new construction of certain buildings.

Public Hearing

HB 4105

Prohibits state agencies from authorizing construction of new infrastructure for exploration, development or production of oil or gas on state-owned real property or for transportation of oil or gas across state-owned real property.

Work Session

HB 4066

Authorizes Public Utility Commission to allow electric companies to recover costs for prudent investments or expenses in infrastructure measures that support adoption of electric vehicles if certain criteria are met.

HB 4067

Authorizes Public Utility Commission to consider differential energy burden and other inequities of affordability in rates.

Note change: HB 4024 has been removed.
