RE: Support for House Bill 4140

Dear Representative Doherty and other members of House Committee on Education,

My name is Amanda Perez. I am a research assistant at the Center on Brain Injury Research and Training at the University of Oregon. I support this House Bill 4140 because I believe that having an accommodation form to be used immediately following a concussion in schools would be very beneficial to students and their recovery.

Thank you for your consideration.

Sincerely,

Amanda Perez
