Senators,

As a native Oregonian of 55 years, I want to let you know I am adamantly apposed to SB1530. As a blue collar worker, I am sad to see such a bill that would destroy rural Oregon as we know it today. As a citizen of Yamhill county for all of my life, might I recommend cleaning up the more populated counties of multnomah and Lane counties prior to attempting to direct us on how we conduct our lives.

Please listen to the rural counties and stand against this and all Cap and Trade bills.

Thank you for your time,
