

I have used Kratom for 5+ years and have turned hundreds of people, in my Kentucky city, onto it with the intention getting them off of prescription painkillers and illegal opiates.

If Kratom wasn't legal, there would have been hundreds, if not thousands more opiate overdoses---right here in KY and our great country of the USA. I am proud to say I am not one of those statistics, though I may be labeled a Legal Kratom user.

Please do not ban!! Amend or regulate & keep Kratom legal!

Thx,  
A.N.
