

☐

I have Fibromyalgia, Rheumatoid Arthritis, Osteo-Arthritis. Kratom has given me back my life. By taming my pain, relieving me of fatigue so that I can be a wife and a productive person to our community. I haven't had to take my pain pills in approx. 8 months.

I have been given a new lease on life. And with a God-given plant.

Please, please don't take this away from us.
