

I am writing as a member of the American Association of University Women or OR (AAUW).

We support House Bill 4076 which creates a Task Force to study the problem of age discrimination in Oregon and to make a recommendation for legislative action.

Age discrimination is real. One's obligation to provide shelter, food and clothing for oneself and one's family members doesn't end at age 50, 55, or 60. Sadly this problem has been allowed to go on too long.

Thank you for your service to the citizens of Oregon.
