

It troubles me greatly to see proposed HB-4034.

My name is Stormy Ray. As Executive Chief Officer for the Stormy Ray Cardholders' Foundation and Co-Chief Petitioner for M-67 that passed creating the Oregon Medical Marijuana Act of 1998, we need your support!

I ask you for the thousands of patients that receive reduction of pain, relief of distress and experience a better quality of life to vote "No" on HB-4034.

There are frantic calls and fear stricken patients that fear loosing their grower, garden and medicine!

Please ask your colleges to remember the thousands of Oregonians in all walks of life this bad bill would effect.

The recreational market does not allow enough medication for patients. The products are to expensive and there are fewer than 5 medical marijuana Dispensaries in all of Oregon.

We need all Dispensaries to honor OMMA!

God Bless You!

Stormy Ray
