

Dear Sir,

If allowed to pass - these new laws would truly be a travesty.

There is no reason to require defense weapons be locked up and out of immediate reach for protection. There is no reason that one should be held libel because their property was stolen and used 2 years in the future for a crime. Would you say if you sold your car - you should be libel for an accident caused by the new owner. It really is ridiculous.

I'd like to see all of the new gun bills thrown out - please do not let these bills go through -

Thank you,

Collin Summers
