

Oregon Legislators,

Please tell me what HB 4005 will do to penalize the criminals who will take advantage of this ridiculous bill?

What in HB4005 will keep me and my 71 year old wife safer as a result?

What in HB 4005 will make Kate Brown and the gun grabbers of Oregon suddenly be satisfied to an extent that will cause these liberals to stop trying to infringe on our 2nd Amendment rights?

If you can't satisfactorily answer these three questions, then please know I and every taxpaying Oregonian should make removing Kate and her cronies from office our #1 priority in 2020.

I will look forward to a reply.

Sincerely,
Taxpaying, Constitution Supporting Oregonian,
