Subject: Don't delay passing SB 1530!
Date: Monday, February 3, 2020 5:41:10 PM

Dear Chair Dembrow and Members of the Committee,

I support strong action on climate change.

I have an eleven year old son and I want to be able to give him hope for our planet's future — and his own. You and your colleagues have children and grandchildren who deserve your commitment to ensuring a safe and healthy future. Your actions will show whether you are taking this commitment seriously.

Please don't delay passing SB 1530 this session.

Abigail Marble, lifelong Oregonian
