

OREGON OFFICE OF EMERGENCY MANAGEMENT

Senate General Government & Emergency Preparedness Committee

Senate Bill 1537

5 FEB 2020

Andrew Phelps
Director

Building a Culture of Preparedness

- Individual and community preparedness initiatives
- Capacity and capability at all levels of government
- OEM staff levels
- Local staff levels
- FEMA Integration Team

Prepared For 2 Minutes

- Timely and accurate warnings save lives
- Earthquake Early Warning/ShakeAlert implementation
- Capacity to warn *nearly* all natural hazards
- You receive an alert... and then...?
- Education and outreach for the first 2 minutes of the first 2 weeks post-Cascadia

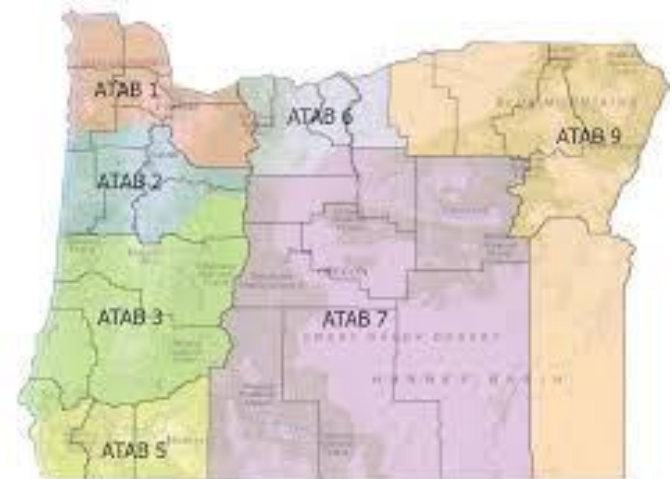

Prepared For At Least 2 Weeks

- Oregon's First in the Nation 2 Weeks Ready campaign
- Define, Measure and Incentivize Preparedness at the Household Level
- Direct Support to Local and Tribal Emergency Management
- Direct Connection to State Response and Recovery Efforts

What would **YOU** do **2** minutes
hours
days
weeks
after Cascadia? 

Get your family **2** WEEKS READY    

Prepared For 2 Weeks and Beyond

- Logistics Staging Base Program
- All Hazard Incident Management Team Program
- Ensure Aid Can Be Received, Tracked and Distributed

The Best Time to Prepare is Yesterday...
