Community Host Homes for Youth Discussion

Event Description

Community members and staff from local non-profit and county agencies, mediation centers, homeless shelters and school districts have been invited to this event, as part of an effort to increase the availability of host homes for unaccompanied homeless youths in Oregon. Regional data will be shared along with a discussion of services available locally. The Second Home model will be presented, followed by a survey to assess community interest in pursuing a host home program.

[Register Here](#) to attend this discussion session from 3:30-5:00 PM at any one of the following sites:
