

To: Members of the Senate Committee on Education  
From: Christian ONeal, Aveda Institute Portland Cosmetology Student  
Subject: SB 1544, in opposition  
Date: February 5<sup>th</sup>, 2020

I am a dependent of a veteran and my wife is also using the GI bill to further out education and be in a better position to take care of our family. I oppose this bill that will limit low income family's educational opportunities.

Please allow veterans and the families of veterans to continue using this bill and oppose the legislation of SB 1544.

Sincerely,

Christian ONeal
