---

Hello Senator Gelser~

Hope the short session is off to a good start for you. The Oregon Distillers are pushing to get legislation passed to reduce the amount we pay on bottle sales in our tasting room. Currently, we pay close to 30 percent to OLCC for every bottle we sell out of our tasting room in Albany. It's hard to pay that much when OLCC doesn't touch the bottle. We're a small business and every dollar counts for us. I hope we can have your support in SB 1565.

The Oregon Distillers Guild is having a get together at Ritter's Housemade Foods at 102 Liberty Street, Salem on Thursday, Feb. 13 from 4:30 to 7:30. I hope you and your staff can join us.

Sincerely,  
Jamie
