

This is a direct infringement on our 2nd Amendment rights, and is unconstitutional. Stop going after the law abiding gun owners of America, and enforce the laws against the criminals who misuse these firearms. Why is there nothing in this bill to address, and put the onus on the criminals, for the unlawful use of these guns? They are the ones who do not care about these laws you pass. I do not own a gun, other than a BB/Pellet gun. But I am strongly contemplating purchasing one. You are making criminals out of law abiding citizens, and giving the criminal element a pass. This is not right, and you will pay dearly in the next election, if this passes. Maybe even pay just for trying to push this piece of garbage through. You are not a friend to the law abiding citizen.

Think about your political futures.

Sincerely,
