**Subject:** Please support Climate Change Legislation  
**Date:** Thursday, February 6, 2020 7:43:42 AM

---

I have lived in Oregon for over 50 years of my life. I feel very strongly that the Climate Change Legislation be passed on the 11th of this month and that Oregon remains a firm advocate for the health of our environment and our people. It is critical that we all do everything that we can to protect our air and water and land for future generations. Thank you for your service to our state and ultimately our world.
