

I urge you to throw away HB4005, such requirements to lock up firearms has been ruled unconstitutional by the Supreme Court.

"The requirement that any lawful firearm in the home be disassembled or bound by a trigger lock makes it impossible for citizens to use arms for the core lawful purpose of self-defense and is hence unconstitutional," - Justice Antonin Scalia

It also places burdens on the law abiding citizens that will do nothing to decrease crime. It only serves to infringe on our rights. Pass laws that punish criminals for committing crimes. Do you not believe in self defense and community oriented policing strategies? Why pass laws that give criminals greater confidence that they will be facing unarmed victims?
