

Any bill you pass is a violation of the 2nd Amendment of the CONSTITUTION of the UNITED STATES of AMERICA. You high and mighty people whom think you know what's best are way off base here. Your gun laws will do NOTHING but turn a law abiding citizen into a criminal while the REAL criminals are not effected at all. How about you make our law enforcement go after the REAL criminals instead of making us new criminals. Your law will ONLY put more citizens in danger because who has time to unlock there protection when someone is inside there home???
