

This bill, HB 4005, is an open violation of the second amendment.
How dare anyone vote for this. It will only lead to trouble.
It will do nothing to stop crime. It will cause those with criminal intent
to become even more bold. To think this bill would enhance a safer society is foolishness! Locking up
guns makes them useless if and when they are needed.
I think what would be a better solution is have mandatory gun safety
classes for all gun owners.

DON'T VOTE AGAINST OUR CONSTITUTIONAL RIGHTS!!!
