

To: House Judiciary Committee
Subject: HB 4005

Dear committee members,
I am deeply disappointed that you are once again trying to create criminals out of legal firearm owners.

Why don't you create a bill that if you own a car it must be kept in a locked garage unless you're driving it. If the car is stolen you are responsible for all of the damages. Seems a little ridiculous doesn't it?

"The right of the people to keep and bear arms, shall not be infringed"

The people of the state do not want these crazy regulations.

I urge you to kill this bill in committee.

Thank You
