

To whom it may concern

I am writing you to make you aware of my opposition to the oregon gun lock down rule. This proposed law will only enable criminals and punish law abiding gun owners. Call me traditional but I believe if you are a victim of a crime you should not be responsible for the criminals actions. That is the nicest way I can put it. This mentality of letting criminals do anything they want and punishing the victim is asinine. The hard working people of Oregon are fed up with "progressive" ideology. frankly it is just an attack on legal gun owners and will do nothing but put innocent lives in danger of criminals given a free pass. If you want to curb gun violence enforce the laws already on the books and quit releasing violent criminals and illegals in to our cities. It is just common sense.

Thank you for your time
