

To whom it may concern,

I am writing in opposition to HB 4005.

These are my comments:

"HB 4005 is wholly unconstitutional and violates the United States Bill of Rights and Oregon's constitution.

It is unlawful and draconian.

It should not exist and I am wholly opposed to it.

Sincerely,

Russ Ebert,

Oregon City"

Please record my thoughts on this for the hearing of HB 4005 on February 7th, 2020 at 1pm.
